Before the Coffee Gets Cold Toshikazu Kawaguchi 2020-11-17 *OVER ONE MILLION COPIES SOLD* *NOW AN INTERNATIONAL BESTSELLER* If you could go back, who would you want to meet? In a small back alley of Tokyo, there is a café that has been serving carefully brewed coffee for more than one hundred years. Local legend says that this shop offers something else besides coffee—the chance to travel back in time. Over the course of one summer, four customers visit the café in the hopes of making that journey. But time travel isn't so simple, and there are rules that must be followed. Most important, the trip can last only as long as it takes for the coffee to get cold. Heartwarming, wistful, mysterious and delightfully quirky, Toshikazu Kawaguchi's internationally bestselling novel explores the age-old question: What would you change if you could travel back in time?

Nineteen Eighty-Four George Orwell 2021-01-09 "Nineteen Eighty-Four: A Novel", often published as "1984", is a dystopian social science fiction novel by English novelist George Orwell. It was published on 8 June 1949 by Secker & Warburg as Orwell's ninth and final

book completed in his lifetime. Thematically, "Nineteen Eighty-Four" centres on the consequences of totalitarianism, mass surveillance, and repressive regimentation of persons and behaviours within society. Orwell, himself a democratic socialist, modelled the authoritarian government in the novel after Stalinist Russia. More broadly, the novel examines the role of truth and facts within politics and the ways in which they are manipulated. The story takes place in an imagined future, the year 1984, when much of the world has fallen victim to perpetual war, omnipresent government surveillance, historical negationism, and propaganda. Great Britain, known as Airstrip One, has become a province of a totalitarian superstate named Oceania that is ruled by the Party who employ the Thought Police to persecute individuality and independent thinking. Big Brother, the leader of the Party, enjoys an intense cult of personality despite the fact that he may not even exist. The protagonist, Winston Smith, is a diligent and skillful rank-and-file worker and Outer Party member who secretly hates the Party and dreams of rebellion. He enters into a forbidden relationship with a colleague, Julia, and starts to remember what life was like before the Party came to power.

THE INDIAN LISTENER All India Radio (AIR), New Delhi 1947-06-22 The Indian Listener (fortnightly programme journal of AIR in English) published by The Indian State Broadcasting Service, Bombay, started on 22 December, 1935 and was the successor to the Indian Radio Times in English, which was published beginning in July 16 of 1927. Heidi Johanna Spyri 1916 A Swiss orphan is heartbroken when she must leave her beloved grandfather and their happy home in the mountains to go to school and to care for an invalid girl in the city.

The Diary of a Young Girl Anne Frank 2010-09-15 THE DEFINITIVE EDITION • Discovered in the attic in which she spent the last years of her life, Anne Frank's remarkable diary has since become a world classic—a powerful reminder of the horrors of war and an eloquent testament to the human spirit. Updated for the 75th Anniversary of the Diary's first publication with a new introduction by Nobel Prize-winner Nadia Murad "The single most compelling personal account of the Holocaust ... remains astonishing and excruciating."—The New York Times Book Review In 1942, with Nazis occupying Holland, a thirteen-year-old

Jewish girl and her family fled their home in Amsterdam and went into hiding. For the next two years, until their whereabouts were betrayed to the Gestapo, they and another family lived cloistered in the "Secret Annex" of an old office building. Cut off from the outside world, they faced hunger, boredom, the constant cruelties of living in confined quarters, and the ever-present threat of discovery and death. In her diary Anne Frank recorded vivid impressions of her experiences during this period. By turns thoughtful, moving, and amusing, her account offers a fascinating commentary on human courage and frailty and a compelling self-portrait of a sensitive and spirited young woman whose promise was tragically cut short.

