*The Civil Contract of Photography* Ariella Azoulay 2021-09-14 In this groundbreaking work, Ariella Azoulay thoroughly revises our understanding of the ethical status of photography. It must, she insists, be understood in its inseparability from the many catastrophes of recent history. She argues that photography is a particular set of relations between individuals and the powers that govern them and, at the same time, a form of relations among equals that constrains that power. Anyone, even a stateless person, who addresses others through photographs or occupies the position of a photograph's addressee, is or can become a member of the citizenry of photography. The crucial arguments of the book concern two groups that have been rendered invisible by their state of exception: the Palestinian noncitizens of Israel and women in Western societies. Azoulay's leading question is: Under what legal, political, or cultural conditions does it become possible to see and show disaster that befalls those with flawed citizenship in a state of exception? *The Civil Contract of Photography* is an essential work for anyone seeking to understand the disasters of recent history and the consequences of how they and their victims are represented.

*Billionaire Bodyguard* Kristi Avalon 2013-05-13 Allison Dupree knows she shouldn't mix business with pleasure, especially when she's running from her past. Even after a one-night-stand with her sexy boss, she resists his attempts to further their personal and business relationship. Billionaire CEO Logan Stone is used to getting what he wants - and he wants the future with Allison that she keeps denying him. When Allison reveals she's pregnant with his child, and a dangerous threat targets her and the baby, Logan discovers just how far he's willing to go to protect the future and family he can't live without.

*The Day of the Jackal* Frederick Forsyth 2012-09-04 THE CLASSIC THRILLER FROM #1 NEW YORK TIMES BESTSELLING AUTHOR FREDERICK FORSYTH "The Day of the Jackal makes such comparable books such as *The Manchurian Candidate* and *The Spy Who Came in from the Cold* seem like Hardy Boy mysteries."—The New York Times *The Jackal*. A tall, blond Englishman with opaque, gray eyes. A killer at the top of his profession. A man unknown to any secret service in the world. An assassin with a contract to kill the world's most heavily guarded man. One man with a rifle who can change the course of history. One man whose mission is so secretive not even his employers know his name. And as the minutes count down to the final act of execution, it seems that there is no power on earth that can stop the Jackal.

*Rekindle* David Bestys 2016-04-26 A small town is haunted by a crime from 15 years ago. Not one suspect was ever brought to justice. But now, 15 years later, when likely suspects seem to be disappearing from tragic events, the town's down-and-out fire chief may know more than he's letting on. David, the alcoholic fire chief, has had too many things go wrong in his life and has nothing left to live for. Brian Grace lost his daughter 15 years ago and has looked for her ever since. His bodyguard, Jason, is a tough character that likes to control his surroundings and protect his employer. Kelly, the detective, is an attractive woman and finds herself getting more involved with the case than anyone could have predicted. And, there is Chad and his three friends; a tough and nasty group of old school mates that cause trouble wherever they turn up. What could possibly be happening in this small town, and is it even connected to a girl's disappearance 15 long years ago?

**Her Reluctant Bodyguard** Jennette Green 2010 Alexa's dream job becomes a threat to her life... Successful biographer Alexa Kaplan never expected to meet her favorite pop star on the Today Show set. When Colin asks her to write his biography and tour with him in Europe, she's thrilled. It all seems like a fairy tale come true--until she begins to receive death threats. To her dismay, Colin puts her under the 24/7 protection of his chief bodyguard, Jamison Constanzo--a man with whom she's clashed from day one. If only she could spend more time with her perfect man, Colin, rather than spending all of her days with this black-hearted thorn in her side! Alexa struggles to control her flip attitude toward Jamison. Why does opening up her heart to him feel almost as dangerous as dealing with the stalker's threats? But when the killer strikes, Jamison is the only one she can turn to...

**Mercenaries and War** National Defense University Press 2019-12-18 Mercenaries are more powerful than experts realize, a grave oversight. Those who assume they are cheap imitations of national armed forces invite disaster because for-profit warriors are a wholly different genus and species of fighter. Private military companies such as the Wagner Group are more like heavily armed multinational corporations than the Marine Corps. Their employees are recruited from different countries, and profitability is everything. Patriotism is unimportant, and sometimes a liability. Unsurprisingly, mercenaries do not fight conventionally, and traditional war strategies used against them may backfire.

