Beginner's Czech Iva Cerna 1994 The Beginner's Series was designed to meet the bilingual needs of the businessperson, tourist, or student traveling in Eastern and Central Europe. Eurolingua's Language Lessons are developed around common situations, such as: passing through customs, checking into a hotel, placing phone calls, going to the post office, and extending and accepting invitations. First learn about the country's history and culture, acquaint yourself with social customs, restaurant practices, and transportation systems. Then learn basic language skills, including vocabulary, grammar, and useful phrases that will have you communicating with natives and moving about feely. Clear, easy to use, and insightful, the Beginner's Series will introduce you to the languages of the world.

Encyclopedia of Demons in World Religions and Cultures Theresa Bane 2014-01-10 This exhaustive volume catalogs nearly three thousand demons in the mythologies and lore of virtually every ancient society and most religions. From Aamon, the demon of life and reproduction with the head of a serpent and the body of a wolf in Christian demonology, to Zu, the half-man, half-bird personification of the southern wind and thunder clouds in Sumero-Akkadian mythology, entries offer descriptions of each demon's origins, appearance and cultural significance. Also included are descriptions of the demonic and diabolical members making up the hierarchy of Hell and the numerous species of demons that, according to various folklores, mythologies, and religions, populate the earth and plague mankind. Very thoroughly indexed.

Learn Romani Ronald Lee 2005 "This course of Romani language lessons is aimed at non-Romanies who want to learn Romani, and also at Romani people who wish to re-learn their ancestral language in its modern form. Romani has many dialects and no standard written form; this course is based on the Romani language as spoken by the Kalderash Roma in Europe, the US, Canada, and Latin America - a native speaker of a particular Kalderash dialect can usually converse fluently with any other Kalderash speaker. Kalderash-Romani belongs to the Vlax-Romani group of dialects which evolved in central Europe before spreading all over the world. Speakers of Vlax-Romani dialects far outnumber speakers of any other Romani dialect worldwide. The phonetic system used is based on English and is designed to be understood by English speakers, and any grammatical and linguistic terms are clearly explained." "Eighteen lessons take the student from the basic declensions of verbs and nouns, gradually building up vocabulary and grammar; through to the later lessons which fill in the subtler points of this rich language. Romani is a living language, borrowing vigorously from the languages of the countries where its native

speakers find themselves. Quotations from native speakers are printed throughout the book to give a flavour of authenticity, as are poems, songs, proverbs and folk tales which the student will gradually be able to understand." "Bibliographer Edward Proctor has provided a comprehensive list of source materials for further study of Kalderash and related dialects for the interested student."--BOOK JACKET.Title Summary field provided by Blackwell North America, Inc. Beginner's Ladino Alla Markova 2008 This title contains a book and 2 audio CDs. Ladino, also known as Judeo-Spanish, is the language of the Sephardic Jews. During the middle ages, the Jews who lived in the Iberian Peninsula spoke and wrote in the Romance languages of the host culture. They developed a unified dialect that was distinct from Castilian Spanish. After the expulsion of the Jews in 1492, this language became part of the 'Iberian Heritage' of the Sephardim throughout the world. Today, although the language is in danger of extinction, it is experiencing a revival.

Chechen-English English-Chechen Dictionary and Phrasebook Nicholas Awde 2014-05-22 This guide is a simple means of sharing the Chechen language and culture with speakers of English. It makes no claim to be a linguistic research tool, but is provided as a practical aid for the first steps in communication with an intentionally easy-to-use pronunciation system. This is the first time Chechen has been presented in such a way, a venture not without its obstacles since the language is still sadly without a truly developed analysis of its structure. An attempt has been made to provide phrases and scenes from everyday life, as well as items of practical background information, although their relevance clearly will depend on the actual situation in Chechnya, and whether the war is in fact over or just postponed.
