Haunted Kelley Armstrong 2009-04-03 THE CONTINUING ADVENTURES OF THE SMART, SEXY — SUPERNATURAL — WOMEN OF THE OTHERWORLD Eve Levine — half-demon, black witch and devoted mother — has been dead for three years. She has a great house, an interesting love life and can't be killed again — which comes in handy when you've made as many enemies as Eve. Yes, the afterlife isn't too bad — all she needs to do is find a way to communicate with her daughter, Savannah, and she'll be happy. But fate — or more exactly, the Fates — have other plans. Eve owes them a favor, and they've just called it in. An evil spirit called the Nix has escaped from hell. She feeds on chaos and death, and is very good at persuading people to kill for her. The Fates want Eve to hunt her down before she does any more damage, but the Nix is a dangerous enemy — previous hunters have been driven insane in the process. As if that's not problem enough, the only way to stop her is with an angel's sword. And Eve is no angel. . . .

Thor's Serpents K. L. Armstrong 2015-05-19 For fans of Percy Jackson and the Olympians, the thrilling conclusion to The Blackwell Pages, written by New York Times bestselling YA authors, K.L. Armstrong and M.A. Marr. Thirteen-year-olds Matt, Laurie, and Fen have beaten near-impossible odds to assemble their fellow descendants of the Norse Gods and complete epic quests. Their biggest challenge lies ahead: battling the fierce monsters working to bring about the apocalypse. But when they learn that Matt must fight the Midgard Serpent alone and Fen and Laurie are pulled in other directions, the friends realize they can't take every step of this journey together. Matt, Laurie, and Fen will each have to fight their own battles to survive, to be true to themselves, and to one another - with nothing less than the fate of the world hanging in the balance.

Forbidden Kelley Armstrong 2012 Leaving his Alaskan isolation in hopes of joining the North American pack, lone werewolf Morgan Walsh finds himself in trouble in a small upstate New York town and receives help from Alpha-elect Elana Michaels and her mate Clayton Danvers.

The Awakening Kelley Armstrong 2009-04-28 If you had met me a few weeks ago, you probably would have described me as an average teenage girl—someone normal. Now my life has changed forever and I'm as far away from normal as it gets. A living science experiment—not only can I see ghosts, but I was genetically

altered by a sinister organization called the Edison Group. What does that mean? For starters, I'm a teenage necromancer whose powers are out of control; I raise the dead without even trying. Trust me, that is not a power you want to have. Ever. Now I'm running for my life with three of my supernatural friends—a charming sorcerer, a cynical werewolf, and a disgruntled witch—and we have to find someone who can help us before the Edison Group finds us first. Or die trying.

Bitten Kelley Armstrong 2004 On the eve of her marriage, Elena Michaels learns that her fiance has been concealing his secret life as a werewolf, and, as a bonus, he has made her into one also.

No Humans Involved Kelley Armstrong 2008-02-26 Readers around the world have fallen for Kelley Armstrong's intoxicating, sensual and wicked tales of the paranormal, in which demons and witches, werewolves and vampires collide – often hilariously, sometimes violently – with everyday life. In Armstrong's first six novels, Elena, Paige and Eve have had their way with us. Now get ready for Jaime Vegas, the luscious, lovelorn and haunted necromancer. . . Jaime, who knows a thing or two about showbiz, is on a television shoot in Los Angeles when weird things start to happen. As a woman whose special talent is raising the dead, her threshold for weirdness is pretty high: she's used to not only seeing dead people but hearing them speak to her in very emphatic terms. But for the first time in her life – as invisible hands brush her skin, unintelligible fragments of words are whispered into her ears, and beings move just at the corner of her eye—she knows what humans mean when they talk about being haunted. She is determined to get to the bottom of these manifestations, but as she sets out to solve the mystery she has no idea how scary her investigation will get, or to what depths ordinary humans will sink in their attempts to gain supernatural powers. As she digs into the dark underside of Los Angeles, she'll need as much Otherworld help as she can get in order to survive, calling on her personal angel, Eve, and Hope, the well-meaning chaos demon. Jeremy, the alpha werewolf, is also by her side offering protection. And, Jaime hopes, maybe a little more than that. “As I knelt on the cobblestones to begin the ritual, I opened not some ancient leather pouch, but a Gucci make-up bag. . . . I know little about the geography and theology of the afterlife, but I do know that the worst spirits are kept secured, and my risk of “accidentally” tapping into a hell dimension is next to nil. Even if I do bring back some depraved killer's spirit, what can it do to me? When you deprive someone of the ability to act in the living world, he's pretty darned helpless. In death, even the worst killer plummets from lethal to merely annoying. Yet whatever had been trying to contact me apparently could cross that barrier, could act in the living world. . .at least on me. I added an extra helping of vervain to the censer.” —from *No Humans Involved*

