Pinocchio, the Tale of a Puppet Carlo Collodi 2011-02 Pinocchio, The Tale of a Puppet follows the adventures of a talking wooden puppet whose nose grew longer whenever he told a lie and who wanted more than anything else to become a real boy. As carpenter Master Antonio begins to carve a block of pinewood into a leg for his table the log shouts out, "Don't strike me too hard!" Frightened by the talking log, Master Cherry does not know what to do until his neighbor Geppetto drops by looking for a piece of wood to build a marionette. Antonio gives the block to Geppetto. And thus begins the life of Pinocchio, the puppet that turns into a boy. Pinocchio, The Tale of a Puppet is a novel for children by Carlo Collodi is about the mischievous adventures of Pinocchio, an animated marionette, and his poor father and woodcarver Geppetto. It is considered a classic of children's literature and has spawned many derivative works of art. But this is not the story we've seen in film but the original version full of harrowing adventures faced by Pinocchio. It includes 40 illustrations.

Creative Curriculum Teaching Strategies 1988-01-01 The Creative Curriculum comes alive! This videotape-winner of the 1989 Silver Apple Award at the National Educational Film and Video Festival-demonstrates how teachers set the stage for learning by creating a dynamic well-organized environment. It shows children involved in seven of the interest areas in the The Creative Curriculum and explains how they learn in each area. Everyone conducts in-service training workshops for staff and parents or who teaches early childhood education courses will find the video an indispensable tool for explaining appropriate practice.

Fair Play Eve Rodsky 2021-01-05 AN INSTANT NEW YORK TIMES BESTSELLER A REESE'S BOOK CLUB PICK Tired, stressed, and in need of more help from your partner? Imagine running your household (and life!) in a new way... It started with the Sh*t I Do List. Tired of being the "shefault" parent responsible for all aspects of her busy household, Eve Rodsky counted up all the unpaid, invisible work she was doing for her family--and then sent that list to her husband, asking for things to change. His response was...underwhelming. Rodsky realized that simply identifying the issue of unequal labor on the home front wasn't enough: She needed a solution to this universal problem. Her sanity, identity, career, and marriage depended on it. The result is *Fair Play*: a time- and anxiety-saving system that offers couples a completely new way to divvy up domestic responsibilities. Rodsky interviewed more than five hundred men and women from all walks of life to figure out what the invisible work in a family actually entails and how to get it all done efficiently. With 4 easy-to-follow rules, 100 household tasks, and a series of conversation starters for you and your partner, *Fair Play* helps you prioritize what's important to your family and who should take the lead on every chore, from laundry to homework to dinner. "Winning" this game means rebalancing your home life, reigniting your relationship with your significant other, and reclaiming your Unicorn Space--the time to develop the skills and passions that keep you interested and interesting. Stop drowning in to-dos and lose some of that invisible workload that's pulling you down. Are you ready to try *Fair Play*? Let's deal you in.

A Lesson Plan for Teachers (New and Old!) Michele Luck 2009

Being Frank Donna W. Earnhardt 2015-01-01 Frank follows the motto, "Honesty is the best policy." He tells the truth, the whole truth, and nothing but the truth. Frank never lies to his schoolmates, he always tells the truth to adults, and he's always honest with police officers. The balancing act of finding tact, that fine line between telling the truth and telling too much truth, is the main theme of this story, and it's very funny--although not necessarily to his friend Dotti whose freckles remind Frank of the Big Dipper, or to the teacher who hears that her breath smells like onions, or to the principal who is told that his toupee looks like a weasel. No one is quite as impressed with Frank's honesty as he thinks they should be. He is sweet and straightforward, and, well, very frank, but with everyone annoyed at him, Frank is now honestly unhappy. He decides to visit his confidante and pal, Grandpa Ernest, who has a history of frankness himself. With a few lessons from

Grandpa, Frank begins to understand that the truth is important, but so is not being hurtful. With amusing characters and expressive artwork, this story tells the powerful message of finding the good in everything—a lesson that sends compassion and understanding to take the place of rudeness in the complex concept of truth.

I Wanna Iguana Karen Kaufman Orloff 2004-09-09 Alex just has to convince his mom to let him have an iguana, so he puts his arguments in writing. He promises that she won't have to feed it or clean its cage or even see it if she doesn't want to. Of course Mom imagines life with a six-foot-long iguana eating them out of house and home. Alex's reassurances: It takes fifteen years for an iguana to get that big. I'll be married by then and probably living in my own house. and his mom's replies: How are you going to get a girl to marry you when you own a giant reptile? will have kids in hysterics as the negotiations go back and forth through notes. And the lively, imaginative illustrations show their polar opposite dreams of life with an iguana.

