The Art of the Kama Sutra Vātsyāyana 1994 The Kama Sutra (Aphorisms on Love) was written in India some time between 1-5 AD. Its author is said to have been Mallanga Vatsyayana, who compiled the Kama Sutra while he was a religious student, studying the sacred books of Hinduism. In his day Kama, which is love and other pleasures of the senses, was considered to have its own share in the divine scheme of things: in sexual union, a man and woman re-enacted the creation of the cosmos. In this volume the extracts from the Kama Sutra give the modern reader an idea of the book's scope, while the beautiful illustrations reflect the ethos of the Kama Sutra, which is of a highly civilized society which took its pleasures very seriously.

Love and Sex in Islam Abdullah R. Muhametov 2013-04-15 Everything you wanted to know about sex and love in Islam, but were hesitant to ask about: polygamy, contraception allowed by Sharia, oral and group sex, homosexual marriages and also the relationship with jinns, masturbation and mysteries of martial relations - all that is allowed and all that is prohibited in sexual relations in this noble and pure religion. Many people both in the West and Russia continue to have a mistaken illusion that love, sex and variability of relations between man and woman are either suppressed in Islam or in contrary exceed all norms of decency. The book is an insight into this matter. The Muslim man is perceived as an ideal type of an always ready sexual partner. Love and Sex in Islam lifts the veil covering the delicate theme, in which the phenomena seeming incompatible turn out to be good neighbors.

Gujarat Files Rana Ayyub 2016-05-18 Gujarat Files is the account of an eight-month long undercover investigation by journalist Rana Ayyub into the Gujarat riots, fake encounters and the murder of state Home Minister Haren Pandya that brings to the fore startling revelations. Posing as Maithili Tyagi, a filmmaker from the American Film Institute Conservatory, Rana met bureaucrats and top cops in Gujarat who held pivotal positions in the state between 2001 and 2010. The transcripts of the sting operation reveal the complicity of the state and its officials in crimes against humanity. With sensational disclosures about cases that run parallel to

Narendra Modi and Amit Shah's ascent to power and their journey from Gujarat to New Delhi, the book tells you the hushed truth of the state in the words of those who developed amnesia while speaking before commissions of enquiry, but held nothing back in the secretly taped videos which form the basis of this remarkable read.

Gender Mosaic Daphna Joel 2019-09-17 With profound implications for our most foundational assumptions about gender, Gender Mosaic explains why there is no such thing as a male or female brain. For generations, we've been taught that women and men differ in profound and important ways. Women are more sensitive and emotional, whereas men are more aggressive and sexual, because this or that region in the brains of women is smaller or larger than in men, or because they have more or less of this or that hormone. This story seems to provide us with a neat biological explanation for much of what we encounter in day-to-day life. But is it true? According to neuroscientist Daphna Joel, it's not. And in Gender Mosaic, she sets forth a bold and compelling argument that debunks the notion of female and male brains. Drawing on the latest scientific evidence, including the groundbreaking results of her own studies, Dr. Joel explains that every human brain is a unique mixture -- or mosaic -- of "male" and "female" features, and that these mosaics don't map neatly into two categories. With urgent practical implications for the way we understand ourselves and the world around us, Gender Mosaic is a fascinating look at the science of gender, sex and the brain, and at how freeing ourselves from the gender binary can help us all reach our full human potential.

The Entrepreneurial University Lene Foss 2015-05-22 Global recessions and structural economic shifts are motivating government and business leaders worldwide to increasingly look to "their" universities to stimulate regional development and to contribute to national competitiveness. The challenge is clear and the question is pressing: How will universities respond? This book presents in-depth case narratives of ten universities from Norway, Finland, Sweden, UK, and the U.S. that have overcome significant challenges to develop programs and activities to commercialize scientific research, launch entrepreneurial degree programs, establish industry partnerships, and build entrepreneurial cultures and ecosystems. The universities are quite diverse: large and small; teaching and research focused; internationally recognized and relatively new; located in major cities and in emerging regions. Each case narrative describes challenges overcome, actions taken, and resulting accomplishments. This volume will be of interest to policymakers and university administrators as well as researchers and students interested in how different programs and activities can promote university entrepreneurship while contributing to economic growth in developed and developing economies.

