Little Women Louisa May Alcott 2019-11-18 Louisa May Alcott was an American novelist best known as author of the novel *Little Women*, *Good Wives* and the sequels *Little Men* and *Jo's Boys*. The first part of the series – "*Little Women*" is a semi-autobiographical account of Louisa May Alcott's childhood with her sisters in Concord, Massachusetts. The novel tells the story of four teenaged sisters and their mother, Marmee. The family lives in a new neighborhood in Massachusetts in genteel poverty. Having lost all his money, their father is acting as a pastor, miles from home, involved in the American Civil War. The women face their first Christmas without him. Meg and Jo March, the elder two, have to work in order to support the family: Meg teaches a nearby family of four children; Jo assists her aged great-aunt March, a wealthy widow living in a mansion, Plumfield. Beth, too timid for school, is content to stay at home and help with housework; Amy is still at school. Meg is beautiful and traditional, Jo is a tomboy who writes; Beth is a peacemaker and a pianist; Amy is an artist who longs for elegance and fine society. Jo is impulsive and quick to anger. One of her challenges is trying to control her anger, a challenge that her mother experiences... Part two also known as "*Good Wives*", followed the March sisters into adulthood and their respective marriages. "*Little Men*" detailed Jo's life at the Plumfield School that she founded with her husband Professor Bhaer at the conclusion of Part Two of *Little Women*. And "*Jo's Boys*" completed the "*March Family Saga*". Alcott made women's rights integral to her stories, and her fiction became her "most important feminist contribution" – even considering all the efforts Alcott made to help facilitate women's rights during her lifetime.

Little Men Louisa May Alcott 2022-05-17 Little Men recounts six months in the life of the students at Plumfield, a school run by Professor Friedrich and Mrs. Josephine Bhaer. The story begins with the arrival of Nat Blake, a shy young orphan who used to earn a living playing the violin. We are introduced to the majority of the characters through his eyes. Personal relationships are central to the school, and diversity is celebrated. *Jo's Boys, and How They Turned Out* is a sequel to "Little Men". In it, Jo's "children," now grown, are caught up in real world troubles. The book mostly follows the lives of Plumfield boys who were introduced in Little Men, particularly Tommy, Emil, Demi, Nat, Dan, and Professor Bhaer and Jo's sons Rob and Teddy, although the others make frequent appearances as well. The book takes place ten years after Little Men. Dolly and George are college students dealing with the temptations of snobbery, arrogance, self-indulgence and vanity. *Louisa May Alcott (1832-1888)* was an American novelist and poet best known as the author of the novel Little Women (1868) and its sequels

Little Men (1871) and Jo's Boys (1886). Henry James called her "The novelist of children... the Thackeray, the Trollope, of the nursery and the schoolroom."_x000D_

Bravo Miss Brown! : a World Without Sight and Sound Joan Mactavish 2001 Biography of Mae Brown (1935-1973), who was the first deaf-blind person to graduate from a Canadian university, and was a counsellor at the Canadian National Institute for the Blind. Her college tutor chronicles Brown's family, education, social and professional life, and triumphs and disappointments.

Undercover With the Enemy Sharron McClellan 2015-08-17 When opposites ignite... High-risk securities operative Holly Milano usually prefers to work alone. Having a partner is, well, annoying. Case in point-her current assignment with Kane MacMillan. They're working undercover in high society to retrieve a priceless diamond necklace. And Mr. Plan Everything is seriously cramping Holly's fly-by-the-seat-of-her-sexy-pants style. Kane takes his job seriously, and he knows from experience that working with Holly usually ends in disaster. Their conflicting approaches could destroy their cover-or worse, get them killed. But when they're forced to pose as an engaged couple, neither Holly nor Kane are prepared for the possibility of an unexpected attraction...or that they're now putting their lives and their hearts on the line.

Outfox Sandra Brown 2019-08-06 From the #1 NYT bestselling author: After a thirty-year search for a serial killer, FBI agent Drex Easton becomes a suspect's next-door neighbor -- but can he navigate a shocking series of twists and turns to track down the truth? FBI agent Drex Easton is relentlessly driven by a single goal: to outmaneuver the conman once known as Weston Graham. Over the past thirty years, Weston has assumed many names and countless disguises, enabling him to lure eight wealthy women out of their fortunes before they disappeared without a trace, their families left without answers and the authorities without clues. The only common trait among the victims: a new man in their life who also vanished, leaving behind no evidence of his existence . . . except for one signature custom. Drex is convinced that these women have been murdered, and that the man he knows as Weston Graham is the sociopath responsible. But each time Drex gets close to catching him, Weston trades one persona for another and disappears again. Now, for the first time in their long game of cat and mouse, Drex has a

suspect in sight. Attractive and charming, Jasper Ford is recently married to a successful businesswoman many years his junior, Talia Shafer. Drex insinuates himself into their lives, posing as a new neighbor and setting up surveillance on their house. The closer he gets to the couple, the more convinced he becomes that Jasper is the clever, merciless predator he's sought--and that his own attraction to Talia threatens to compromise his purpose and integrity. This is Drex's one chance to outfox his cunning nemesis before he murders again and eludes justice forever. But first he must determine if the desirable Talia is a heartless accomplice . . . or the next victim.

Jo's Boys And How They Turned Out Louisa May Alcott 2020-11-09 It was simply impossible to hide any longer the melancholy fact that Miss Alcott's ' Little Men ' were growing up; they have refused to remain the charming boys they were when we read about them in said book. Like other boys of the same generation, they were fast becoming men, and we shall soon lose sight of them in the crowded ranks of mature life. It is very pleasant, therefore, to have another glimpse of them in 'Jo's Boys and How They Turned Out.' Of course everybody who knew 'Little Men' felt that with such a training and such surroundings they could not but turn out well, but everybody will rejoice to read the record of their growth and progress toward manhood. Their later story will be read by the same readers who were fascinated by the earlier record of their mingled sobriety and mischief, for the very good reason that these readers have grown up with the boys themselves. Miss Alcott has not lost her skill, and she makes her older boys quite as interesting and charming as the younger boys were. Altogether, her last volume, like its predecessors, is pre-eminently natural, healthful, and fascinating. It is one of the books for young people that long remained current at the book-stores.