Busy Toddler's Guide to Actual Parenting Susie Allison 2020-09-22 You don't need to feel alone in parenting. You don't need to feel like you're failing. And you definitely don't need another parenting book filled with theoretical advice about theoretical children. You need actual parenting help from an actual parent. It's time to feel confident in your parenting. Susie Allison, creator of the massive online community Busy Toddler, is a breath of fresh air. With her humor and engaging personality, she helps parents find their footing, shift their perspective on childhood, and laugh at the twists and turns of parenting we all face. (Yes, it's ok that your child licked a shopping cart - they pretty much all do that.) In Busy Toddler's Guide to Actual Parenting, Susie gives the achievable advice she's known for around the world, from daily life and #beingtwoisfine to tantrums and tattling and teaching the ABCs. The book also includes 50+ of her famous activities that have helped thousands of parents make it to nap time-FYI, the popsicle bath is a game-changer. Susie shares real moments raising her three kids as well as her professional knowledge from eight years as a kindergarten and 1st grade teacher. Red Michael Hall 2015-02-03 A blue crayon mistakenly labeled as "red" suffers an identity crisis in this picture book by the New York Times–bestselling creator of *My Heart Is Like a Zoo*. This funny, heartwarming, colorful picture book about finding the courage to be true to your inner self can be read on multiple levels, and it offers something for everyone. Funny, insightful, and colorful, *Red: A Crayon's Story* is about being true to your inner self and following your own path despite obstacles that may come your way. Red will appeal to fans of Lois Ehlert, Eric Carle, and *The Day the Crayons Quit*, and makes a great gift for readers of any age! Red has a bright red label, but he is, in fact, blue. His teacher tries to help him be red (let's draw strawberries!), his mother tries to help him be red by sending him out on a playdate with a yellow classmate (go draw a nice orange!), and the scissors try to help him be red by snipping his label so that he has room to breathe. But Red is miserable. He just can't be red, no matter how hard he tries! Finally, a brand-new friend offers a brand-new perspective, and Red discovers what readers have known all along. He's blue!

Ditch That Textbook Matt Miller 2015-04-13 Textbooks are symbols of centuries-old education. They're often outdated as soon as they hit students' desks. Acting "by the textbook" implies compliance and a lack of creativity. It's time to ditch those textbooks--and those textbook assumptions about learning In *Ditch That Textbook*, teacher and blogger Matt Miller encourages educators to throw out meaningless, pedestrian teaching and learning practices. He empowers them to evolve and improve on old, standard, teaching methods. *Ditch That Textbook* is a support system, toolbox, and manifesto to help educators free their teaching and revolutionize their classrooms.

Laudato Si' Pope Francis 2020-10-06 Laudato Si' 'is Pope Francis' second encyclical which focuses on the theme of the environment. In fact, the Holy Father in his encyclical urges all men and women of good will, the rulers and all the powerful on earth to reflect deeply on the theme of the environment and the care of our planet. This is our common home, we must take care of it and love it - the Holy Father tells us - because its end is also ours.

The Golden Book of Chemistry Experiments Robert Brent 2015-10-10 BANNED: The Golden Book of Chemistry Experiments was a children's chemistry book written in the 1960s by Robert Brent and illustrated by Harry Lazarus, showing how to set up your own home laboratory and conduct over 200 experiments. The book is controversial, as many of the experiments contained in the book are now considered too dangerous for the general public. There are apparently only 126 copies of this book in libraries worldwide. Despite this, its known as one of the best DIY chemistry books every published. The book was a source of inspiration to David Hahn, nicknamed "the Radioactive Boy Scout" by the media, who tried to collect a sample of every chemical element and also built a model nuclear reactor (nuclear reactions however are not covered in this book), which led to the involvement of the authorities. On the other hand, it has also been the inspiration for many children who went on to get advanced degrees and productive chemical careers in industry or academia.

The Legend of the Poinsettia Tomie dePaola 1997-10-06 In Mexico, the poinsettia

is called flor de la Nochebuena flower of the Holy Night. At Christmastime, the flower blooms and flourishes, the quite exquisite red stars lighting up the countryside. This Mexican legend tells how the poinsettia came to be, through a little girl's unselfish gift to the Christ Child. Beloved Newbery honor-winning author and Caldecott honor-winning illustrator Tomie dePaola has embraced the legend using his own special feeling for Christmas. His glorious paintings capture not only the brilliant colors of Mexico and its art, but also the excitement of the children preparing for Christmas and the hope of Lucida, who comes to see what makes a gift truly beautiful.

Music and the Child Natalie Sarrazin 2016-06-14 Children are inherently musical. They respond to music and learn through music. Music expresses children's identity and heritage, teaches them to belong to a culture, and develops their cognitive well-being and inner self worth. As professional instructors, childcare workers, or students looking forward to a career working with children, we should continuously search for ways to tap into children's natural reservoir of enthusiasm for singing, moving and experimenting with instruments. But how, you might ask? What music is appropriate for the children I'm working with? How can music help inspire a well-rounded child? How do I reach and teach children musically? Most importantly perhaps, how can I incorporate music into a curriculum that marginalizes the arts? This book explores a holistic, artistic, and integrated approach to understanding the developmental connections between music and children. This book guides professionals to work through music, harnessing the processes that underlie music learning, and outlining developmentally appropriate methods to understand the role of music in children's lives through play, games, creativity, and movement. Additionally, the book explores ways of applying music-making to benefit the whole child, i.e., socially, emotionally, physically, cognitively, and linguistically.

Neither Airlie Anderson 2018-03-06 In this colorful and touching story that celebrates what makes each of us unique, a little creature that's not quite a bird and not quite a bunny--it's "neither"--searches for a place to fit in. In the Land of This and That, there are only two kinds: blue bunnies and yellow birds. But one day a funny green egg hatches, and a little creature that's not quite a bird and not quite a bunny pops out. It's neither! Neither tries hard to fit in, but its bird legs aren't good for jumping like the other bunnies, and its fluffy tail isn't good for flapping like the other birds. It sets out to find a new home and discovers a very different place, one with endless colors and shapes and creatures of all kinds. But when a blue bunny and a yellow bird with some hidden differences of their own arrive, it's up to Neither to decide if they are welcome in the Land of All. This colorful, simple, and touching story promotes diversity and offers a valuable lesson to the youngest of audiences: it is our differences that unite us.