**Quantum of Nightmares** Charles Stross 2022-01-11 A unique blend of espionage thrills and Lovecraftian horror, Hugo Award-winning author Charles Stross's Laundry Files continues with Quantum of Nightmares. It's a brave new Britain under the New Management. The avuncular Prime Minister is an ancient eldritch god of unimaginable power. Crime is plummeting as almost every offense is punishable by death. And everywhere you look, there are people with strange powers, some of which they can control, and some, not so much. Hyperorganized and formidable, Eve Starkey defeated her boss, the louche magical adept and billionaire Rupert de Montfort Bigge, in a supernatural duel to the death. Now she's in charge of the Bigge Corporation—just in time to discover the lethal trap Rupert set for her long ago. Wendy Deere's transhuman abilities have gotten her through many a scrape. Now she's gainfully employed investigating unauthorized supernatural shenanigans. She swore to herself she wouldn't again get entangled with Eve Starkey's bohemian brother Imp and his crew of transhuman misfits. Yeah, right. Mary Macandless has powers of her own. Right now she's pretending to be a nanny in order to kidnap the children of a pair of famous, Government-authorized superheroes. These children have powers of their own, and Mary Macandless is in way over her head. Amanda Sullivan is the HR manager of a minor grocery chain, much oppressed by her glossy blonde boss—who is cooking up an appalling, extralegal scheme literally involving human flesh. All of these stories will come together, with world-bending results... "For all of Stross's genuine ability to spook and dismay, The Laundry Files are some of the most tremendously humane books I've ever read." —Tamsyn Muir, author of Gideon the Ninth and Harrow the Ninth At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

**Stay Close** Harlan Coben 2019-12-31 #1 New York Times bestselling author Harlan Coben proves that the past never truly fades away as the American dream becomes a nightmare in this shocking thriller. Megan is a suburban soccer mom who once upon a time walked on the wild side. Ray used to be a talented documentary photographer, but now finds himself in a dead-end job posing as a paparazzo. Broome is a detective who can't let go of a cold case. Three people living lives they never wanted are hiding secrets that even those closest to them would never suspect. And as each confronts the dark side of the American dream--the boredom of a nice suburban life, the excitement of temptation, the desperation and hunger that can lurk behind even the prettiest facades--they will discover the hard truth that the line between one kind of life and another can be as whisper-thin as a heartbeat.

**Remember the Time** Bill Whitfield 2014-06-03 The basis of the Lifetime biopic Searching for Neverland: a compellingly candid memoir by Michael Jackson's former bodyguards that reveals amazing truths of the late superstar's last years--his life in seclusion with his children, his financial crises, his preparations for the This Is It tour, and the weeks leading up to his shocking death. Hounded by the tabloid media, driven from his self-made sanctuary at Neverland, Michael Jackson spent his final years moving from city to city, living with his three children in virtual seclusion--a futile attempt to escape a world that wouldn't leave him alone. During that time, two men served as the singer's personal security team: Bill Whitfield, a former cop and veteran of the security profession, and Javon Beard, a brash, untested rookie, both single fathers themselves. Stationed at his side nearly 24/7, their job was to see and hear everything that transpired, and to keep everyone else out, making them the only two men who know what 60 million fans around the world still want to know: What really happened to the King of Pop? Driven by a desire to show the world who Michael Jackson truly was, Whitfield and Beard have

produced the only definitive, first-person account of Michael Jackson's last years: the extreme measures necessary to protect Jackson and his family, the simple moments of happiness they managed to share in a time of great stress, the special relationship Jackson shared with his fans, and the tragic events that culminated in the singer's ill-fated comeback, *This Is It*. The truth is far more compelling than anything you've yet heard. An indispensable piece of pop-culture history, *Remember the Time* is the story of a man struggling to live a normal life under extraordinary circumstances, the story of a father fighting to protect and provide for his children. *Remember the Time* is the book that dismantles the tabloid myths once and for all to give Michael Jackson back his humanity.

