Poker Satellite Strategy Dara O'Kearney 2019-02-27 The best way for small stakes poker players to earn life-changing amounts of money is to win a satellite into a bigger tournament. Yet there is surprisingly little poker theory written about how to win satellite tournaments, until now. In *Poker Satellite Strategy* professional poker player Dara O'Kearney gives you a framework for how to approach every stage of a satellite tournament, from the early levels right up to the bubble. This book takes the stress and uncertainty out of satellites. You will learn: *Adjustments you need to make from regular poker tournament strategy *What hands to shove, call and fold on the bubble *When to tighten up and when to keep accumulating chips *Easy poker math to do at the tables *The correct poker GTO ranges (and how to adjust to to different player types and situations) *When it's correct to fold Pocket Aces preflop Dara O'Kearney is a professional poker player from Ireland with a long standing reputation as the best satellite specialist in the game. He has won over \$1 million in satellite tournaments alone and twice won the PokerStars UKIPT satellite leaderboard. He is sponsored by Unibet Poker and is the co-host of The Chip Race Podcast. "In the first 30 minutes of reading, I guarantee you will pick up something that will increase your future expectation to cover the cost of the book tenfold" – Marty "TheLipoFund" Mathis, partypoker PPL Satellite Leaderboard winner "A highly recommended book for anyone looking to play satellites well or related formats like Double or Nothing where multiple finishers receive identical top prizes" ~ Collin Moshman – author of Sit N' Go Strategy "Dara has been ahead of the curve on satellites for years and his results show it. This book will change the way you think about, and play, satellites forever."~Daiva Byrne - professional poker player and advocate for women in poker This book uses the most up-to-date poker ICM calculators, however it has been written in a way to make the poker math you need to do at the tables very simple. Every chapter starts from a poker GTOframework but then explains how you should deviate when the players or table dynamics change. It covers every aspect of

satellite play, from the important bubble stage, but even explaining the poker game theory behind late registering, post flop play, poker mindset issues unique to satellites and how to adjust in live poker tournaments. It has everything a texas hold'em player needs to qualify for big poker tournaments like the World Poker Tour, EPT or World Series of Poker.

Reexamining Deconstruction and Determinate Religion J. Aaron Simmons 2012 "Draws on both continental and analytic philosophy to challenge the prominent paradigm of a 'religion without religion' proposed in a deconstructive philosophy of religion; the authors offer instead a philosophical basis for practicing determinate religions that rejects binary options between undecidability and safety, or between skepticism and dogmatism"-Provided by publisher.

Murder in an Irish Churchyard Carlene O'Connor 2018-02-27 After joining the police force of her small Irish village, a local woman must investigate the murder of a stranger in this cozy mystery novel. After solving two murders in the County Cork village of Kilbane, Siobhán O'Sullivan has accepted her calling and decided to join the Garda Síochána. The O'Sullivan clan couldn't be prouder, but there's no time to celebrate as she's already on another case, summoned by the local priest who just found a dead man in the St. Mary's graveyard—aboveground. He's a stranger, but the priest has heard talk of an American tourist in town, searching for his Irish ancestor. As Siobhán begins to dig for a motive among the gnarled roots of the victim's family tree, she will need to stay two steps ahead of the killer or end up with more than one foot in the grave. "Captivating . . . Fans of mysteries with an Irish flavor will look forward to Siobhán and Macdara's further adventures."—Publishers Weekly

Eternal Troubadour Justin Martell 2016-02-09 As Bing Crosby once put it, Tiny Tim represents 'one of the most phenomenal success stories in show business'. In 1968, after years of playing dive bars and lesbian cabarets on the Greenwich Village scene, rubbing shoulders with the likes of Bob Dylan and Lenny Bruce, the forty-something falsetto-voiced, ukulele-playing Tiny Tim landed a recording contract with Sinatra's Reprise label and an appearance on NBC's *Laugh-In*. The resulting album, *God Bless Tiny Tim*, and its single, 'Tip-toe Thru The Tulips With Me', catapulted him to the highest levels of fame. Soon, Tiny was playing to huge audiences in the USA and Europe, while his marriage to the seventeen-year-old 'Miss' Vicki was broadcast on *The*

Tonight Show in front of an audience of fifty million. Before long, however, his star began to fade. Miss Vicki left him, his earnings evaporated, and the mainstream turned its back on him. He would spend the rest of his life trying to revive his career, with many of those attempts taking a turn toward the absurd. But while he is often characterized as an oddball curio, Tiny Tim was a master interpreter and student of early American popular song, and his story is one of Shakespearean tragedy framed around a bizarre yet loveable public persona. Here, drawing on dozens of new interviews, never-before-seen diaries, and years of original research, author Justin Martell brings that story to life with the first serious biography of one of the most fascinating yet misunderstood figures in popular music.

