*No Other Name* Robert Beatty 2020-11-08 Samuel Martin is not afflicted with the wanderlust that teenage boys growing into young men in isolated areas in isolated times so often are. Samuel has no desire to break out of the isolation of the remote rural farm town he was born into and see the world. He wants nothing more than to be the third generation patriarch on the farm of his ancestors, living on the land he loves in company with the family he loves. He is just facing the problem of finding the one girl he wants to share his love and life with. He thinks he has found that girl in the form of the beautiful, enigmatic young prostitute girl who hides her early life and hides herself behind the flowery contrived name of Clarinda. The girl shares her body with him but never shares her real name. Neither does she share the love she is incapable of returning. Samuel loves the girl recklessly and beyond the point of caution. In the process he learns that loving recklessly and beyond caution can invert and disrupt your life the way following any passion recklessly can. He also learns that life is what happens to you when you had other plans.

Strangers Like Angels Alec Forman 2014-05-28 Strangers Like Angels chronicles the journeys of Alec and Jan Forman to far and distant lands as they embrace their pioneering spirit. Following adventures in Canada, Antarctica and the Sultanate of Oman they set off on the original gap year in the seventies.

Travelling in their Land Rover, they use only a map and compass to navigate through the Sahara Desert and tropical rainforests in Africa, back to Europe and out to Asia via the Hindu Kush, and on to the Himalayas. They grapple with the realities of poverty and yet experience surprising hospitality and welcome from unlikely sources. In the confined space of their vehicle, Alec and Jan learn what it takes to support and sustain themselves and their relationship on an exciting and often harrowing journey. Exchange of news through airmail letters to and from England keeps them in touch with family matters. Beautiful photographs and illustrations with maps complement the text, taking the reader along on the journey with Alec and Jan. A light, entertaining read of a true story of adventures, travel and divine encounter, blended with winsome tales to delight the heart, *Strangers Like Angels* will appeal to fans of memoirs and travel books.