*The Most Dangerous Game* by Richard Connell or *The Hounds of Zaroff* | Alltime Bestseller Book From the Author of Books Like: *The Sin of Monsieur Pettipon, and Other Humorous Tales* / *El malvado Zaroff* / *Delitto in mare* / *What Ho!* Richard Connell 2021-01-01 From the Author of Books Like: 1. *The Sin of Monsieur Pettipon, and Other Humorous Tales* 2. *El malvado Zaroff* 3. *Delitto in mare* 4. *What Ho!* 5. *The Sin of Monsieur Pettipon* 6. *Apes And Angels* 7. *From Observables to Unobservables in Science and Philosophy* 8. *The Mad Lover* About the Book: *The Most Dangerous Game*, also published as *The Hounds of Zaroff*, is a short story by Richard Connell first published in *Collier's* magazine on January 19, 1924. It features a big-game hunter from New York who falls off a yacht and swims to an isolated island in the Caribbean where he is hunted by a Cossack aristocrat. The story is an adaptation of the big-game hunting safaris in Africa and South America that were fashionable among wealthy Americans in the 1920s. Big-game hunter Sanger Rainsford and his friend, Whitney, are traveling to the Amazon rainforest for a jaguar hunt. After a discussion about how they are "the hunters" instead of "the hunted," Whitney goes to bed and Rainsford hears gunshots. He climbs onto the yacht's rail and accidentally falls overboard, swimming to Ship-Trap Island, which is notorious for shipwrecks. On the island, he finds a palatial chateau inhabited by two Cossacks: the owner, General Zaroff, and his gigantic deaf-mute servant, Ivan. Zaroff, another big-game hunter, knows of Rainsford from his published account of hunting snow leopards in Tibet. Over dinner, the middle-aged Zaroff explains that although he has been hunting animals since he was a boy, he has decided that killing big-game has become boring for him, so after escaping the Russian Revolution he moved to Ship-Trap Island and set it up to trick ships into wrecking themselves on the jagged rocks that surround it. He takes the survivors captive and hunts them for sport, giving them food, clothing, a knife, and a three-hour head start, and using only a small-caliber pistol for himself. Any captives who can elude Zaroff, Ivan, and a pack of hunting dogs for three days are set free. He reveals that he has won every hunt to date. Captives are offered a choice between being hunted or turned over to Ivan, who once served as official knouter for The Great White Czar. Rainsford denounces the hunt as barbarism, but Zaroff replies by claiming that "life is for the strong." Realizing he has no way out, Rainsford reluctantly agrees to be hunted. During his head start, Rainsford lays an intricate trail in the forest and then climbs a tree. Zaroff finds him easily, but decides to play with him as a cat would with a mouse, standing underneath the tree Rainsford is hiding in, smoking a cigarette, and then abruptly departing. After the failed attempt at eluding Zaroff, Rainsford builds a Malay man-catcher, a weighted log attached to a trigger. This contraption injures Zaroff's shoulder, causing him to return home for the night, but he shouts his respect for the trap before departing. The next day Rainsford creates a Burmese tiger pit, which kills one of Zaroff's hounds. He sacrifices his knife and ties it to a sapling to make another trap, which kills Ivan when he stumbles into it. To escape Zaroff and his approaching hounds, Rainsford dives off a cliff into the sea; Zaroff, disappointed at Rainsford's apparent suicide, returns home. Zaroff smokes a pipe by his fireplace, but two issues keep him from the peace of mind: the difficulty of replacing Ivan and the uncertainty of whether Rainsford perished in his dive. About the Author : Richard Edward Connell, Jr. was an American author and journalist, best known for his short story "The Most Dangerous Game." Connell was one of the best-known American short story writers of his time and his stories appeared in the *Saturday Evening Post*

and Collier's Weekly. Connell had equal success as a journalist and screenwriter. He was nominated for an Academy Award in 1942 for best original story for the film Meet John Doe.

