*The Secrets Within* Sandra Lockett-courtney 2009-12-30

*HoopHandbook* Dre Baldwin 2017-09-28 Scorers always have a team to play for. They're the payers who get picked first, get the biggest contracts, and have the most fans. The winner of every game is determined by the score. Those who can score are commonly known as the best players. When the game is on the line, who gets the ball? The player who can score. Offensive systems are built around the best scorer's abilities. Scoring just one time can snap any player out of a slump. There's a magic to being able to create points in basketball, and those who do it well are the magicians. It's about time you joined this group. The Scoring Moves HoopHandbook covers every area of scoring, from your footwork to ball handling to finishing. You will learn how to break down defenses and defenders, creating your own opportunites when you wish, not just when you're allowed. It's time you stepped into the spotlight.

*The Vertical Jump Secrets* T.B. Hoops 2020-04-09 All the secrets to jumping higher! Learn how gain 10-12 inches on your vertical jump! Learn exactly how to dunk a basketball! A must for anyone looking to improve their vertical jump!

Raise Your Game Alan Stein 2019-01-08 Performance coach Alan Stein Jr. shares the secret principles used by world-class performers that will help you improve your productivity and achieve higher levels of success. High achievers are at the top of their game because of the discipline they have during the unseen hours. They have made a commitment to establish, tweak, and repeat positive habits in everything they do. RAISE YOUR GAME examines the top leaders in sports and business and proves that success is a result of the little things we do all the time. The basic principles provided in RAISE YOUR GAME are simple, but not easy. We live in an instantly downloadable world that encourages us to skip steps. We are taught to chase what's hot, flashy and sexy and ignore what's basic. But the basics

work. They always have and they always will. RAISE YOUR GAME will inspire and empower you to commit to the fundamentals, create a winning mindset, and progress into new levels of success.

[The Midrange Theory](#) Seth Partnow 2021-11-16 From one of basketball's foremost experts in the field of analytics, a fascinating new perspective on how to watch and think about the game. At its core, the goal of any basketball team is relatively simple: take and make good shots while preventing the opponent from doing the same. But what is a "good" shot? Are all good shots created equally? And how might one identify players who are more or less likely to make and prevent those shots in the first place? The concept of basketball "analytics," for lack of a better term, has been lauded, derided, and misunderstood. The incorporation of more data into NBA decision-making has been credited—or blamed—for everything from the death of the traditional center to the proliferation of three-point shooting to the alleged abandonment of the area of the court known as the midrange. What is beyond doubt is that understanding its methods has never been more important to watching and appreciating the NBA. In *The Midrange Theory*, Seth Partnow, NBA analyst for *The Athletic* and former Director of Basketball Research for the Milwaukee Bucks, explains how numbers have affected the modern NBA game, and how those numbers seek not to "solve" the game of basketball but instead urge us toward thinking about it in new ways. The relative value of Russell Westbrook's triple-doubles Why some players succeed in the playoffs while others don't How NBA teams think about constructing their rosters through the draft and free agency The difficulty in measuring defensive achievement The fallacy of the "quick two" From shot selection to evaluating prospects to considering aesthetics and ethics while analyzing the box scores, Partnow deftly explores where the NBA is now, how it got here, and where it might be going next.

[Basketball Shooting](#) Dave Hopla 2012 Describes the skills and strategies for effective basketball shooting, covering long-range three-pointers, jumpers, bank shots, and free throws, and includes tips, techniques, and drill exercises for individuals and teams.

[The Indian Leader](#) 1939

*Changing the Game* John O'Sullivan 2013-08-01 PERPERience to take us behind the scenes of competitive youth sports, and demonstrates how they have changed from being a fun pastime to an ultra competitive, adult centered enterprise that is failing our children.

[The Secret Diary of Mona Hasan](#) Salma Hussain 2022-05-03 Mona learns to find her voice over the course of a year that sees her immigrating from Dubai to Canada in this novel for fans of *Front Desk* by Kelly Yang. Mona Hasan is a young Muslim girl growing up in Dubai, United Arab Emirates, when the first Gulf War breaks out in 1991. The war isn't what she expects — "We didn't even get any days off school! Just my luck" — especially when the ground offensive is over so quickly and her family peels the masking tape off their windows. Her parents, however, fear there is no peace in the region, and it sparks a major change in their lives. Over the course of one year, Mona falls in love, speaks up to protect her younger sister, loses her best friend to the new girl at school, has summer adventures with her cousins in Pakistan, immigrates to Canada, and pursues her ambition to be a feminist and a poet.

