The Great Influenza John M. Barry 2005-10-04 #1 New York Times bestseller "Barry will teach you almost everything you need to know about one of the deadliest outbreaks in human history."—Bill Gates "Monumental... an authoritative and disturbing morality tale."—Chicago Tribune The strongest weapon against pandemic is the truth. Read why in the definitive account of the 1918 Flu Epidemic. Magisterial in its breadth of perspective and depth of research, *The Great Influenza* provides us with a precise and sobering model as we confront the epidemics looming on our own horizon. As Barry concludes, "The final lesson of 1918, a simple one yet one most difficult to execute, is that...those in authority must retain the public's trust. The way to do that is to distort nothing, to put the best face on nothing, to try to manipulate no one. Lincoln said that first, and best. A leader must make whatever horror exists concrete. Only then will people be able to break it apart." At the height of World War I, history's most lethal influenza virus erupted in an army camp in Kansas, moved east with American troops, then exploded, killing as many as 100 million people worldwide. It killed more people in twenty-four months than AIDS killed in twenty-four years, more in a year than the Black Death killed in a century. But this was not the Middle Ages, and 1918 marked the first collision of science and epidemic disease.

Five Meters of Time 2020-05-10 What happens if the world unexpectedly stands still for a moment? If, just like that, you are given a bit of time by sheer luck? This is exactly what happens in one of the biggest and busiest cities of the world, as a small snail crosses the street and makes traffic stop for half a day. A book about things that you always wanted to do but never had the time for.
Reviews"charming"-Kirkus Reviews"A proposal to improve the world"-Westfälische

Nachrichten "humorous"-Ehrensens "interesting not just in its story or its message, but also in how it delivers that message. The colors and backgrounds have a rich sense of texture, unlike the majority of children's books."-ForeWord Clarion Reviews "fabulous"-Spiegel Online "A creative bedtime story, which is also suitable for stressed adults. [...] In the bustle of the city, the animals seize the moment and become aware of how beautiful life can be without stress and hustle."-Designers in Action "sets out to demonstrate what can happen when we're true to ourselves, when we seize our day, when we live in the present, when we actually feel and enjoy the weather, when we are spontaneous, when we break from routine, when we defy expectation, and how these rather small acts of joy can inspire others"-Amazon.com Customer Review "beautiful"-Geizkragen "The story of a little snail who triggers big changes."-Münstersche Zeitung

Overcoming School Refusal Joanne Garfi 2018-01-31 School refusal affects up to 5% of children and is a complex and stressful issue for the child, their family and school. The more time a child is away from school, the more difficult it is for the child to resume normal school life. If school refusal becomes an ongoing issue it can negatively impact the child's social and educational development. Psychologist Joanne Garfi spends most of her working life assisting parents, teachers, school counsellors, caseworkers, and community policing officers on how best to deal with school refusal. Now her experiences and expertise are available in this easy-to-read practical book. *Overcoming School Refusal* helps readers understand this complex issue by explaining exactly what school refusal is and provides them with a range of strategies they can use to assist children in returning to school. Areas covered include: • types of school refusers • why children refuse to go to school • symptoms • short term and long term consequences • accurate assessment • treatment options • what parents can do • what schools can do • dealing with anxious high achievers • how to help children on the autism spectrum with school refusal

German in Review Kimberly Sparks 2000 *German in Review* is an intermediate-level review grammar that for almost twenty years has been the leading German reference grammar. Appropriate for third- and fourth-semester college classes, the main textbook of the Third Edition contains sixteen chapters, each covering a specific grammar topic. Most of these chapters are sub-divided into levels, beginning with the most basic principles, then proceeding to more advanced material. Each level concludes with a series of exercises, usually moving from strictly controlled exercises on a single aspect of the topic, to

combination exercises (Mixed Exercises), and finally to English-to-German translation activities (Express in German). A new Student Manual, closely tied to the main text, provides a greater variety of activities that allow students to use the targeted structures in meaningful situations and contexts. The Student Manual is intended for in-class use, although students can also do the activities at home.

Danish: An Essential Grammar Robin Allan 2005-08-08 Ideal for any learner of the Danish language in early or middle stages, this engaging grammar is an essential reference guide to the most important grammatical aspects of Danish as it is used today.

Danish Tutor Jesper Hansen 2019-02-26 Do you want to communicate easily and freely in Danish? Master Danish grammar and broaden your vocabulary with your very own Danish Tutor. This contemporary interactive workbook features 200 activities across a range of grammar and vocabulary points with clear goals, concise explanations, and real-world tasks. By studying and practicing Danish grammar you'll understand how the language really works and be able to speak Danish with clarity and ease. What will I learn? The Danish Tutor: Grammar and Vocabulary Workbook covers a comprehensive range of the most useful and frequent grammar and vocabulary in Danish. You can follow along unit by unit, or dip in and dip out to address your weak areas. As you progress, you will be introduced to new vocabulary and combine it with the grammar to complete extensive exercises. You will then practice the language through authentic reading and writing practice. You will achieve a solid upper intermediate level of Danish grammar. Is this course for me? The Danish Tutor can be used as a standalone course or as a complement to any other Danish course. It offers extensive practice and review of essential grammar points and vocabulary and skills building. The personal tutor element points out exceptions and gives tips to really help you perfect your Danish. 25 Short Learning Units each contain: Communication goals to guide your studies Grammar explanations with extensive exercises Vocabulary presentations and activities Reading and writing sections to consolidate your learning

Evidence-based LSP Khurshid Ahmad 2007 This book presents a number of different perspectives on the central theme of 'evidence' and its interpretation in the study of specialist languages and their various uses. The principal topics include text corpora, citation patterns, some challenging dichotomies, terminology and knowledge management, and specialist translation. Each topic is presented in one of five parts, each with its own introduction. The volume includes contributions from established and new researchers in the field, as well as well-known scholars from other disciplines who bring a fresh eye to LSP studies. The book presents selected papers from LSP2003, the 14th European Symposium on Language for Special Purposes held at the University of Surrey, Guildford, in co-operation with the AILA Scientific Commission on Language for Special Purposes.