City of the Lost Kelley Armstrong 2016-05-03 Casey Duncan is a homicide detective with a secret: when she was in college, she killed a man. She was never caught, but he was the grandson of a mobster and she knows that someday this crime will catch up to her. Casey's best friend, Diana, is on the run from a violent, abusive ex-husband. When Diana's husband finds her, and Casey herself is attacked shortly after, Casey knows it's time for the two of them to disappear again. Diana has heard of a town made for people like her, a town that takes in people on the run who want to shed their old lives. You must apply to live in Rockton and if you're accepted, it means walking away entirely from your old life, and living off the grid in the wilds of Canada: no cell phones, no Internet, no mail, no computers, very little electricity, and no way of getting in or out without the

town council's approval. As a murderer, Casey isn't a good candidate, but she has something they want: She's a homicide detective, and Rockton has just had its first real murder. She and Diana are in. However, soon after arriving, Casey realizes that the identity of a murderer isn't the only secret Rockton is hiding—in fact, she starts to wonder if she and Diana might be in even more danger in Rockton than they were in their old lives. An edgy, gripping crime novel from bestselling urban fantasy writer Kelley Armstrong, *City of the Lost* boldly announces a major new player in the crime fiction world.

Becoming Kelley Armstrong 2011-08-31

Wolf's Bane Kelley Armstrong 2019-10-15 Summer camp is a traditional teenage rite of passage, but when you add supernatural powers to the typically high dosage of adolescent hormones – you get an even more combustible mix. Sixteen-year-old werewolf twins Kate and Logan Danvers are none too thrilled at being shipped off to a supernatural youth leadership conference in West Virginia. From the moment they arrive at the camp, the twins sense something is off and they react in their usual manner – Logan reserving judgement and surveying the setup, while Kate charges forward determined to get answers. Kate and Logan quickly ascertain that most of the conference attendees have already formed hostile factions, leaving the twins and a few other misfits to band together. What seems like teen hormones in overdrive becomes something much more dangerous, even deadly. Add in a strange magic-warded cabin in the woods and a local history rife with curses and macabre legends, and it becomes clear this was a really, really bad place to build a camp for teenage supernaturals.

Living with the Dead Kelley Armstrong 2009-08-25 Smart, sexy, and supernatural—the men and women of the Otherworld live unseen among us. For the most part, mere mortals never suspect their existence—and that's the way they want it. But now a reckless killer has torn down the wall between our worlds, trapping one very vulnerable, and very mortal, woman in the supernatural cross fire. Robyn Peltier moved to Los Angeles shortly after her young husband's sudden and unexpected death. Her hope was that her hectic new life as the PR consultant to a spoiled celeb would provide a distraction from her grief. But when her client is murdered, Robyn finds herself on the run as the prime suspect. And as more bodies pile up around her, it seems only her friend, tabloid journalist Hope Adams, is on her side. But Hope and her somewhat spooky boyfriend Karl know it's just a matter of time before Robyn is caught. For she's gotten herself in the middle of a turf war between two Otherworld races who'll spill any amount of blood—human and inhuman—to protect what they consider theirs for eternity. And the only way Hope can save her friend is by letting her enter a world she's safer knowing nothing about.

