Quran Talal Itani 2014-08-17 Perhaps the best Quran English translation. It is clear, easy to read, and very faithful to the Arabic original. It closely follows the Arabic text, and often reminds the reader of the Arabic original. It uses today's English language, and today's English vocabulary, thus it is easy to read and understand. The flow is smooth, the sentence structure is simple, the meaning is clear. This Quran translation has no interpretations, no footnotes, and no explanations. It is a pure translation of the Quran, from Arabic to English, and it does not try to emphasize any school of thought. The text purely and accurately translates the Holy Quran, from Arabic, into contemporary English. It was translated by a Muslim, who saw firsthand the miracles inside the Quran. His native language is Arabic; his everyday language is American English. For 15 years, he studied the Quran. For many years, he translated speech between his mother and his wife. For a living, he develops quality software. This Quran translation is available in two editions. This edition (A) uses the word "Allah" to refer to the Creator. Edition (B) uses the word "God". Quran Sura 91. The Sun. ash-Shams. In the name of Allah, the Gracious, the Merciful. 1. By the sun and its radiance. 2. And the moon as it follows it. 3. And the day as it reveals it. 4. And the night as it conceals it. 5. And the sky and He who built it. 6. And the earth and He who spread it. 7. And the soul and He who proportioned it. 8. And inspired it with its wickedness and its righteousness. 9. Successful is he who purifies it. 10. Failing is he who corrupts it. 11. Thamood denied in its pride. 12. When it followed its most wicked. 13. The messenger of Allah said to them, "This is the she-camel of Allah, so let her drink." 14. But they called him a liar, and hamstrung her. So their Lord crushed them for their sin, and leveled it. 15. And He does not fear its sequel. The Quran is the last Book from the Creator. It contains guidance, mercy, and healing. The Quran is a blessing, within reach.

Life of St. Anthony of Egypt St Athanasius of Alexandria 2018-08-27 The biographic text of St. Anthony is presented complete in this edition for the reader's absorption and contemplation. First published in the 4th century A.D., Anthony the Great's biography was authored by Christian Saint Athanasius of Alexandria. Since its release, the book has helped spread the beliefs, practices and arduous faith of Anthony the Great. A significant progenitor of the monastic tradition, Saint Anthony lived an ascetic lifestyle in the arid lands of Egypt. Although not the earliest of religious figures committed to this tradition, through actions and preaching Anthony helped popularise and spread principles that would contribute heavily to the establishment of Christian monasteries in Europe and beyond. One event in St. Anthony's life was his encounter with the supernatural in the remote Egyptian desert. This occurrence, where the otherworldly presence tried to tempt him from his spartan philosophy of living, is much recreated in Western art and literature.