The Kama Sutra: Chinese Bound Vatsyayana 2013-12-12 Written in India in Sanskrit between 400BCE and 300CE by the philosopher Vatsyayana, the Kama Sutra is the classic work on love, marriage and sex. Not only of historical interest, much of what it has to say on marriage and sex is still valid today. And although famous for its chapter on sexual pleasure, the Kama Sutra actually addresses many topics, such as what to look for in a wife, how a woman can learn to control men, what artistic skills and hobbies a wife should develop, how an unattractive man can go about attracting a woman, dealing with arguments, and how to interpret a woman's behaviour. Including editorial notes, this abridged edition of the Kama Sutra features extracts from each chapter of the book. Illustrating the text are more than 30 classic Indian paintings from a 16th century edition of the book. Of immense importance to millions of people over centuries, the Kama Sutra is a classic text richly deserving this splendid edition.

Bliss - Complete Series Lucia Jordan 2021-10-25 Here, presented in one volume, are the four stories that comprise the 'Bliss' Series, a seriously hot and provocative romance by Lucia Jordan, written in her signature style of high passion and emotion. When Keira Delane rented the guest house on art collector Matthew Hunter's estate, she never imagined she would become involved with her handsome, wealthy and mysterious landlord. Yet over time she has become a voyeur of Matthew's private life and developed a powerful desire for him that nothing can satisfy. When an unexpected blizzard descends and cuts power to the guesthouse, Matthew takes Keira to the mansion to ride out the storm with him. Keira quickly discovers that Matthew feels the same attraction. Now alone with Keira, he can test the depth of her attraction, but can she submit to his needs, and to all the wild fantasies in his heart? This ebook contains very hot and explicit descriptions of romantic activity. Only mature readers should download this book.

Africa's Freedom Railway Jamie Monson 2009-03-12 The TAZARA (Tanzania Zambia Railway Authority), or Freedom Railway, from Dar es Salaam on the Tanzanian coast to the Copperbelt region of Zambia, was instrumental in fostering one of the most sweeping development transitions in postcolonial Africa. Built during the height of the Cold War, the railway was intended to redirect the mineral wealth of the interior away from routes through South Africa and Rhodesia. Rebuffed by Western aid agencies, newly independent Tanzania and Zambia accepted help from China to construct what would become one of Africa's most vital transportation corridors. The book follows the railroad from design and construction to its daily use as a vital means for moving villagers and goods. It tells a story of how transnational interests contributed to environmental change, population movements, and the rise of local and regional enterprise.

That Winter Pamela Gillilan 1986 Pamela Gillilan was born in London in 1918, married in 1948 and moved to Cornwall in 1951. When she sat down to write her poem *Come Away* after the death of her husband David, she had written no poems for a quarter of a century. Then came a sequence of incredibly moving elegies. Other poems followed, and two years after starting to write again, she won the Cheltenham Festival poetry competition. Her first collection *That Winter* (Bloodaxe, 1986) was shortlisted for the Commonwealth Poetry Prize.

It's Normal Mahinder Watsa 2018 'As the Ask the Sexpert columnist . . . he [Dr Watsa] has---gently, gently---pushed the limits in Indian popular culture, among other things by introducing the words penis and vagina instead of the squeamish euphemisms . . .' New York Times From adolescence to sex after forty, from foreplay to masturbation to sexual intercourse, from pre-marriage relationships to homosexuality, to conception and pregnancy---this book answers all questions pertaining to sex. Gleaned from a career spanning several decades as a gynaecologist and sex columnist, Dr Watsa writes about sex with wit and humour. In an easy manner he addresses the concerns and demystifies sex for the common Indian. The book also has an extensive FAQ section with questions from his highly popular column.

from an obscure Jewish sect to the global faith we know today in all its forms and permutations. In his quest to understand the underpinnings of the world's largest religion, Tom Bissell embarks on a years-long pilgrimage to the apostles' supposed tombs, traveling from Jerusalem and Rome to Turkey, Greece, Spain, France, India, and Kyrgyzstan. Along the way, Bissell uncovers the mysterious and often paradoxical lives of these twelve men and how their identities have taken shape over the course of two millennia. Written with empathy and a rare acumen—and often extremely funny—*Apostle* is an intellectual, spiritual, and personal adventure fit for believers, scholars, and wanderers alike.