The Bitten Word Kelley Armstrong 2012-09 From slick urban terror to murder in the streets of old London town, from the horror awaiting a doomed archaeological expedition to Vampirism in a society of sentient insects, from fey children to blighted houses, from besotted artists to mysterious goings-on during Bram Stoker's theatrical days... A brand new collection of seventeen original stories detailing vampiric horror, murder and mystery; Vampires as you've never seen them before. Includes stories by Kelley Armstrong, Tanith Lee, Storm Constantine, Freda Warrington, Gail Z Martin, Nancy Kilpatrick, Chaz Brenchley, Sarah

Singleton, Jon Courtenay Grimwood, Simon Clark, and many more.

Smoke Bitten Patricia Briggs 2020-03-17 Mercy Thompson, car mechanic and shapeshifter, faces a threat unlike any other in this thrilling entry in the #1 New York Times bestselling series. I am Mercedes Athena Thompson Hauptman. My only “superpowers” are that I turn into a thirty-five pound coyote and fix Volkswagens. But I have friends in odd places and a pack of werewolves at my back. It looks like I'm going to need them. Centuries ago, the fae dwelt in Underhill—until she locked her doors against them. They left behind their great castles and troves of magical artifacts. They abandoned their prisoners and their pets. Without the fae to mind them, those creatures who remained behind roamed freely through Underhill wreaking havoc. Only the deadliest survived. Now one of those prisoners has escaped. It can look like anyone, any creature it chooses. But if it bites you, it controls you. It lives for chaos and destruction. It can make you do anything—even kill the person you love the most. Now it is here, in the Tri-Cities. In my territory. It won't, can't, remain. Not if I have anything to say about it.

Omens Kelley Armstrong 2013-08-20 Following the epic conclusion of her internationally bestselling Women of the Otherworld series, Kelley Armstrong launches a brand-new series set in Cainsville, a small town as spookily fascinating as Stephen King's Castle Rock or Dean Koontz's Moonlight Bay. Olivia Taylor Jones, 24, seems to have the perfect life. The only daughter of a wealthy Chicago family, she has an Ivy League education, pursues volunteerism and philanthropy, and is engaged to a handsome young tech-firm CEO with political ambitions. But Olivia's world is shattered when she finds out that she's adopted. Her real parents? Todd and Pamela Larsen, notorious serial killers, each still serving a life sentence. The news brings a maelstrom of unwanted publicity to her adopted family and fiancé, and Olivia thinks the best thing she can do for herself and for them is run away from it all. She ends up in the small town of Cainsville, Illinois, an old and cloistered community that takes a particular interest in both Olivia and her decision to uncover the truth about her birth parents. Olivia decides to focus on the Larsens' last crime, the one Pamela Larsen swears will prove their innocence. But as she and Gabriel Walsh, Pamela's former lawyer, start investigating, Olivia finds herself drawing on abilities that have remained hidden since her childhood, gifts that make her both a valuable addition to Cainsville and deeply vulnerable to unknown enemies. There are dark secrets behind her new home, and powers lurking in the shadows that have their own plans for her.

Dime Store Magic Kelley Armstrong 2009-08-25 From Canada's new queen of suspense, another hugely entertaining supernatural thriller that will have you on the edge of your seat. Prepare to be enchanted . . . Forget the cackling green hag in The Wizard of Oz, forget Samantha from Bewitched. Real witches are nothing, NOTHING like this. For years real witches have hidden their powers, afraid of being persecuted. They have integrated so well into the community, you could have a witch living right next door and never know about it. Take Paige, for instance, whom we first met in Kelley Armstrong's novel Stolen. Just an ordinary twenty-something who runs her own website design company, worries about her weight and wonders if she'll ever find a boyfriend. Okay, so she's leader of the American Coven and guardian of Savannah, the teenage daughter of a black witch. Really, life is ordinary. But then a telekinetic half-demon, Leah O'Donnell, shows up to fight for custody of Savannah. And although Paige is ready for her, she's not quite so

prepared for the team of supernaturals that Leah brings with her, including a powerful sorcerer who claims to be Savannah's father. When all hell breaks loose -- literally -- and Paige is accused of witchcraft, Satanism and murder, the Coven, fearing exposure, abandons her. Cut off from her friends, Paige is forced against her better judgment to accept the help of a young sorcerer lawyer. And she quickly comes to realize that keeping Savannah could mean losing everything else. Breathtakingly thrilling, hip and funny, this new novel is another page-turning triumph from an author who is going from strength to strength. "I had a feeding frenzy on my front lawn, an unconscious paranormal investigator on my stairs, and, somewhere out there, an entire Cabal special projects team devoted to ruining my life." -- from *Dime Store Magic*

