Perhaps you are wondering how a noble person such as yourself might become a member of a secret organization. Like so many things in life, it starts by picking up the right book. So go ahead, read at your own risk.

Acting in Film Michael Caine 2000-02-01 (Applause Books). A master actor who's appeared in an enormous number of films, starring with everyone from Nicholson to Kermit the Frog, Michael Caine is uniquely qualified to provide his view of making movies. This revised and expanded edition features great photos, with chapters on: Preparation, In Front of the Camera Before You Shoot, The Take, Characters, Directors, On Being a Star, and much more. "Remarkable material ... A treasure ... I'm not going to be looking at performances quite the same way ... FASCINATING!" Gene Siskel

Justice Is Beauty Michael Murphy 2019-12-17 The first monograph of MASS Design Group, the internationally lauded firm creating some of the most powerful and humane works of architecture today. Founded in 2008, MASS Design Group collaborated with Partners In Health and the Rwanda Ministry of Health to design and build the Butaro District Hospital in Rwanda, a masterwork of

architecture that also uniquely serves a community in need. Since then, MASS has grown into a dynamic collaborative of architects, planners, engineers, filmmakers, researchers, and public health professionals working in more than a dozen countries in the fields of design, research, policy, education, and strategic planning. Amid ongoing recognition (the 2018 American Academy of Arts and Letters Award in Architecture, the 2017 Cooper Hewitt National Design Award in Architecture), MASS's most recent project, the National Memorial for Peace and Justice in Montgomery, Alabama, has been featured in more than 400 publications, including the New York Times, the New Yorker, and the Washington Post. Mark Lamster of Dallas Morning News called the memorial "the single greatest work of American architecture of the twenty-first century." Justice Is Beauty highlights MASS's first decade of designing, researching, and advocating for an architecture of justice and human dignity. With more than thirty projects built or under construction and some 200,000 people served, MASS has pioneered an immersive approach in the practice of architecture that provides the infrastructure, buildings, and physical systems necessary for growth, dignity, and well-being, while always engaging local communities with attention to the specifics of cultural context and social needs.

Some Kind of Hero Matthew Field 2015-10-12 For over 50 years, Albert R. Broccoli's Eon Productions has navigated the ups and downs of the volatile British film industry, enduring both critical wrath and acclaim in equal measure for its now legendary James Bond series. Latterly, this family run business has been crowned with box office gold and recognised by motion picture academies around the world. However, it has not always been plain sailing. Changing financial regimes forced 007 to relocate to France and Mexico; changing fashions and politics led to box office disappointments; and changing studio regimes and business disputes all but killed the franchise. And the rise of competing action heroes has constantly questioned Bond's place in popular culture. But against all odds the filmmakers continue to wring new life from the series, and 2012's Skyfall saw both huge critical and commercial success, crowning 007 as the undisputed king of the action genre. Some Kind of Hero recounts this remarkable story, from its origins in the early '60s right through to the present day, and draws on hundreds of unpublished interviews with the cast and crew of this iconic series.

What's It All About? Michael Caine 2012-03-31 From Alfred to Zulu, Michael Caine has been Britain's best-loved actor for half a century. Now, for the first time, he reveals the truth behind his remarkable life. From his time as an evacuee during the Blitz to his front-line military service in the Korean War, from his early days as an assistant stagehand to becoming Peter O'Toole's understudy, from walk-on parts in local theatres to blowing the bloody doors off with his legendary roles in Zulu and The Italian Job, Caine's life was never simple or easy. Discussing his little-known childhood and family alongside his hard-fought journey from London to Hollywood, Caine writes with astonishing candour about the good years and the lean years, bringing his unique charm and humour to his anecdotes and memories of a sprawling movie-making career. If you worked in Hollywood in the last few decades, you've

probably worked with Michael Caine - and his accounts of his relationships with other superstars, both on and offscreen, make this autobiography essential reading for any fan not just of Michael Caine, but of film in general.

