Bible Nation Candida R. Moss 2019-07-16 How the billionaire owners of Hobby Lobby are spending hundreds of millions of dollars to make America a "Bible nation" The Greens of Oklahoma City—the billionaire owners of the Hobby Lobby chain of craft stores—are spending hundreds of millions of dollars in an ambitious effort to increase the Bible's influence on American society. In Bible Nation, Candida Moss and Joel Baden provide the first in-depth investigative account of the Greens' sweeping Bible projects. Moss and Baden tell the story of the Greens' efforts to place a Bible curriculum in public schools; their rapid acquisition of an unparalleled collection of biblical antiquities; their creation of a closely controlled group of scholars to study and promote the collection; and their construction of a \$500 million Museum of the Bible in Washington, D.C. Revealing how all these initiatives promote a very particular set of beliefs about the Bible, the book raises serious questions about the trade in biblical antiquities, the integrity of academic research, and the place of private belief in public life.

DAILY BIBLE STUDY - FALL 2014 Various 2014-06-04

Mastering the Discipline of Bible Study Jenai J. Rasmussen Ed.D. 2022-07-22 This work, along with the other volumes in the Foundational Knowledge of the Bible series, can help those who are young in the faith to seek a Christian relationship with God. All who choose to enter into the new covenant must concurrently embrace a new perceptual field. By heeding God's call to service, believers embark upon a Christian journey to become wise from the application of spiritual knowledge. This is made possible with the indwelling of the Holy Spirit who guides covenant believers in the faithful word of God, which is the source of all spiritual truth in this world. The intended purpose presented in this plan of action is to speak the truth of God in love so that the brethren can learn godly discernment, be equipped with sound doctrine, and grow together in all things according to Christ's authoritative leadership (Eph. 4:15). By becoming covenant Christians set apart by God for his particular use, we can be diligent by precisely and accurately handling the word of truth (2 Tim. 2:15). This series can serve to edify and ground those who are new in the faith because the revelation of God provides all the essential answers to life's pressing spiritual questions, whether general or specific. Accordingly, Christ's disciples need to comprehend the questions before the answers can have real meaning. No greater reason can be given for studying the Bible. Therefore, the people of God are duty-bound to master this Christian discipline. The first volume in this series is divided into three phases of Bible study: "Why" addresses the importance of knowing God's word, study motivations, conditions for discipleship, Christian distinctions, and the attributes needed to study biblical truth. "How" covers preliminary actions, Bible versions, principles, study considerations, and necessary skills. "What" offers a unique sevenfold framework for understanding the Bible. Divine power can move the Scriptures to be more than words on a page. It can become a life-changing force for good in the world. To that end, this resource directs the reader on how to inquire, search, and ask diligently concerning godly truth. Invaluable information, accessible resources, clear educational materials, and deep biblical insights will all quickly serve to establish beginning students in the Sacred Text. This work will also prepare the reader to receive the Scriptures by learning how to obtain a faithful accounting of spiritual truth. To be sure, wisdom is the result of applying biblical knowledge to our lives. By speaking divine truth in love, believers can grow together in Christ as fellow workers who labor in the word of God. There is no greater work in this world than to share this life-saving truth with others. The obligation of receiving divine knowledge requires that it be shared. Truly, giving the hope and joy that is found in Jesus Christ, and the message he brought from the Father, is the greatest privilege of a human life. Amen, and amen.

Daily Bible Study Summer 2022 Michelle J. Morris 2022-04-19 Daily Bible Study is a great companion to the quarterly Adult Bible Studies or as a stand-alone study. It is presented in quarterly segments. Bible-based, and Christ-focused, it coordinates with the lesson themes of Adult Bible Studies. Each daily reading includes a one-page Bible study for each day of the quarter, along with introductory reflection questions and commentary on the daily Scripture passage, life application, and a concluding prayer. Daily Bible Study Summer 2022 Theme: Transform The lessons this quarter begin with a look at the ministry of the Holy Spirit that brings new life to us as members of the body of Christ. disciples in John's Gospel that he must leave so that the Comforter or Holy Spirit could come. The Spirit will lead and guide us into all truth and bring gifts and graces to all who will receive them. This transforming power prepares us for ministry in the world. The Holy Spirit's work in empowering us to be the church and carry out its mission is not limited to time and space. The lessons in Unit 2 take us through a series of events in the context of Jewish and Gentile hostility in which we see how the Holy Spirit moved the church forward to serve others. The final four lessons in this quarter explore a problem that has plagued humankind throughout the ages—violence! How do we as the people of God confront and overcome this menace to the faith? Unit 1: The Fruit of the Spirit Paul used the metaphor of fruit to help us understand that our lives are like the firstfruits of offering. Through participation in Christ's crucifixion through baptism, we have offered our lives to God's service. The Holy Spirit then gives us gifts to display. Scriptures: Acts 2:1-4, 17-21, 33, 38-39; 1 Corinthians 2:10-16; Galatians 5:13-21; Galatians 5:22-26 Spiritual Practice: Silence Unit 2: The Work of the Church These lessons take us through a series of events in the Book of Acts in which the activity of the Holy Spirit drives the action forward. The lessons in Unit 1 identify the gifts granted to us by the Spirit; these lessons look at the path on which the Spirit directs our lives and how the Spirit is already active before we arrive at our destination. Scriptures: Acts 4:23-31; Acts 8:26-39; Acts 11:1-18; Acts 15:1-21; Acts 16:25-34 Spiritual Practice: Service Unit 3: The Pursuit of the People God's word established a created order that depends on fruitfulness and cultivation rather than violence to maintain it, but humanity through its rivalries brings violence into God's created order. It is clear from Scripture that God's intent is to reestablish shalom, the Hebrew word that means "a shared well-being and abundance." While violence remains a part of the created order, God does not quietly sanction the human use of violence and calls us to imitate God's love and work toward shalom. Scriptures: 1 Chronicles 22:6-10, 17-19; Matthew 5:9, 38-48; Ephesians 2:11-22; Matthew 26:47-56 Spiritual Practice: Remembering

Just One Hour Rev. Dr. Winelle Kirton-Roberts 2022-06-07 "Go ye therefore and teach all nations... Teaching them to observe all things whatsoever I have commanded you... (Matthew 28: 19a, 20a)" is the Great Commission of Jesus Christ. Jesus, in his ministry, taught his followers the Word of God and

mandated them to continue to teach all nations, peoples and tongues. Today, Christian believers gather weekly for public worship. There is singing, praying, musical renditions, reading of the scriptures, rites and sacraments and the preaching of the Word. Unfortunately, most teaching ministries including the weekly Bible Studies attract little interest resulting in small attendances. Busy schedules, inadequate preparation, and misguided focus are but some of the reasons why our Churches are failing to fulfil the instructions of Jesus to teach. This book, "Just One Hour," is a prayerful, thoughtful, systematic, teaching tool that would inspire all believers to go deeper into God's word. The wide range of topics covered are important for evangelism, discipleship, pastoral care, family life and social action. It is a book that can be used by the believer at home for personal and family study as well as for leaders of small or large Bible Study groups.
