**Danny and Life on Bluff Point Revised Edition** Mary Ellen Lee 2008 Increasing knowledge of the biological is fundamentally transforming what life itself means and where its boundaries lie. New developments in the biosciences - especially through the molecularisation of life - are (re)shaping healthcare and other aspects of our society. This cutting edge volume studies contemporary bio-objects, or the categories, materialities and processes that are central to the configuring of 'life' today, as they emerge, stabilize and circulate through society. Examining a variety of bio-objects in contexts beyond the laboratory, *Bio-Objects: Life in the 21st Century* explores new ways of thinking about how novel bio-objects enter contemporary life, analysing the manner in which, among others, the boundaries between human and animal, organic and non-organic, and being 'alive' and the suspension of living, are questioned, destabilised and in some cases re-established. Thematically organised around questions of changing boundaries; the governance and regulation of bio-objects; and changing social, economic and political relations, this book presents rich new case studies from Europe that will be of interest to scholars of science and technology studies, social theory, sociology and law.

At the beginning of her career, Sarah "Salt" Alt was a beat cop in Atlanta's

poorest, most violent housing project, The Homes. It is here that she meets the cast of misfits and criminals that will have a profound impact on her later cases: Man Man, the leader of the local gang on his way to better places; street dealer Lil D and his family; and Sister Connelly, old and observant, the matriarch of the neighborhood. A lone patrolwoman, Salt's closest lifeline is her friend and colleague Pepper, on his own beat nearby. And when a murder in The Homes brings detectives to the scene, Salt draws closer to Detective Wills, initiating a romance complicated by their positions on the force. *A Stranger Came to Town* Nolan Gene Fondren 2013-06 Patrick William Graham Jr. was destined to be small of stature, but that didn't mean he was short on courage. He grew up with a Cherokee tribe and

became blood brother to the chief's son, Leaping Wolf. One of Pat's first toys was a hand-carved wooden pistol; when his draw was faster than his father's, he was given a working gun. When tragedy strikes, leaving Pat's father dead and his mother remarried to a man Pat despises, he leaves his tribal home. Out in the world, his small frame makes him an easy target for bullies, predators, and petty men with something to prove. After he kills a man who was riding him for being small, Pat's life changes in ways he can't control. He sells his skills as a gunman. In Mexico, he protects a silver mine from banditos and then helps them to improve their operation. One fateful day, however, on a job rustling cattle, he finds God and a better way to live. Pat is soon welcomed as the youngest Arizona Territorial Ranger, and he puts his skills and talents to the Lord's work. He prevents war with the Indians seven times. But his life isn't all heroics and escapades. Along the way, he also finds a bride, buys a ranch, and works with a family named Earp. Inspired by the stories told to him by his Texas rancher father, songs, and classic Western tales, *A Stranger Came to Town* is Nolan Fondren's love song to a long-lost time and place.

**Big Red: A Novel Starring Rita Hayworth and Orson Welles** Jerome Charyn 2022-08-23 Apple Books • Best Books of the Month A Publishers Weekly Summer Reads Selection Narrated by a starry-eyed lesbian, *Big Red* reimagines the tragic career of Rita Hayworth and her indomitable husband, Orson Welles. Since he first appeared on the American literary scene, Jerome Charyn has dazzled readers with his “blunt, brilliantly crafted prose” (Washington Post). Yet Charyn, a beloved comedic novelist, also possesses an extraordinary knowledge of Golden Age Hollywood, having taught film history both in the United States and France. With *Big Red*, Charyn reimagines the life of one of America’s most enduring icons, “Gilda” herself, Rita Hayworth, whose fiery red tresses and hypnotic dancing graced the silver screen over sixty times in her nearly forty-year career. The quintessential movie star of the 1940s, Hayworth has long been objectified as a sex symbol, pin-up girl, and so-called Love Goddess. Here Charyn, channeling the ghosts of a buried past, finally lifts the veils that have long enshrouded Hayworth, evoking her emotional complexity—her passions, her pain, and her inner turmoil. Charyn’s reimagining of Hayworth’s story begins in 1943, in a roomette at the Hollywood Hotel, where narrator Rusty Redburn—an

impetuous, second-string gossip columnist from Kalamazoo, Michigan—bides her time between working as a gofer in the publicity offices of Columbia Pictures, volunteering at an indie movie house, and pursuing dalliances with young women on the Sunset Strip. Called upon by the manipulative Columbia movie mogul Harry “The Janitor” Cohn to spy on Hayworth—then, the Dream Factory’s most alluring “dame,” and Cohn’s biggest movie star—Rusty becomes Rita’s confidante, accompanying her on a series of madcap adventures with her indomitable husband, the “boy genius” Orson Welles. But Rusty, an outlaw who can see beyond the prejudices of Hollywood’s male-dominated hierarchy, quickly becomes disgusted with the way actresses, and particularly Rita, are exploited by men. As she struggles to balance the dangerous politics of Tinseltown with her desire to protect Rita from ruffians and journalists alike, Rusty has her own encounters—some sweet, some bruising—with characters real and imagined, from Julie Tanaka, an interned Japanese-American friend, to superstars like Clark Gable and Tallulah Bankhead, as well as notorious Hollywood gossip columnist Louella Parsons. Reanimating such classic films as *Gilda* and *The Lady from Shanghai*, *Big Red* is a bittersweet paean to Hollywood’s Golden Age, a tender yet honest portrait of a time before blockbusters and film franchises—one that promises to consume both Hollywood cinephiles and neophytes alike. Lauded for his “polymorphous imagination” (Jonathan Lethem), Charyn once again has created one of the most inventive novels in recent American literature.

