The Penguin Book of Italian Short Stories Jhumpa Lahiri 2019-03-07 'Rich. . . eclectic. . . a feast' Telegraph This landmark collection brings together forty writers that reflect over a hundred years of Italy's vibrant and diverse short story tradition, from the birth of the modern nation to the end of the twentieth century. Poets, journalists, visual artists, musicians, editors, critics, teachers, scientists, politicians, translators: the writers that inhabit these pages represent a dynamic cross section of Italian society, their powerful voices resonating through regional landscapes, private passions and dramatic political events. This wide-ranging selection curated by Jhumpa Lahiri includes well known authors such as Italo Calvino, Elsa Morante and Luigi Pirandello alongside many captivating new discoveries. More than a third of the stories featured in this volume have been translated into English for the first time, several of them by Lahiri herself.

Portraying the Prince in the Renaissance Patrick Baker 2016-06-20 The portrayal of princes plays a central role in the historical literature of the European Renaissance. The sixteen contributions collected in this volume examine such portrayals in a broad variety of historiographical, biographical, and poetic texts. It emerges clearly that historical portrayals were not essentially bound by generic constraints but instead took the form of *res gestae* or *historiae*, discrete or collective biographies, panegyric, mirrors for princes, epic poetry, orations, even commonplace books - whatever the occasion called for. Beyond questions of genre, the chapters focus on narrative strategies and the transformation of ancient, medieval, and contemporary authors, as well as on the influence of political, cultural, intellectual, and social contexts. Four broad thematic foci inform the structure of this book: the virtues ascribed to the prince, the cultural and political pretensions inscribed in literary portraits, the historical and literary models on which these portraits were based, and the method that underlay them. The volume is rounded out by a critical summary that considers the portrayal of princes in humanist historiography from the point of view of transformation theory.

Europäische Musiker in Venedig, Rom und Neapel 1650-1750 Anne-Madeleine Goulet 2018-11-07 Der Abschlussband des deutsch-französischen ANR-DFG-Projekts MUSICI widmet sich der Musikermigration im Europa der Frühen Neuzeit mit einem kultur- und musikgeschichtlichen Blick auf Venedig, Rom und Neapel als Reiseziele und Wirkungsorte von Instrumentalisten, Sängern, Komponisten und Instrumentenbauern, die nicht von der italienischen Halbinsel stammten. Im Sinne einer "histoire croisée" werden Netzwerke, Integrations- und Austauschprozesse aufgedeckt, mit denen fremde Musiker zwischen musikalischem Alltag und herausragenden Festlichkeiten konfrontiert waren. Auf dieser Grundlage wird eine systematische Betrachtung der frühneuzeitlichen Musikermigration sowie eine Untersuchung musikalischer Stile jenseits nationaler Forschungstraditionen möglich.

Correspondence (1882-1910) William James 2020-04-20 James and Stumpf first met in Prague in 1882. James soon started corresponding with a "colleague with whose persons and whose ideas alike I feel so warm a sympathy." With this, a lifelong epistolary friendship began. For 28 years until James's death in 1910, Stumpf became James's most important European correspondent. Besides psychological themes of great importance, such as the perception of space and of sound, the letters include commentary upon Stumpf's (*Tonpsychologie*) and James's main books (*The Principles of Psychology*, *The Varieties of Religious Experience*), and many other works. The two friends also exchange views concerning other scholars, religious faith and metaphysical topics. The different perspectives of the American and the German (European) way of living, philosophizing and doing science are frequently under discussion. The letters also touch upon personal questions of historical interest. The book offers a critical edition and the English translation of hitherto unpublished primary sources. Historians of

psychology and historians of philosophy will welcome the volume as a useful tool for their understanding of some crucial developments of the time. Scholars in the history of pragmatism and of phenomenology will also be interested in the volume.

Jamie Does-- Jamie Oliver 2010-01-01 This cookbook will celebrate the vibrant food of six very different countries. Each chapter will focus on a different city or region: Marrakech, Athens, Venice, Andalucia, Stockholm and the Ardeche region of France. The food in each chapter will be a mixture of classic dishes and new recipes inspired by the things Jamie learns on his travels. Beautiful reportage photography of the faces, places and ingredients will accompany each chapter. Jamie says: 'The food I've embraced on each trip is a mixture of what you could call the clichéd star dishes - the tagines of Morocco, the flamboyant paella of Spain and the zingy fresh flavours of a classic Greek salad - and the recipes that I've been inspired to make after walking through the markets and soaking up the vibes of each place. What you'll find in this book is fun, optimistic, escapist food you can actually cook and enjoy in your own home.'

Last Summer in the City Gianfranco Calligarich 2021-08-10 The first novel from award-winning author Gianfranco Calligarich to be published in English, *Last Summer in the City* is a witty and despairing classic of Italian literature. Biting, tragic, and endlessly quotable, this translated edition features an introductory appreciation from longtime fan New York Times bestselling author André Aciman. In a city smothering under the summer sun and an overdose of la dolce vita, Leo Gazarra spends his time in an alcoholic haze, bouncing between run-down hotels and the homes of his rich and well-educated friends, without whom he would probably starve. At thirty, he's still drifting: between jobs that mean nothing to him, between human relationships both ephemeral and frayed. Everyone he knows wants to graduate, get married, get rich—but not him. He has no ambitions whatsoever. Rather than toil and spin, isn't it better to submit to the alienation of the Eternal City, Rome, sometimes a cruel and indifferent mistress, sometimes sweet and sublime? There can be no half measures with her, either she's the love of your life or you have to leave her. First discovered by Natalia Ginzburg, *Last Summer in the City* is a forgotten classic of Italian literature, a great novel of a stature similar to that of *The Great Gatsby* or *The Catcher in the Rye*. Gianfranco Calligarich's enduring masterpiece has drawn comparisons to such writers as Truman Capote, Ernest Hemingway, and Jonathan Franzen and is here made available in English for the first time.

