Killing Bridezilla Laura Levine 2008 Writer-for-hire Jaine Austen signs on to script vows for the ultimate Bridezilla, who wants her wedding to evoke "Romeo and Juliet"--without the downer ending. However, the bride's demise means a tale of woe for Jaine.

Industrial Bulletin Colorado Fuel and Iron Company 1915

The Professor of Immortality Eileen Pollack 2019-10-01 "A tragicomedy about the paradoxes of trying to be a decent human, and—maybe even trickier—of trying to be a decent mom" by the author of *A Perfect Life* (Rivka Galchen, author of *Little Labors*). Professor Maxine Sayers once found her personal and professional life so fulfilling that she founded the Institute for Future Studies, a program dedicated to studying the effects of technology on our culture and finding ways to prolong human life. But when her beloved husband dies, she is so devastated she can barely get out of bed. To make matters worse, her son, Zach, abruptly quit his job in Silicon Valley and has been out of contact for seven months. But Maxine is jolted from her grief by her sudden realization that a favorite former student (and a former close friend of her son) might be a terrorist called the Technobomber and that Zach might either be involved in or has become a victim of this extremist's bombing. Deserting her teaching responsibilities, her ailing mother, and an appealing suitor, Maxine is compelled to set out in search of her son in order to warn and protect him—even though she knows she should report her suspicions to the FBI to prevent greater carnage. "The Professor of Immortality is intimate and sweeping, funny and terrifying, and most of all dead-on in its observations of what it means to want to know everything about people we love while still being frightened of what we might find out: it's a detective story, and a story of motherlove. Eileen Pollack is a splendid writer." —Elizabeth McCracken, author of *Bowlaway* "In this exceptional novel, Eileen Pollack writes with great

immediacy about the impact of grief on a parent's perception of the world. Tender, wry, full of unexpected revelations, *The Professor of Immortality* gripped me from the first scene, and the urgent questions it poses have stayed with me." –Idra Novey, author of *Those Who Knew*

University Babylon Curtis Marez 2019-11-19
From the silent era to the present, film productions have shaped the way the public views campus life. Collaborations between universities and Hollywood entities have disseminated influential ideas of race, gender, class, and sexual difference. Even more directly, Hollywood has drawn writers, actors, and other talent from ranks of professors and students while also promoting the industry in classrooms, curricula, and film studies programs. In addition to founding film schools, university administrators have offered campuses as filming locations. In *University Babylon*, Curtis Marez argues that cinema has been central to the uneven incorporation and exclusion of different kinds of students, professors, and knowledge. Working together, Marez argues, film and educational institutions have produced a powerful ideology that links respectability to academic merit in order to marginalize and manage people of color. Combining concepts and methods from critical university studies, ethnic studies, native studies, and film studies, *University Babylon* analyzes the symbolic and institutional collaborations between Hollywood filmmakers and university administrators over the representation of students and, by extension, college life more broadly.

The African American Student's Guide to Surviving Graduate School Alicia Isaac 1998-05-27
What does it take to get into and through graduate school? What special challenges, opportunities, and issues face an African American graduate student? *The African American Student's Guide to Surviving Graduate School* offers a practical roadmap to help African American students get the most out of their graduate school experience. The book covers a number of issues, including: creating a program of study, financial aid, and the dissertation process. Author Alicia Isaac thoroughly covers the entire graduate process,

offering case studies, anecdotes, words of wisdom from prominent African Americans, checklists, and self-assessment scales to provide a useful guide for students involved in or considering graduate study.

Letters Bienvenido N. Santos 2017-12-02 The award-winning fictionist's treasured personal letters to family, acquaintances, students and friends that continue to tell the story of his life. With black and white photographs.

Scholarships, Grants & Prizes 2013 Peterson's 2012-08-15 Peterson's *Scholarships, Grants & Prizes 2013* is the must have guide for anyone looking for private aid money to help finance an education. This valuable resource provides up-to-date information on millions of privately funded awards available to college students. The comprehensive scholarship and grant profiles include those awards based on ethnic heritage, talent, employment experience, military service, and other categories, which are available from private sources, such as foundations, corporations, and religious and civic organizations. In addition, there are informative articles containing advice on avoiding scholarship scams, winning scholarships with a winning essay, and getting in the minority scholarship mix.

