A Dictionary of Cebuano Visayan John Wolff 2016-01-26 This is a dictionary of Cebuano Visayan, the language of the central part of the Philippines and much of Mindanao. Although the explanations are given in English, the aim of this work is not to provide English equivalents but to explain Cebuano forms in terms of themselves. It is meant as a reference work for Cebuano speakers and as a tool for students of the Cebuano language. There is a total of some 25,000 entries and an addenda of 700 forms which were prepared after the dictionary had been composed. This dictionary is the product of eleven years work by more than a hundred persons. The work was edited by John Wolff but the sources are entirely native, and all illustrations are composed by native speakers. To date, this work probably represents the most authoritative dictionary of the Cebuano Visayan language.

You Were Wrong Matthew Sharpe 2010-09-05 Meet Karl Floor: friendless, motherless, put-upon, living with his loudmouth stepfather and pretending to take satisfaction from teaching high school math. Karl returns home one day to discover his apartment being robbed by a beautiful woman named Sylvia. So begins a strange and mostly inadvertant saga: Karl, now in love with this unexpected woman, finds himself introduced to her friends and family, making promises to her, defending her honor (which she definitely has) against assailants (which she only might have). Sylvia is devastatingly attractive, and caught up in a situation that Karl, bless his heart, does his best to understand. As he gets pulled further into her life, and begged to solve her problems, Karl also begins to see his own limitations. Confronting his confusing paternal situation, his issues with class and responsibility, Karl emerges as an ingeniously funny, memorable, and heartwarming anti-hero. Matthew Sharpe addresses his heady themes with warmth and charisma. You Were Wrong is a lovingly satiric, intelligent, and deeply enjoyable novel with a voice all its own.

Blood Infernal James Rollins 2015-02-10 In a masterpiece of supernatural mystery and apocalyptic prophecy, New York Times bestselling authors James Rollins and Rebecca Cantrell bring to a thunderous conclusion their epic trilogy of novels set between the worlds of shadow and light, between salvation and damnation, where the very gates of Hell must be shattered to discover the true fate of humankind in... *Blood Infernal* As an escalating scourge of grisly murders sweeps the globe, archaeologist Erin Granger must decipher the truth behind an immortal prophecy foretold in the *Blood Gospel*, a tome written by Christ and lost for centuries: The shackles of Lucifer have been loosened, and his Chalice remains lost. It will take the light of all three to forge the Chalice anew and banish him again to his eternal darkness. With the Apocalypse looming, Erin must again join forces with Army Sergeant Jordan Stone and Father Rhun Korza to search for a treasure lost for millennia. But the prize has already fallen into the hands of their enemy, a demon named Legion, before whom even the walls of the Vatican will fall. The search for the key to salvation will take Erin and the others across centuries and around the world, from the dusty shelves of the Vatican's secret archives to lost medieval laboratories, where ancient alchemies were employed to horrific ends. All the while, they are hunted, besieged by creatures of uncanny skill and talent. As clues are dug free from ancient underground chapels and found frozen in icy mountain caverns, one that will destroy not only her, but all she loves. To protect the world, Erin must walk through the very gates of Hell and face the darkest of enemies: Lucifer himself. With *The Blood Gospel*, the first novel in the *Order of the Sanguines* series, James Rollins and Rebecca Cantrell combined science, myth, and religion to introduce a breathtaking world where miracles hold new meaning and the fight for good over evil is far more complicated than we ever dreamed. And now, in this epic conclusion to the *Sanguines* trilogy, *Blood Infernal*, they take us to the very pit of Hell itself, making us peer into the abyss and face our greatest fears, to answer the ultimate question: What price will we pay for true salvation?