Twilight Man Liz Brown 2021-05-18 "Twilight Man is biography, romance, and nonfiction mystery, carrying with it the bite of fiction." -- Los Angeles Review of Books "In Twilight Man, Liz Brown uncovers a noir fairytale, a new glimpse into the opulent Gilded Age empire of the Clark family." --Bill Dedman, co-author of The New York Times bestseller Empty Mansions: The Mysterious Life of Huguette Clark and the Spending of a Great American Fortune The unbelievable true story of Harrison Post--the enigmatic lover of one of the richest men in 1920s Hollywood--and the battle for a family fortune. In the booming 1920s, William Andrews Clark Jr. was one of the richest, most respected men in Los Angeles. The son of the mining tycoon known as "The Copper King of Montana," Clark launched the Los Angeles Philharmonic and helped create the Hollywood Bowl. He was also a man with secrets, including a lover named Harrison Post. A former salesclerk, Post enjoyed a lavish existence among Hollywood elites, but the men's money--and their homosexuality--made them targets, for the district attorney, their employees and, in Post's case, his own family. When Clark died suddenly, Harrison Post inherited a substantial fortune--and a wealth of trouble. From Prohibition-era Hollywood to Nazi prison camps to Mexico City nightclubs, Twilight Man tells the story of an illicit love and the battle over a family estate that would destroy one man's life. Harrison Post was forgotten for decades, but after a chance encounter with his portrait, Liz Brown, Clark's great-grandniece, set out to learn his story. Twilight Man is more than just a biography. It is an exploration of how families shape their own legacies, and the lengths they will go in order to do so.

Time and Power Christopher Clark 2021-04-13 From the bestselling author of The Sleepwalkers, a book about how the exercise of power is shaped by different concepts of time This groundbreaking book presents new perspectives on how the exercise of power is shaped by different notions of time. Acclaimed historian Christopher Clark draws on four key figures from German history--Friedrich Wilhelm of Brandenburg-Prussia, Frederick the Great, Otto von Bismarck, and Adolf Hitler--to look at history through a temporal lens and ask how historical actors and their regimes embody unique conceptions of time. Elegantly written and boldly innovative, Time and Power reveals the connection between political power and the distinct temporalities of the leaders who wield it.

Self-portraits Ernst Rebel 2017 Explores self-portraits, sharing examples of self-portraiture and offering interpretations and a brief biography of the artists.

Blowing the Bloody Doors Off Michael Caine 2018-10-23 Hollywood legend Michael Caine shares wisdom and stories from his remarkable career in this "engrossing" memoir that "shines with positive energy" (Library Journal, starred review). One of our best-loved actors, Michael Caine has starred in over 100 films in his six-decade career, spanning classic movies like Alfie, Zulu, and The

Italian Job to playing Alfred opposite Christian Bale's Batman in Christopher Nolan's blockbuster Dark Knight trilogy. Caine has excelled in every kind of role--with a skill that's made it look easy. Caine knows what success takes. He's made it to the pinnacle of his profession from humble origins. But as he says, "Small parts can lead to big things. And if you keep doing things right, the stars will align when you least expect it." Still working and more beloved than ever, Caine now shares everything he's learned--and "his fans will be rewarded, as will anyone seeking an enjoyable, inspirational read" (Library Journal).

Blade Runners, Deer Hunters and Blowing the Bloody Doors Off Michael Deeley
2017-10-24 Few would imagine that one man links Ridley Scott's visionary sci-fi classic Blade Runner; The Deer Hunter, that searing study of lives ruined by the Vietnam War; and The Italian Job, the much loved British caper that made an icon of Michael Caine. But Michael Deeley has worked with some of the toughest film-makers, and lived to tell the tale, in this frank and humorous rollercoaster-ride through the ways and wiles of getting great movies made.