Otherworld Secrets Kelley Armstrong 2016-01-26 The next anthology from the #1 New York Times bestselling *Otherworld* series More than a decade after Kelley Armstrong first opened the doors to the *Otherworld*, fans are still clamoring for more. The second in the trilogy, *Otherworld Secrets*, features fan-favorites such as Cassandra, Savannah, and Adam in rare and never-before-published short stories—plus a brand new novella. Fans old and new will flock to this mystery-themed volume to discover the deepest secrets of this captivating world.

Men of the Otherworld Kelley Armstrong 2010-01-26 Kelley Armstrong – Globe and Mail and New York Times bestselling author – is back with a true gift for her fans: an exclusive glimpse into the minds and hearts of the men of the Pack Kelley Armstrong has made a huge name for herself with her trademark portrayals of the strong, unusually gifted women who populate her *Otherworld*. But her fans have always wanted to know more about the men who love these women, and revealed in the pages of this collection are the life stories – and secrets – of Clay and Jeremy, two of the sexiest and most mysterious men of the *Otherworld*. Originally published by the author on her website (but since removed), these thrilling tales reveal how Clay became a werewolf, how he came to be adopted by Jeremy, Jeremy's struggles to become the Alpha of the Pack and his terrible conflict with his father, Malcolm. A brand-new story, written for this collection, reveals how Jeremy came to be a visionary and healer: touchy-feely qualities uncommon in a werewolf. The result is a perfect companion to Kelley's bestselling series and a treasure for fans.

Personal Demon Kelley Armstrong 2008-09-30 In her acclaimed *Women of the Otherworld* series, Kelley Armstrong has created a scintillating realm where the supernatural and the human coexist on the edge of darkness, romance, and eternity. Now Armstrong tells the captivating tale of a young woman with an insatiable lust for danger. She can't help it. It's in her blood. Tabloid reporter Hope Adams appears to live the life of an ordinary working girl. But in addition to possessing the beauty of a Bollywood princess, Hope has other unique traits. For she is a half demon—a human fathered by a demon. And she's inherited a hunger for chaos. Naturally, when she's chosen by a very dangerous group for a very dangerous mission that will take her through Miami's hot spots, she jumps at the chance. But Hope is a little too good at this job. And soon she's

in a little too deep. To save herself, she'll have to unleash her most primal instincts—and open herself, mind and body, to everything she most fears . . . and desires.

Infernal Devices (Mortal Engines, Book 3) Philip Reeve 2012-06-01 Mortal Engines is now a major motion picture produced by Peter Jackson!

Bounty Hunt Kelley Armstrong 2014-12-31 After the Australian Pack murdered Reese William's parents, the young werewolf fled and took refuge with the American Pack. Three years later, the Australians have tracked him down and dispatched a bounty hunter to bring him back. That bounty hunter, though, isn't the lone wolf who owes them a debt, but his twenty-one-year-old daughter, Madison. Maddie is determined to bring in the rogue Reese for her ailing father. Now Reese has to show her the truth behind her client's lies...and avoid being the cause of an all-out war for Elena and the rest of the American Pack.

Stolen Kelley Armstrong 2010-06-29 The second novel in the #1 New York Times bestselling Otherworld series. Elena Michaels is back—and she has company. When a young witch tells Elena that a group of humans are kidnapping supernaturals, Elena ignores the warning. After all, everyone knows there's no such thing as witches. As for the thought of other 'supernaturals', well, she'd just rather not dwell on the possibility. Soon, however, she's confronted with the truth about her world, when she's kidnapped and thrown into a cell-block with witches, sorcerers, half-demons and other werewolves. As Elena soon discovers, dealing with her fellow captives is the least of her worries. In this prison, the real monsters carry the keys. Lending a mission of vampires, demons, shamans, and witches, Elena is lured into the net of ruthless Internet billionaire Tyrone Winsloe, who is well on his way to amassing a private collection of supernaturals. He plans to harness their powers for himself—even if it means killing them. For Elena, kidnapped and imprisoned deep underground, unable to tell her friends from her enemies, choosing the right allies is a matter of life and death.

