**Billionaire Unexpected Jax** J S Scott 2021-03 I never expected the man I saw as nothing but a billionaire player to be the only person who could rescue me from near insanity. One moment, everything was perfect. I was finally Dr. Harlow Lewis, research geoscientist, and I was actually employed at Montgomery Mining Laboratories, the crème de la crème of labs for my specialty. I also had good friends, a supportive parent, and a budding relationship with a great guy. Add all of those things together and it was impossible for my existence to be anything less than ideal. I had exactly the life I'd always wanted, until it...wasn't. I guess I never realized that brief periods of perfection could instantly be followed by a nine day, horrific hostage situation that would forever change the woman I'd been before that incident. Oddly, after my release, the only person who knew that I was struggling to get my life back was Jaxton Montgomery, my billionaire boss, and the king of one-nighters. Not exactly the perfect confidante, right? The two of us barely spoke unless it was company business, especially after I'd turned down a date with him two years earlier. What rational female would want to have dinner with a man who was known for his one-and-done dating behavior? Maybe Jax wasn't the guy I would have chosen to be the person who would drag me out of the darkness and back into life again, but he was the only one stubborn enough to do it. He systematically broke down all of defenses until I reached out and clung to him like he was the only lifeline I had. It wasn't until I got to know him that I realized that Jax was so much more than the playboy he was portrayed to be in the gossip columns. He was patient, he didn't judge, and he had a wicked sense of humor. Even stranger, he understood what I was going through, even when I didn't understand it myself. Unfortunately, he was also the hottest guy I'd ever met, and as our bizarre friends-but-not-really-friends relationship continued, it was getting harder and harder to fight the intense chemistry between the two of us. What happens when a guy you thoroughly disliked just a few months ago suddenly becomes your everything? Jax had helped me claw my way back into my life, but was I brave enough to risk everything all over again to keep the one man I'd always wanted but could never have?

Tell Me I'm Yours J S Scott 2021-06-14 Is there more to the spoiled, entitled, British billionaire man-whore than what I see on the surface? I really want to hate Dylan Lancaster. He hurt my best friend, and nearly destroyed her relationship with his identical twin brother. So, I decide that someone needs to rein him in so he doesn't try to demolish the couple completely before their wedding takes place. Unfortunately, the only woman who would try to take on that impossible task is...me. It's only six weeks, right? Surely I can tolerate the womanizing, obnoxious jerk and keep him out of trouble so that no more of his scandals hit the media before his brother's wedding. I'm a public relations crisis manager. Squashing bad press is what I do, and I do it extremely well for my high profile clients. What I don't count on is actually starting to like the glimpses of the real Dylan I begin to see underneath all of his cynicism. Nor did I ever imagine that I'd become so attracted to him that I could barely breathe every time he gets close to me. Dylan is a man who has suffered profound emotional pain. I can sense it. I can feel it. The question is: Can I possibly reach the real Dylan Lancaster before it's too late?

**Kosher Jesus** Shmuel Boteach 2012 Jesus of Nazareth is the most famous Jew who ever lived, yet remains profoundly alienated from his own people. At best he is viewed as the founder of a new religion which for millennia was hostile to Judaism. At worst he is seen as the source of world anti-Semitism, with the charge that the Jews were responsible for his death being the impetus for the murder of countless Jews throughout the ages. But the historical Jesus is also foreign to most Christians who are oblivious to the life he lived as a Jew, his real mission in ancient Judea, the source of most of his celebrated teachings, and his firm attachment to his people. Shmuley Boteach offers us a view of Jesus, based on Jewish and Christian sources, that will serve as a bridge between two faith communities.

But my world is a harsh, cruel place, and the cartel I work for demands absolute loyalty and trust...a loyalty Hannah has yet to earn in the dangerous eyes of my employers. **Tell Me You're Mine** J S Scott 2020-12 A chance encounter between a secretive billionaire and a plus-size PR expert could be the perfect solution to both their problems - or a delicious scandal in the making - in New York Times best-selling author J. S. Scott's new *British Billionaires* series....I am the type of woman who always plays it safe. In my professional life as a public relations "fixer", and in my personal life, especially when it comes to the opposite sex. Really, who needs the wild highs and the I-want-to-die-because-he-left-me lows of a relationship? At least, that's what I thought...until I met him. Damian No-Last-Name-Given is sexy as sin, and I'd developed some kind of weird, instant attraction to him the moment he settled his chiseled body next to mine on a flight from London to Los Angeles. His sexy British accent did crazy things to my previously dormant female hormones, which had eventually led me to do the most impulsive thing I'd ever done in my entire life. I kissed him while everyone else in

business class was sleeping. Or had he kissed me? All I knew was that we were both very willing participants, and that panty-melting embrace had rocked my entire world while it was happening. Unfortunately, that moment of spontaneity would haunt me once I found out Mr. British Hottie's true identity. He'd held his last name back for a reason. Oh no, I couldn't make some once-in-a-lifetime misstep with an ordinary businessman. When I screwed up, it had to be one for the record books, and it had to happen with one of the most powerful men in the world. And, oh yeah, he also absolutely had to be the biggest man-whore on the planet. Once I knew the truth, I could have easily convinced myself that the kiss wasn't all that earthshattering - if Damian Lancaster hadn't boldly swaggered into my office the very next day to apologize, and to make me a business offer I couldn't possibly refuse.... Goodbye sanity; hello madness.