All about Me! Mel Brooks 2021-11-30 No information is currently available.
400pp., 100K.

A Life in Parts Bryan Cranston 2016-10-11 "Nothing short of riveting...an engrossing first-person account by one of our finest actors" (Huffington Post)--both a coming-of-age story and a meditation on creativity, devotion, and craft--Bryan Cranston, beloved and acclaimed star of one of history's most successful TV shows, Breaking Bad. Bryan Cranston began his acting career at the age of seven, when his father, a struggling actor and sometime director, cast him in a commercial for United Way. By fifth grade he was starring in the school play, spending hours at the local movie theater, and re-enacting favorite scenes with his brother in their living room. Cranston seemed destined to be an actor. But then his father left. And his family fell apart. Troubled by his father's missteps, Cranston abandoned his acting aspirations and resolved to pursue a steadier career in law enforcement. Then, on a two-year cross-country motorcycle journey, Cranston re-discovered his talent for acting and found his mission and his calling. In this "must-read memoir" (The Philadelphia Inquirer), Cranston traces the many roles he inhabited throughout his remarkable life, both on and off screen. For the first time he shares the story of his early years as an actor on the soap opera Loving, his recurring spots on Seinfeld, and his time as bumbling father Hal on Malcolm in the Middle, to his tour-de-force, Tony-winning performance as Lyndon Baines Johnson in Broadway's All the Way, to his most iconic role of all: Breaking Bad's Walter White. "An illuminating window into the actor's psyche" (People), Cranston has much to say about creativity, devotion, and craft, as well as innate talent and its challenges and benefits and proper maintenance. "By turns gritty, funny, and sad" (Entertainment Weekly), ultimately A Life in Parts is a story about the joy, the necessity, and the transformative power of simple hard work.

Fahrenheit 451 Ray Bradbury 1951 A totalitarian regime has ordered all books to be destroyed, but one of the book burners suddenly realizes their merit.

Sanford Meisner on Acting Sanford Meisner 2012-11-07 Sanford Meisner was one of the best known and beloved teachers of acting in the country. This book follows one of his acting classes for fifteen months, beginning with the most rudimentary exercises and ending with affecting and polished scenes from contemporary American plays. Written in collaboration with Dennis Longwell, it is essential reading for beginning and professional actors alike. Throughout these pages Meisner is a delight—always empathizing with his students and urging them onward, provoking emotion, laughter, and growing technical mastery from his charges. With an introduction by Sydney Pollack, director of *Out of Africa* and *Tootsie*, who worked with Meisner for five years. "This book should be read by anyone who wants to act or even appreciate what acting involves. Like Meisner's way of teaching, it is the straight goods."—Arthur Miller "If there is a key to good acting, this one is it, above all others. Actors, young and not so young, will find inspiration and excitement in this book."—Gregory Peck

Putting the Rabbit in the Hat Brian Cox 2022-01-18 The incredible rags-to-riches story of acclaimed actor Brian Cox, best known as *Succession's* Logan Roy, from a troubled, working-class upbringing in Scotland to a prolific career across theatre, film and television. From Hannibal Lecter in *Manhunter* to media magnate Logan Roy in HBO's *Succession*, Brian Cox has made his name as an actor of unparalleled distinction and versatility. We are familiar with him on screen, but few know of his extraordinary life story. Growing up in Dundee, Scotland, Cox lost his father when he was just eight years old and was brought up by his three elder sisters in the aftermath of his mother's nervous breakdowns and ultimate hospitalization. After joining the Dundee Repertory Theatre at the age of fifteen, you could say the rest is history – but that is to overlook the enormous effort that has gone into the making of the legend we know today. Rich in emotion and meaning, with plenty of laughs along the way, this seminal autobiography captures both Cox's distinctive voice and his very soul.

