The Chicago Tribune Guide to Midwest Travel reveals destinations, festivals, and attractions that easily may have been overlooked otherwise. Whether readers want to visit a new region or embark on a nearby adventure, this one-of-a-kind guide from a trusted source will make any trip more memorable.

An American Beer Trail Zach Stinehour 2016-01-20 Beer has traveled with America through time as this is a ride to celebrate it. Finding craft brews all over the country and experiencing the area with a beer in hand. Because beer is not just a drink. It's that drink we share with friends, we have at the game, and have at our celebrations. So this is about traveling across the country sharing many of the stops that people know and spots you may not know about and the beers along the way. It's not enough just to enjoy the trip but also to understand how beer has fit into society. Not an in-depth history but a general overview of some major moments in the evolution of beer. With historic notes along the way so along the trip you can learn about the journey beer has had. From ancient times to modern times beer has evolved as well. The beer evolution has over the years transformed into many different styles of today. Also how the drink has been seen and grown in popularity in America. It just hasn't been universally accepted as a popular drink from the beginning like some seem to think it has. It's these points through history which make the trip that much more interesting. When it comes to styles it seems there are too many to count. Instead of trying to name and define each one which is what many seem to try to do. Rather, help define many of the terms used in the styles and the general meanings to get a better idea of what brews are like. It's not about defining a taste profile but more defining the core characteristics that make up the nomenclature and where they may draw their roots from. Then you can better enjoy the beer versus trying to measure it up to some taste standard. Most of all this is a celebration of the classic American road trip. With an eye to the craft beers which makes America unique in the brewing world. So it's not just the mass of brewpubs in Portland or California but what you can find near the Grand Canyon or along the skyline drive on the East Coast to raise a pint. Great beers aren't just in major cities but in small towns all across the country and no matter where you go there is likely a brewery in the area making something worth checking out. From the Great Plains, Gulf coast, or west Texas you can find something to see, experience and drink. That is what the book is about. Not just a fun ride but an experience of circling the country with a mind on area and beers you can find. It's a call to ride with a mind for beer. Have a flight and find what you can see and learn along the way.

The Travel Atlas Lonely Planet 2018-10-01 Combining our extensive mapping experience and unrivalled destination knowledge, our first dedicated atlas is packed with insightful commentary and inspiring images to help you explore the world and plan trips with ease. Each large page of mapping is accompanied with top sights and activities, while popular regions are presented at greater scale.

A Perfect Pint's Beer Guide to the Heartland Michael Agnew 2014-05-30 Once dominated by megabreweries like Miller and G. Heilemann, the Midwest has in recent years become home to a dynamic craft beer industry at the core of America's current brewing renaissance. Beer writer and Certified Cicerone® Michael Agnew crisscrossed Illinois, Iowa, Minnesota, and Wisconsin sampling the astonishing variety of beers on offer at breweries and brewpubs. The result is a region-wide survey of the Midwestern craft beer scene. Packed with details on more than 200 breweries, *A Perfect Pint's Beer Guide to the Heartland* offers actual and armchair travelers alike a handbook that includes: Agnew's exclusive choices on which beers to try at each location Entries on every brewery's history and philosophy Information on tours, tasting rooms and attached pubs, and dining options and other amenities A survey of each brewery's brands, including its flagship beer plus seasonal brews and special releases Brewery equipment and capacity Nearby attractions In addition, Agnew sets the stage with a history of Midwestern beer spanning the origins of the immigrant brewers who arrived in the 1800s to the homebrewers-made-good who have built a new kind of brewing culture founded on creativity, dedication to quality, and attention to customer feedback. Informed and unique, *A Perfect Pint's Beer Guide to the Heartland* is the essential companion for beer aficionados and curious others determined to drink the best the Midwest has to offer. Includes more than 150 full color images, including the region's most distinctive beer labels, trademarks, and company logos.