*Basketball: 30 Days to Tryouts* Dre Baldwin 2018-03-02 I still remember tryouts day, my senior year of high school. I hadn't made the team for my first three years, though I knew I had enough game to be on the team. In fact, I felt I was better than some players who were on the damn team. But, the fact was, I hadn't proved it yet -- at least not when or where it mattered, or in front of whom it mattered. Until that happened, all the game I believed I had would remain a secret. I'd be the greatest not-on-a-team player in history. QUOTE "I hadn't proved it yet -- at least not when or where it mattered, or in front of whom it mattered." We got out of school early on tryouts day my senior year, 12 noon, but basketball tryouts were held at the normal after-school time of 3pm. I walked to McDonald's to get a meal (this was way before I knew anything about nutrition), then came back to the school. Many of the boys who were also trying out had congregated in the auditorium to pass the time until tryouts, but I wanted to be alone. I didn't feel like talking, laughing or even listening to people. I just wanted to get my mind right for what I needed to do. I went to the 3rd floor and grabbed a chair next to my locker. I read the latest copy of SLAM magazine and bided my time. This was about to be my last chance to prove myself in basketball, my last chance to prove that all the time I'd spent on those sweltering outdoor courts had been for a purpose. I didn't want to make the basketball team. I needed to make the basketball team. QUOTE I didn't want to make the basketball team. I needed to make the basketball team. If you read my first book *Buy A Game* (you should read it, because it's free at [DreAllDay.com/Game](http://DreAllDay.com/Game)), you know what happened: I finally made the team my senior year, and the rest is history. I walked on in college, got recruited to another college after my freshman season, and played 9 years of professional basketball in 8 countries. During this process, in 2006, I began publishing videos to a new site called YouTube. Over the course of over 7,000 videos, many players asked questions about a shared challenge that has kept myriad players from advancing in basketball: Performing at tryouts. Some of the most common questions: \* How can I best impress the coach at tryouts? \* What can I do to stand out? \* What position should I play at tryouts? \* What if I'm not allowed to play my normal position during tryouts? \* How can I get the returning players to respect my game? \* What mindset should I have during tryouts? \* What can I do to better my skills, with only a week's time before tryouts? \* Should I get hyped up before tryouts, or remain calm and steady? \* I didn't make it this year. Can you tell me exactly what I should do to get ready for tryouts next season? \* I feel like my career will be over before it starts if I don't make the team -- can you PLEASE help me get ready for tryouts? To address these questions and others on the subject of basketball team tryouts, I created this workbook, *30 Days To Tryouts. How It Works* I will share with you 30 pieces of information, suggestions and calls to action that will have you ready for your next basketball tryout. The information in this workbook applies to all levels of tryouts, from middle school to professional teams. By completing this workbook, you will: \* Know exactly what will be expected of you at tryouts \* Understand your ideal mindset for playing your best, and know how to get into this mindset at any time \* Be able to relax yourself and defeat any possible nerves or performance anxiety before tryouts \* Perform to the best of your ability at tryouts, definitively securing the roster spot you covet

Training Volleyball Katrin Barth 2007 Volleyball is one of the fastest growing sports in Europe, loved for its fast pace and competitive nature, but mostly because it is great fun that can be enjoyed by virtually anyone. Aimed at those with a basic grasp of the game, "Training...Volleyball" teaches readers how to improve and optimize their skills for setting, forehand, and over .....

**Bought with a Price** James M. Doherty 2014-06-13 Bought with a Price takes you inside the lives and principles of the life of Patrick E. Doherty, a father of eight, grandfather of thirty-four, and great-grandfather of eleven. The priorities he lived by and the love he demonstrated in raising his children serve as a parents' guide to raising children in an environment of faith and family. His simple, straightforward views are timeless. On happiness, he said, "You will never be happy in life until you learn to celebrate the success of others." On conflict resolution: "Always give people the chance to do the right thing." He loved His Lord and lived an unapologetic life dedicated to His service. His life ended with a four-year battle with esophageal cancer. This narrative recalls the way he fought the battle and the self-examination this imposed on our family. We open up some very personal letters, poems, wedding vows, and decisions from various family members that demonstrate the principles of my father in the hopes that you can benefit from our experience.