The Heretic Kings Paul Kearney 2013-01-22 A ROYAL REBELLION... When the power-mad Himerius won himself enough support to have foreigners and magicians put to death, Lofantyr, Abeleyn and Mark – three of the five Ramusian Kings – defied the cruel pontiff's purge. Now they must fight to hold their thrones through excommunication, intrigue and civil war. Meanwhile, in the quiet monastery city of Charibon, two humble monks make a discovery that will change the whole world...

The Iron Wars Paul Kearney 2013-01-22 ALL IS CHANGE... Struck down in his moment of victory, Hebrion's young King Abeleyn lies in a coma, his city in ruins and his fiancée and former lover vying for the throne. Corfe Cear-Inaf, now a colonel, is given a ragtag command of ill-equipped savages and sent on a hopeless mission by a jealous King who expects him to fail. Richard Hawkwood and Lord Murad return bearing news of horror on a savage new continent, and they are not alone. Something terrible is lurking in the hold...

Unplugged Brian MacKenzie 2017-07-11 We're looking at our wrists not only to check the time, but also to see how much we've moved, monitor our heart rate, and see how we're stacking up against yesterday's tallies. By 2020, the global market for fitness-focused apps and devices is expected to grow to \$30 billion. The authors believe we are turning rich experience into yet another task we need to complete to meet our daily goals. They encourage you to reconnect to your instincts and the natural world, and avoid the common mistakes that most people make with wearables and tracking apps.

Nice Guys Don't Work in Hollywood Curtis Harrington 2013 *Nice Guys Don't Work in Hollywood* is a fast-paced view of Harrington's journey through the kaleidoscope of the movie business, acting alternatively as personal memoir and cultural history from a veteran of the entertainment business. In addition, Harrington was living as a gay man in Hollywood and the book gives a rare peek into the hidden world of what was then an elite subculture. Starting in 1940s avant-garde heyday, Harrington made several deeply intuitive and evocative films. Against all odds, he then became a Hollywood insider.

FOODHEIM Eric Wareheim 2021-09-21 NEW YORK TIMES BESTSELLER • From one half of the cult comedy duo Tim & Eric comes the culinary bible for modern food freaks, showing you how to throw epic parties, suck the marrow out of life, and cook better than your grandmother. “A book with all the recipes to Wareheim’s insanely delicious secret sauces? And a sneak peek at the man behind the curtain?? I’ll take two please . . . extra crispy!!!”—Jack Black Director and actor Eric Wareheim might be known for his comedy, but

his passion for food and drink is no joke. For the last fifteen years he has been traveling the world in search of the best bites and sips, learning from top chefs and wine professionals along the way. His devotion to beautiful natural wine, the freshest seafood crudos, and perfectly cooked rib-eyes is legit. And now he wants to share with you everything he's learned on this epic food journey. In *Foodheim*, Wareheim takes readers deep into his foodscape with chapters on topics like circle foods (burgers, tacos), grandma foods (pasta, meatballs), and juicy foods (steak, ribs). Alongside recipes for Chicken Parm with Nonna Sauce, Personal Pan Pep Pep, and Crudite Extreme with Dill Dippers, you will discover which eight cocktail recipes you should know by heart, how to saber a bottle of bubbly, and what you need to do to achieve handmade pasta perfection at home. Written with award-winning cookbook editor Emily Timberlake and featuring eye-popping photographs and art chronicling Wareheim's evolution as a drinker, how to baby your pizza dough into pie perfection, and more, *Foodheim* is the ultimate book for anyone who lives to eat. Praise for *Foodheim* "We are all searching for greatness, and Eric is what we are searching for in ourselves. Through his searching we don't need to search: we have found. Eric is my Martha Stewart, my mother. He's the maître d, the Emeril Lagasse, the Andre Agassi, the Dennis Rodman. He's true love and commitment to the craft of the food. He is food."—Matty Matheson "Eric has written an instant classic that will command prime real estate in every young culinary enthusiast's kitchen. People will say about *Foodheim* what past generations have said about *Joy of Cooking*, 'This book taught me how to cook.' If this book existed as a resource for me when I was making my bones, I would surely be more successful today. Hail, *Foodheim*!"—Kris Yenbamroong, chef and owner of NIGHT + MARKET

