*The Boy in the Black Suit* Jason Reynolds 2015-01-06 A 2016 Coretta Scott King Author Honor Book Just when seventeen-year-old Matt thinks he can't handle one more piece of terrible news, he meets a girl who's dealt with a lot more—and who just might be able to clue him in on how to rise up when life keeps knocking him down—in this “vivid, satisfying, and ultimately upbeat tale of grief, redemption, and grace” (Kirkus Reviews) from the Coretta Scott King – John Steptoe Award–winning author of *When I Was the Greatest*. Matt wears a black suit every day. No, not because his mom died—although she did, and it sucks. But he wears the suit for his gig at the local funeral home, which pays way better than the Cluck Bucket, and he needs the income since his dad can't handle the bills (or anything, really) on his own. So while Dad's snagging bottles of whiskey, Matt's snagging fifteen bucks an hour. Not bad. But everything else? Not good. Then Matt meets Lovey. Crazy name, and she's been through more crazy stuff than he can imagine. Yet Lovey never cries. She's tough. Really tough. Tough in the way Matt wishes he could be. Which is maybe why he's drawn to her, and definitely why he can't seem to shake her. Because there's nothing more hopeful than finding a person who understands your loneliness—and who can maybe even help take it away.

Americans have built an empire on the idea of “race,” a falsehood that

damages us all but falls most heavily on the bodies of black women and men—bodies exploited through slavery and segregation, and, today, threatened, locked up, and murdered out of all proportion. What is it like to inhabit a black body and find a way to live within it? And how can we all honestly reckon with this fraught history and free ourselves from its burden? *Between the World and Me* is Ta-Nehisi Coates's attempt to answer these questions in a letter to his adolescent son. Coates shares with his son—and readers—the story of his awakening to the truth about his place in the world through a series of revelatory experiences, from Howard University to Civil War battlefields, from the South Side of Chicago to Paris, from his childhood home to the living rooms of mothers whose children's lives were taken as American plunder. Beautifully woven from personal narrative, reimagined history, and fresh, emotionally charged reportage, *Between the World and Me* clearly illuminates the past, bracingly confronts our present, and offers a transcendent vision for a way forward.

**The Vanishing Half** Brit Bennett 2022-02-01 #1 NEW YORK TIMES BESTSELLER ONE OF BARACK OBAMA'S FAVORITE BOOKS OF THE YEAR NAMED A BEST BOOK OF 2020 BY THE NEW YORK TIMES \* THE WASHINGTON POST \* NPR \* PEOPLE \* TIME MAGAZINE\* VANITY FAIR \* GLAMOUR 2021 WOMEN'S PRIZE FINALIST “Bennett’s tone and style recalls James Baldwin and Jacqueline Woodson, but it’s especially reminiscent of Toni Morrison’s 1970 debut novel, *The Bluest Eye*.” —Kiley Reid, *Wall Street Journal* “A story of absolute, universal timelessness ...For any era, it's an accomplished, affecting novel. For this moment, it's piercing, subtly wending its way toward questions about who we are and who we want to be...” – Entertainment Weekly From The New York Times-bestselling author of *The Mothers*, a stunning new novel about twin sisters, inseparable as children, who ultimately choose to live in two very different worlds, one black and one white. The Vignes twin sisters will always be identical. But after growing up together in a small, southern black community and running away at age sixteen, it's not just the shape of their daily lives that is different as adults, it's everything: their families, their communities, their racial identities. Many years later, one sister lives with her black daughter in the same southern town she once tried to escape. The other secretly passes for white, and her white husband knows nothing of her past. Still, even separated by so many miles and just as many lies, the fates of the twins remain intertwined. What will happen to the next generation, when their own daughters' storylines intersect? Weaving together multiple strands and generations of this family, from the Deep South to California, from the 1950s to the 1990s, Brit Bennett produces a story that is at once a riveting, emotional family story and a brilliant exploration of the American history of passing. Looking well beyond issues of race, *The Vanishing Half* considers the lasting influence of the past as it shapes a person's decisions, desires, and expectations, and explores some of the multiple reasons and realms in which people sometimes feel pulled to live as something other than their origins. As with her New York Times-bestselling debut *The Mothers*, Brit Bennett offers an

engrossing page-turner about family and relationships that is immersive and provocative, compassionate and wise.

Thought-provoking and magical." —Rick Riordan, author of the *Percy Jackson* series In the tradition of modern-day classics like Sara Pennypacker's *Pax* and Lois Lowry's *The Giver* comes a deep, compelling, heartbreaking, and completely one-of-a-kind novel about nine children who live on a mysterious island. **Ghost Boys** Jewell Parker Rhodes 2018-04-17 A heartbreaking and powerful story about a black boy killed by a police officer, drawing connections through history, from award-winning author Jewell Parker Rhodes. Only the living can make the world better. Live and make it better. Twelve-year-old Jerome is shot by a police officer who mistakes his toy gun for a real threat. As a ghost, he observes the devastation that's been unleashed on his family and community in the wake of what they see as an unjust and brutal killing. Soon Jerome meets another ghost: Emmett Till, a boy from a very different time but similar circumstances. Emmett helps Jerome process what has happened, on a journey towards recognizing how historical racism may have led to the events that ended his life. Jerome also meets Sarah, the daughter of the police officer, who grapples with her father's actions. Once again Jewell Parker Rhodes deftly weaves historical and socio-political layers into a gripping and poignant story about how children and families face the complexities of today's world, and how one boy grows to understand American blackness in the aftermath of his own death.