The Dragon's Gift Deborah Brautigam 2011-04-07 Is China a rogue donor, as some media pundits suggest? Or is China helping the developing world pave a pathway out of poverty, as the Chinese claim? In the last few years, China's aid program has leapt out of the shadows. Media reports about huge aid packages, support for pariah regimes, regiments of Chinese labor, and the ruthless exploitation of workers and natural resources in some of the poorest countries in the world sparked fierce debates. These debates, however, took place with very few hard facts. China's tradition of secrecy about its aid fueled rumors and speculation, making it difficult to gauge the risks and opportunities provided by China's growing embrace. This well-timed book, by one of the world's leading experts, provides the first comprehensive account of China's aid and economic cooperation overseas. Deborah Brautigam tackles the myths and realities, explaining what the Chinese are doing, how they do it, how much aid they give, and how it all fits into their "going global" strategy. Drawing on three decades of experience in China and Africa, and hundreds of interviews in Africa, China, Europe and the US, Brautigam shines new light on a topic of great interest. China has ended poverty for hundreds of millions of its own citizens. Will Chinese engagement benefit Africa? Using hard data and a series of vivid stories ranging across agriculture, industry, natural resources, and governance, Brautigam's fascinating book provides an answer. It is essential reading for anyone concerned with China's rise, and what it might mean for the challenge of ending poverty in Africa.

The Conversion of Europe (TEXT ONLY) Richard Fletcher 1917 The story of how Europe was converted to Christianity from 300AD until the barbarian Lithuanians finally capitulated at the astonishingly late date of 1386. It is an epic tale from one of the most gifted historians of

today. This remarkable book examines the conversion of Europe to the Christian faith in the period following the collapse of the Roman Empire to approximately 1300 when the hegemony of the Holy Roman Empire was firmly established. One of the book's great strengths is the degree to which it shows how little was inevitable about this process, how surrounded by uncertainties. What was the origin of the missionary impulse? Who were the activists who engaged in this work – the toilsome, often unrewarding, sometimes dangerous work of evangelisation, and how did they set about putting over this faith? How did a structure of ecclesiastical government come into being? Above all, at what point can one say that an individual or a society has become Christian? Fletcher's range, lucidity and mastery of his sources brings the answers to these and many other questions as far within our grasp as they probably ever can be. Like Alan Bullock and Simon Schama, Fletcher is a historian with the true gift of a storyteller and a wide general readership ahead of him. Fletcher's previous book, *The Quest for El Cid* won both the Wolfson History Prize and the Los Angeles Times Book Award for History. This book is even better – the most impressive achievement so far of this strikingly gifted historian.

An Education - Complete Series Lucia Jordan 2021-10-21 'It's time for you to know what I'd do if I could get close enough to you...' Although Rachel Jackson loves running her bookstore café, she doesn't have much time for a social life—or dating, for that matter. Her last relationship cost her so much and ended so painfully. What she really wishes she could have is a torrid love affair with no strings attached—with someone like Oliver, the sinfully gorgeous struggling writer who regularly comes to her cafe at night to work on his stories. So when Oliver accidentally leaves behind his work in the cafe one night Rachel can't resist the temptation to read the story, and learns he's been secretly writing an erotic novel. Aroused by his inventive prose, Rachel offers to help Oliver with his story by acting it out with him. But what happens when she discovers that it was she who inspired Oliver's stimulating story?