Coaching Basketball For Dummies The National Alliance For Youth Sports 2011-02-09 So you're thinking about volunteering to coach youth basketball? Great! You're in for a fun, rewarding experience. Whether you're new to the sport and looking for some guidance or you're a seasoned coach hunting for some fresh tips, Coaching Basketball For Dummies will help you command the court with confidence. Each friendly chapter is packed with expert advice on teaching the basics of basketball—from dribbling and shooting to rebounding and defending—and guiding your kids to a fun-filled, stress-free season. You get a crash course in the rules and regulations of the game, as well as clear explanations of what all those lines, circles, and half-circle markings mean on the court. You'll assign team positions, run great practices, and work with both beginning and intermediate players of different age groups. You'll also see how to ramp up your players' skills and lead your team effectively during a game. This book will also help you discover how to: Develop your coaching philosophy Understand your league's rules Conduct a preseason parents' meeting—crucial for opening the lines of communication Teach offensive and defensive strategies Keep your kids healthy and injury-free Encourage good sportsmanship Make critical half-time adjustments during a game Help struggling players Address discipline problems and handle difficult parents Coach an All-Star or Travel team Complete with numerous offensive and defensive drills and tips for helping your kids relax before a game, Coaching Basketball For Dummies is the fun and easy way to get the score on this worthwhile endeavor!

**Fieldhouse** Scott Novosel 2017-08-31 Based on actual events, Fieldhouse is the story of Scott Novosel and his journey to play for the Kansas Jayhawks basketball team.

*Power Hitter* C. A. Forsyth 2001-06-04 When Connor's ailing mother sends him to Winnipeg to spend the summer with some distant cousins who seem to care only about baseball, Connor, whose running and fielding skills are all but nonexistent, gives the sport a try and discovers that he has talent as a batter.

**Cheerleading Tryouts** Sara Green 2011-01-01 "Engaging images accompany information about cheerleading tryouts. The combination of high-interest subject matter and narrative text is intended for students in grades 3 through 7"--Provided by publisher.

**Much More Than a Game** Robert F. Burk 2003-01-14 To most Americans, baseball is just a sport; but to those who own baseball teams--and those who play on them--our national pastime is much more than a game. In this book, Robert Burk traces the turbulent labor history of American baseball since 1921. His comprehensive, readable account details the many battles between owners and players that irrevocably altered the business of baseball. During what Burk calls baseball's "paternalistic era," from 1921 to the early 1960s, the sport's management rigidly maintained a system of racial segregation, established a network of southern-based farm teams that served as a captive source of cheap replacement labor, and crushed any attempts by players to create collective bargaining institutions. In the 1960s, however, the paternal order crumbled, eroded in part by the civil rights movement and the competition of television. As a consequence, in the "inflationary era" that followed, both players and umpires established effective unions that successfully pressed for higher pay, pensions, and greater occupational mobility--and then fought increasingly bitter struggles to hold on to these hard-won gains.

**The Book of Basketball** Bill Simmons 2010-12-07 NEW YORK TIMES BESTSELLER • The NBA according to The Sports Guy—now updated with fresh takes on LeBron, the Celtics, and more! Foreword by Malcom Gladwell • “The work of a true fan . . . it might just represent the next phase of sports commentary.”—The Atlantic Bill Simmons, the wildly opinionated and thoroughly entertaining basketball addict known to millions as ESPN’s The Sports Guy, has written the definitive book on the past, present, and future of the NBA. From the age-old question of who actually won the rivalry between Bill Russell and Wilt Chamberlain to the one about which team was truly the best of all time, Simmons opens—and then closes, once and for all—every major pro basketball debate. Then he takes it further by completely reevaluating not only how NBA Hall of Fame inductees should be chosen but how the institution must be reshaped from the ground up, the result being the Pyramid: Simmons’s one-of-a-kind five-level shrine to the ninety-six greatest players in the history of pro basketball. And ultimately he takes fans to the heart of it all, as he uses a conversation with one NBA great to uncover that coveted thing: The Secret of Basketball. Comprehensive, authoritative, controversial, hilarious, and impossible to put down (even for Celtic-haters), The Book of Basketball offers every hardwood fan a courtside seat beside the game’s finest, funniest, and fiercest chronicler.