*The Accidental Jibe and Other Stories* Alex Diaz 2014-08-28 Until the nineteen sixties, proper young women were raised to remain virgins until marriage, to be good mothers and wives, and to depend on husbands for status and economic survival. With the feminist movement, women began to understand they could make decisions regarding their own destiny. Women liked it that they could be equal to men in domestic and public life. Many worked hard to earn that equality. Yet certain issues remain universal - love, controlling partners, career, motherhood and aging - subjects of the stories in this book. Equality, however, has brought its kinks to the story. Join author Barbara Wolfenden in *The Accidental Jibe* to explore how women might handle common and not-so-common problems. You will be surprised. "These relationship stories are fast-paced and written with beautiful language." Judy Osborne, Author, *Wisdom for Separated Parents: Rearranging Around the Children to Keep Kinship Strong* (Praeger, 2011)

*Wicked Women* Dennis J. Stevens PhD 2011-01-14 In *Wicked Women*, Dennis Stevens, a criminology professor and prison counselor, shares the fascinating life stories of fifteen super predators, detailing their early life experiences and criminal activities through the time they interacted with him in prison. Withholding their names and identities, he presents disturbing evidence and chronicles the long, destructive journeys of these super predators. Dr. Stevens spent several years among high-risk felons in some of the most heavily researched penitentiaries in America while teaching criminology at various universities. He uses his vast professional experience to create fictional vignettes based on real-life situations, offering a glimpse into the souls of creatures who carry out wicked acts under the cover of a mask of sanity. While presenting bizarre accounts of incredible human cruelty of every variety—including border raids, brutal beatings, cannibalism, rape, and gang warfare—Dr. Stevens provides a never-before-seen look into the backgrounds and twisted minds of people like Margo, a transgendered drug addict obsessed with setting fires, and Mary, a former New Orleans police officer convicted of killing her partner. *Making the Big Red Machine* Daryl Smith 2009-05-04 With a line-up that included future Hall of Famers Johnny Bench, Joe Morgan, Tony Perez and Pete Rose, Cincinnati's "Big Red Machine" powered its way in the 1970s to six division titles, four pennants, and two World Series. Three other times in that decade they finished second in their division to the eventual pennant winner. While much has been written about the players and manager Sparky Anderson, no book until now has given adequate attention to the man behind the Machine, general manager Bob Howsam. From his hire in 1967 through the end of his first stint with the Reds in 1978, Howsam brought about a remarkable change in fortune for the Reds, who had claimed only one pennant in the 26 years before his arrival. This detailed history of baseball's last dynasty shows not only how the team performed but why, delving into the off-field strategy and moves behind the Reds' success.

*Our Daughter: Our Love, Our Light, Our Joy, Our Pleasure, Heart of Our Hearts Forever* Beth Carol Solomon 2021-02-08 This is a story about an adolescent girl, Francine Josephine, who was abused by her mentally ill birth mother and lived in the dregs of society for the first ten years of her life. She found warmth, kindness, and happiness with her foster mother and birth father, who immediately fell in love and married. Though shut off from beauty and loved so little in her childhood, she grew up to be an empathetic, altruistic, sensitive, forgiving, thoughtful, and compassionate young woman. Such rarities this girl possesses at such a tender age. For these attributes are not often found in ordinary everyday people for they do not appreciate what life has to offer and who take God's gifts for granted. Francine, always believing in the best of all people, always giving them the benefit of the doubt and second chances, always wanting to please everybody and wanting everyone to be happy, is what she happens to be like. Although knowing her parents were estranged from their siblings, it was Francine who brought them together, thus becoming a tight-knit, close, loving family. When she met her paternal grandparents for the first time, she was warm and kind to her grandfather, who was afflicted with dementia and of whom she had no recollection of. As for her grandmother, whom she was named after, she formed a loving and close bond. She is very curious about other people in her parents' lives that she has never met or who have never knew of her existence but nonetheless thinks of them lovingly and as part of herself and her

family. But one day, Social Services informed her that her birth mother wants to see her, which she agrees to do, surmising that maybe this woman had been rehabilitated and was remorseful or at least civil, as it was Francine's nature to be understanding. Unfortunately, nothing came about as she had hoped, and for that she suffered from it. But afterward, does Francine regress back into her shell after these past few years of getting to love and trust people, or does she grow up and accept what had happened to her during that one fateful encounter and become the fine young woman that everyone who knows her portrays her to be?