Rebel McKenzie Candice Ransom 2012-06-26 Rebel McKenzie is an expert on all things prehistoric. How hard could winning some beauty pageant be?

The Beauty Contest and Other Stories Robert Steiner 2001-01 This book is a collection of short stories, dealing with a range of themes. They include science fiction, as in *The Abbot and The Malones*; fantasy, as in *Phoenix Street*; social problems, as in *Tetrahedron and The Bridge*; and philosophy, as in *The Greater Part Thereof*. While several stories have a foundation in real events, all are basically fiction. Their primary purpose is to entertain, but several have a social message as well.

Queens of Academe Karen W. Tice 2012-03-09 Universities are unlikely venues for grading bodies, beauty, poise, and style. Nonetheless, thousands of college women have sought not only college diplomas but campus beauty titles and tiaras throughout the twentieth century, and the cultural power of beauty pageants continues into the twenty-first. In *Queens of Academe*, Karen W. Tice asks how, and why, does higher education remain in the beauty and body business and with what effects on student bodies and identities. Drawing on archival research and interviews as well as hundreds of hours observing college pageants on predominantly black and white campuses, Tice argues the pageants help to illuminate the shifting iterations of class, race, religion, culture, sexuality, and gender braided into campus rituals and student life. Moving beyond a binary of objectification versus empowerment, Tice offers a nuanced analysis of the making of idealized collegiate masculinities and femininities, and the stylization of higher education itself.

Merge William L. Macdonald 2011-06-23 MERGE eases you into the front row of a master class on the art and science of the complex sale, taught by one of the most successful marketers in financial services. No matter how good you are (or think you are) as a relationship builder, rainmaker, consultant or closer, pick up the head-snapping nuggets of practical wisdom spread across these pages. MERGE reveals a five-step surefire sales process long forgotten, overlooked, or never learned by so many professionals in finance, insurance, legal, real estate and other high-value professions. Dont miss it this time. Your business, your clients depend on the high-water mark of your greatness. Praise for MERGE MERGE offers the insight of one of Americas best and most successful marketers in the financial services industry. Read it before your competition does. Peter D. Quinn, Senior Vice President, Wells Fargo Bank - Executive Benefits "Bill MacDonald has done a superb job of merging theory and practical application of sales and marketing how he actually made his theories work in practice. MERGE is a book all up-and-coming sales and marketing executives should read, well-written, and easy to read." Jim Ellis, Dean, University of Southern California, Marshall School of Business MERGE details the mistakes commonly made by consultants in marketing services. Bills five-step process can be used successfully, no matter the market. The principles are transferable and powerful. Hes done a superb job of making his book relational and practical. Every consulting professional will benefit from reading this book. Guy Baker, Immediate Past President, The Million Dollar Round Table, Managing Director, EMI Consulting

Critical Race, Feminism, and Education M. Pratt-Clarke 2010-12-20 Critical Race, Feminism, and Education provides a transformative next step in the evolution of critical race and Black feminist scholarship. Focusing on praxis, the relationship between the construction of race, class, and gender categories and social justice outcomes is analyzed. An applied transdisciplinary model - integrating law, sociology, history, and social movement theory - demonstrates how marginalized groups are oppressed by ideologies of power and privilege in the legal system, the education system, and the media. Pratt-Clarke documents the effects of racism, patriarchy, classism, and nationalism on Black females

and males in the single-sex school debate.

1-2 Samuel Paul Evans 2018-07-24 The vision for this series is to provide for pastors, students, Sunday school teachers, and lay people a clear and compelling exposition of texts of the Bible in the context of the Bible's Story, and to provide discussion and instantiations of how the Bible's Story is lived today. The purpose of the Story of God Bible Commentary Series is to explain and illuminate Scripture as God's Story, with each Old Testament text examined as embedded in its canonical and historical setting, in order to foster discernment in living the Story faithfully and creatively with and for the Church in the 21st century.