Bitten Kelley Armstrong 2004-09-07 THE FIRST NOVEL IN THE #1 NEW YORK TIMES BESTSELLING OTHERWORLD SERIES. “Frisky...Tells a rather sweet love story, and suggests that being a wolf may be more comfortable for a strong, smart woman than being human.”—The New York Times Book Review Elena Michaels is the world's only female werewolf. And she's tired of it. Tired of a life spent hiding and protecting, a life where her most important job is hunting down rogue werewolves. Tired of a world that not only accepts the worst in her—her temper, her violence—but requires it. Worst of all, she realizes she's growing content with that life, with being that person. So she left the Pack and returned to Toronto where she's trying to live as a human. When the Pack leader calls asking for her help fighting a sudden uprising, she only agrees because she owes him. Once this is over, she'll be squared with the Pack and free to live life as a human. Which is what she wants. Really.

Exit Strategy Kelley Armstrong 2010-05-14 Popular fantasy author Kelley Armstrong (Women of the Otherworld series) makes her first foray into crime fiction, with the debut of a series of non-paranormal novels featuring female assassin Nadia Stafford. Nadia Stafford is one of the world's few female contract killers. A former cop, drummed out of the force because of a scandal, she is an expert at disguise and cool under pressure.

But when fellow hitman Jack arrives on the scene, Nadia's very private existence is seriously challenged. A series of victims are being murdered seemingly at random all over the country — different areas, different walks of life, different MOs. There is nothing to tie them together except a random page torn out of a single book: *Helter Skelter*. But does the *Helter Skelter* killer — as the hysterical media now dub him — have a real connection to Charles Manson? Or is there something even more sinister at work? Is this, in fact — as Jack believes — the carefully planned exit strategy of a fellow professional killer, determined to leave the life, but equally determined to clear up an old mistake? And, if so, which is the real victim? Now, the highly suspicious and secretive hitman community will have to break their cover — at least, to each other — and help take down this killer before the cops and the Feds discover his true connection to their own secret, exclusive society....

Industrial Magic Kelley Armstrong 2004-10-26 Meet the smart, sexy — supernatural — women of the otherworld. This is not your mother's coven... Kelley Armstrong returns with the eagerly awaited follow-up to *Dime Store Magic*. Paige Winterbourne, a headstrong young woman haunted by a dark legacy, is now put to the ultimate test as she fights to save innocents from the most insidious evil of all... In the aftermath of her mother's murder, Paige broke with the elite, ultraconservative American Coven of Witches. Now her goal is to start a new Coven for a new generation. But while Paige pitches her vision to uptight thirty-something witches in business suits, a more urgent matter commands her attention. Someone is murdering the teenage offspring of the underworld's most influential Cabals — a circle of families that makes the mob look like amateurs. And none is more powerful than the Cortez Cabal, a faction Paige is intimately acquainted with. Lucas Cortez, the rebel son and unwilling heir, is none other than her boyfriend. But love isn't blind, and Paige has her eyes wide open as she is drawn into a hunt for an unnatural-born killer. Pitted against shamans, demons, and goons, it's a battle chilling enough to make a wild young woman grow up in a hurry. If she gets the chance.

Otherworld Nights Kelley Armstrong 2015-07-07 For every fan of the *Otherworld* who is longing for more, an exciting, suspenseful and sexy new collection of stories and novellas, both original and curated by Kelley Armstrong from her short fiction. The *Globe and Mail* and *New York Times* bestselling author Kelley Armstrong captivated audiences with her 13-novel *Women of the Otherworld* series of supernatural thrillers. Though the series is over, her characters live on, not only with her fans but for Kelley too. In this new collection, she brings together some of her favourite love matches, taking us on honeymoon with her werewolves, Elena and Clay; showing us how her vampires, Cassandra and Aaron, express their unique bond; revealing how Karl proposed to Hope; and how the young Australian werewolf, Reese, learned the dangers of love, among other stories. And by popular demand, included here is the fan-favourite novella, *Hidden*. As an exciting conclusion, Armstrong has written a brand-new novella that takes us beyond the end of *Thirteen* to show us what happens after Savannah and Adam save the *Otherworld*--and realize they really do love each other. Lots of excitement as usual, but can these 2 find happiness?