Small Doses Amanda Seales 2019-10-22 This "one-of-a-kind read" offers insightful essays, poignant life advice, and pithy pearls of wisdom from the comedian and star of HBO's *Insecure* (*Entertainment Weekly*). Anyone who has seen Amanda Seales's acclaimed stand-up special *I Be Knowin*, her long-running TV series *Insecure*, or her groundbreaking gameshow *Smart Funny & Black*, knows that this woman is a force of nature. In both life and career, she has fearlessly and passionately charted her own course. Now she's bringing her life's lessons and laughs to the page with her signature blend of academic intellectualism, Black American colloquialisms, and pop culture fanaticism. This volume of essays, axioms, original illustrations, and photos provides Seales's trademark "self-help from the hip" style of commentary, fueled by ideology formed from her own victories, struggles, research, mistakes, risks, and pay-offs. Unapologetic, fiercely funny, and searingly honest, *Small Doses* engages,

empowers, and enlightens readers on how to find their truths while still finding the funny!

Useful Phrases for Immigrants May-Lee Chai 2018-10 Eight innovative, timely stories illuminate the hopes and fears of Chinese immigrants and their descendants.

Blowing the Bloody Doors Off Michael Caine 2018 Over the six decades of his remarkable career, film legend Michael Caine has starred in some of the biggest movies of all time - and made it look easy. In reality, it has been one huge learning curve, from his unlikely beginnings as the son of a Billingsgate fish porter to pursuing his dream of being an actor, finding success and managing every twist, trick and turn to stay at the top of his game. The greatest trick, as he says, has always been 'to grasp every bloody opportunity that appears in front of me'. Now in his 85th year, he looks back at an incredible life and career and everything it's taught him - sharing hard-won wisdom, brilliant insights and stories, as well as the skills of acting and the movies we can all learn from.

Franklin Pierce Michael F. Holt 2010-03-30 The genial but troubled New Englander whose single-minded partisan loyalties inflamed the nation's simmering battle over slavery Charming and handsome, Franklin Pierce of New Hampshire was drafted to break the deadlock of the 1852 Democratic convention. Though he seized the White House in a landslide against the imploding Whig Party, he proved a dismal failure in office. Michael F. Holt, a leading historian of nineteenth-century partisan politics, argues that in the wake of the Whig collapse, Pierce was consumed by an obsessive drive to unify his splintering party rather than the roiling country. He soon began to overreach. Word leaked that Pierce wanted Spain to sell the slave-owning island of Cuba to the United States, rousing sectional divisions. Then he supported repeal of the Missouri Compromise, which limited the expansion of slavery in the west. Violence broke out, and "Bleeding Kansas" spurred the formation of the Republican Party. By the end of his term, Pierce's beloved party had ruptured, and he lost the nomination to James Buchanan. In this incisive account, Holt shows how a flawed leader, so dedicated to his party and ill-suited for the presidency, hastened the approach of the Civil War.

Tonight We Bombed the U.S. Capitol William Rosenau 2020-01-07 In a shocking, never-before-told story from the vaults of American history, Tonight We Bombed the US Capitol takes a close look at the explosive hidden history of M19—the first and only domestic terrorist group founded and led by women—and their violent fight against racism, sexism, and what they viewed as Ronald Reagan's imperialistic vision for America. In 1981, President Ronald Reagan announced that it was "morning in America." He declared that the American dream wasn't over, but the United States needed to lower taxes, shrink government control, and flex its military muscles abroad to herald what some called "the Reagan Revolution." At the same time, a tiny band of American-born, well-educated extremists were working for a very different kind of revolution. By the end of

the 1970s, many radicals had called it quits, but six veteran women extremists came together to finish the fight. These women had spent their entire adult lives embroiled in political struggles: protesting the Vietnam War, fighting for black and Native American liberation, and confronting US imperialism. They created a new organization to wage their war: The May 19th Communist Organization, or "M19," a name derived from the birthday shared by Malcolm X and Ho Chi Minh, two of their revolutionary idols. Together, these six women carried out some of the most daring operations in the history of domestic terrorism—from prison breakouts and murderous armed robberies, to a bombing campaign that wreaked havoc on the nation's capital. Three decades later, M19's actions and shocking tactics still reverberate for many reasons, but one truly sets them apart: unlike any other American terrorist group before or since, M19 was created and led by women. Tonight We Bombed the US Capitol tells the full story of M19 for the first time, alongside original photos and declassified FBI documents. Through the group's history, intelligence and counterterrorism expert William Rosenau helps us understand how homegrown extremism—a threat that still looms over us today—is born.

