When Dimple Met Rishi Sandhya Menon 2021-02-09 The inspiration for the Netflix original series *Mismatched!* Everyone is talking about this New York Times bestselling rom-com that Mindy Kaling called “utterly charming!” Eleanor & Park meets Bollywood in this hilarious and heartfelt novel about two Indian-American teens whose parents conspire to arrange their marriage. Dimple Shah has it all figured out. With graduation behind her, she’s more than ready for a break from her family, from Mamma’s inexplicable obsession with her finding the “Ideal Indian Husband.” Ugh. Dimple knows they must respect her principles on some level, though. If they truly believed she needed a husband right now, they wouldn’t have paid for her to attend a summer program for aspiring web developers...right? Rishi Patel is a hopeless romantic. So when his parents tell him that his future wife will be attending the same summer program as him—wherein he’ll have to woo her—he’s totally on board. Because as silly as it sounds to most people in his life, Rishi wants to be arranged, believes in the power of tradition, stability, and being a part of something much bigger than himself. The Shahs and Patels didn’t mean to start turning the wheels on this “suggested arrangement” so early in their children’s lives, but when they noticed them both gravitate toward the same summer program, they figured, Why not? Dimple and Rishi may think they have each other figured out. But when opposites clash, love works hard to prove itself in the most unexpected ways.

Sita's Daughters Leigh Minturn 1993 Sita's Daughters vividly recounts the dramatic changes in role and status experienced by Rajput caste women in the Indian village Khalapur between 1955 and 1975. In the 20 years between her now-classic original field study and her follow-up with the same families, Leigh Minturn witnessed a significant decline in the women's observance of a complex system of customs collectively called purdah, which includes the wearing of veils, silence in the presence of senior men and women, the adoption of subservient postures when speaking to men, and the separation of husbands and wives. Her interviews with mothers- and daughters-in-law reveal how changes in purdah customs and religious traditions have allowed them increased access to education and health facilities, control of finances, and autonomy inside and mobility outside of their husbands' households. This work is unprecedented in its depth, scope, and exposition of the intimate details of the lives of Indian women. Minturn's return to her original subjects allowed her to observe firsthand the changes that had transpired during the interim, resulting in the only Indian village field study to span two generations. Having won the trust and confidence of her subjects, the author poignantly conveys their individuality, along with their stories of heroism, loyalty, infidelity, rape, incest, theft, and even murder. With even-handedness and detailed scholarship, Minturn makes use of methods such as systematic sampling and structured interviewing that are effective in capturing the richness of Indian village life, though they are uncommon in anthropological studies. The wide range of issues addressed here will be of interest to students and researchers in women's studies, South Asian studies, anthropology, and cross-cultural psychology, as well as to interested laypersons.

Happiness Unlimited Sister Shivani 2019 In these enlightening and eye-opening conversations, the renowned spiritual mentor, Sister BK Shivani reveals how to create a life of joy, contentment and bliss, because we all have the choice and the power to do so. According to her, the reason why there is so little happiness in the world is dependency. Happiness is not dependent on 'anything' or 'anyone', or found 'anywhere'. We keep delaying our happiness until things are just right in our life. We think we will be happy in the future and then wonder why we are not happy now. Happiness is only possible when we are able to accept everyone as they are, at every moment, in every situation. This book is a medium for the awakening and acceptance of self-responsibility. Helping us choose our thoughts and feelings aligned with our true nature of purity, peace and love. To make us shift from asking to sharing; from holding on to letting go; from expectations to acceptance; from the past and the future to being in the now. Happiness is a 'decision', not a 'consequence'.

Pieces of Him Alice Tribue 2016-01-14 You want the truth? The truth is there'll never be enough time in the world to figure out how to go back. I'll never come up with a way to change the outcome. The truth is I don't need to hear I have a son. I can't deny it's real because he's the living, breathing proof my life is out of control. But the truth is I love him. The truth is it's just him and me for the foreseeable future... Until I met a girl who crossed my heart and changed it all. Emelia was a bright star in my abandoned sky, and it would take a miracle to keep her there. I'll fight for miracles, though, because losing them would mean losing pieces of me.

Bhujia Barons Pavitra Kumar 2016-08-01 How a family-run business from humble Bikaner transformed Haldiram into a global, much-loved brand In the early twentieth century, a young man, Ganga Bhishan Agarwal, aka Haldiram, gained a reputation for making the best bhujia in town. Fast-forward a century and the Haldiram's empire has revenue much greater than that of McDonald's and Domino's combined. In *Bhujia Barons*, Pavitra Kumar tells the riveting story of the Agarwal family in its entirety—a feat never managed before. It begins in dusty, benign Bikaner and traces the rise and rise of this home-grown label, now one of the most-recognized Indian brands in the world. The Haldiram's story is not an average business story—it's chock-full of family drama, with court cases, jealousy-fuelled regional expansion, a decades-old trademark battle, and a closely guarded family secret of the famous bhujia. Fast-paced and captivating, this book provides a delicious look into family business dynamics and the Indian way of doing business.

Walk the Talk Shekhar Gupta 2017 In the fourteen years of NDTV's Walk The Talk Shekhar Gupta has interviewed more than 600 stellar guests-an outstanding feature for one of Indian TV news channel's most respected shows is the wide diversity of its guests. These range from heads of states to national, regional and international politicians and public figures, from Indian and global film stars to Nobel Laureates, scientists, economists, sports stars (not limited to cricket), spiritual gurus, business tycoons, philanthropists and, of course, activists. This book focuses exclusively on political leaders and public figures. Many of these conversations are path-breaking, and some extremely rare. For example, leaders like Sonia Gandhi and former prime minister P.V. Narasimha Rao have never before engaged in freewheeling, recorded conversations in such detail. Others have broken new ground since-Narendra Modi, L.K. Advani, Pranab Mukherjee, Mayawati and even M. Karunanidhi. There are also global thought leaders and heads of state: David Cameron, Henry Kissinger, and Pushp Kamal Dahal 'Prachanda', among others. There is also the rarest of rare interviews with the former RSS chief K.S. Sudarshan. It was challenging to choose just twenty-five political personalities and voices to feature in this selection. And one criterion has been to try and pick those conversations that mark political shifts and change. Hopefully, these will help provide an understanding of recent political history, and how we have reached the point we are at today, in the words of these very significant and interesting people.

Controversially Yours Anshu Dogra 2011-09-16 A tell-all book on and by Pakistan cricket's fastest and most controversial bowler One of the most talented and certainly one of the most colourful players in the history of cricket, Shoaib Akhtar holds the record for the fastest delivery ever, clocking in at 11.2 mph. Having taken more than 400 wickets in his international career, Shoaib has seen it all-the best matches, the most exciting tournaments, the highs and lows of

personal achievement and failure. Controversially Yours is his take on the game, on his peers, on the fraught tussles between bowlers and batsmen and, of course, the institutions that control the sport, including the ICC and the Pakistan Cricket Board. From the early days of struggle to the 2011 World Cup, this is Shoaib's story in his own words, straight from the heart.

Bare Acts Monica Narula 2005 Cultural Writing. Political Science. This year, the annual Sarai Reader looks at 'Acts'--at instruments of legislation, at things within and outside the law, and at 'acts'--as different ways of 'doing' things in society and culture. Several essays echo and complement themes that have emerged in earlier readers. Piracy, borders, surveillance, claims to authority and entitlement, the language of expertise, the legal regulation of sexual behaviour and trespasses of various kinds have featured prominently in previous Readers. This collection foregrounds these issues in a way we hope can make a series of coherent but autonomous and interrelated arguments.