Thirteen Kelley Armstrong 2012-07-24 The exciting, page-turning *LAST* episode of Kelley Armstrong's acclaimed, bestselling *Women of the Otherworld* series! Savannah Levine, a young witch of remarkable power

and a dangerous pedigree, staggers away from a bomb blast in New Orleans, glad that she's managed to rescue her half-brother Bryce from the supernatural revolutionaries who'd held him captive. But everyone and everything she holds dear is still at risk. The reveal movement has shaken the Otherworld to its core and the resulting chaos has thinned the boundaries between dimensions, allowing creatures of the deeper realms to break through and wreak havoc on supernaturals but also on innocent humans. Although she's been temporarily stripped her of her powers, Savannah knows she has a crucial part to play in this war of survival. In fact the fate of her loved ones--of Adam, the friend she hopes will become a lover; of Paige and Lucas, her guardians; of the werewolf Pack and Jaime Vegas; of a pregnant Hope; of her brothers Sean and Bryce--and of the human world rests on her shoulders. If she can find the way and the will to defend them. Only in the final battle will Savannah find out her true capacities, and what love will drive her to do. In 13, Kelley Armstrong brings her powerful and unique saga to a deeply satisfying end: thrilling, surprising and harrowing.

The Summoning Kelley Armstrong 2008-07-01 My name is Chloe Saunders and my life will never be the same again. All I wanted was to make friends, meet boys, and keep on being ordinary. I don't even know what that means anymore. It all started on the day that I saw my first ghost—and the ghost saw me. Now there are ghosts everywhere and they won't leave me alone. To top it all off, I somehow got myself locked up in Lyle House, a "special home" for troubled teens. Yet the home isn't what it seems. Don't tell anyone, but I think there might be more to my housemates than meets the eye. The question is, whose side are they on? It's up to me to figure out the dangerous secrets behind Lyle House . . . before its skeletons come back to haunt me.

Bitten Kelley Armstrong 2004-09-07 Frisky...Tells a rather sweet love story, and suggests that being a wolf may be more comfortable for a strong, smart woman than being human. -The New York Times Book Review Elena Michaels seems like the typically strong and sexy modern woman, She lives with her architect boyfriend, writes for a popular newspaper, and works out at the gym. She's also a werewolf. Elena has done all she can to assimilate to the human world, but the man whose bite changed her existence forever, and his legacy, continue to haunt her. Thrown into a desperate war for survival that tests her allegiance to a secret clan of werewolves, Elena must recon with who, and what, she is in this passionate, page-turning novel.

Spell Bound Kelley Armstrong 2011-08-04 'Armstrong keeps the focus on hip, impulsive and likeable Savannah, building suspense with plenty of plot reversals and betrayals. Fans of the series won't want to miss what is clearly the first battle in an Otherworld war.' - Publishers Weekly 'Armstrong is quite deft at making Savannah simultaneously formidable, sympathetic and real... A quick and fun read.' - The Miami Herald Savannah Levine is in danger. That's not usually a problem. But, caught in the grip of a disturbing and violent murder case, Savannah swore to give up her unique gifts if it would save an innocent young girl. Little did she know that someone - or something - was listening . . . Now she has no idea how to restore her powers, just when she needs them the most. In this compelling, fast-paced new thriller, Savannah has to face a host of deadly enemies bent on destroying not only her, but the very fabric of the supernatural world. As dark forces gather, Savannah isn't just fighting for her life, but for everything and everyone she loves . . . Tales of the Otherworld Kelley Armstrong 2011-03-22 Have you ever wondered how lone wolf Clayton Danvers finally got bitten by the last thing he ever expected: love? Or how the hot-blooded bad-girl witch Eve Levine managed to ensnare the cold, ruthless corporate sorcerer, Kristof Nast in one of the Otherworld's most unlikely pairings? Would you like to be a fly on the wall at the wedding of Lucas Cortez and Paige Winterbourne, as their eminently practical plans are gradually upended by their well-meaning friends? Or tag along with Lucas and Paige as they investigate a rather gruesome case that looks to be the result of a rogue vampire? Now, Otherworld readers can share these moments with some of their favorite characters—as well as catching welcome glimpses into the minds of some of the lesser-known players. But even readers new to the Otherworld universe will find much to love in these seven tales of friendship, adventure, and enduring romance. Anthology contains: Rebirth, Birthright, Beginnings, Ghosts, Expectations, Wedding Bell Hell, The Case of El Chupacabra and a new story narrated by Eve.