Bank Job Hilary Powell 2020-09-17 "These art avengers...took on toxic debt culture—and won."—The Guardian "[They] want to blow up the whole financial system."—The New York Times Art hacks life when two filmmakers launch a project to cancel more than £1m of high-interest debt from their local community. Bank Job is a white-knuckle ride into the dark heart of our financial system, in which filmmaker and artist duo Hilary Powell and Dan Edelstyn risk their sanity to buy up and abolish debt by printing their own money in a disused bank in Walthamstow, London. Tired of struggling in an economic system that leaves creative people on the fringes, the duo weave a different story, both risky and empowering, of self-education and mutual action. Behind the opaque language and defunct diagrams, they find a system flawed by design but ripe for hacking. This is the inspiring story of how they listen and act upon the widespread desire to change the system to meet the needs of many and not just the few. And for those among us brave enough, they show how we can do this too in our own communities one bank job at a time.

All Those Moments Rutger Hauer 2007-04-24 The international film star of such movies as Blade Runner and Ladyhawke describes his dramatic early years, his perspectives on the movie industry, and a near-tragedy that changed his life. 30,000 first printing.

appearance! Pippin No Drippin' culminates in an impromptu performance for Pippin's parents and the realization that even a rainy day can be fun when you put your mind to it!

Summary of Michael Caine's Blowing the Bloody Doors Off Everest Media, 2022-06-30T22:59:00Z Please note: This is a companion version & not the original book. Sample Book Insights: #1 I was born in 1933 in London, England. I suffered from rickets, a disease of poverty that causes weak bones, and I tottered up and down those stairs in surgical boots. I left school at 16 with a small handful of exam passes, and found and got sacked from a handful of menial office jobs. #2 I learned early on that everything can have its good side for you personally. I learned to find the good in terrible situations. Looking back, I would add another lesson that I didn't know at the time: if I can make it, there's hope for us all. #3 My father taught me that I wanted more out of life than I was supposed to get. My mother taught me the things I needed to be able to go out and get it. Together, they provided me with a wonderful launch pad. #4 I grew up with my mother and father, who was away fighting the war. They showed me love, and I was able to show it to others. When you have been shown love, you can show it to others.

Digging Dinosaurs Gorma Horner 1990-05-09 A classic paleontology work follows the research of a world-renowned scientist, chronicling how with a five-hundred-dollar grant and a coffee can of baby dinosaur bones, he revolutionized vertebrate paleontology. Reprint.

Ghost Train Alan Ahlberg 1992-08-21 Three skeletons have fun when they take a train ride one dark, dark night--until something scares them.

Always Look on the Bright Side of Life Eric Idle 2018-10-02 NEW YORK TIMES BESTSELLER • From the ingenious comic performer, founding member of Monty Python, and creator of Spamalot, comes an absurdly funny memoir of unparalleled wit and heartfelt candor We know him best for his unforgettable roles on Monty Python—from the Flying Circus to The Meaning of Life. Now, Eric Idle reflects on the meaning of his own life in this entertaining memoir that takes us on a remarkable journey from his childhood in an austere boarding school through his successful career in comedy, television, theater, and film. Coming of age as a writer and comedian during the Sixties and Seventies, Eric stumbled into the crossroads of the cultural revolution and found himself rubbing shoulders with the likes of George Harrison, David Bowie, and Robin Williams, all of whom became dear lifelong friends. With anecdotes sprinkled throughout involving other close friends and luminaries such as Mike Nichols, Mick Jagger, Steve Martin, Paul Simon, Lorne Michaels, and many more, as well as John Cleese and the Pythons themselves, Eric captures a time of tremendous creative output with equal parts hilarity and heart. In *Always Look on the Bright Side of Life*, named for the song he wrote for *Life of Brian* and which has since become the number one song played at funerals in the UK, he shares the highlights of his life and career with the kind of offbeat humor that has delighted audiences for five decades. The year 2019 marks the fiftieth anniversary of The Pythons, and