Craft Beers of the Pacific Northwest Lisa M. Morrison 2011-08-29 In the 1970s a handful of brewers in Oregon, Washington, and British Columbia were tired of the traditional light and flavorless American beers and began exploring ways to make better beer brewed from local ingredients. The "microbrews" (as they were originally called) caught on, and the Northwest quickly became the center of the craft beer movement that is now flourishing and spreading across the United States, Canada, and the world. *Craft Beers of the Pacific Northwest* is a sudsoaked adventure through the 115 key breweries and brew pubs in Oregon, Washington, and British Columbia. Lisa Morrison, aka The Beer Goddess, has included every brewery worth visiting, from pioneers like McMenamins, whose

The Great American Ale Trail (Revised Edition) Christian DeBenedetti 2016-04-26
The Great American Ale Trail is your definitive, state-by-state guide to the best places to drink craft beer. First published in 2011, The Great American Ale Trail is the most discriminating and thorough guide to the best watering holes in the nation. This newly revised edition features fully updated listings and 150 new entries -- a total of more than 500 noteworthy breweries, beer bars, restaurants, festivals, and bottle shops -- making it the essential guide for beer pilgrims everywhere. Every entry features the "must-try" beer of the establishment as well as notes on its ambience, patrons, and history -- plus contact information to get you there easily. Whether you choose a mom-and-pop brewery or a gastropub with a quirky ambience, Whether you prefer a crisp lager, resinous IPA, roasty stout, or funky farmhouse ale, The Great American Ale Trail is still the best source to answer that age-old question: Where do I get a beer around here?

Florida Breweries Gerard Walen 2014-04-01 The craft brew revolution has spread south. This all-new guidebook profiles the Sunshine State's 66 breweries and brewpubs.

No matter what's on readers' wish lists, they will always end up in the perfect spot.

Short Course in Beer Lynn Hoffman 2012-07-15 Presents a guide to the enjoyment and understanding of beer and beer making around the world, with information about how to taste it, how it is made, and where to find the best.

Kansas City Beer Pete Dulin 2016-10-24 Westbound immigrants, pioneers and entrepreneurs alike arrived in Kansas City with a thirst for progress and beer. Breweries both small and mighty seized opportunity in a climate of ceaseless social change and fierce regional competition. Muehlebach Brewing Company commanded the market, operating in Kansas City for more than eighty years. Built in 1902, the iconic brick warehouse of Imperial Brewing still stands today. Prohibition made times tough for brewers and citizens in the Paris of the Plains, but political “Boss” Tom Pendergast kept the taps running. In 1989, Boulevard Brewing kicked off the local craft beer renaissance, and a bevy of breweries soon formed a flourishing community. Food and beer writer Pete Dulin explores Kansas City’s hop-infused history and more than sixty breweries from the frontier era to the twenty-first century.

Belgian Beer Trails Erik Verdonck 2017-06-28 *This structured guide will lead you around Belgium's most beautiful breweries and beer trails, with magnificent photography and informed advice*From the author of the much acclaimed Belgian Beer Book ISBN 9789401435529*Contains plenty of tips for tourists, and accompanies an app to help you organize your trip This book will guide you around Belgium's breweries, large and small. Wherever you travel on Belgian roads, you will come across brewers. Often invisible - lurking behind abbey walls, or tucked away in castles, barns, stables, cafés, garages, kitchens or sheds - brewers are making beer in kettles, basins, tanks, and whatever else they have to hand! In large breweries you will find the brewers in the control room, the 'cockpit' of the enterprise. Entire dynasties are built around the industry; they are proud of their brewing traditions, which go back as many as fifteen generations. Meanwhile, at the other end of the spectrum, starters are

cobbling together their own equipment or buying basic brewing kits. They are often acquainted with an experienced colleague, who is only too happy to lend a helping hand and share wisdom and experience. It is up to you whether or not you approve of their beers. Are you voting for weak, strong, pale, fruity, zesty, spicy, mild, sour, bitter or sweet? For accessible or layered, for a warming beer or a thirst-quencher, a degustation beer or a quaffable one? Tasting is the message. This book taps the keg, encouraging you to weigh up all the options and make your choice.