The Tale of Mr. Jeremy Fisher Beatrix Potter 2010-05-28 This original, authorised version has been lovingly recreated electronically for the first time, with reproductions of Potter's unmistakable artwork optimised for use on colour devices such as the iPad. The Tale of Mr. Jeremy Fisher endures as one of Beatrix Potter's most popular and well-loved tales. It tells of an optimistic and slightly accident-prone frog, who sets off on a fishing expedition across the pond, only to find himself bitten on the toe by a water-beetle, fighting with a stickleback, and eventually nearly eaten by a trout! The Tale of Jeremy Fisher is number seven in Beatrix Potter's series of 23 little books, the titles of which are as follows: 1 The Tale of Peter Rabbit 2 The Tale of Squirrel Nutkin 3 The Tailor of Gloucester 4 The Tale of Benjamin Bunny 5 The Tale of Two Bad Mice 6 The Tale of Mrs. Tiggy-Winkle 7 The Tale of Mr. Jeremy Fisher 8 The Tale of Tom Kitten 9 The Tale of Jemima Puddle-Duck 10 The Tale of the Flopsy Bunnies 11 The Tale of Mrs. Tittlemouse 12 The Tale of Timmy Tiptoes 13 The Tale of Johnny Town-Mouse 14 The Tale of Mr. Tod 15 The Tale of Pigling Bland 16 The Tale of Samuel Whiskers 17 The Tale of The Pie and the Patty-Pan 18 The Tale of Ginger and Pickles 19 The Tale of Little Pig Robinson 20 The Story of a Fierce Bad Rabbit 21 The Story of Miss Moppet 22 Appley Dapdly's Nursery Rhymes 23 Cecily Parsley's Nursery Rhymes

An Assyrian - Dream The Mirza Family Story Julius W. Mirza 2012-05-03 This is the story of a young boy, Julius W. (Jay) Mirza, born into a Christian Assyrian Family, living in a Muslim nation, who emigrates from Iran. He and his little brother must leave the bosom of their loving family to seek an education in a foreign country in order to live a better life - a life of both personal responsibility and freedom. He must enter a British boy's school in India, without any knowledge of the English language. He will not see his family but once in six years. After graduation, his education takes him first to England, then America, where he graduates with a degree in Architectural Engineering. The heart wrenching sacrifices of his parents for their son's education finds full reward in Jay's success in life - his architectural practice—his family, his home and his community involvement. This is a story of an immigrant to America for whom, with hard work and dedication, the American dream came true.

The Cultural Politics of Food, Taste, and Identity Steffan Igor Ayora-Diaz 2021-04-08 The Cultural Politics of Food, Taste, and Identity examines the social, cultural, and political processes that shape the experience of taste. The book positions flavor as involving all the senses, and describes the multiple ways in which taste becomes tied to local, translocal,

glocal, and cosmopolitan politics of identity. Global case studies are included from Japan, China, India, Belize, Chile, Guatemala, the United States, France, Italy, Poland and Spain. Chapters examine local responses to industrialized food and the heritage industry, and look at how professional culinary practice has become foundational for local identities. The book also discusses the unfolding construction of “local taste” in the context of sociocultural developments, and addresses how cultural political divides are created between meat consumption and vegetarianism, innovation and tradition, heritage and social class, popular food and authenticity, and street and restaurant food. In addition, contributors discuss how different food products—such as kimchi, quinoa, and Soylent—have entered the international market of industrial and heritage foods, connecting different places and shaping taste and political identities.

Ghachar Ghochar Vivek Shanbhag 2017-02-07 ONE OF THE NEW YORK TIMES CRITICS' TOP BOOKS OF 2017 ONE OF VULTURE'S 100 BEST BOOKS OF THE 21ST CENTURY FINALIST FOR THE L.A. TIMES BOOK PRIZE IN FICTION “A modern classic.” —The New York Times Book Review A young man's close-knit family is nearly destitute when his uncle founds a successful spice company, changing their fortunes overnight. As they move from a cramped, ant-infested shack to a larger house on the other side of Bangalore, and try to adjust to a new way of life, the family dynamic begins to shift. Allegiances realign; marriages are arranged and begin to falter; and conflict brews ominously in the background. Things become “ghachar ghochar”—a nonsense phrase uttered by one meaning something tangled beyond repair, a knot that can't be untied. Elegantly written and punctuated by moments of unexpected warmth and humor, Ghachar Ghochar is a quietly enthralling, deeply unsettling novel about the shifting meanings—and consequences—of financial gain in contemporary India. “A classic tale of wealth and moral ruin.” —The New Yorker “Ghachar Ghochar introduces us to a master.” —The Paris Review Named a Best Book of the Year by the Guardian, Globe and Mail, and Publishers Weekly Shortlisted for the ALTA National Translation Award in Prose Longlisted for the International Dublin Literary Award

