The Economist 1895

Big Black Penis Shawn Taylor 2008-06 Being black and male is serious business, but its absurd contradictions are often too funny for words. In this award-winning book, Shawn Taylor deftly leads us on a no-holds-barred tour of his masculine development, acknowledging some deep but often hilarious truths about black men. This raw and spellbinding narrative, full of unexpected turns of phrase and shocking displays of vulnerability, contains powerful meditations on sexuality, romance, fatherhood, and violence. Unapologetic and sharply critical of the hatred and fear that American society harbors toward black men, Taylor brings the subject of black masculinity into the 21st century.

My Body Emily Ratajkowski 2021-11-09 THE NEW YORK TIMES BESTSELLER A deeply honest investigation of what it means to be a woman and a commodity from Emily Ratajkowski, the archetypal, multi-hyphenate celebrity of our time.

_____ 'This is the book for every woman trying to place their body on the map of consumption vs control, and every woman who wants to better understand her impulses. It left me much changed' - Lena Dunham 'I read these pages, breathless with recognition, and the thrill of reading a new voice telling it like it is' - Dani Shapiro 'Emily Ratajkowski's first essay collection needs to be read by everyone [...] both page-turning and moving as hell' - Amy Schumer 'A slow, complicated indictment of a profession and the people who propel it [...] it will deliver a more nuanced and introspective rendering of her interior than those who come to it with those surface interests might expect' - Vogue 'Dazzling' - Observer 'Ratajkowski brings nuanced insight to questions about empowerment versus commodification of women's bodies and sexuality. Blending cultural criticism and personal stories, My Body is smart and powerful' - Time Magazine 'Raw, nuanced and beautifully written. A moving and enlightening experience to join a woman openly exploring such deep parts of her physical self via the written word. A truly impressive debut' - Emma Gannon 'Excellent [...] Ratajkowski writes with curiosity,

intellect and acute awareness' - Harper's Bazaar 'Superb [...] it feels revolutionary' - Telegraph 'I admire and envy her artistry' - Guardian

_____ Emily Ratajkowski is an acclaimed model and actress, an engaged political progressive, a formidable entrepreneur, a global social media phenomenon, and now, a writer. Rocketing to world fame at age twenty-one, Ratajkowski sparked both praise and furor with the provocative display of her body as an unapologetic statement of feminist empowerment. The subsequent evolution in her thinking about our culture's commodification of women is the subject of this book. *My Body* is a profoundly personal exploration of feminism, sexuality, and power, of men's treatment of women and women's rationalizations for accepting that treatment. These essays chronicle moments from Ratajkowski's life while investigating the culture's fetishization of girls and female beauty, its obsession with and contempt for women's sexuality, the perverse dynamics of the fashion and film industries, and the grey area between consent and abuse. Nuanced, unflinching, and incisive, *My Body* marks the debut of a fierce writer brimming with courage and intelligence.

The Penis Book Aaron Spitz, M.D. 2018-02-20 What's the weirdest thing you've ever wanted to know about the penis but were afraid to ask? Dr. Aaron Spitz has that answer—and many more. Let Dr. Spitz—who served as assistant clinical professor at UC Irvine's Department of Urology for 15 years and who is a regularly featured guest on *The Doctors*—become your best friend as he fearlessly guides you through the hairiest and the scariest questions in *The Penis Book*. An unflinching, comprehensive guide to everything from sexually transmitted infections to the science of blood flow, *The Penis Book* prominently features an easy-to-follow holistic five-step plan for optimum penis health, including plant-based eating recommendations, information on some penis-healthy foods, and suggested exercises for penis wellbeing. Useful to men and women alike, *The Penis Book* is a one-stop-shop for the care and maintenance of the penis in your life.

Newsweek 1957-04

The Practical Astronomer Will Gater 2020-11-03 Discover the wonders of the Universe with this complete introduction to observing and understanding the night sky. This practical guide explains and demystifies stargazing, teaching you to recognize different kinds of objects and showing you how they move through the sky over the course of the night and the year. It shows you how to understand and enjoy the cosmos, building your practical astronomy skills from the basics to more advanced techniques. Beginning with an explanation of the Universe itself - how big is it, what shape is it, how old is it, and will it end? - it then takes you on a tour around the night sky, building up your knowledge in simple stages. Practical advice begins with naked-eye observations, then illustrated step-by-step instructions show you how to set up and use binoculars and telescopes and how to take your own pictures of the night sky. It also lets you take a closer look at the different objects you can view in the night sky, telling you how to train your eye to recognize basic patterns of stars (constellations) and how to tell planets apart from other celestial bodies, showing you how to observe them in an innovative step-by-step way. An atlas of the night sky is also included, with charts that can be used in both the northern and southern hemispheres throughout the year. Accessible, inspirational, and authoritative, *The Practical Astronomer* will enthuse and inform anyone who wants to expand their knowledge of the night sky.