The Clayton Account Bill Vidal 2008-09-15 Thomas Clayton is a City trader working the markets in London's Square Mile and living, financially, on borrowed time. But when he returns home to New York for his father's funeral to discover he has been left nearly \$50 million in a numbered Swiss bank account, he's at a complete loss to explain how his professor father could have come by such a sum. Whatever the explanation, the mysterious windfall has come at exactly the right time. So he travels to Zurich, secures the funds, and tells his wife to make an offer on her dream country mansion. What Tom doesn't know yet is that his father was being used as a 'ghost' to clean up dirty money by a New York laundry operation: really the money belongs to Carlos Morales, Medellin's biggest cocaine baron. Tom's actions in Europe spark a murderous turf war in the Americas between the cartels of Medellin and Cali, involving a cast of bent lawyers, cops, undercover DEA - and transatlantic assassins who'll stop at nothing or no one to make Tom pay his debt...

The Northern Wars Robert I. Frost 2014-09-25 This book provides an accessible study of the neglected but highly important series of wars fought for control of the Baltic and Northeastern Europe during the period 1558-1721. It is the first comprehensive history which considers the revolution in military strategy which took place in the battlefields of Eastern Europe. Robert Frost examines the impact of war on the very different social and political systems of Sweden, Denmark, Poland-Lithuania and Russia and he explains why it was Russia that emerged victorious from these wars. Based on extensive primary and secondary research (including much material that is unfamiliar in English) this book makes an important contribution to the debate on military change and political development in early modern Europe.

Sexual Violence Against Men in Global Politics Marysia Zalewski 2018-05-11 Sexual violence against men is an under-theorised and under-noticed topic, though it is becoming increasingly apparent that this form of violence is widespread. Yet despite emerging evidence documenting its incidence, especially in conflict and post-conflict zones, efforts to understand its causes and develop strategies to reduce it are hampered by a dearth of theoretical engagement. One of the reasons that might explain its empirical invisibility and theoretical vacuity is its complicated relationship with sexual violence against women. The latter is evident empirically, theoretically, and politically, but the relationship between these violences conjures a range of complex and controversial questions about the ways they might be different, and why and how these differences matter. It is the case that sexual violence (when noticed at all) has historically been understood to happen largely, if not only, to women, allegedly because of their gender and their ensuing place in gender orders. This begs important questions regarding the impact of increasing knowledge about sexual violence against men, including the impact on resources, on understandings about, and experiences of masculinity, and whether the idea and practice of gender hierarchy is outdated. This book engages this diverse set of questions and offers fresh analysis on the incidences of sexual violence against men using both new and existing data. Additionally, the authors pay close attention to some of the controversial debates in the context of sexual violence against men, revisiting and asking new questions about the vexed issue of masculinities and related theories of gender hierarchy. The book will be of great interest to students and scholars of sex, gender, masculinities, corporeality, violence, and global politics, as well as to practitioners and activists.

Landscapes, Identities and Development Paul Claval 2016-12-05 Bringing together theoretical and empirical research from 22 countries in Europe, North America, Australia, South America and Japan, this book offers a state-of-the-art survey of conceptual and methodological research and planning issues relating to landscape, heritage, [and] development. It has 30 chapters grouped in four main thematic sections: landscapes as a constitutive dimension of territorial identities; landscape history and landscape heritage; landscapes as development assets and resources; and landscape research and development planning. The contributors are scholars from a wide range of cultural and professional backgrounds, experienced in fundamental and applied research, planning and policy design. They were invited by the co-editors to write chapters for this book on the basis of the theoretical frameworks, case-study research findings and related policy concerns they presented at the 23rd Session of PECSRL - The Permanent European Conference for the Study of the Rural Landscape, organized by TERCUD - Territory, Culture and Development Research Centre, Universidade Lusófona, in Lisbon and Óbidos, Portugal, 1 - 5 September 2008. With such broad inter-disciplinary relevance and international scope, this book provides a valuable overview, highlighting recent findings and interpretations on historical, current and prospective linkages between changing landscapes and natural, economic, cultural and other identity features of places and regions; landscape-related identities as local and regional development assets and resources in the era of globalized economy and culture; the role of landscape history and heritage as platforms of landscape research and management in European contexts, including the implementation of The European Landscape Convention; and, the strengthening of the landscape perspective as a constitutive element of sustainable development.