Athlete Vs. Mathlete W. C. Mack 2013-02-05 When their two worlds collide in seventh grade, fraternal twins and opposites Owen and Russell find themselves in direct competition at school, on the court and at home. Simultaneous.

Controversies in Exercise Science Thomas Rowland 2018-10-09 Controversies in Exercise Science introduces a series of selected unresolved issues in the field of human exercise science. The common thread to all of these topics is that, in their ultimate resolution, they offer promise of insights into the essential principles of physiological systems and how these respond to the stresses of exercise. Each case study includes an examination of research surrounding each issue; the innovative aspect, however, will be that each of these controversies will be presented in the context of an historical and/or philosophical perspective. These chapter include topics related to basic exercise physiology, sports, physical activity, and exercise health. Underlying each of these debates lie clues which may offer insights into the basic nature of living beings. Aimed at both academics and practitioners in the fields of exercise science, biology, and related sports science disciplines, Controversies in Exercise Science provides arguments for both sides of several selected contemporary controversies in the field of exercise science and, while no ultimate resolution will be provided, the goal is, rather, to offer the reader sufficient "raw material" on which he or she might make their own judgement on the matters presented.

**Nikki on the Line** Barbara Carroll Roberts 2019-03-05 Nikki wants to be a basketball star... but between school stress, friend drama, and babysitting woes, will she be able to make it on her new team? Judy Blume meets Mike Lupica in this pitch-perfect, action-packed, and funny novel. Thirteen-year-old Nikki Doyle's dreams of becoming a basketball great feel within reach when she's selected to play on an elite-level club team. But in a league with taller, stronger, and faster girls, Nikki suddenly isn't the best point guard. In fact, she's no longer a point guard at all, which leaves her struggling to figure out who she is and how she fits in. The stress piles on as Nikki's best friend spends more and more time with another girl on the team, and when her science teacher assigns a family tree project that will be impossible to complete unless Nikki reveals her most embarrassing secret. As if that's not enough to deal with, to cover the costs of her new team, Nikki has agreed to take care of her annoying younger brother after school to save money on childcare. As the stakes rise on the basketball court, at school, and at home, Nikki's confidence plummets. Can she learn to compete at this new, higher level? And how hard is she willing to work to find out?

**Pee Wees** Rich Cohen 2021-01-12 A New York Times bestselling author takes a rollicking deep dive into the ultra-competitive world of youth hockey Rich Cohen, the New York Times–bestselling author of *The Chicago Cubs: Story of a Curse* and *Monsters: The 1985 Chicago Bears and the Wild Heart of Football*, turns his attention to matters closer to home: his son's elite Pee Wee hockey team and himself, a former player and a devoted hockey parent. In *Pee Wees: Confessions of a Hockey Parent*, Cohen takes us through a season of hard-fought competition in Fairfield County, Connecticut, an affluent suburb of New York City. Part memoir and part exploration of youth sports and the exploding popularity of American hockey, *Pee Wees* follows the ups and downs of the Ridgefield Bears, the twelve-year-old boys and girls on the team, and the parents watching, cheering, conniving, and cursing in the stands. It is a book about the love of the game, the love of parents for their children, and the triumphs and struggles of both.

**The Absolutely True Diary of a Part-Time Indian** Sherman Alexie 2012-01-10 Bestselling author Sherman Alexie tells the story of Junior, a budding cartoonist growing up on the Spokane Indian Reservation. Determined to take his future into his own hands, Junior leaves his troubled school on the rez to attend an all-white farm town high school where the only other Indian is the school mascot. Heartbreaking, funny, and beautifully written, *The Absolutely True Diary of a Part-Time Indian*, which is based on the author's own experiences, coupled with poignant drawings by Ellen Forney that reflect the character's art, chronicles the contemporary adolescence of one Native American boy as he attempts to break away from the life he was destined to live. With a forward by Markus Zusak, interviews with Sherman Alexie and Ellen Forney, and four-color interior art throughout, this edition is perfect for fans and collectors alike.

**Alexis Levi: Boardroom to the Locker Room** Alexis Levi 2013-02-06 Alexis Levi: *Boardroom To The Locker Room* is a rivoting story about the first African American Woman to own a men's professional basketball team. This story is a weave of a thrilling true life story of a modern day hero who risks all to fulfill her passion to live the dream of entering the male dominated industry of professional sports. Read about the struggle not only in her personal life as a "First," in a man's world of fierce competition, and sexist biases. A must read for aspiring, adventures in any industry.