Tourism and Trails Dr. Dallen J. Timothy 2014-12-05 Trails and routes have been indispensable to travel and tourism over the centuries, helping to form the basis of mobility patterns of the past and the present. This book is the first to comprehensively examine these tourism trails from a tourism and recreation perspective. This cutting-edge volume is global in scope and discusses a wide range of natural, cultural and developed linear resources for tourism and recreation. The book is suitable for both researchers and students who are interested in cultural heritage-based tourism, recreation and leisure studies, landscape and change, human mobility, geography, environmental management, and broader interests in destination planning, development and management.

Taste, Politics, and Identities in Mexican Food Steffan Igor Ayora-Diaz 2019-02-07 This book examines the history, archaeology, and anthropology of Mexican taste. Contributors analyze how the contemporary identity of Mexican food has been created and formed through concepts of taste, and how this national identity is adapted and moulded through change and migration. wing on case studies with a focus on Mexico, but also including Israel and the United States, the contributors examine how local and national identities, the global market of gastronomic tourism, and historic transformations in trade, production, the kitchen space and appliances shape the taste of Mexican food and drink. Chapters include an exploration of the popularity of Mexican beer in the United States by Jeffrey M. Pilcher, an examination of the experience of eating chapulines in Oaxaca by Paulette Schuster and Jeffrey H. Cohen, an investigation into transformations of contemporary Yucatecan gastronomy by Steffan Igor Ayora-Diaz, and an afterword from Richard Wilk. Together, the contributors demonstrate how taste itself is shaped through a history of social and cultural practices.

Lonely Planet USA Lonely Planet 2020-04-01 Lonely Planet's USA is your most up-to-date advice on what to see and skip, and what hidden discoveries await you. Gaze into the chasm of the Grand Canyon, hang ten on a Hawaiian wave, and let southern music and food stir your soul- all with your trusted travel companion.

Beer Hiking Bavaria Rich Carbonara 2020-03-16 Beer Hiking Bavaria combines much of what Bavaria is all about: wonderful hikes through cobbled old towns, dense forests and rugged mountain landscapes, past castles, traditional monastery breweries and lush barley fields. In search of the best beer, the author Rich Carbonara has explored picturesque paths away from the tourist centres and put together his 50 favourites for this practical beer hiking guide. Each hike

includes a detailed route description with length, duration, degree of difficulty and elevation profile as well as a well-founded characterisation of the type of beer that awaits you at the end of the day. Welcome to the beer and nature paradise Bavaria!

Asheville Beer Anne Fitten Glenn 2012-09-25 Drinking local harks back to the founding of Asheville in 1798. Whether it be moonshine or craft beer, the culture of local hooch is deeply ingrained in the mountain dwellers of Western North Carolina. Both residents and visitors alike enjoy Asheville's wealth of breweries, brewpubs, beer festivals and dedicated retailers. That enthusiasm earned the city the coveted Beer City, USA title year after year and prompted West Coast beer giants Sierra Nevada, New Belgium and Oskar Blues to establish production facilities here. Beer writer and educator Anne Fitten Glenn recounts this intoxicating history, from the suds-soaked saloons of "Hell's Half Acre" to the region's explosion into a beer Mecca.

Beer Lover's Wisconsin Kathy Flanigan 2017-09-15 With quality beer producers popping up all over the nation, you don't have to travel far to taste great beer. Some of the best stuff is brewing right in your home state. Beer Lover's Wisconsin features breweries, brewpubs, and beer bars statewide for those seeking the best beers the Badger State has to offer--from bitter, citrusy IPAs to rich, complex stouts.

Brewing Arizona Ed Sipos 2015-09-01 "Sergeant... there is a brewery here!" shouted Private Lutje into the tent of his commanding officer. His regiment had just set up camp outside of Tucson. It was spring. The year was 1866. And the good private had reason to be shocked. How could anyone brew beer in the desert? The water was alkaline (when it was fit to drink at all), grains were scarce, bottles were in short supply, and refrigeration was nearly non-existent. But human ingenuity cannot be overestimated, especially when it comes to creating alcoholic beverages. Since 1864, the state's breweries have had a history as colorful as the state. With an eye like a historian, the good taste of a connoisseur, and the tenacity of a dedicated collector, author Ed Sipos serves up beer history with gusto. *Brewing Arizona* is the first book of Arizona beer. It includes every brewery known to have operated in the state, from the first to the latest, from crude brews to craft brews, from mass beer to microbrews. This eye-opening chronicle is encyclopedic in scope but smooth in its delivery. Like a fine beer, the contents are deep and rich, with a little froth on top. With more than 250 photographs—200 in full color—*Brewing Arizona* is as beautiful as it is tasty. So put up your feet, grab a cold one, and sip to your heart's delight.