Bitten Kelley Armstrong 2010 I've been fighting it all night. I'm going to lose ... Nature wins out. It always does.' Elena Michaels didn't know that her lover Clay was a werewolf until he bit her, changing her life forever. Betrayed and furious, she cannot accept her transformation, and wants nothing to do with her Pack - a charismatic group of fellow werewolves who say they want to help. When a series of brutal murders threatens the Pack - and Clay - Elena is forced to make an impossible choice. Abandon the only people who truly understand her new nature, or help them to save the lover who ruined her life, and who still wants her back at any cost.

The Gathering Kelley Armstrong 2011-04-12 Strange things are happening in Maya's tiny Vancouver Island town. First, her friend Serena, the captain of the swim team, drowns mysteriously in the middle of a calm lake. Then, one year later, mountain lions are spotted rather frequently around Maya's home—and her reactions to them are somewhat . . . unexpected. Her best friend, Daniel, has also been experiencing unexplainable premonitions about certain people and situations. It doesn't help that the new bad boy in town, Rafe, has a dangerous secret, and he's interested in one special part of Maya's anatomy—her paw-print birthmark.

Bitten Kelley Armstrong 2009-08-25 An erotically charged, addictive thriller from the future queen of suspense. Living in Toronto for a year, Elena is leading the normal life she has always dreamed of, including a stable job as a journalist and a nice apartment shared with her boyfriend. As the lone female werewolf in existence, only her secret midnight prowls and her occasional inhuman cravings set her apart. Just one year ago, life was very different. Adopted by the Pack when bitten, Elena had spent years struggling with her

resentment at having her life stolen away. Torn between two worlds, and overwhelmed by the new passions coursing through her body, her only option for control was to deny her awakening needs and escape. But now the Pack has called Elena home to help them fight an alliance of renegade werewolves who are bent on exposing and annihilating the Pack. And although Elena is obliged to rejoin her "family," she vows not to be swept up in Pack life again, no matter how natural it might feel. She has made her choice. Trouble is, she's increasingly uncertain if it's the right one. An erotically charged thriller, *Bitten* will awaken the voracious appetite of every reader, as the age-old battle between man and beast, between human and inhuman forces, comes to a head in one small town and within one woman's body.

Broken Kelley Armstrong 2009-02-24 In this thrilling new novel from the author of *Industrial Magic*, a pregnant werewolf may have unwittingly unleashed Jack the Ripper on the twenty-first century — and become his next target... Ever since she discovered she's pregnant, Elena Michaels has been on edge. After all, she's never heard of another living female werewolf, let alone one who's given birth. But thankfully, her expertise is needed to retrieve a stolen letter allegedly written by Jack the Ripper. As a distraction, the job seems simple enough — only the letter contains a portal to Victorian London's underworld, which Elena inadvertently triggers — unleashing a vicious killer and a pair of zombie thugs. Now Elena must find a way to seal the portal before the unwelcome visitors get what they're looking for — which, for some unknown reason, is Elena...

Brazen Kelley Armstrong 2013 Nick Sorrentino knows everyone in the supernatural world considers him the Pack's playboy, the pretty but not very useful werewolf whose only reputation involves his amorous exploits. Usually, Nick couldn't care less what anyone outside the Pack thinks of him. But when it affects his hunt for Malcolm Danvers, a psychotic bogeyman from the Pack's past, it matters. Necessity forces Nick to team up with mercenary half-demon Vanessa Callas to run Malcolm to ground in Detroit. Together, they discover Malcolm is more deadly than ever. And he wants to play. It's time for Nick to prove he's not just a lover. He's a fighter.