Eric is marking the occasion with this hilarious memoir chock full of behind-the-scenes stories from a high-flying life featuring everyone from Princess Leia to Queen Elizabeth.

Only Fools and Stories David Jason 2017-10-05 *** The Hilarious Number One Sunday Times Bestseller! *** The follow-up autobiography to one of Britain's best loved actors and national treasures In his first book David Jason told us about himself from his early years training as an electrician through to making it as one of Britain's greatest actors. This autumn, in a follow up autobiography, he tells us about the many other lives he has lived – his characters. From Del Boy to Granville, Pop Larkin to Frost, he takes us behind the scenes and under the skins of some of the best loved acts of his career. And in the process he reflects on how those characters changed his life too. The result told with his characteristic charm and wit is both funny and poignant, honest and heart warming.

Respect for Acting Uta Hagen 1973 The performer and teacher guides the actor in overcoming the human and technical problems of his art

The Elephant to Hollywood Michael Caine 2010-10-26 Charming, engaging, and surprisingly forthright, Michael Caine gives us his insider's view of Hollywood and the story of his brilliant second act When he was in his late fifties, Michael Caine believed his glamorous, rags-to-riches Hollywood career had come to an end. The scripts being sent his way were worse and worse. When one script really disappointed, he called the producer to complain about the part. The producer said, "No, no, we don't want you for the lover, we want you for the father." Salvation came in the unlikely form of his old friend Jack Nicholson, who convinced him to give acting one more shot. What followed was not only an incredible personal transformation but also one of the most radical comebacks in film history. Learning to accept his new role both on camera and in his own life, Caine went on to win his second Oscar, be knighted by the queen, and deliver some of his best performances to date. Now he shares the spectacular story of his life, from his humble upbringing in London's poverty-stricken Elephant and Castle, his military service, touching marriage and family life, and lively adventures with friends, to legendary meetings with fellow stars, forays as a restaurateur, and hilarious off-screen encounters from his glittering five-decade career. Caine's *The Elephant to Hollywood* brings his gift for storytelling and his insider's view to a tale that is funny, warm, and deeply honest.

Sir Michael Caine - The Biography William Hall 2007-09-14 Born Maurice Micklewhite, son of a Billingsgate fish porter and a charlady; Michael Caine's life has been an extraordinary rollercoaster: from washing dishes and fighting on National Service, to winning two Oscars and being knighted by the Queen. With more than eighty films to his name, he has starred in some of the classics of modern cinema: as an action anti-hero in *Get Carter*, a Cockney Lothario in *Alfie*, a disillusioned alcoholic academic in *Educating Rita*. He is an enduring model of British cool. This authorised biography charts the amazing highs and

lows in his turbulent ride to fame, fortune and respect.

The Third Story Charles Busch 2009-01-01 Comedy / Characters: 4m, 2f / Unit set
A faded screenwriter in the 1940's woos her troubled ex-writer son into collaborating on a screen play. The gangster/sci fi B-movie in their imagination unfolds before us, involving a chic crime czarina, a beautiful but icy lady scientist and her failed and understandably bitter human cloning experiment. A third story is the Russian fairy tale the screenwriter told her son as a child about a painfully shy princess who forges a diabolical pact with a terrifying but surprisingly vulnerable old witch. The fairy tale inspires the movie which inspires the mother and son screenwriters to mend their fractured relationship. "Plays-within-plays require such intricate tailoring. So it's a pleasure to report that with *The Third Story*, the ever-captivating Charles Busch proves equally deft as both performer and seamstress." -Theatermania. "The main joy of *The Third Story* is that its foolery embodies something substantive...No wonder *The Third Story* feels like such an energizing event." - Village Voice.