Brad Pitt's Dog Johan Kugelberg 2012-05-16 The first book of essays by a long-time renowned chronicler of underground culture. Johan Kugelberg's book on the early history of hip hop won the NYPL books for the teen age award 2008 and his book on the Velvet Underground won the Foreword silver medal for music 2010. The way this book mashes up lo-bro and hi-bro is readable, funny and thought-provoking, and also downright provoking. Johan Kugelberg's essays on punk, style and pop culture have entertained readers of international publications including *Dazed and Confused*, *Another Man*, *Ugly Things*, *Perfect Sound Forever*, *Spin*, *Raygun* and *Fact* over the last couple of decades.

Strangler Corey Mitchell 2018-01-30 The story of a musical prodigy turned serial killer—including his shocking confession—is exposed in the L.A. Times bestselling author's true crime classic. To the outside world, Anthony Allen Shore was an average guy: a twice-divorced father who drove a tow truck in suburban Houston. But in his mind he was a superstar. A musical prodigy who never realized his potential, Shore decided to outsmart society by getting away with murder. And he wanted the whole world to know it. After brutally killing a sixteen-year-old girl, he told the local NBC affiliate precisely where to find her body. Eight years passed before DNA evidence caught up with Shore. Subsequent police investigations revealed a violent megalomaniac who had sexually abused his own daughters. He confessed to murdering four females, one only nine years old. And he hinted at many more—leading authorities to suspect he might be the notorious "I-45 Serial Killer." In *Strangler*, bestselling author Corey Mitchell recounts the case from its twisted beginnings to its chilling conclusion.

Chemical Lands David D. Vail 2018 An exploration of the elaborate relationship between farmers, aerial sprayers, agriculturalists, crop pests, chemicals, and the environment. The controversies in the 1960s and 1970s that swirled around indiscriminate use of agricultural chemicals—their long-term ecological harm versus food production benefits—were sparked and clarified by biologist Rachel Carson's *Silent Spring* (1962). This seminal publication challenged long-held assumptions concerning the industrial might of American agriculture while sounding an alarm for the damaging persistence of pesticides, especially chlorinated hydrocarbons such as DDT, in the larger environment. In *Chemical Lands: Pesticides, Aerial Spraying, and Health in North America's Grasslands since 1945* David D. Vail shows, however, that a distinctly regional view of agricultural health evolved. His analysis reveals a particularly strong ethic in the North American grasslands where practitioners sought to understand and deploy insecticides and herbicides by designing local scientific experiments, engineering more precise aircraft sprayers, developing more narrowly specific chemicals, and planting targeted test crops. Their efforts to link the science of toxicology with environmental health reveal how the practitioners of pesticides evaluated potential hazards in the agricultural landscape while recognizing the production benefits of controlled spraying. *Chemical Lands* adds to a growing list of books on toxins in the American landscape. This study provides a unique Grasslands perspective of the Ag pilots, weed scientists, and farmers who struggled to navigate novel technologies for spray planes and in the development of new herbicides/insecticides while striving to manage and mitigate threats to human health and the environment.

Gladiators Vs Zombies Sean-Michael Argo 2016-04-24 Roman gladiators and the ravenous undead clash in this thrilling 'sword & sandal' zombie apocalypse. Lanista Laeca is the master of a gladiator school in Rome that has fallen on hard times. His business of providing skilled fighters for the Coliseum has begun to fail, and he is desperate to find a new spectacle of glory and battle to please the bloodthirsty crowds. He finds his answer in the cannibal corpse creatures brought to him from a distant land by a retired soldier, and soon the gladiators of House Laeca are being pitted against ravenous beasts that once were men. Will sword and shield win victory over tooth and claw?

