Adhunik Bharatacha Itihas BL Grover It is one of the bestselling books on Modern Indian History covering the time line from 1707 to the modern times. The book covers the entire gamut in a very unique style- it mentions not only factual data about various topics but also provides information about different interpretations put forth by Western and Indian historians, with an integrated analysis. This makes the book equally useful for undergraduate students of History and aspirants appearing for various competitive examinations.

The Dîpavaṃsa 1879

How Asia Found Herself Nile Green 2023-01-10 A pioneering history of cross-cultural knowledge that exposes enduring fractures in unity across the world's largest continent The nineteenth century saw European empires build vast transport networks to maximize their profits from trade, and it saw Christian missionaries spread printing across Asia to bring Bibles to the colonized. The unintended consequence was an Asian communications revolution: the maritime public sphere expanded from Istanbul to Yokohama. From all corners of the continent, curious individuals confronted the challenges of studying each other's cultures by using the infrastructure of empire for their own exploratory ends. Whether in Japanese or Persian, Bengali or Arabic, they wrote travelogues, histories, and phrasebooks to chart the vastly different regions that European geographers labeled "Asia." Yet comprehension does not always keep pace with connection. Far from flowing smoothly, inter-Asian understanding faced obstacles of many kinds, especially on a landmass with so many scripts and languages. Here is the dramatic story of cross-cultural knowledge on the world's largest continent, exposing the roots of enduring fractures in Asian unity.

India's Ancient Past R.S. Sharma 2006-09-18 This book presents a complete and accessible description of the history of early India. It starts by discussing the origins and growth of civilizations, empires, and religions. It also deals with the geographical, ecological, and linguistic backgrounds, and looks at specific cultures of the Neolithic, Chalcolithic, and Vedic periods, as well as at the Harappan civilization. In addition, the rise of Jainism and Buddhism, Magadha and the beginning of territorial states, and the period of Mauryas, Central Asian countries, Satvahanas, Guptas, and Harshavardhana are also analysed. Next, it stresses varna system, urbanization, commerce and trade, developments in science and philosophy, and cultural legacy. Finally, the process of transition from ancient to medieval India and the origin of the Aryan culture has also been examined.

History of Modern India Raj Pruthi 2017

History of India & Abroad Sagar Simlandy 2021-07-07 Indian history and culture are dynamic, spanning back to the beginning of human civilization. It began with a mysterious culture that flourished along the Indus River as well as among the farming communities in the southern lands of India. And the history of India is punctuated by constant integration of migrating people with the diverse cultures that surrounded India. Available evidence suggests that the use of iron, copper, and other metals was widely prevalent in the Indian sub-continent at a fairly early period, which is indicative of the progress that this part of the world had made by the end of the fourth millennium BC. History is the chronological study of the life and civilization of human beings. To develop linkage with the past and the present through continuous dialogues between the experience of past and that of the present is the fundamental mission of history. So, the historian E H Carr aptly says that the great writing of history becomes successful only when the search done by the historians illuminates and involves it with the problems of present age. The tested truth is that achieving knowledge from the experience of history acts as constant in the different socio-economic and political contexts. But the approaches to studying history are continuously informed by the changing circumstances and consequently modified from time to time in keeping with the demands of time and space. New ideas and views develop in the present and future times in the light of experiences of history.

mystical; more so a virtual utopia for historians and researchers. This scholarly text narrates the ancient Indian history from the genesis of civilisations to the early middle ages. It examines the sources, chronology of civilisations and authoritatively details the facts, feats, triumphs and religious crusades of the period. It unveils the rich cultural, religious and social diversity that is uniquely and peculiarly Indian. The book is of immense use to students and scholars of history and for candidates preparing for civil services examinations.

Bharat Ka Prachin Itihas Ram Sharan Sharma 2018-04-06 Beginning with a discussion on frameworks of writing history, the volume sheds light on the origins and growth of civilizations, empires, and religions. It covers the geographical, ecological, and linguistic backgrounds, and looks at specific cultures of the Neolithic, Chalcolithic, and Vedic periods, as well as the Harappan civilization. The author discussed the rise of Jainism and Buddhism, Magadha, and the beginning of territorial states. The period of Mauryas, Central Asian countries, Satavahanas, Guptas, and Harshvardhana are also analysed. He highlights important phenomena such as the varna system, urbanization, commerce and trade, developments in science and philosophy, and cultural legacy. He also examines the process of transition from ancient to medieval India and addresses topical issues such as the origin of the Aryan culture. This engaging and lucid text, by one of the best-known scholars of ancient India, will be indispensable for students and teachers of ancient Indian history. This book is the Hindi translation of the English edition.