Blowing the Bloody Doors Off Michael Caine 2018-10-18 'Wise, funny' Daily Mail 'Chatty and engaging . . . he often comes across as endearingly humble' Sunday Times 'Thoroughly engaging' Sunday Express magazine 'Fabulous storytelling' Prima One of 'the top 25 most compelling Hollywood autobiographies' -Guardian
Hollywood legend and British national treasure Sir Michael Caine shares the wisdom, stories, insight and skills that life has taught him in his remarkable career - and now his 85th year. One of our best-loved actors Michael Caine has starred in a huge range of films - including all-time favourites - from the classic British movies *Alfie*, *Zulu* and *The Italian Job* to the Hollywood blockbusting *Dark Knight* trilogy, *Dirty Rotten Scoundrels*, *Hannah and Her Sisters* and *Cider House Rules*. Caine has excelled in every kind of role - with a skill that's made it look easy. He knows what success takes - he's made it to the top of his profession from the toughest beginning. But as he says 'Small parts can lead to big things. And if you keep doing things right, the stars will align when you least expect it.' Now in his 85th year he wants to share everything he's learned. With brilliant new insight into his life and work and with his wonderful gift for story, this is Caine at his wise and entertaining best.

Face It Debbie Harry 2019-09-23 'I was saying things in songs that female singers didn't really say back then. I wasn't submissive or begging him to come back, I was kicking his ass, kicking him out, kicking my own ass too. My Blondie character was an inflatable doll but with a dark, provocative, aggressive side. I was playing it up, yet I was very serious.' **BRAVE, BEAUTIFUL AND BORN TO BE PUNK DEBBIE HARRY** is a musician, actor, activist and the iconic face of New York City cool. As the front-woman of Blondie, she and the band forged a new sound that brought together the worlds of rock, punk, disco, reggae and hip-hop to create some of the most beloved pop songs of all time. As a muse, she collaborated with some of the boldest artists of the past four decades. The scope of Debbie Harry's impact on our culture has been matched

Sir Sean Connery John Parker 2020-11 He was one of the world's true superstars, and the silver screen's most beloved James Bond. Sir Sean Connery - a proud Scotsman born in 1930 to a working-class family - died at home in the Bahamas on October 31, 2020. He left behind him a legacy to rival any actor. Connery bestrode Hollywood like a Colossus. He commanded some of the highest fees in the industry and was lauded by critics and the public alike. In July 2000, his unique contribution to the world of film was recognized when he was accorded a knighthood. John Parker traces the astonishing rise to stardom of a tough street kid from Edinburgh. The part of 007 became a monster that threatened to kill Connery as an actor; he escaped to establish himself as one of the world's most magnetic and commanding character actors, winning an Oscar for his role in iconic crime drama The Untouchables. The author has drawn on reminiscences of famous friends and colleagues, including Honor Blackman, Robert Hardy and Eric Sykes, to create an authoritative and entertaining portrait of a talented, complex actor - and, above all else, a magnificent man.