[Jackie Robinson: A Life in American History](#) Courtney Michelle Smith 2021-03-17 Jackie Robinson: *A Life in American History* provides readers with an understanding of the scope of Robinson's life and explores why no Major League baseball player will ever again wear number 42 as his regular jersey number. This book captures Robinson's lifetime, from 1919 to 1972, while focusing on his connections

to the unresolved promise of the Reconstruction Era and to the civil rights movement of the 20th century. In addition to covering Robinson's athletic career with the UCLA Bruins, the Kansas City Monarchs, the Montreal Royals, and the Brooklyn Dodgers, the book explores sociopolitical elements to situate Robinson's story and impact within the broader context of United States history. The book makes deliberate connections among the failure of Reconstruction, the creation of the Negro Leagues, the rise and decline of legalized segregation in the United States, the progress of the civil rights movement, and Robinson's life. Chronological chapters begin with Robinson's life before he played professional baseball, continue with an exploration of the Negro Leagues and Robinson's career with the Brooklyn Dodgers, and conclude with an examination of Robinson's post-retirement life as well as his influence on civil rights. Supplemental materials including document excerpts give readers an opportunity to explore contemporary accounts of Robinson's career and impact. Provides readers with insight into the ways the unfulfilled promise of the Civil War and Reconstruction eras impacted areas of life beyond politics Provides readers with an understanding of how professional baseball reflects American society and vice versa Informs readers that Major League baseball in the 19th century experienced a period of integration before entering a prolonged period of segregation Demonstrates how the effort to reintegrate the Major Leagues was tied to World War II and to efforts to promote integration in other areas of American society Shows Robinson's significance both within and outside of the world of professional baseball

**Video Source Book** 2006 A guide to programs currently available on video in the areas of movies/entertainment, general interest/education, sports/recreation, fine arts, health/science, business/industry, children/juvenile, how-to/instruction.

**Slam Dunk** Kate Jaimet 2009-04-01 Sixteen-year-old Salvador "Slam" Amaro thinks being the assistant coach of the Brookfield High School girls' basketball team will be an easy gig. Show up, run a few drills and pad his resumé so he can win a spot on the Ontario Provincial Under-17 team. But Slam's job suddenly gets a lot harder when the girls' coach and her daughter, the star point-guard, vanish after being threatened. Getting to the bottom of their disappearance puts Slam in confrontation with a mysterious stalker. But that's not his only problem. With the girls facing playoff elimination, Slam has to come up with some new coaching strategies while he battles some tough competitors for a place on the Ontario squad.

**Work On Your Game: Use the Pro Athlete Mindset to Dominate Your Game in Business, Sports, and Life** Dre Baldwin 2019-02-22 Your game plan for career success—from International Basketball Pro Dre Baldwin No one knows how to turn unrelenting self-belief into hard-and-fast career results better than Dre Baldwin. When everyone and everything was telling him to give up on his goal of playing pro basketball, he got focused on his future, and met the challenge head on. In the end, Baldwin succeeded—making a living playing basketball in leagues around the world—and in these pages, he shares all his secrets. Whether you're just starting out in business or looking to take your career to the next level, *Work On Your Game* provides the strategy you need to succeed from the inside-out. It's based on discipline, confidence, mental toughness, and personal initiative—and it's proven effective. Baldwin takes you through the steps of identifying what's expected of you, preparing for what's coming, and conditioning your body and mind for the competitive world of business—and everything is a business. Baldwin's personal story of beating the odds is both inspiring and instructional. You'll learn how to play the mental game in a way that launches you towards unparalleled achievement.

Cheerleading Professionals Sara Green 2011-01-01 "Engaging images accompany information about cheerleading professionals. The combination of high-interest subject matter and narrative text is intended for students in grades 3 through 7"--Provided by publisher.

Athletic Journal 1965 Vols. 9-12 include proceedings of the 8th-11th annual meeting of the American Football Coaches Association and of the National Association of Basketball Coaches of the United States, 3d-6th annual meeting.