Mudraraksasa (The Signet Ring of Rakshasa) Vishakadatta 2004-08 Mudraraksasa Is A Historical Play Of The Nataka Type In Seven Acts Written By Vishakadatta In 6Th Century A.D., In Which Chanakya, The Minister Of King Chandragupta Of Pataliputra, Wins Over Rakshasa, The Minister Of The Nandas To The Side Of Chandragupta. It Is An Unique Play In Many Respects. The Play Is Based On A Political Theme And It Bears Testimony To The Consummate Skill Of Visakhadatta As A Dramatist. It Does Not Present Any Of The Recognized Dramatic Sentiments (Rasa), But Introduces A New, Hitherto Unrecognized Sentiment Of Intense Rivalry Between Two Sharp-Witted Ministers Dedicated To The Service Of Their Respective Kings.

you complete practice. • Dedicated Chapters for every specific MCQ pattern. • Things To Remember/Strategies To Employ for solving each Question Type. • 5000+ MCQs in all with Answers and Explanations. • Descriptive composition – Essay, Précis, Letter.

The First Republic Venkatesh Rangan 2020-05-25 January 30th, 1774, a forgotten yet momentous date when a revolutionary movement originating in western India declared the formation of a republican government with executive powers residing not in kings or reigning monarchs but a representative council chosen by popular will. In the next quarter of a century, this government, known as the “Karbhari Sarkar”, expanded to cover the subcontinent from the Himalayas in the north to the river Kaveri in the south. It gave a crushing defeat to the British East India Company after an intense eight years of war and pushed back western imperialism by over three decades. It protected India’s north-western borders and repulsed successive invasions of the Afghan Durranis. It officially ended the Mughal Empire and transferred all imperial executive power to itself. Never before was a republican experiment on a pan-Indian and subcontinent wide-scale ever achieved. It was, in essence, the “First Republic” of India. The unsung and untold story of India’s First Republic, though forgotten in popular consciousness, has been kept alive in numerous primary sources of 18th-century history in Marathi, English, French, Portuguese, Persian and multiple Indian languages. Based on a study of these sources, The First Republic attempts to outline the rise and fall of the Imperial Karbhari Sarkar.

The Ashtādhyāyī of Pāṇini Pāṇini 1980 Panini's Ashtadhyayi represents the first attempt in the history of the world to describe and analyse the components of a language on scientific lines. It has not only been universally acclaimed as the first and foremost specimen of Descriptive Grammar but has also been the chief source of inspiration for the linguist engaged in describing languages of different regions. To understand Sanskrit language, and especially that part of it which embodies the highest aspirations of ancient Aryan people, viz., the Brahmanas, Samhitas, Upanisads, it is absolutely necessary to have a complete knowledge of the grammar elaborated by Panini. Being a masterpiece of reasoning and artistic arrangement its study is bound to cultivate intellectual powers. Western scholars have described it as a wonderful specimen or a notable manifestation of Indian intelligence. This book is an English translation of Ashtadhyayi in two volumes and has won a unique position in the world of scholarship.

Bharat 2016-10-31 Bharat, Gandhi Ke Bad is the Hindi translated edition of India After Gandhi, which documents the important events and happenings that occurred after India attained independence from British rule in 1947. Generally most the history textbooks on India cover events that from pre-historic times till the country gained independence from foreign rule, but this one takes the reader into the reality that lies hidden in the recent times. This was the era that has witnessed laying of the foundation of Indian democracy, where the fledging nation has survived several brutal attacks in the name of religion, caste, class and language. Historian Ramachandra Guha digs out a lot of facts and figures to explain the struggle and pain that the world's largest democracy has suffered after independence. He has also mentioned much details about some major protests and conflicts that haunted India after the British administrators left the country. Besides the negative turn of historical events, the book also records many of the accomplishments that the nation has made which does make every Indian proud. Even after having faced numerous terror attacks, conflicts and controversial issues, the republic of India has survived and remains united post-independence. The book presents some famous personalities in a very different light, when describing their personal and their political lives. Moreover, Guha also does mentions some lesser-known personalities from among tribals, workers and peasants who have played a major role in making India what it is today. The book is a result of extensive research and the lucid narration makes it an interesting to read that is easy to understand and relate to. Translator Sushant Jha has maintained the original crux of the text in this translated edition and has not attempted to overshadow what the author has actually explained in the original English version. India After Gandhi, the English version was picked as the Book of the Year by Outlook and The Economist and it went onto win the 2011 Sahitya Akademi Award. Following the popularity of this book, the author wrote a second volume, which also has a translated called Bharat: Nehru Ke Baad. About the author: Columnist, commentator and writer, Ramachandra Gaa, born in 1958, is one of India's best historians who has documented recent history. Born and brought up in Dehradun, Gaa, a graduate from Delhi University and IIM Calcutta has also taught at Yale, Stanford and University of California. Among the famous books that Gaa has written are: India after Gandhi, The States of Indian Cricket and This Fissured Land: An Ecological History of India.