Candidate Without a Prayer Herb Silverman 2012-03-31

Looking for Miss America Margot Mifflin 2020-08-04 From an author praised for writing “delicious social history” (Dwight Garner, *The New York Times*) comes a lively account of memorable Miss America contestants, protests, and scandals—and how the pageant, nearing its one hundredth anniversary, serves as an unintended indicator of feminist progress. *Looking for Miss America* is a fast-paced narrative history of a curious and contradictory institution. From its start in 1921 as an Atlantic City tourist draw to its current incarnation as a scholarship competition, the pageant has indexed women’s status during periods of social change—the post-suffrage 1920s, the Eisenhower 1950s, the #MeToo era. This ever-changing institution has been shaped by war, evangelism, the rise of television and reality TV, and, significantly, by contestants who confounded expectations. Spotlighting individuals, from Yolande Betbeze, whose refusal to pose in swimsuits led an angry sponsor to launch the rival Miss USA contest, to the first black winner, Vanessa Williams, who received death threats and was protected by sharpshooters in her hometown parade, Margot Mifflin shows how women made hard bargains even as they used the pageant for economic advancement. The pageant’s history includes, crucially, those it excluded; the notorious Rule Seven, which required contestants to be “of the white race,” was retired in the 1950s, but no women of color were crowned until the 1980s. In rigorously researched, vibrant chapters that unpack each decade of the pageant, *Looking for Miss America* examines the heady blend of capitalism, patriotism, class anxiety, and cultural mythology that has fueled this American ritual.

Breaking Barriers Alexander Mamishev 2011-08 Every year, thousands of students worldwide flock to American universities for graduate studies. For many of these new students, the prospect of applying to graduate school is sometimes downright terrifying. In this essential guide, Dr. Alexander Mamishev offers comprehensive advice on all aspects of graduate life and admissions. With a combination of wit and candor, Dr. Mamishev gives students a rare insider's perspective on the American education process. most out of your education, and more! Whether you are coming to grad school from somewhere else in the United States or from the other side of the world, let this book be your guide to success in grad school and in your academic career beyond.

The One True Me and You Remi K. England 2022-03-01 "A breezy, snappy story about fandom, friendships, and being true to yourself."—TJ Klune One small fandom convention. One teen beauty pageant. One meet cute waiting to happen. Up and coming fanfic author Kaylee Beaumont is internally screaming at the chance to finally meet her fandom friends in real life and spend a weekend at GreatCon. She also has a side quest for the weekend: · Try out they/them pronouns to see how it feels · Wear more masculine-presenting cosplay · Kiss a girl for the first time It's...a lot, and Kay mostly wants to lie face down on the hotel floor. Especially when her hometown bully, Miss North Carolina, shows up in the very same hotel. But there's this con-sponsored publishing contest, and the chance to meet her fandom idols...and then, there's Teagan. Pageant queen Teagan Miller (Miss Virginia) has her eye on the much-needed prize: the \$25,000 scholarship awarded to the winner of the Miss Cosmic Teen USA pageant. She also has secrets: · She loves the dresses but hates the tiaras · She's a giant nerd for everything GreatCon · She's gay af If Teagan can just keep herself wrapped up tight for one more weekend, she can claim the scholarship and go off to college out and proud. If she's caught, she could lose everything she's worked for. If her rival, Miss North Carolina, has anything to do with it, that's exactly how it'll go down. When Teagan and Kay bump into one another the first night, sparks fly. Their connection is intense—as is their shared enemy. If they're spotted, the safe space of the con will be shattered, and all their secrets will follow them home. The risks are great...but could the reward of embracing their true selves be worth it? A big-hearted, joyful romance and a love letter to all things geek, Remi K. England's *The One True Me and You* is a *witness me* celebration of standing up for, and being, yourself. "A love letter to the support of online communities, to the friendships that define you, and to the ongoing, lifelong challenge to define yourself."—Emma Lord "This geeky rom-com is fan-tastic and i-con-ic." -Buzzfeed "Wonderfully explores the alienation and confusion felt by many LGBTQ+ teens without verging into hopelessness...heartwarming and immensely relatable." —Kirkus Reviews