The Great Northeast Brewery Tour Ben Keene 2014-01-15 As craft brewing becomes increasingly inventive, with new beers demonstrating remarkable complexity, one region of the United States is particularly notable for its fascinating brewing scene: the Northeast. New England and the Mid-Atlantic boast some of America's most interesting craft breweries--there, beer lovers can discover exceptional brews, lively taprooms, spectacular views, and many other qualities that make the Northeast a must-visit region for anyone interested in craft brewing. In *The Great Northeast Brewery Tour*, beer expert Ben Keene introduces readers to sixty two of the most incredible breweries in Maine, New Hampshire, Vermont, Massachusetts, Connecticut, Rhode Island, New York, New Jersey, Pennsylvania, Maryland, Delaware, and Washington, D.C. Breweries like Allagash Brewing in Portland, Maine, and Smuttynose Brewing Company in Portsmouth, New Hampshire, allow visitors to tour the facilities, offering an inside look at how great beers are created. Places such as Brewery Ommegang in Cooperstown, New York, where visitors can try delicious Belgian food to accompany Belgian-style ales, and Harpoon Brewery in Boston are surrounded by stunning landscapes. Each brewery discussed is unique and special, much like the region's brewing heritage. Brewery profiles include interesting facts about each brewery and its history, along with useful practical information like directions, nearby accommodations, and local dining options that highlight craft beer. Spectacular full-color photography accompanies each profile, and sidebars throughout the text provide supplementary information on tasting methods, beer styles, and

more. The Great Northeast Brewery Tour is an ideal resource for anyone interested in beer, whether you're planning a trip across the Northeast or simply curious to learn more about the region's innovative beer scene.

The Belgian Beer Book Erick Verdonck 2016-09-28 * The ultimate book on Belgian beer - discover Belgian beers, organized by style* Includes food pairing advice* Includes addresses of the best beer cafés in Belgium and around the world and a list of breweries to visit, with a detailed index Belgian beer is famous throughout the world. Austin Beer BitchBeer.org 2013-09-03 Austin might be known for its live music, but its beer scene is just as vibrant and historic. As early as 1860, German immigrant Johann Schneider started brewing beer out of a saloon on Congress Avenue, later crafting innovative brew vaults, the first of their kind in the city. Proving that Austin taste buds were thirsty for something more dynamic than a LoneStar, the end of the twentieth century and beginning of the twenty-first saw a huge boom in craft beer production by native Austinites and transplants alike, creating a culture of local beer advocates, homebrewing enthusiasts and innovators that could only come out of Austin. Join the ladies behind hilarious and informative beer blog BitchBeer.org as they explore Austin beer history, developments and culture--complete with read-along drinking games and local beer pairings.

Craft Beverages and Tourism, Volume 2 Susan L. Slocum 2017-07-31 This volume applies a mix of qualitative and quantitative research and case studies to analyze the role that the craft beverage industry plays within society at large. It targets important themes such as environmental conservation and social responsibility, as well as the psychology of the craft beer drinker and their impact on tourism marketing. This volume advances marketing, hospitality, and leisure studies research for academics, industry experts, and emerging entrepreneurs.

Lake Take it from avid hiker Caroline Hinchliff, who shares her insight on the best spots for wildlife-watching, glamping, or having a Wild moment Full-color photos, strategic itineraries, easy-to-use maps and site-to-site driving times Get the lowdown on when and where to get gas, how to avoid traffic, and braving different road and weather conditions, plus tips for LGBTQ travelers, seniors, and road-trippers with kids With Moon Drive & Hike Pacific Crest Trail's practical tips and local know-how, you're ready to lace up your hiking boots, pick a trailhead, and embark on your adventure. For more epic getaways, check out Moon Drive & Hike Appalachian Trail.