The Psychic Soviet Ian F. Svenonius 2020-07-07 A reissue of Ian F. Svenonius's cult-classic debut essay collection, including brand-new writing in this expanded edition. "Everything author-slash-punk-icon Ian Svenonius says is interesting, and this book of satirical essays--originally published in 2006, now back in print--proves it...You'll laugh until you cry." --Washington Post "Ian F. Svenonius's *The Psychic Soviet* was first published before the iPhone, before the cronut, and long before our culture thought to ask the Svenonius-like question of whether it was the CIA who actually wrote the Scorpions' 'Wind of Change.' Akashic Books just reissued...this short, offbeat, and very funny collection of essays." --Washingtonian "As entertaining as books come." --Exclusive Magazine "In a sense the book is Mr. Svenonius's love letter to the good old days of do-it-yourself punk concerts, though it's cleverly disguised as a series of Marxian essays." --New York Times "The pocket-sized book--given Svenonius's communism infatuation, the parallel to Mao's *Little Red Book* is no mistake--contains well-thought-out arguments on a variety of subjects, from vampires to the origins of punk rock. It's often funny, but never in a self-consciously ironic way." --Washington Post "Ian Svenonius has come a long way since *Sassy Magazine* first dubbed him the 'Sassiest Boy in America' in 1991. The DC singer has never been anything less than political to the extreme." --Village Voice A new, expanded collection of essays

and articles from one of the mainstays of the Washington, DC, underground rock and roll scene, The Psychic Soviet is Ian F. Svenonius's groundbreaking first book of writings. The selections are written in a lettered yet engaging style, filled with parody and biting humor that subvert capitalist culture, and cover such topics as the ascent of the DJ as a star, the "cosmic depression" that followed the defeat of the USSR, how Seinfeld caused the bankruptcy of modern pop culture, and the status of rock and roll as a religion. The pocket-sized book is bound with a durable bright-pink plastic cover, recalling the aesthetics of Mao's Little Red Book, and perfect for carrying into the fray of street battle, classroom, or lunch-counter argument.

Writing Fantasy Heroes Alex Bledsoe 2013 Fantasy heroes endure. They are embedded in our cultural fabric, dwarfing other literary figures and the mere men and women of history. Achilles and Odysseus, Gilgamesh and Beowulf. King Arthur and Robin Hood, Macbeth and Sherlock Holmes, Conan and Luke Skywalker. They dominate our legends, and tower over popular culture. The stories we tell each other begin and end with fantasy heroes, and the 21st Century is as thoroughly captivated with them as ever. From Batman to Gandalf, Harry Potter to Tyrion Lannister, the heroes of fantasy speak to-and-for-whole generations. But what makes a fantasy hero? How do the best writers create them, and bring them to life on the page? In **WRITING FANTASY HEROES** some of the most successful fantasy writers of our time--Steven Erikson, C.L. Werner, Brandon Sanderson, Janet & Chris Morris, Cecelia Holland, Alex Bledsoe, Jennifer Brozek, Ian C. Esslemont, Orson Scott Card, Ari Marmell, Cat Rambo, Howard Andrew Jones, Paul Kearney and Glen Cook--pull back the curtain to reveal the secrets of creating heroes that live and breathe, and steal readers' hearts. Whether you're an aspiring writer or simply a reader who loves great fantasy and strong characters, this book is for you.

The Wolf in the Attic Paul Kearney 2016-05-05 1920s OXFORD: HOME TO C.S. LEWIS, J.R.R. TOLKIEN... AND ANNA FRANCIS, A YOUNG GREEK REFUGEE LOOKING TO ESCAPE THE GRIM REALITY OF HER NEW LIFE. THE NIGHT THEY CROSS PATHS, NONE SUSPECT THE FANTASTIC WORLD AT WORK AROUND THEM. Anna Francis lives in a tall old house with her father and her doll Penelope. She is a refugee, a piece of flotsam washed up in England by the tides of the Great War and the chaos that trailed in its wake. Once upon a time, she had a mother and a brother, and they all lived together in the most beautiful city in the world, by the shores of Homer's wine-dark sea. But that is all gone now, and only to her doll does she ever speak of it, because her father cannot bear to hear. She sits in the shadows of the tall house and watches the rain on the windows, creating worlds for herself to fill out the loneliness. The house becomes her own little kingdom, an island full of dreams and half-forgotten memories. And then one winter day, she finds an interloper in the topmost, dustiest attic of the house. A boy named Luca with yellow eyes, who is as alone in the world as she is. That day, she'll lose everything in her life, and find the only real friend she may ever know.

How I Went to the Oscars Without A Ticket Dee Thompson 2009-04-01 A true story that is about faith and believing in whatever it is that you believe in. A phenomenal story about God and his power. A trip to the 69th Academy Awards (Oscars) and Governor's Ball is granted to a gentleman that prays and asks God to grant his wish to attend the event. God grants his wish. Travel with this ticket-less faith believer as this miracle takes place in a cinderella-like series of events.