**Tempting the Player** J. Lynn 2012-10-20 Chad Gamble, all-star pitcher for the Nationals, is one of the best players on—and off—the field. And right now, the notorious bad boy wants Bridget Rodgers. But with her lush curves and snappy comebacks, the feisty redhead is the kind of woman a man wants to settle down with...and that's the last thing Chad needs. When the paparazzi catch them in a compromising position, Chad's manager issues an ultimatum: clean up his act or kiss his multimillion-dollar contract goodbye. To save his career, his meddling publicist says he'll have to convince everyone that Bridget isn't just his flavor of the week, but his girlfriend. Being blackmailed into a fake relationship isn't easy, especially when the sizzling physical attraction between them is undeniable. With a month to go on their arranged pretense, it's going to take every ounce of willpower they have to not fall into bed together...or in love. Each book in the Gamble Brothers series is STANDALONE: \* Tempting the Best Man \* Tempting the Player \* Tempting the Bodyguard

*Hybrid Sovereignty in World Politics* Swati Srivastava 2022-09-08 The idea of 'hybrid sovereignty' describes overlapping relations between public and private actors in important areas of global power, such as contractors fighting international wars, corporations regulating global markets, or governments collaborating with nongovernmental entities to influence foreign elections. This innovative study shows that these connections - sometimes hidden and often poorly understood - underpin the global order, in which power flows without regard to public and private boundaries. Drawing on extensive original archival research, Swati Srivastava reveals the little-known stories of how this hybrid power operated at some of the most important turning points in world history: spreading the British empire, founding the United States, establishing free trade, realizing transnational human rights, and conducting twenty-first century wars. In order to sustain meaningful dialogues about the future of global power and political authority, it is crucial that we begin to understand how hybrid sovereignty emerged and continues to shape international relations.

**The Impact Equation** Chris Brogan 2012-10-25 "Anyone can write a blog post, but not everyone can get it liked thirty-five thousand times, and not everyone can get seventy-five thousand subscribers. But the reason we've done these things isn't because we're special. It's because we tried and failed, the same way you learn to ride a bike. We tried again and again, and now we have an idea how to get from point A to point B faster because of it." Three short years ago, when Chris Brogan and Julien Smith wrote their bestseller, *Trust Agents*, being interesting and human on the Web was enough to build a significant audience. But now, everybody has a platform. The problem is that most of them are just making noise. In *The Impact Equation*, Brogan and Smith show that to make people truly care about what you have to say, you need more than just a good idea, trust among your audience, or a certain number of followers. You need a potent mix of all of the above and more. Use the Impact Equation to figure out what you're doing right and wrong. Apply it to a blog, a tweet, a video, or a mainstream-media advertising campaign. Use it to explain why a feature in a national newspaper that reaches millions might have less impact than a blog post that reaches a thousand passionate subscribers. Consider the phenomenally successful British singer Adele. For most musicians, onstage banter basically consists of yelling "Hello, Cleveland!" But Adele connects with her audience, pausing between songs to discuss a falling-out with her friends, or the drama of a break up. Each of these moments comes off as if she were talking directly with you, and you can easily relate. Adele has Impact. As the traditional channels for marketing, selling, and influencing disappear and more people interact mainly online, the very nature of attention is changing. *The Impact Equation* will give you the tools and metrics that guarantee your message will be heard.

*Call Me Methuselah* R.G. Hendrickson 2021-11-27 Since humanity's first steps in the Stone Age, Methuselah has harbored an ancient secret. Cursed by the shaman to witness the end of days, he searches in vain for a home, place to place, clan to clan, yearning to belong. First in prehistoric Africa

and lately disillusioned with love for a hundred years in the New World, he learns all too well to guard his heart and hide his story. That changes when a car crash lands him in the hospital with a fractured skull. Doctors discover strange stem cells in his blood, promising cures and a fountain of youth. Methuselah faces choices of life and death. Forced on the run again, he comforts himself by reliving a happier time, when he and Arrow, his first love, raft across the paleo-lake Makgadikgadi, which rested in those days on the vast Kalahari. In their age-old journey, the cavemen lovers find a place to call home and learn what it means to belong. While Arrow's enlightened sensibilities get the two of them in trouble and challenge Methuselah's judgment, their adventures in an untamed world bring them together. When Methuselah's enduring youth reveals itself through the passing seasons, he and Arrow bravely face a dire reality. From the distant past that lives inside Methuselah, Arrow's spirit reaches out, providing guidance for our threatened times. He gives Methuselah the strength to do the right thing and the courage to live his true self in the modern world. Arrow's memory opens Methuselah's heart and renews for him a hope of redemption in the arms of a caring man today. If only Methuselah permits himself to love once more.