Lonely Planet's Global Beer Tour Lonely Planet Food 2017-05-01 Explore the vibrant world of craft beer with Lonely Planet Global Beer Tour. We've selected some of the finest tap rooms, bars and breweries that thirsty travellers can visit in 30 countries around the world. Discover how to find them, which beers to sample, and learn about local places of interest with our recommended itineraries. Each country is introduced by a beer expert and includes regional beverages that shouldn't be missed. There's a world of great beer to taste - go and discover it! So why go beer touring, especially when it's easy and cheap to find interesting craft beers in your local shop? Firstly, craft beer doesn't travel too well and is affected by changes in temperature and long distances. And secondly, due to the explosion in small-scale breweries, many great beers aren't distributed outside their city or region. Beer often tastes better the closer it is to home, especially if that's straight from a tap in the actual brewery. The craft beer revolution has seen waves of breweries open up to the public, not just in the United States, the UK and Australia, where the trend is well established, but all over the world. Visit European beer capitals like Belgium, Italy and Germany, and sample local favourites in Canada, Australia and New Zealand. In Asia, explore hotspots in Japan, Vietnam and China, then venture to South America, Africa and the Middle East. Each brewery is accompanied by a selection of sightseeing ideas and activities, from local museums and galleries, to great hikes or bike rides. The book also features fun sections on beer trails, hangover cures and the world's wildest beers. There's also practical advice like how to ask for a beer in the local language and the ideal snacks to accompany your drink. About Lonely Planet: Lonely Planet is a leading travel media company and the world's number one travel guidebook brand, providing both inspiring and trustworthy information for every kind of traveller since 1973. Over the past four decades, we've printed over 145 million guidebooks and phrasebooks for 120 languages, and grown a dedicated, passionate global community of travellers. You'll also find our content online, and in mobile apps, video, 14 languages, 12 international magazines, armchair and lifestyle books, ebooks, and more, enabling you to explore every day. Lonely Planet enables the curious to experience the world fully and to truly get to the heart of the places they find themselves, near or far from home. TripAdvisor Travelers' Choice Awards 2012, 2013, 2014, 2015 and 2016 winner in Favorite Travel Guide category 'Lonely Planet guides are, quite simply, like no other.' - New York Times 'Lonely Planet. It's on everyone's bookshelves; it's in every traveller's hands. It's on mobile phones. It's on the Internet. It's everywhere, and it's telling entire generations of people how to travel the

world.' - Fairfax Media (Australia) Important Notice: The digital edition of this book may not contain all of the images found in the physical edition.

The Geography of Beer Mark Patterson 2014-03-15 This edited collection examines the various influences, relationships, and developments beer has had from distinctly spatial perspectives. The chapters explore the functions of beer and brewing from unique and sometimes overlapping historical, economic, cultural, environmental and physical viewpoints. Topics from authors – both geographers and non-geographers alike – have examined the influence of beer throughout history, the migration of beer on local to global scales, the dichotomous nature of global production and craft brewing, the neolocalism of craft beers, and the influence local geography has had on beer's most essential ingredients: water, starch (malt), hops, and yeast. At the core of each chapter remains the integration of spatial perspectives to effectively map the identity, changes, challenges, patterns and locales of the geographies of beer.

Classic Diners of Vermont Erin K. McCormick 2018-10-29 In the land of mountains, milk and maple syrup, community is culture. Whether driving through college towns, along rural country roads or down bustling city streets, the historic diners you'll find are integral to the communities they serve. Over time, Vermont diners have remained gathering places for regulars, locals and travelers alike. So much more than just eateries, places like the Birdseye, Chelsea Royal and the Country Girl Diner are where strangers become friends, where generations learn to understand one another and where simpler times are celebrated. Hear the stories of diner owners and their regulars. Author Erin McCormick reveals how Vermont's diner culture came to be.