The Legends Club John Feinstein 2017-02-21 On March 18, 1980, the Duke basketball program announced the hiring of Mike Krzyzewski, the man who would restore glory to the team. The only problem: no one knew who Krzyzewski was. Nine days later, Jim Valvano was hired by North Carolina State to be their new head coach. The hiring didn't raise as many eyebrows, but the two new coaches had a similar goal: to unseat North Carolina's Dean Smith as the king of college basketball. And just like that, the most sensational competitive decade in history was about to unfold. In the skillful hands of John Feinstein, *The Legends Club* captures an era in American sport and culture, documenting the inside view of a decade of absolutely incredible competition. Feinstein pulls back the curtain on the recruiting wars, the intensely personal competition that wasn't always friendly, the enormous pressure and national stakes, and the battle for the very soul of college basketball.

The Sporting News 1979-04

**Scholastic Coach** 1966

**Coaching Youth Basketball** American Sport Education Program 1996 A book for youth basketball coaches and parents working with 6 to 14 year old athletes, describing in detail how to teach kids important basketball skills and strategies at a level that's just right for them.

**Secrets of an Old Typewriter: Stories from a Smart and Sassy Small Town Girl** Susie Duncan Sexton 2011-08-29

**Play Their Hearts Out** George Dohrmann 2012-02-07 "A tour de force of reporting" (The Washington Post) from a Pulitzer-prize winning journalist that examines the often-corrupt machine producing America's basketball stars "Indispensable."—The Wall Street Journal "Often heart-breaking, always riveting."—The New York Times Book Review "Tremendous."—The Plain Dealer Winner of the PEN/ESPN Award for Literary Sportswriting • Winner of the Award for Excellence in the Coverage of Youth Sports Using eight years of unfettered access and a keen sense of a story's deepest truths, journalist George Dohrmann reveals a cutthroat world where boys as young as eight or nine are subjected to a dizzying torrent of scrutiny and exploitation. At the book's heart are the personal stories of two compelling figures: Joe Keller, an ambitious coach with a master plan to find and promote "the next LeBron," and Demetrius Walker, a fatherless latchkey kid who falls under Keller's sway and struggles to live up to unrealistic expectations. Complete with a new "where-are-they-now" epilogue by the author, *Play Their Hearts Out* is a thoroughly compelling narrative exposing the gritty reality that lies beneath so many dreams of fame and glory. One of GQ'S 50 Best Books of Literary Journalism of the 21st Century • One of the Best Books of the Year: Los Angeles Times, The Christian Science Monitor, Kirkus Reviews This edition includes an exclusive conversation between George Dohrmann and bestselling author Seth Davis.

**Video Sourcebook** Thomson Gale 2007-10 From classroom aids to corporate training programs, technical resources to self-help guides, children's features to documentaries, theatrical releases to straight-to-video movies, The Video Source Book continues its comprehensive coverage of the wide universe of video offerings with more than 130,000 complete program listings, encompassing more than 160,000 videos. All listings are arranged alphabetically by title. Each entry provides a description of the program and information on obtaining the title. Six indexes -- alternate title, subject, credits, awards, special formats and program distributors -- help speed research.

*Basketball: Great Writing About America's Game* Alexander Wolff 2018-02-27 From the street game to March Madness to Jordan and LeBron, the greatest writing about the grit, grace, and glory of basketball Made in America, basketball is a sport that stirs a national passion, reaching fever pitch during the NCAA's March Madness and the NBA Finals. Masterfully assembled by longtime Sports Illustrated writer Alexander Wolff, *Basketball* spans eight decades to bring together a dream team of writers as awe-inspiring and endlessly inventive as the game itself. Here are in-depth profiles of the legends of the hardcourt--Russell, Kareem, Bird, Jordan, and LeBron--and storied franchises such as the Knicks and Celtics, along with dazzling portraits of the flash and sizzle of playground ball and more personal reflections on the game by some of America's finest writers, among them Donald Hall, John Edgar Wideman, and Pat Conroy. Highlights include James Naismith recalling how he invented the game that would go on to conquer the world; John McPhee capturing the ever-disciplined Bill Bradley as a Princeton Tiger; Peter Goldman's indelible portrait of the life and death of a Harlem Globetrotter; and Michael Lewis's account of the brave new world of NBA analytics. Classic journalism about inner-city basketball by Pete Axthelm, Rick Telander, and Darcy Frey is joined by stories of the game's popularity across America, from the heartland of Hoosier country to an Apache Reservation in Arizona.