In Pieces Sally Field 2018-09-18 In this intimate, haunting literary memoir and New York Times Notable Book of the year, an American icon tells her own story for the first time -- about a challenging and lonely childhood, the craft that

helped her find her voice, and a powerful emotional legacy that shaped her journey as a daughter and a mother. One of the most celebrated, beloved, and enduring actors of our time, Sally Field has an infectious charm that has captivated the nation for more than five decades, beginning with her first TV role at the age of seventeen. From Gidget's sweet-faced "girl next door" to the dazzling complexity of Sybil to the Academy Award-worthy ferocity and depth of Norma Rae and Mary Todd Lincoln, Field has stunned audiences time and time again with her artistic range and emotional acuity. Yet there is one character who always remained hidden: the shy and anxious little girl within. With raw honesty and the fresh, pitch-perfect prose of a natural-born writer, and with all the humility and authenticity her fans have come to expect, Field brings readers behind-the-scenes for not only the highs and lows of her star-studded early career in Hollywood, but deep into the truth of her lifelong relationships--including her complicated love for her own mother. Powerful and unforgettable, *In Pieces* is an inspiring and important account of life as a woman in the second half of the twentieth century.

As You Wish Cary Elwes 2014-10-14 In a 25th anniversary, behind-the-scenes account of the making of the cult-classic film, the lead actor shares never-before-told stories and exclusive photographs as well as interviews with Robin Wright, Billy Crystal and more. 100,000 first printing.

Barry Sonnenfeld, Call Your Mother Barry Sonnenfeld 2020-03-10 **A New York Times Editor's Choice selection!** This outrageous and hilarious memoir follows a film and television director's life, from his idiosyncratic upbringing to his unexpected career as the director behind such huge film franchises as *The Addams Family* and *Men in Black*. Barry Sonnenfeld's philosophy is, "Regret the Past. Fear the Present. Dread the Future." Told in his unmistakable voice, Barry Sonnenfeld, *Call Your Mother* is a laugh-out-loud memoir about coming of age. Constantly threatened with suicide by his over-protective mother, disillusioned by the father he worshiped, and abused by a demonic relative, Sonnenfeld somehow went on to become one of Hollywood's most successful producers and directors. Written with poignant insight and real-life irony, the book follows Sonnenfeld from childhood as a French horn player through graduate film school at NYU, where he developed his talent for cinematography. His first job after graduating was shooting nine feature length pornos in nine days. From that humble entrée, he went on to form a friendship with the Coen Brothers, launching his career shooting their first three films. Though Sonnenfeld had no ambition to direct, Scott Rudin convinced him to be the director of *The Addams Family*. It was a successful career move. He went on to direct many more films and television shows. Will Smith once joked that he wanted to take Sonnenfeld to Philadelphia public schools and say, "If this guy could end up as a successful film director on big budget films, anyone can." This book is a fascinating and hilarious roadmap for anyone who thinks they can't succeed in life because of a rough beginning.

Never Grow Up Jackie Chan 2019-09-10 "You'll be hard-pressed to find a Hollywood memoir with this much blood and (broken) bone" (Entertainment Weekly)

Downloaded from avenza-dev.avenza.com
on September 26, 2022 by guest

in this candid, thrilling autobiography from one of the most recognizable, influential, and beloved cinematic personalities in the world. Everyone knows Jackie Chan. Whether it's from Rush Hour, Shanghai Noon, The Karate Kid, or Kung Fu Panda, Jackie is admired by generations of moviegoers for his acrobatic fighting style, comic timing, and mind-bending stunts. In 2016—after over fifty-five years in the industry, over 200 films, and many broken bones—he received an honorary Academy Award for his lifetime achievement in film. But Jackie is just getting started. Now, in *Never Grow Up*, the global superstar reflects on his early life, including his childhood years at the China Drama Academy (in which he was enrolled at the age of six), his big breaks (and setbacks) in Hong Kong and Hollywood, his numerous brushes with death (both on and off film sets), and his life as a husband and father (which has been, admittedly and regrettably, imperfect). In this “impossibly colorful memoir” (USA TODAY), Jackie applies the same spirit of openness to his “legendary life, with many fascinating stories waiting for you to discover” (Jet Li), proving time and time again why he's beloved the world over: he's honest, funny, kind, brave beyond reckoning and—after all this time—still young at heart.