Here She Is Hilary Levey Friedman 2020-08-25 A fresh exploration of American feminist history told through the lens of the beauty pageant world. Many predicted that pageants would disappear by the 21st century. Yet they are thriving. America's most enduring contest, Miss America, celebrates its 100th anniversary in 2020. Why do they persist? In *Here She Is*, Hilary Levey Friedman reveals the surprising ways pageants have been an empowering feminist tradition. She traces the role of pageants in many of the feminist movement's signature achievements, including bringing women into the public sphere, helping them become leaders in business and politics, providing increased

educational opportunities, and giving them a voice in the age of #MeToo. Using her unique perspective as a NOW state president, daughter to Miss America 1970, sometimes pageant judge, and scholar, Friedman explores how pageants became so deeply embedded in American life from their origins as a P.T. Barnum spectacle at the birth of the suffrage movement, through Miss Universe's bathing beauties to the talent- and achievement-based competitions of today. She looks at how pageantry has morphed into culture everywhere from The Bachelor and RuPaul's Drag Race to cheer and specialized contests like those for children, Indigenous women, and contestants with disabilities. Friedman also acknowledges the damaging and unrealistic expectations pageants place on women in society and discusses the controversies, including Miss America's ableist and racist history, Trump's ownership of the Miss Universe Organization, and the death of child pageant-winner JonBenét Ramsey. Presenting a more complex narrative than what's been previously portrayed, *Here She Is* shows that as American women continue to evolve, so too will beauty pageants.

American Psychology & Schools Seymour Bernard Sarason 2001-01-01 Dr. Sarason pulls no punches in this searing critique of American psychology and its current and historical disinterest in our schools. This book explains why psychology's continued aloofness impoverishes the field and prevents it from capitalizing upon its potential to serve the public welfare. He describes how, after World War II, American psychology took steps to respond to societal needs but rebuffed efforts to include the improvement of schools. Bringing his discussion completely up-to-date, Dr. Sarason includes two extended chapters about the Columbine incident – why psychologists offered few conclusions concerning what those killings signified about schools in general and high schools in particular. He also criticizes test developers for their failure to seek and prevent school personnel from interpreting and using tests in ways that negatively affect students. As readers might expect, Dr. Sarason gets right to the heart of the matter in this powerful depiction of all that psychology can but declines to do for our schools.

Dangerous Pleasures Gail Hershatter 1997 In the past decade, as prostitution once again has become a recognized feature of Chinese society, it has been incorporated into a larger public discussion about what kind of modernity China

should seek and what kind of sex and gender arrangements should characterize that modernity. Prostitutes, like every other non-elite group, did not record their own lives.

The Benefits of Friends Jana Mathews 2022-08-02 In 2011, Jana Mathews's career took a surprising turn. What began as an effort for a newly minted college professor to get to know her students turned into an invitation to be initiated into a National Panhellenic Conference sorority and serve as its faculty advisor. For the next seven years, Mathews attended sorority and fraternity chapter meetings, Greek Week competitions, leadership retreats, and mixers and formals. She also counseled young men and women through mental health crises, experiences of sexual violence, and drug and alcohol abuse. Combining her personal observations with ethnographic field analysis and research culled from the fields of sociology, economics, and cognitive psychology, this thought-provoking book examines how white Greek letter organizations help reshape the conceptual boundaries of society's most foundational relationship categories—including friend, romantic partner, and family. Mathews illuminates how organizations manipulate campus sex ratios to foster hookup culture, broker romantic relationships, transfer intimacy to straight same-sex friends, and create fictive family units that hoard social and economic opportunity for their members. In their idealized form, sororities and fraternities function as familial surrogates that tether their members together in economically and socially productive ways. In their most warped manifestations, however, these fictive familial bonds reinforce insularity, entrench privilege, and—at times—threaten physical safety.

The College Hook Pam Proctor 2009-10-31 A comprehensive guide to the powerful packaging tool called the "Hook"—a special talent or achievement that leaps off the page of a college application and catches the eye of admissions officers. Competition for entry to the nation's top colleges is at an all-time high—and intensifying every year. Now nationally recognized college consultant and writer Pam Proctor reveals the "packaging" secrets that can help any student maximize the odds of admission to the college of his or her choice. Using real life anecdotes and examples from winning applications, Proctor provides students with a step-by-step program that will enable them to determine and develop their unique "Hook," and then package and market themselves at every stage of the admissions process.

Helen of Troy Bettany Hughes 2009-06-03 For 3,000 years, the woman known as Helen of Troy has been both the ideal symbol of beauty and a reminder of the terrible power beauty can wield. In her search for the identity behind this mythic figure, acclaimed historian Bettany Hughes uses Homer's account of Helen's life to frame her own investigation. Tracing the cultural impact that Helen has had on both the ancient world and Western civilization, Hughes

explores Helen's role and representations in literature and in art throughout the ages. This is a masterly work of historical inquiry about one of the world's most famous women.
