Charting international news events, including recent peace agreements in the Middle East, Hagee synchronizes these headlines with the biblical timeline for the last days, producing a compelling argument that life on Earth is about to expire. What else must take place before the arrival of Judgment Day? This very timely message discusses: The reality of virtual terrorism The financial crisis and economic crash Opposing views of the Rapture Recent peace agreements in the Middle East that impact Israel and a potential Russian invasion Nuclear wars The purpose of the Tribulation and the Millennium Significantly updated and revised from its previous publication under the title From Daniel to Doomsday, this is quintessential Hagee on Bible prophecy and End-Times teaching. This insightful book is an ideal resource for Christians who are looking for a guide to what the Bible says about the end times--and how to recognize that they are approaching. Mark it down: The End of the Age is approaching, but it won't be ushered in by space aliens or catastrophic asteroids. Hagee guides us through the timeline before that fateful moment when every unredeemed individual must face God on Judgment Day.

The Syriac Version of Ezra-Nehemiah Balzaretto Claudio 2013-07-03 he Syriac Version of Ezra-Nehemiah seems to be based on an original Hebrew text that is partly different from the one transmitted in the Masoretic tradition. This study seeks explain how the Syriac translator understood the Hebrew text. The author firstly examines the manuscript traditions and provides a critical apparatus to the Syriac text. He then investigates the translation technique and shows the translator's efforts to solve the difficulties in the original by offering a more coherent and clearer new text. This monograph also discusses questions concerning the translator and his community. In sum, the Syriac version constitutes a stimulus and a call to read the Old Testament afresh. «Despite the fact that the Syriac version of the book of Ezra and Nehemiah presents some notable differences in comparison with the Hebrew Text, there has been no exhaustive research on this book». «The history of the research has shown the persistence of certain opinions which a more careful analysis has demonstrated to be problematic. As this point, we can put forward two presuppositions of our research: in the history of the canon does not allow us

to make deductions as to the history of its translation and transmission». «From the rhetorical point of view, we have recognised various phenomena which can be summarised in a few words: the translation provides a clearer and more consistent presentation of the original Hebrew, even at the cost of sacrificing some redundant expressions of the Vorlage, but with the aim of producing a well-ordered arrangement of the text by means of the technique of repetition».

The Aramaic-English Interlinear Peshitta Old Testament (The Minor Prophets) Rev. David Bauscher 2016-03-28 This is a literal word for word interlinear translation of the 1900+ year old Aramaic Old Testament called the Peshitta. Aramaic was the native language of Jesus and of Israel in the 1st century AD. This volume contains the Minor Prophets: Hosea through Malachi (the last 12 books of the Old testament). The text translated is the 6th or 7th century Codex Ambrosianus- the oldest complete Semitic Old Testament extant. The Peshitta Old Testament was very likely translated from the Hebrew Bible in the 1st century AD in Israel by Christian coverters from Judaism, or possibly Syrian Christians from across Israel's border. Either way, the Peshitta Old and New Testaments together constitute the first Christian Bible. The author has also translated and published interlinears of the Aramaic Peshitta Torah, The Poetry Books, The Major Prophets, as well as the entire Aramaic Peshitta New Testament and plain English translations of the NT, the Torah, the Psalms & Proverbs. Paperback 8x11" 146 pages in B&W.

Underground Protestantism in Sixteenth Century Spain Frances Luttikhuizen 2016-12-05 Frances Luttikhuizen chronicles the arrival, reception, and suppression of Protestant thought in sixteenth century Spain—referred to at that time as 'Lutheranism'. It opens with several chapters describing the socio-political-religious context that prevailed in Spain at the beginning of the sixteenth century and the growing trend to use the vernacular for parts of the Mass, as well as for catechizing the populace. Special attention is given to the forerunners, that is, the early alumbrado-deixados, the role of Cardinal Cisneros, and the impact of Erasmus and Juan de Valdes, etc. The use of archival material provides new details regarding the historical framework and the spread of evangelical thought in sixteenth century Spain. These dispatches and trial records greatly enrich the main body of the work, which deals with the arrival and confiscation of evangelical literature, the attitude of Charles V and Philip II towards religious dissidents, and the severe persecution of the underground evangelical circles at Seville and Valladolid. Special attention is given to the many women involved in the movement. The recurrent mention of the discovery and confiscation of prohibited literature shows how books played an important role in the development of the movements. The final chapters focus on the exiles and their contributions, the persecution of foreigners, and the years up to the abolition of the Inquisition. The work concludes with the efforts made in the nineteenth century to rediscover the history of the persecuted sixteenth century Spanish Protestants and their writings.