Led Astray: The Best of Kelley Armstrong Kelley Armstrong 2015-08-17 Welcome to the many worlds of #1 New York Times bestselling author Kelley Armstrong (*Otherworld*, *Cainsville*). As her SyFy channel series, *Bitten*, enters its second season, Armstrong continues to breathe new life into city-dwelling vampires, werewolves, and zombies. Werewolves Kelley Armstrong 2012-07-31 OMNIBUS Book One: *Bitten* Where it all began. Elena is leading the normal life she has always dreamed of, including a stable job as a journalist and a nice apartment shared with her boyfriend. As the lone female werewolf in existence, only her secret midnight prowls and her occasional inhuman cravings set her apart. An erotically charged thriller, *Bitten* will awaken the voracious

appetite of every reader. Book Two: Stolen Vampires, demons, shamans, witches--in Stolen they all exist, and they're all under attack. An obsessed tycoon with a sick curiosity is well on his way to amassing a private collection of supernaturals, and plans to harness their powers for himself--even if it means killing them. For Elena, kidnapped and imprisoned deep underground, separated from her Pack, unable to tell her friends from her enemies, choosing the right allies is a matter of life and death. Meet other supernaturals--Paige, Savannah, Eve--who go on to play significant roles in the Otherworld series. Book Three: Beginnings Originally released as a novella in Tales of the Otherworld, this prequel to Bitten tells the story of how Clay met Elena. He was a visiting professor at the University of Toronto, reluctant to leave Jeremy and the rest of the Pack in upstate New York. She was a gifted student struggling to make ends meet and coping with significant early trauma. He needed a research assistant; she needed a job...

A Rip Through Time Kelley Armstrong 2022-05-31 In this series debut from New York Times bestselling author Kelley Armstrong, a modern-day homicide detective finds herself in Victorian Scotland—in an unfamiliar body—with a killer on the loose. "A great read." —Charlaine Harris MAY 20, 2019: Homicide detective Mallory Atkinson is in Edinburgh to be with her dying grandmother. While out on a jog one evening, Mallory hears a woman in distress. She's drawn to an alley, where she is attacked and loses consciousness. MAY 20, 1869: Housemaid Catriona Mitchell had been enjoying a half day off, only to be discovered that night strangled and left for dead . . . exactly one hundred and fifty years before Mallory is strangled in the same spot. When Mallory wakes up in Catriona's body in 1869, she must put aside her shock and adjust quickly to her new reality: life as a housemaid to an undertaker in Victorian Scotland. She soon discovers that her boss, Dr. Gray, also moonlights as a medical examiner and has just taken on an intriguing case, the strangulation of a young man, similar to the attack on herself. Her only hope is that catching the murderer can lead her back to her modern life . . . before it's too late. In A Rip Through Time, New York Times bestselling author Kelley Armstrong introduces a brand-new series mixing mystery, romance, and fantasy with thrilling results.

Frostbitten Kelley Armstrong 2010 While investigating fatal wolf attacks on humans near Anchorage, werewolf and new mom Elena Michaels and her husband, Clay, encounter more than they expect in a savage force that awakens their animal natures.

Waking the Witch Kelley Armstrong 2011-06-21 The orphaned daughter of a sorcerer and a half-demon, Savannah is a terrifyingly powerful young witch who has never been able to resist the chance to throw her magical weight around. But at 21 she knows she needs to grow up and prove to her guardians, Paige and Lucas, that she can be a responsible member of their supernatural detective agency. So she jumps at the chance to fly solo, investigating the mysterious deaths of three young women in a nearby factory town as a favour to one of the agency's associates. At first glance, the murders look garden-variety human, but on closer inspection signs point to otherworldly stakes. Soon Savannah is in over her head. She's run off the road and nearly killed, haunted by a mystery stalker, and freaked out when the brother of one of the dead women is murdered when he tries to investigate the crime. To complicate things, something weird is happening to her powers. Pitted against shamans, demons, a voodoo-inflected cult and garden-variety goons, Savannah has to fight to ensure her

first case isn't her last. And she also has to ask for help, perhaps the hardest lesson she's ever had to learn. Book 11 in the Otherworld series.