Me and a Guy Named Elvis Jerry Schilling 2007-07-19 On a lazy Sunday in 1954, twelve-year-old Jerry Schilling wandered into a Memphis touch football game, only to discover that his team was quarterbacked by a nineteen-year-old Elvis Presley, the local teenager whose first record, "That's All Right," had just debuted on Memphis radio. The two became fast friends, even as Elvis turned into the world's biggest star. In 1964, Elvis invited Jerry to work for him as part of his "Memphis Mafia," and Jerry soon found himself living with Elvis full-time in a Bel Air mansion and, later, in his own room at Graceland. Over the next thirteen years Jerry would work for Elvis in various capacities — from bodyguard to photo double to co-executive producer on a karate film. But more than anything else he was Elvis's close friend and confidant: Elvis trusted Jerry with protecting his life when he received death threats, he asked Jerry to drive him and Priscilla to the hospital the day Lisa Marie was born and to accompany him during the famous "lost weekend" when he traveled to meet President Nixon at the White House. Me and a Guy Named Elvis looks at Presley from a friend's perspective, offering readers the man rather than the icon — including insights into the creative frustrations that lead to Elvis's abuse of prescription medicine and his tragic death. Jerry offers never-before-told stories about life inside Elvis's inner circle and an emotional recounting of the great times, hard times, and unique times he and Elvis shared. These vivid memories will be priceless to Elvis's millions of fans, and the compelling story will fascinate an even wider audience.

*Breaking Dawn* Stephenie Meyer 2008-08-02 In the explosive finale to the epic romantic saga, Bella has one final choice to make. Should she stay mortal and strengthen her connection to the werewolves, or leave it all behind to become a vampire? When you loved the one who was killing you, it left you no options. How could you run, how could you fight, when doing so would hurt that beloved one? If your life was all you had to give, how could you not give it? If it was someone you truly loved? To be irrevocably in love with a vampire is both fantasy and nightmare woven into a dangerously heightened reality for Bella Swan. Pulled in one direction by her intense passion for Edward Cullen, and in another by her profound connection to werewolf Jacob Black, a tumultuous year of temptation, loss, and strife have led her to the ultimate turning point. Her imminent choice to either join the dark but seductive world of immortals or to pursue a fully human life has become the thread from which the fates of two tribes hangs. This astonishing, breathlessly anticipated conclusion to the Twilight Saga illuminates the secrets and mysteries of this spellbinding romantic epic. It's here! #1 bestselling author Stephenie Meyer makes a triumphant return to the world of Twilight with the highly anticipated companion, *Midnight Sun*: the iconic love story of Bella and Edward told from the vampire's point of view. "People do not want to just read Meyer's books; they want to climb inside them and live there." -- Time "A literary phenomenon." -- The New York Times

Hleo Rebecca Weller 2016-01-01 Our choices seal our fate. Hannah Reed is about to learn just how important one little decision can be. Hannah's plans for a nice, quiet senior year of high school are rapidly disintegrating. It all starts when she innocently bursts in on Ethan Flynn in the change room of the clothing store where she works. Ethan's presence in Hannah's world is subtle but constant, and

when he saves her life, they become linked by the workings of an ancient society and Ethan's sworn duty to protect Hannah. Working together to figure out what destiny wants with Hannah, the two of them stumble on a baffling mystery that leaves even Ethan questioning what is in store for her future. With Ethan's help, Hannah learns there is far more to this life, to her life, than she ever realized. As they attempt to untangle Hannah's unique past and emerging abilities, an unknown danger from Ethan's past looms ever closer. While racing to put together the pieces of the puzzle before it's too late, Hannah wrestles with the idea that she is anything but average, and that perhaps she is also more to Ethan than just a job. Hleo is the first book in the series with the same name. A story of destiny and how one decision can change everything. When you buy a copy of Hleo, your one decision also has the ability to change the lives of others across the globe. \$3.00CAD from every copy of Hleo purchased goes towards the amazing efforts of the Because I am a Girl Education initiative. Fighting to bring literacy and safe learning resources to girls living in some of the poorest nations in this world.