Where the Dead Sit Talking Brandon Hobson 2018 With his single mother in jail, Sequoyah, a 15-year-old Cherokee boy, is placed in foster care with the Troutt family. Literally and figuratively scarred by his unstable upbringing, Sequoyah has spent years mostly keeping to himself, living with his emotions pressed deep below the surface - that is, until he meets 17-year-old Rosemary, another youth staying with the Troutts. Sequoyah and Rosemary bond over their shared Native American background and tumultuous paths through the foster care system, but as Sequoyah's feelings towards Rosemary deepen, the precariousness of their lives and the scars of their pasts threaten to undo them both.

Mystic Warrior Tracy Hickman 2004-04-20 An expansive new saga chronicling the world-altering changes that take place as three connected universes - the Human world, the Goblin world, and the Faery world - are slowly drawn together. In Book 1, young Galen Arvad, a human with magical powers, must avoid the ritual that puts those with such talents to death. It seems that in the eyes of the community magic is a sign of lunacy, and in a yearly ritual the local "crazies" are offered up to the Dragon Priests. Having successfully dodged the "elections" for many years, Galen is suddenly captured and hauled away with others that are deemed "insane." Now as Galen's wife, Berkita, and his friend, Cephas the dwarf, set off to rescue him, Galen learns of the fate that awaits him... a fate far worse than even his own death.

The Intuitive Warrior Michael Jaco 2010 From conflicts in Panama to the war in Iraq, Navy SEAL Michael Jaco has employed his powers of perception and awareness to save his life and the lives of his fellow SEALs. In *The Intuitive Warrior*, Jaco recounts the mentally and physically demanding training required of members of one of the most elite Special Forces units and how the intuition developed during that training can be learned and applied by anyone. Using real-life examples, Jaco explains how he tapped into his intuitive capabilities to predict attacks and protect his fellow soldiers. *The Intuitive Warrior* will teach you how employing the methods perfected by a genuine military hero can act as a catalyst toward developing a richer, more fulfilled life.

Giraffes on Horseback Salad Josh Frank 2019-03-19 This lushly illustrated graphic novel re-creates a lost Marx Brothers script written by modern art icon Salvador Dali. Grab some popcorn and take a seat...The curtain is about to rise on a film like no other! But first, the real-life backstory: Giraffes on Horseback Salad was a Marx Brothers film written by modern art icon Salvador Dali, who'd befriended Harpo. Rejected by MGM, the script was thought lost forever. Author and lost-film buff Josh Frank unearthed the original script, and Dali's notes and sketches for the project, tucked away in museum archives. With comedian Tim Heidecker and Spanish comics creator Manuela Pertega, he's re-created the film as a graphic novel in all its gorgeous full-color, cinematic, surreal glory. In the story, a businessman named Jimmy (played by Harpo) is drawn to the mysterious Surrealist Woman, whose very presence changes humdrum reality into Dali-esque fantasy. With the help of Groucho and Chico, Jimmy seeks to join her fantastical world—but forces of normalcy threaten to end their romance. Includes new Marx Brothers songs and antics, plus the real-world story behind the historic collaboration.

Warm Voices Rearranged Brandan Kearney 2002 The album titles of more than 300 musical acts are turned on their heads—and their backs and their sides—when the anagram process is applied and collected in this encyclopedia. The entries take the titles of these classic pop and rock albums and employs the anagram form, resulting in new phrases which are both eerily accurate and disturbingly prophetic. Equally mindful of tradition and experience in the anagram-making, the hilarious and surprising, if somewhat harsh, truths about the albums will appeal to music lovers and word game aficionados alike.

Parenting Matters National Academies of Sciences, Engineering, and Medicine 2016-11-21 Decades of research have demonstrated that the parent-child dyad and the environment of the family—which includes all primary caregivers—are at the foundation of children's well-being and healthy development. From birth, children are learning and rely on parents and the other caregivers in their lives to protect and care for them. The impact of parents may never be greater than during the earliest years of life, when a child's brain is rapidly developing and when nearly all of her or his experiences are created and shaped by parents and the family environment. Parents help children build and refine their knowledge and skills, charting a trajectory for their health and well-being during childhood and beyond. The experience of parenting also impacts parents themselves. For instance, parenting can enrich and give focus to parents' lives; generate stress or calm; and create any number of emotions, including feelings of happiness, sadness, fulfillment, and anger. Parenting of young children today takes place in the context of significant ongoing developments. These include: a rapidly