Augustus Jochen Bleicken 2015-10-15 The great modern biography of Augustus, founder of the Roman Empire Born to a plebeian family in 63 BC, Octavian was a young soldier training abroad when he heard news of Julius Caesar's brutal assassination - and discovered that he was the dictator's sole political heir. With the opportunism and instinct for propaganda that were to characterize his rule, Octavian rallied huge financial, military and political backing to eliminate his opponents, end the bloody turmoil that had so long wracked Rome and, finally, take autocratic control of a state devoted to republicanism. He became Augustus - Rome's first Emperor, and the founder of the greatest empire the world had ever seen. In this monumental biography, translated into English for the first time by Anthea Bell, Jochen Bleicken tells the story of a man who found himself a demi-god in his own lifetime and paints a portrait of one of the most dramatic periods of Roman history.

The Girl who Reached for the Stars Luca Di Fulvio 2015-10-26 THE GIRL WHO REACHED FOR THE STARS is a breathtaking tale of daring dreams and a love that surmounts all barriers. Set against the evocative background of Medieval Venice, this riveting story is told from the perspectives of several people whose destinies are tightly intertwined: a young pickpocket, a savvy Jewish survival artist, and a teenage girl with a remarkable talent. All of them are torn apart by violence, intrigue, revenge, and greed but also united by friendship, dreams of justice, and the courage to reach for the stars. Echoing his international bestseller THE BOY WHO GRANTED DREAMS, Luca Di Fulvio's novel tells the unforgettable love story between a Christian boy and a Jewish girl against the backdrop of the first Jewish ghetto in sixteenth-century Venice.

Napoleon the Great Andrew Roberts 2016-05-27 From Andrew Roberts, author of the Sunday Times bestseller The Storm of War, this is the definitive modern biography of Napoleon It has become all too common for Napoleon Bonaparte's biographers to approach him as a figure to be reviled, bent on world domination, practically a proto-Hitler. Here, after years of study extending even to visits paid to St Helena and 53 of Napoleon's 56 battlefields, Andrew Roberts has created a true portrait of the mind, the life, and the military and above all political genius of a fundamentally constructive ruler. This is the Napoleon, Roberts reminds us, whose peacetime activity produced countless indispensable civic innovations - and whose Napoleonic Code provided the blueprint for civil law systems still in use around the world today. It is one of the greatest lives in world history, which here has found its ideal biographer. The sheer enjoyment which this book will give anyone who loves history is enormous.

Empire of Song Dafni Tragaki 2013-07-11 Essays in Empire of Song adopt theoretical and epistemological orientations in their exploration of "popular music" within ethnomusicology and critical musicology, questioning the idea of "Europe" and the "nation" through and in music, at a time when the European self appears more fragmented, if not entirely shattered. Bringing together ethnomusicology, music studies, history, social anthropology, feminist theory, linguistics, media ethnography, postcolonial theory, comparative literature, and philosophy, Empire of Song will interest students and scholars in a vast array of disciplines.

Boris Pasternak and the Tradition of German Romanticism Karen Evans-Romaine 1997 The goal of this dissertation is to document Pasternak's reception of literature from three periods within German Romanticism: the early Romanticism of the Jena School's greatest literary representative, Friedrich von Hardenberg, whose pseudonym was Novalis; the "second-generation" Romanticism of E.T.A. Hoffmann; and the end and eventual rejection of German Romanticism, represented by Heinrich Heine. Revised version of the author's thesis (Ph. D.). University of Michigan, 1996. Teilw. Made in Italy Franco Fabbri 2013-10-30 Made in Italy serves as a comprehensive and rigorous introduction to the history, sociology, and musicology of contemporary Italian popular music. Each essay, written by a leading scholar of Italian music, covers the major figures, styles, and social contexts of pop music in Italy and provides adequate context so readers understand why the figure or genre under discussion is of lasting significance to Italian popular music. The book first presents a general description of the history and background of popular music, followed by essays organized into thematic sections: Themes; Singer-Songwriters; and Stories.

Italy's Divided Memory J. Foot 2009-12-07 This book argues that contemporary Italian history has been marked by a tendency towards divided memory. Events have been interpreted in contrasting ways, and the facts themselves often contested. Moreover, with so little agreement over what happened, and why it happened, it has been extremely difficult to create any consensus around memory. These divisions have been seen at all levels, but take on particular importance when linked to the great traumatic and life-changing events of the Twentieth century - war, terrorism, disaster - but can also be applied to more cultural fields such as sport and everyday life. Social change also has an impact on memory. This book will take the form of a voyage through Italy (and into Italy's past), looking at stories of divided memory over various periods in the twentieth century. These stories will be interwoven with analysis and discussion.

Recondite Harmony Deborah Burton 2012 Who is Puccini? Most debates about the composer are focused on his cultural and musical identity: is his music traditional or progressive? The thesis of this volume is that the diametrically opposed forces of the traditional and the progressive live together in Puccini's music, embedded deeply within his harmonic constructs and in many musical parameters. *Recondite Harmony* is a study of all of Puccini's operas examined through a primarily analytic lens. It offers essays on salient aspects of each of the operas while tracing in them both progressive and traditional elements. The volume is divided into two parts: in the first, approaches that inform the entire corpus of Puccini's operas are examined. The second half of the book is devoted to brief essays discussing interesting aspects of each of his operas. Techniques in each opus that merit analytic attention are highlighted and discussed in relation to the drama at hand, individuating more fully musical aspects special to each score. Included are also previously unpublished source material and autograph sketches.