The Duroc Bulletin 1920

Popular Mechanics 1975-10 Popular Mechanics inspires, instructs and influences readers to help them master the modern world. Whether it's practical DIY home-improvement tips, gadgets and digital technology, information on the newest cars or the latest breakthroughs in science -- PM is the ultimate guide to our high-tech lifestyle.

The Practical Astronomer Anton Vamplew 2017-11-07 Unlock the mysteries of the night sky with this comprehensive guide to astronomy. The Practical Astronomer explains and demystifies stargazing and teaches you how to observe and navigate the night sky. Learn how to set up your binoculars and telescopes and find out how to spot different celestial bodies, such as stars, planets, nebulae, and galaxies. Train your telescope into the sky and learn astrophotography with your smartphone camera or digital camera. Hop from one star to another to locate the different constellations or other deep space objects. The book contains sky maps charting all the 88 constellations in both the northern and southern hemisphere, helping you map the star patterns, from Ursa Major and Orion to Pavo and Aquarius. The Practical Astronomer also contains monthly star charts that follow the changing positions of stars in the night sky through the year. Discover the solar system and know about other objects, such as satellites and space stations, that light up the sky. A reference section at the back of the book provides handy information about every planet and includes information about eclipses. Become an accomplished amateur astronomer with this practical guide.

Wild Together Kelly Lund 2020-12-08 For all lovers of dogs and adventure, come experience Kelly and Loki the Wolfdog's world together, as they explore the country and inspire those around them, revealing the endless possibilities between a man and his four-legged companion. During a blizzard in 2012, Kelly brought Loki—a husky/arctic wolf/malamute mix—home. Growing up in a family that took dog ownership very seriously, Kelly had his fair share of experiences with large dogs. But Loki was different. Instead of the dog entering into Kelly's world, Kelly felt that he had to listen closely to Loki and enter into his world. At that time, Kelly decided that he would do everything possible to not leave him behind at the house. They started backcountry snowboarding together when Loki was four months old, and before his third birthday, he'd seen most of the western United States. Loki the Wolfdog has developed a massive following across social media. With 1.5 million followers on Instagram and 140,000 likes on Facebook, people have grown to love following Kelly and Loki's adventures.

Starting out just for fun, Kelly started an Instagram account for Loki documenting their escapades. The story was later picked up by numerous websites, giving them unexpected exposure. Realizing that they now have a voice in the social media community, they want to give back and inspire others to get out, explore the world, and make memories with their pups. Loki the Wolfdog has a massive following, because people have enjoyed watching Kelly and Loki's undeniable bond. The story is both philosophical and visual: an invitation to experience life through Kelly and Loki's eyes.

The Sun and Her Flowers Rupi Kaur 2022-07-01 Rupi Kaur performs the first-ever recording of the sun and her flowers, her second #1 New York Times bestselling collection of poetry and prose. This production was recorded in 2021 along with the brand-new audio edition of *milk and honey* and the debut audio recording of *home body*. Divided into five chapters, this volume is a journey through the life cycle of wilting, falling, rooting, rising, and blooming. It is a celebration of love in all its forms.

National Geographic Little Kids First Big Book of Science Kathleen Weidner Zoehfeld 2019-03-26 This lively introduction to the fascinating world of science explores the different kinds of science, what scientists do, and the amazing things that scientists study: animals and plants; oceans and space; earthquakes and volcanoes; sound and light; inventions and more! Make sure kids' first experience of the wonders of science is a thrilling eye-opener with this fun reference book. Fun activities, games, and simple experiments encourage interactive learning, showing kids that anyone can use scientific observation and experimentation to be a scientist and discover new things. With bright images and age-appropriate text, this book inspires kids to be curious, ask questions, and explore the world around them and maybe even grow up to be a scientist one day, too! Topics include astronomy, botany, paleontology, malacology (that's the science of clams, snails, and other animals with shells!), zoology, and more.

Cutting Edge Ward Larsen 2018-01-23 A helicopter crash alters a Coast Guard rescue swimmer's life forever in *Cutting Edge*, a suspense thriller by USA Today bestselling author Ward Larsen. Trey DeBolt is a young man at the crest of life. His role as a Coast Guard rescue swimmer in Alaska offers him a rewarding job and limitless adventure. Then a tragic accident alters his life: during a harrowing rescue, his helicopter goes down. Severely injured, DeBolt awakens in a seaside cabin in Maine, thousands of miles from where the accident occurred.

His lone nurse lets slip that he has been officially declared dead, lost in the crash. Back in Alaska, however, Coast Guard investigator Shannon Lund uncovers evidence that DeBolt might still be alive. Her search quickly becomes personal, but before she can intervene, chaos erupts outside a cabin in the wilds of Maine. The nurse who has been treating DeBolt is brutally killed by military-trained assassins. DeBolt is only saved when a bizarre vision guides him to safety. Soon other images appear, impossible revelations that are unfailing in their accuracy. As he runs for his life, DeBolt discovers he has been drawn into an ultra-secret government project. The power it bestows is boundless, both a gift and a curse. Yet one thing is certain: Trey DeBolt has abilities no human has ever known.

