Numerical Modelling and Design of Electrical Machines and Devices Kay Hameyer 1999-05-21 This text provides an overview of numerical field computational methods and, in particular, of the finite element method (FEM) in magnetics. Detailed attention is paid to the practical use of the FEM in designing electromagnetic devices such as motors, transformers and actuators. Based on the authors' extensive experience of teaching numerical techniques to students and design engineers, the book is ideal for use as a text at undergraduate and graduate level, or as a primer for practising engineers who wish to learn the fundamentals and immediately apply these to actual design problems. Contents: Introduction; Computer Aided Design in Magnetics; Electromagnetic Fields; Potentials and Formulations; Field Computation and Numerical Techniques; Coupled Field Problems; Numerical Optimisation; Linear System Equation Solvers; Modelling of Electrostatic and Magnetic Devices; Examples of Computed Models.

ACCA Paper P6 Advanced Taxation FA2009 Study Text BPP Learning Media 2009-07-01 The Association of Chartered Certified Accountants (ACCA) is the global body for professional accountants. With over 100 years of providing world-class accounting and finance qualifications, the ACCA has significantly raised its international profile in recent years and now supports a BSc (Hons) in Applied Accounting and an MBA. BPP Learning Media is an ACCA Official Publisher. Paper P6, Advanced Taxation, requires you to extend the core tax knowledge that you learnt for Paper F6. As well as widening your knowledge of the core taxes, you

will need to study inheritance tax, stamp taxes and trusts for the first time. In this paper you will also be expected to comment on ethical issues. In Paper P6 all of the questions set will be scenario type questions as opposed to the purely computational questions that you met at Paper F6. The emphasis of the questions will be on the interpretation of a given situation. You may need to propose alternative strategies and compare and contrast the results. Marks will be specifically awarded in the examination for the demonstration of effective communication skills. You will also need to demonstrate that you are aware that there may be non-tax matters that should be taken into account. Our P6 FA2009 study text has been approved by the examiner. It covers the entire syllabus at just the right level. There is a chapter towards the end of the text devoted to tax planning and ethics. This chapter helps you to bridge the gap between acquiring the knowledge that you must have at this level and starting to apply that knowledge to the type of questions that you will meet. The question and answer bank will also be vital in helping you develop your application skills. The questions are at a level designed to aid your transition towards the examination standard questions that you will find in BPP Learning Media's Practice and Revision kit. The pilot paper that was issued for Paper P6 is included at the back of the text so that you can see the standard and type of questions you will meet in the examination. BPP Learning Media is the publisher of choice for many ACCA students and tuition providers worldwide. Join them and plug into a world of expertise in ACCA exams.

Judicial Review Handbook Michael Fordham 1994 This reference work provides the reader with an up-to-date and extensive overview of the vast amount of primary law relating to judicial review. This important area of law concerns the High Court's function as a watchdog over the decision-making process of public bodies in England and Wales, for example government agencies and public authorities. The handbook is structured around 50 principles which are, in turn, supported and expanded by commentary, cases and supplementary material.

Homegrown Democrat Garrison Keillor 2004-07-15 In this thoughtful, deeply personal work, one of the nation's best-loved voices takes the plunge into politics and comes up with a book that has had all of America talking. Here, with great heart, supple wit, and a dash of anger, Garrison Keillor describes the simple democratic values-the Golden Rule, the obligation to defend the weak against the powerful, and others- that define his hard-working Midwestern neighbors and that today's Republicans seem determined to subvert. A reminiscence, a political tract, and a humorous meditation, Homegrown Democrat is an entertaining, refreshing addition to today's rancorous political debate. * A New York Times bestseller * Updated and revised with a new introduction for the 2006 midterm elections * A Featured Alternate Selection of the Book-of-the-Month Club