Conceptualizing Mass Violence Navras J. Aafreedi 2021-05-14 *Conceptualizing Mass Violence* draws attention to the conspicuous inability to inhibit mass violence in myriads forms and considers the plausible reasons for doing so. Focusing on a postcolonial perspective, the volume seeks to popularize and institutionalize the study of mass violence in South Asia. The essays explore and deliberate upon the varied aspects of mass violence, namely revisionism, reconstruction, atrocities, trauma, memorialization and literature, the need for Holocaust education, and the criticality of dialogue and reconciliation. The language, content, and characteristics of mass violence/genocide explicitly reinforce its aggressive, transmuting, and multifaceted character and the consequent necessity to understand the same in a nuanced manner. The book is an attempt to do so as it takes episodes of mass violence for case study from all inhabited continents, from the twentieth century to the present. The volume studies 'consciously enforced mass violence' through an interdisciplinary approach and suggests that dialogue aimed at reconciliation is perhaps the singular agency via which a solution could be achieved from mass violence in the global context. The volume is essential reading for postgraduate students and scholars from the interdisciplinary fields of Holocaust and Genocide Studies, History, Political Science, Sociology, World History, Human Rights, and Global Studies.

Bengali Harlem and the Lost Histories of South Asian America Vivek Bald 2013-01-07 Nineteenth-century Muslim peddlers arrived at Ellis Island, bags heavy with embroidered silks from their villages in Bengal. Demand for "Oriental goods" took these migrants on a curious path, from New Jersey's boardwalks into the segregated South. Bald's history reveals cross-racial affinities below the surface of early twentieth-century America.

Ugly Love Colleen Hoover 2014-08-05 From Colleen Hoover, the #1 New York Times bestselling author of *It Ends With Us*, a heart-wrenching love story that proves attraction at first sight can be messy. When Tate Collins meets airline pilot Miles Archer, she doesn't think it's love at first sight. They wouldn't even go so far as to consider themselves friends. The only thing Tate and Miles have in common is an undeniable mutual attraction. Once their desires are out in the open, they realize they have the perfect set-up. He doesn't want love, she doesn't have time for love, so that just leaves the sex. Their arrangement could be surprisingly seamless, as long as Tate can stick to the only two rules Miles has for her. Never ask about the past. Don't expect a future. They think they can handle it, but realize almost immediately they can't handle it at all. Hearts get infiltrated. Promises get broken. Rules get shattered. Love gets ugly.

Far Out Mark Liechty 2017-02-21 *Far Out* charts the history of Western countercultural longing for Nepal that made the country, and Kathmandu in particular, a premier tourist destination in the twentieth century. Anthropologist and historian Mark Liechty describes three distinct phases: the immediate post-war era when the country provided a Raj-like throwback experience for rich foreigners (mainly Americans), Nepal's emergence as the most exotic outpost of hippie counterculture in the 1960s and early 70s, and, finally, the Nepali state's rebranding of itself as an adventure destination from the 1970s on. Liechty is attuned to how the dynamics of mid-twentieth century globalization—the Cold War and shifting international relations, modernization and development ideologies, the rise of consumerist middle classes, increased mobility and the birth of mass tourism, and emerging global youth countercultures—drew Nepal into the web of geopolitical, economic, and sociocultural transformations that shaped the modern world. But Liechty doesn't want to tell the story of tourism as something that just happened to Nepalis. He shows how Western projections of Nepal as an isolated place inspired creative Nepali enterprises and paradoxically gave locals the opportunity to participate in the highly coveted global economy. The result is a readable cultural history of a place that has been in many ways defined by a (sometimes bizarre) cultural encounter. The author's lifelong interest in Nepal and his almost twenty-five years of research make his account both sophisticated and empathic but not without a touch of humor."