David Bailey's Rock and Roll Heroes David Bailey 1997 David Bailey's photographs have helped to create the face of modern pop. He has trained his camera on most of the pop icons since the 1960s, and this volume brings together more than 80 of his most vivid and indelible images of the pop scene, from his earliest photographs of Mick Jagger, Lennon and McCartney and The Who, to his later portraits of Liam and Noel Gallagher of Oasis. There are pictures of Patti Smith and Bob Dylan, John Lydon and Boy George, Tina Turner and Sting. There is a session from 1985's Live Aid showing Bob Geldoff and Queen at a moment of glory, and there are classic heroes too: a grinning Fred Astaire, an offbeat Miles Davis, and a solemn Duke Ellington.

Home Body Rupri Kaur 2020-11-17 From the #1 New York Times bestselling author of milk and honey and the sun and her flowers comes her greatly anticipated third collection of poetry. rupri kaur constantly embraces growth, and in home body, she walks readers through a reflective and intimate journey visiting the past, the present, and the potential of the self. home body is a collection of raw, honest conversations with oneself - reminding readers to fill up on love, acceptance, community, family, and embrace change. illustrated by the author, themes of nature and nurture, light and dark, rest here. i dive into the well of my body and end up in another world everything i need already exists in me there's no need to look anywhere else - home

Bye Felipe Alexandra Tweten 2018-08-21 From the creator of the viral Instagram account comes an empowering guide to navigating the hazards and horrors of online dating. After one too many hostile dating app encounters, Alexandra Tweten set up the Instagram account @ByeFelipe, a place for women to protest the horrors of online dating, and to share stories and screenshots of their own experiences. Three years later, the account has become a forum where women can fight back against the men who have made them uncomfortable, scared, and embarrassed--and to laugh at the appalling men they encounter. The name of Bye Felipe is a nod to the "Bye Felicia" meme, which Urban Dictionary defines as a cool dismissal of a noxious person. In that spirit, the book helps women navigate the perils that come with swiping right and provides practical steps to overcome the harassment rampant in the dating app ether. Blending humor, feminist theory, and solidarity, this "field guide" provides profiles of the worst types of guys (also known as "Felipes")--from the classic fat shamer to the mansplainer to the surprise sociopath--answers questions like "How do I

react when a guy sends me a dic pic?," and gives women the tools they need to take control of their dating life. With stories, screenshots, and Riot Grrrl-esque graphic art throughout, Bye Felipe empowers women to stand up for themselves and uphold the confidence and self-worth Felipes try so desperately to steal.

Classic Stock Cars John Albert Craft

The Psychosocial Implications of Disney Movies Lauren Dundes 2019-07-11 In this volume of 15 articles, contributors from a wide range of disciplines present their analyses of Disney movies and Disney music, which are mainstays of popular culture. The power of the Disney brand has heightened the need for academics to question whether Disney's films and music function as a tool of the Western elite that shapes the views of those less empowered. Given its global reach, how the Walt Disney Company handles the role of race, gender, and sexuality in social structural inequality merits serious reflection according to a number of the articles in the volume. On the other hand, other authors argue that Disney productions can help individuals cope with difficult situations or embrace progressive thinking. The different approaches to the assessment of Disney films as cultural artifacts also vary according to the theoretical perspectives guiding the interpretation of both overt and latent symbolic meaning in the movies. The authors of the 15 articles encourage readers to engage with the material, showcasing a variety of views about the good, the bad, and the best way forward.

What a Character! Warren Dotz 1996 From Mr. Clean to Mr. Bubble, from the wholesome Quaker Oats Man to the mischievous Trix Rabbit, advertising characters are as much a part of twentieth-century Amercia as the familiar products they symbolize. Illustrated with vivid, full-color photographs, and accompanied by a fascinating text, this fanciful volume offers an entertaining look at the history and design of these pop culture icons, with their timeless appeal for consumers of all ages.

Performance of Information and Communication Systems Ulf Körner 2013-11-27 During the last two decades we have seen a tremendous development within the computer and communication industry. The ever increasing density on silicon, the increasing transmission speeds on fiber based systems as well as twisted pairs, the revolutionary development in the wireless area and of course the Internet have all led to many opportunities for new service developments. It is interesting to note that the last time this conference was held three years ago, the Web really did not fully exist. We are now ready to face new interesting challenges. It is an utmost importance for the performance community to focus on the modeling and analysis of the Internet, the multimedia applications and the untethered applications that are coming to the forefront. There will be a need for new and better simulation methods, new analytical tools and a much better understanding of measurement techniques. "Performance of Information and Communication Systems", PICS'98, which takes place in Lund, Sweden, May 25-28, 1998, is the seventh conference in a series on performance of communication systems organized by IFIP TC 6, WG 6.3. In response to our call for papers, we have received nearly fifty submissions.