growing body of science on early childhood, increases in funding for programs and services for families, changing demographics of the U.S. population, and greater diversity of family structure. Additionally, parenting is increasingly being shaped by technology and increased access to information about parenting. Parenting Matters identifies parenting knowledge, attitudes, and practices associated with positive developmental outcomes in children ages 0-8; universal/preventive and targeted strategies used in a variety of settings that have been effective with parents of young children and that support the identified knowledge, attitudes, and practices; and barriers to and facilitators for parents' use of practices that lead to healthy child outcomes as well as their participation in effective programs and services. This report makes recommendations directed at an array of stakeholders, for promoting the wide-scale adoption of effective programs and services for parents and on areas that warrant further research to inform policy and practice. It is meant to serve as a roadmap for the future of parenting policy, research, and practice in the United States.

A Course Called Scotland Tom Coyne 2019-06-04 NEW YORK TIMES BESTSELLER * “One of the best golf books this century.” —Golf Digest Tom Coyne’s A Course Called Scotland is a heartfelt and humorous celebration of his quest to play golf on every links course in Scotland, the birthplace of the game he loves. For much of his adult life, bestselling author Tom Coyne has been chasing a golf ball around the globe. When he

was in college, studying abroad in London, he entered the lottery for a prized tee time in Scotland, grabbing his clubs and jumping the train to St. Andrews as his friends partied in Amsterdam; later, he golfed the entirety of Ireland's coastline, chased pros through the mini-tours, and attended grueling Qualifying Schools in Australia, Canada, and Latin America. Yet, as he watched the greats compete, he felt something was missing. Then one day a friend suggested he attempt to play every links course in Scotland and qualify for the greatest championship in golf. The result is *A Course Called Scotland*, "a fast-moving, insightful, often funny travelogue encompassing the width of much of the British Isles" (*GolfWeek*), including St. Andrews, Turnberry, Dornoch, Prestwick, Troon, and Carnoustie. With his signature blend of storytelling, humor, history, and insight, Coyne weaves together his "witty and charming" (*Publishers Weekly*) journey to more than 100 legendary courses in Scotland with compelling threads of golf history and insights into the contemporary home of golf. As he journeys Scotland in search of the game's secrets, he discovers new and old friends, rediscovers the peace and power of the sport, and, most importantly, reaffirms the ultimate connection between the game and the soul. It is "a must-read" (*Golf Advisor*) rollicking love letter to Scotland and golf as no one has attempted it before.

Lipstick And Blood John Kearney 2012-03-01 4-Sided Love Triangle Michelle Hetzel, Keary Renner, and Devon Guzman were three high school girls who shared a secret: their lesbian desires. After high school, Michelle married Brandon Bloss, 25, while Keary and Devon lived together. Michelle used her husband's credit card to finance a trip for herself and Devon to the island of St. Croix, where they were secretly wed. Back home in Easton, Pennsylvania, on a night in June 2000, Devon broke up with Michelle, and a series of violent quarrels ensued among the foursome. The next day, Devon was found dead in her car. *Geometry Of Murder* Devon's death was murder made to look like suicide. Her throat had been cut clear through to the spine. Who was the killer? Keary Renner had been physically abusive to Devon in their relationship. Michelle was furious at being rejected by Devon. And Brandon Bloss wanted his wife to stay faithful to him. Forensic evidence indicated that Brandon and Michelle were the culprits. A jury agreed, sentencing them both to life prison terms. Here is a searing true account of secret lives, lethal passions--and savage murder. Includes 16 pages of shocking photos. John Kearney has been an award-winning newspaper and science writer for fifteen years and served for three years as a writer and editor for *Diagnostics Intelligence*, a scientific publication on blood and DNA testing. He lives in New Jersey.

Enjoy the Experience Johan Kugelberg 2013-06-30 "Enjoy The Experience is the largest collection of American private press vinyl ever amassed and presented, featuring over one thousand cover reproductions from 1958-1992 ... The subjects of *Enjoy The Experience* range from Lesbian Folk singers to Psychedelic Disco bands; Awkward Teen Pop combos to Pizza Parlor Organists; Religious Cult Leaders to Swank Sinatra Imitators. But this is not a novelty freak show: also profiled and discussed are some of the most highly regarded rock, soul, jazz, funk and singer/songwriter albums from the latter half of the twentieth century. From the awkward-yet-talented to the genius-yet-bizarre, one thing unites all musicians presented here: they sincerely hoped to become stars, they committed themselves to record, and they left themselves vulnerable to an industry not understanding of nuance, not appreciative of character"--Publisher's website.