That storyline drives *Hell of a Book* and is the scaffolding of something much larger and more urgent: Mott's novel also tells the story of Soot, a young Black boy living in a rural town in the recent past, and The Kid, a possibly imaginary child who appears to the author on his tour. As these characters' stories build and converge, they astonish. For while this heartbreaking and magical book entertains and is at once about family, love of parents and children, art and money, it's also about the nation's reckoning with a tragic police shooting playing over and over again on the news. And with what it can mean to be Black in America. Who has been killed? Who is The Kid? Will the author finish his book tour, and what kind of world will he leave behind? Unforgettably told, with characters who burn into your mind and an electrifying plot ideal for book club discussion, *Hell of a Book* is the novel Mott has been writing in his head for the last ten years. And in its final twists, it truly becomes its title.

**Peace Like a River** Leif Enger 2007-12-01 Hailed as one of the year's top five novels by Time, and selected as one of the best books of the year by nearly all major newspapers, national bestseller *Peace Like a River* captured the hearts of a nation in need of comfort. "A rich mixture of adventure, tragedy, and healing," *Peace Like a River* is "a collage of legends from sources sacred and profane -- from the Old Testament to the Old West, from the Gospels to police dramas" (Ron Charles, *The Christian Science Monitor*). In "lyrical, openhearted prose" (Michael Glitz, *The New York Post*), Enger tells the story of eleven-year-old Reuben Land, an asthmatic boy who has reason to believe in miracles. Along with his sister and father, Reuben finds himself on a cross-country search for his outlaw older brother who has been controversially charged with murder. Their journey is touched by serendipity and the kindness of strangers, and its remarkable conclusion shows how family, love, and faith can stand up to the most terrifying of enemies, the most tragic of fates. Leif Enger's "miraculous" (Valerie Ryan, *The Seattle Times*) novel is a "perfect book for an anxious time ... of great literary merit that nonetheless restores readers' faith in the kindness of stories" (Marta Salij, *Detroit Free Press*).

**Teaching for Black Lives** Flora Harriman McDonnell 2018-04-13 Black students' bodies and minds are under attack. We're fighting back. From the north to the south, corporate curriculum lies to our students, conceals pain and injustice, masks racism, and demeans our Black students. But it's not only the curriculum that is traumatizing students.

**Thick** Tressie McMillan Cottom 2018-01-08 One of Book Riot's "The Best Books We Read in October 2018" "To say this collection is transgressive, provocative, and brilliant is simply to tell you the truth." —Roxane Gay, author of *Hunger* and *Bad Feminist* Smart, humorous, and strikingly original essays by one of "America's most bracing thinkers on race, gender, and capitalism of our time" (Rebecca Traister) In these eight piercing explorations on beauty, media, money, and more, Tressie McMillan Cottom—award-winning professor and acclaimed author of *Lower Ed*—embraces her venerated role as a purveyor of wit, wisdom, and Black Twitter snark about all that is right and much that is wrong with this thing we call society. Ideas and identity fuse effortlessly in this vibrant collection that on bookshelves is just as at home alongside Rebecca Solnit and bell hooks as it is beside Jeff Chang and Janet Mock. It also fills an important void on those very shelves: a modern black American feminist voice waxing poetic on self and society, serving up a healthy portion of clever prose and southern aphorisms as she covers everything from Saturday Night Live, LinkedIn, and BBQ Becky to sexual violence, infant mortality, and Trump rallies. *Thick* speaks fearlessly to a range of topics and is far more genre-bending than a typical compendium of personal essays. An intrepid intellectual force hailed by the likes of Trevor Noah, Chimamanda Ngozi Adichie, and Oprah, Tressie McMillan Cottom is "among America's most bracing thinkers on race, gender, and capitalism of our time" (Rebecca Traister). This stunning debut collection—in all its intersectional glory—mines for meaning in places many of us miss, and reveals precisely how the political, the social, and the personal are almost always one and the same.

**She Reads Truth** Raechel Myers 2016-10-04 She wants faith, hope, and love. She wants help and healing. She wants to hear and be heard, to see and be seen. She wants things set right. She wants to know what is true—not partly true, or sometimes true, or almost true. She wants to see Truth itself, face-to-face. But here, now, these things are all cloudy. Hope is tinged with hurt. Faith is shaded by doubt. Lesser, broken things masquerade as love. How does she find something permanent when the world around her is always changing, when not even she can stay the same? And if she finds it, how does she hold on? *She Reads Truth* tells the stories of two women who discovered, through very different lives and circumstances, that only God and His Word remain unchanged as the world around them shifted and slipped away. Infused with biblical application and Scripture, this book is not just about two characters in two stories, but about one Hero and one Story. Every image points to the bigger picture—that God and His Word are true. Not because of anything we do, but because of who He is. Not once, not occasionally, but right now and all the time. Sometimes it takes everything moving to notice the thing that doesn't move. Sometimes it takes telling two very different stories to notice how the Truth was exactly the same in both of them. For anyone searching for a solid foundation to cling to, *She Reads Truth* is a rich and honest Bible-filled journey to finally find permanent in a world that's passing

away.
