Disciple IV Abingdon Press 2005-05 DISCIPLE IV UNDER THE TREE OF LIFE is the final study in the four-phase DISCIPLE program and is prepared for those who have completed BECOMING DISCIPLES THROUGH BIBLE STUDY. The study concentrates on the Writings (Old Testament books not in the Torah or the Prophets), the Gospel of John, and Revelation. Emphasis on the Psalms as Israel's hymnbook and prayer book leads natural to an emphasis on worship in the study. Present through the entire study is the sense of living toward completion - toward the climax of the message and the promise, extravagantly pictured in Revelation. The image of the tree and the color gold emphasize the prod and promise in the Scriptures for DISCIPLE IV: UNDER THE TREE OF LIFE. The word under in the title is meant to convey invitation, welcome, sheltering, security, and rest - home at last. Commitment and Time Involved 32 week study Three and one-half to four hours of independent study each week (40 minutes daily for leaders and 30 minutes daily for group members) in preparation for weekly group meetings. Attendance at weekly 2.5 hour meetings. DVD Set Four of the five videos in this set contain video segments of approximately ten minutes each that serve as the starting point for discussion in weekly study sessions. The fifth video is the unique component that guides an interactive

worship experience of the book of Revelation. Under the Tree of Life Scriptures lend themselves to videos with spoken word, art, dance, music, and drama. Set decorations differs from segment to segment depending on the related Scripture and its time period. Set decoration for video segments related to the Writings generally has a Persian theme. Set decoration for the New Testament video segments emphasizes the simpler life of New Testament times.

Radar Instruction Manual United States. Maritime Administration 2005 Since 1958 the Maritime Administration has continuously conducted instructions in use of collision avoidance radar for qualified U.S. seafaring personnel and representatives of interested Federal and State Agencies. Beginning in 1963, to facilitate the expansion of training capabilities and at the same time to provide the most modern techniques in training methods, radar simulators were installed in Maritime Administration's three region schools. It soon became apparent that to properly instruct the trainees, even with the advanced equipment, a standardized up-to-date instruction manual was needed. The first manual was later revised to serve both as a classroom textbook and as an onboard reference handbook. This newly updated manual, the fourth revision, in keeping with Maritime Administration policy, has been restructured to include improved and more effective methods of plotting techniques for use in Ocean, Great Lakes, Coastwise and Inland Waters navigation. Robert J. Blackwell Assistant Secretary for Maritime Affairs

Manual of Ornithology Noble S. Proctor 1993-01-01 "Here is a volume that has no parallel. . . . A good reference book for those interested in the details of avian anatomy."--Science Books & Films "A gold mine of facts. . . . Every library and biology department, as well as every birder, should have a copy close at hand."--Roger Tory Peterson, from the foreword One of the most heavily illustrated ornithology references ever written, Manual or Ornithology is a visual guide to the structure and anatomy of birds--a basic tool for investigation for anyone curious about the fascinating world of birds. A concise atlas of anatomy, it contains more than 200 specially prepared accurate and clear drawings that include material never illustrated before. The text is as informative as the drawings; written at a level appropriate to undergraduate students and to bird lovers in general, it discusses why birds look and act the way they do. Designed to supplement a basic ornithology textbook, the Manual of Ornithology covers systematics and evolution, topography, feathers and flight, the skeleton and musculature, and the digestive, circulatory, respiratory, excretory, reproductive, sensory, and nervous systems of birds, as well as field techniques for watching and studying birds. Each chapter concludes with a list of key references for the topic covered, with a comprehensive bibliography at the end of the volume.

Perfect Switch Lisa Plumley 2011-11-15 "There's a rising star on the romantic comedy scene, and her name is Lisa Plumley! She delivers great characters, plenty of laughs and a delicious love story. I give Perfect Switch a Perfect 10!" --New York Times Best-seller Vicki Lewis Thompson Are you ready for the fantasy of a lifetime? So asks the invitation Meredith Madison finds while house-sitting for her TV-star twin sister, Marley. Admittedly, her life could use a little —okay, a lot —more excitement. Glamorous, talented Marley has always owned the spotlight, leaving Meredith to fill the role of jeans-and-tee-shirt brainiac/wallflower. Weary of living in her sister's shadow, Meredith decides to grab the chance to step into Marley's Jimmy Choos. And when a limo arrives to carry her away to her "fantasy," the guy in the back seat is dream-come-true number one... Entrepreneur Tony Valentine has spent his adult life avoiding Hollywood —yet here he is, trying to rescue his family's floundering movie studio. His idea for an actor fantasy camp is the perfect plan...but something isn't right about his headlining celebrity instructor, Marley Madison. Sure, stars sometimes dress down, but she looks a tad too familiar with the softer side of Sears. The woman's klutzy, awkward, and adorable. This can't really be Marley...can it? Whoever she is, she's going to have to charm the wealthy "campers" into believing her act. If they're anything like Tony, they'll find her irresistible... "Romantic, hilarious, and satisfying! Picking up where Perfect Together left off, Plumley's latest sexy romp puts a fresh spin on the Hollywood scene, ties up a few loose ends, and provides a heartwarming romance for two people who are just made to be together." --Library Journal "Perfect Switch by Lisa Plumley is another example of the author's knack for blending wacky humor with touching romance, complete with a dramatic happily-ever-after ending." -- The State newspaper "Plumley does everything right and gives this story an entertaining zest. The bantering between Meredith and Tony is funny and light, while a supporting cast of characters are zany and endearing. Plumley writes a funny, sexy, heart-warming romance. Add it to your summer reading list--it's one of the season's best." --The Oakland Press "Plumley writes with her usual comic panache in this hilarious sequel to Perfect Together." --Booklist "Lisa Plumley delivers colorful characters with quick wit. A must-have for anyone looking for a witty and lighthearted romance." -- Romance and Friends "Peopled with marvelous secondary characters, this delightful romance is a funny, engaging read." -- Romantic Times BOOKclub "Perfect Switch is lighthearted and heartwarming.
