**The Theology of the Book of Revelation** Richard Bauckham 1993-03-04 The Book of Revelation is a work of profound theology. But its literary form makes it impenetrable to many modern readers and open to all kinds of misinterpretations. Richard Bauckham explains how the book's imagery conveyed meaning in its original context and how the book's theology is inseparable from its literary structure and composition. Revelation is seen to offer not an esoteric and encoded forecast of historical events but rather a theocentric vision of the coming of God's universal kingdom, contextualised in the late first-century world dominated by Roman power and ideology. It calls on Christians to confront the political idolatries of the time and to participate in God's purpose of gathering all the nations into his kingdom. Once Revelation is properly grounded in its original context it is seen to transcend that context and speak to the contemporary church. This study concludes by highlighting Revelation's continuing relevance for today.

**The Mystery Mission of Salvation in Christ Jesus** Dr Ibim Alfred 2017-08-26 For the past twenty years, I have thought and developed an interest in what I call the mystery mission of salvation in Christ Jesus. This curiosity has intensified over the past three years, and I am compelled by the divine spirit of Christ Jesus to put my belief and faith in ink on paper. Apostle Paul, the greatest theologian, stated, "Yet when I preach the gospel, I cannot boast, for I am compelled to preach" (1 Cor. 9:16). Like Paul, I am writing this book not of my own choice but of necessity. I believe I have been entrusted with this assignment to unveil the mystery mission of salvation in Christ Jesus. Paul stated, "For Christ's love compels us, because we are convinced that one died for all, and therefore all died" (2 Cor. 5:14). The love shown by Christ Jesus (Gal. 2:20, Rom. 8:35-38) is the model of authentic existence and compels believers like Paul, who thought that he had no choice but to imitate the selflessness of Christ Jesus to preach the Gospel of salvation in Christ Jesus. As a believer in the Savior, our Lord, and God Christ Jesus, I am obliged to write this book about the Son of God who wrought salvation to the universe through his birth on the first Christmas Day, his mission on earth for about three years, his cruel death on the cross on the first Good Friday, and his ultimate resurrection on the first Easter Sunday morning. My purpose in this book is not to boast on human intelligence or ability; on the contrary, it is to show the love of Christ Jesus who condescended and descended humbly from his divine heavenly city to this sinful earthly city in order to bring eternal salvation to all those who believe in him. I do hope and pray ardently and fervently that this book might help just one person to come to know salvation in Christ Jesus for the first time or open the spiritual eye and mind of a believer to have a deeper and more holy understanding of the amazing grace and love of Christ Jesus, who brings salvation to humanity by his wonderful and mysterious mission of salvation, which is unveiled in this book. That person in either situation could be you.

**Revelation** Robert W. Wall 1991 Horsemen, signs, seals, weeks this volume in Hendrickson's popular New International Biblical Commentary tackles the New Testament book that puzzles and intrigues laypeople and students alike. Wall takes a sane, common-sense approach to Revelation, explaining both its historical setting and its apocalyptic character. Like other NIBC volumes, this commentary uses the NIV for clarity and accessibility. Wall's commentary is a valuable contribution to the study of Revelation. It interacts well with most of the leading contemporary scholarship in the field. It provides an angle of perspective on John's vision that opens some new vistas into its meaning and provides healthy correctives of many misconceptions. This is a useful resource for college and seminary classes on Revelation and a helpful tool for those with theological/biblical training who would lead Bible studies on Revelation. M. ## **Israel in Prophecy** William Hendriksen 1968

**The Gospel According to John** D. A. Carson 1991 This commentary seeks above all to explain the text of John's Gospel to those whose privilege and responsibility it is to minister the Word of God to others, to preach and to lead Bible studies. I have tried to include the kind of information they need to know, but to do so in such a way that the informed layperson could also use the work in personal study of the Bible, exclusively for purposes of personal growth in edification and understanding. In particular, I have attempted: (1) To make clear the flow of the text. (2) To engage a small but representative part of the massive secondary literature on John. (3) To draw a few lines towards establishing how the Fourth Gospel contributes to biblical and systematic theology. (4) To offer a consistent exposition of John's Gospel as an evangelistic Gospel. - Preface.

When the Man Comes Around: A Commentary on the Book of Revelation Douglas Wilson 2019-07-30 "Though St. John the Evangelist saw many strange monsters in his vision, he saw no creature so wild as one of his own commentators." ~ G.K. Chesterton The book of Revelation was written to do just that: reveal. But most commentaries nowadays either engage in bizarre speculations about the future, or they keep an embarrassed distance from all the apocalyptic events that the apostle John says will "shortly take place." In this commentary, Douglas Wilson provides a passage-by-passage walkthrough of the entire book, showing how John's most notorious prophecies concern the Fall of Jerusalem in A.D. 70.

Explaining symbols and characters as he goes, Wilson shows from the text that not only is this book not an elaborate code, but that Revelation is not even ultimately concerned with the end of the world as we know it. Revelation is about the triumph of the Church, which always happens when the Man comes around.

The Returning King Vern S. Poythress 2000 Noted New Testament scholar Poythress provides an understandable and practical look into Revelation in this insightful commentary. Poythress focuses on Revelation's core message and ensures that its details do not cloud the big picture. He shows Revelation to be a picture book, not a puzzle book, relevant and applicable to the daily lives of Christians.

*Revelation* G. K. Beale 2015-01-02 G. K. Beale's monumental New International Greek Testament Commentary volume on Revelation has been highly praised since its publication in 1999. This shorter commentary distills the superb grammatical analysis and exegesis from that tome (over 1,300 pages) into a book more accessible and pertinent to preachers, students, and general Christian readers. As in the original commentary, Beale views Revelation as an integrated whole, as a conscious continuation of the Old Testament prophetic books, and shows that recognizing Revelation's nearly constant use of Old Testament allusions is key to unlocking its meaning. Interspersed throughout the volume are more than sixty sets of "Suggestions for Reflection" to help readers better grasp the relevance of Revelation to their lives and our world today.

*Romans* Jared C. Wilson 2013-04-30 The Knowing the Bible series is a new resource designed to help Bible readers better understand and apply God's Word. Each 12-week study leads participants through one book of the Bible and is made up of four basic components: (1) Reflection questions designed to help readers engage the text at a deeper level; (2) "Gospel Glimpses" highlighting the gospel of grace throughout the book; (3) "Whole-Bible Connections" showing how any given passage connects to the Bible's overarching story of redemption culminating in Christ; and (4) "Theological Soundings" identifying how historic orthodox doctrines are taught or reinforced throughout Scripture. With contributions from a wide array of influential pastors and church leaders, these gospel-centered studies will help Christians see and cherish the message of God's grace on each and every page of the Bible. The book of Romans was Paul's greatest literary achievement, a majestic letter in which the apostle expounds on crucial doctrines such as original sin, election, substitutionary atonement, the role of the law, and justification by faith alone. Plumbing the theological depths, Jared Wilson writes with a pastor's eye toward understanding and application as he explains the biblical text with clarity and passion, helping readers follow along as Paul recounts the history of salvation and illuminates the glories of the cross of Christ.