Dawn of a New Discovery John Scott 2009-08 The idea for doing this book came from teaching inner-city students in Newark, NJ, and realizing from that experience that poetry--its writing and reading--is a great medium for not just self-expression, but for recognizing and giving vent to the turbulent frustration and anger that children and teenagers endure in the growing-up process. This book has approximately 130 original and collected poems, as well as a how-to section in most chapters, 17 famous poets and short biographies. It also has a number of poems from children and students from Newark, NJ and other places in NJ and the world. The first chapter has 26 poems of India, Sri Lanka, Bangladesh, North Africa, China and other exotic places. Each chapter also has a small section for the reader to write his or her own poetry. The book is designed to engage the reader in far away travel, as well as to develop an interest in poetry and learn a little about writing it in the process. It was made for adults and thoughtful teens.

Interpreter of Maladies Jhumpa Lahiri 1999 A debut collection of short fiction blends elements of Indian traditions with the complexities of American culture in such tales as "A Temporary Matter," in which a young Indian-American couple confronts their grief over the

loss of a child, while their Boston neighborhood copes with a nightly blackout. Original. 20,000 first printing.

Haunted Chuck Palahniuk 2005-05-03 Haunted is a novel made up of twenty-three horrifying, hilarious, and stomach-churning stories. They're told by people who have answered an ad for a writer's retreat and unwittingly joined a "Survivor"-like scenario where the host withholds heat, power, and food. As the storytellers grow more desperate, their tales become more extreme, and they ruthlessly plot to make themselves the hero of the reality show that will surely be made from their plight. This is one of the most disturbing and outrageous books you'll ever read, one that could only come from the mind of Chuck Palahniuk.

Discovering Leadership Anthony Middlebrooks 2018-12-15 An introductory leadership textbook that guides students through the concept of leadership by design, a theory that involves planning each step of their leadership development, focusing on practical skills and valuable attributes that will maximize their leadership success now and into the future. Organized around five major design challenges, each challenge is explored in a stand-alone module. Students begin the leadership journey with themselves, understanding their own strengths, styles, and skills. The text moves on to relationships, exploring how leadership is a process that involves values, decision-making, motivation, and power. A module on others' success unpacks the most effective practices of leadership and management, this is followed by a module on leading culture, teams, and community, before concluding with a section on how leaders can create lasting, positive change. The book covers foundational leadership topics with a strong emphasis on skill building and helping develop CORE competencies: confidence, optimism, resiliency, and engagement. Students are encouraged to develop these skills through experiential learning, with multiple features in each chapter such as reflective and scenario-based exercises, and case studies of internationally recognized companies like Amazon and Proctor & Gamble, along with interviews with Fortune 500 Company CEOs. There are online resources for instructors and students, which include: Test bank, PowerPoint slides, an instructor manual, teaching tips, answers to in-text questions, multimedia resources, quiz questions, and flashcards. Suitable reading for first and second year undergraduates on Leadership, Introduction to Leadership, and Leading Organizations courses

A Golden Age Tahmima Anam 2009-10-13 "Spellbinding . . . Anam has written a story about powerful events. But it is her descriptions of the small, unheralded moments . . . that truly touch the heart." —San Francisco Chronicle Tahmima Anam's deeply moving debut novel about a mother's all-consuming love for her two children, set against the backdrop of war and terror, has led critics to comparisons with *The English Patient* and *A Thousand Splendid Suns*. Rehana Haque, a young widow transplanted to the city of Dhaka in East Pakistan, is fiercely devoted to her adolescent children, Maya and Sohail. Both become fervent nationalists in the violent political turmoil which, in 1971, transforms a brutal

Pakistani civil war into a fight to the death for Bangladeshi independence. Fair-minded and intensely protective of her family, but not at all political, Rehana is sucked into the conflict in spite of herself. A story of passion and revolution, of family, friendship and unexpected heroism, *A Golden Age* depicts the chaos of an era and the choices everyone—from student protesters to the country's leaders, and rickshaw wallahs to the army's soldiers—must make. Rehana herself will face a cruel dilemma; the choice she makes is at once heartbreaking and true to the character we have come to love and respect.
