*The Hunted* L. A. Banks 2004-06-19 A Neteru---a hunter or a huntress---is born every thousand years in favor of the Warriors of Light as they fight against the Dark Realms. But Damali Richards is the Millennium Neteru. The one who will play a pivotal role in the Final War. The Warriors of Light had been waiting for her and the Dark Realms will do anything to either possess or destroy her. What they did not account for was the man who would love her. Damali Richard has been to hell and back---literally---and she is not eager to repeat the trip. A Vampire civil war has been averted, but there were casualties and she believes that Carlos Rivera, former lover turned master vampire, is one of them. His death has not only shaken her emotions, but weakened her powers as well. But then Damali gets word that horrific killings are taking place in Brazil. The vampire civil war has left a small door to hell open and new and dangerous foes have risen from the Dark Realms. The leader, a deadly female, is set on a path of destruction. However, her blood lust hides a nefarious plan and the newly resurrected Carlos Rivera is at the heart of it. But Damali is not about to lose her man a second time, so she plans to send this old girl right back to hell she came from---no matter who stands in her way.

*Freenet* Steve Stanton 1-04-16 A nuanced story about artificial intelligence and digital immortality, Freenet plunges readers into the far future, when humans have closed distances in time and space through wormhole tunnels between interplanetary colonies. Consciousness has been digitized and cybersouls uploaded to a near-omniscient data matrix in a world where information is currency and the truth belongs to whoever has the most bandwidth. When Simara Ying crash-lands on the desert planet Bali, she finds herself trapped in a primitive cave-dwelling culture with no social network for support. Her native rescuer, Zen Valda, is yanked into a new universe of complications he can scarcely grasp and into an infinite network of data he never knew existed. When brash V-net anchorman Roni Hendrik starts investigating how Simara became the subject of an interplanetary manhunt, he finds a dangerous emergence in the network that threatens all human life. Freenet is an exciting new novel about the power of information, as well as the strength of love, in a post-digital age.

**Lakota Woman** Richard Erdoes 2014-11-18 The bestselling memoir of a Native American woman's struggles and the life she found in activism: "courageous, impassioned, poetic and inspirational" (Publishers Weekly). Mary Brave Bird grew up on the Rosebud Indian Reservation in South Dakota in a one-room cabin without running water or electricity. With her white father gone, she was left to endure "half-breed" status amid the violence, machismo, and aimless drinking of life on the reservation. Rebelling against all this—as well as a punishing Catholic missionary school—she became a teenage runaway. Mary was eighteen and pregnant when the rebellion at Wounded Knee happened in 1973. Inspired to take action, she joined the American Indian Movement to fight for the rights of her people. Later, she married Leonard Crow Dog, the AIM's chief medicine man, who revived the sacred but outlawed Ghost Dance. Originally published in 1990, *Lakota Woman* was a national bestseller and winner of the American Book Award. It is a story of determination against all odds, of the cruelties perpetuated against American Indians, and of the Native American struggle for rights. Working with Richard Erdoes, one of the twentieth century's leading writers on Native American affairs, Brave Bird recounts her difficult upbringing and the path of her fascinating life.

Johnstone 2010-04-19 The Loner strides sets out for another bloody showdown with the outlaws responsible for his wife's violent and senseless murder--and discovers his true enemy was far closer than he thought. . . Hell Hath No Fury. . . After Conrad Browning, known as The Loner, takes down the men who killed his beloved wife, he hightails it to New Mexico to visit her grave. There, he gets the surprise of his life: His ex-fiancée, Pamela Tarleton, backed up by a vicious gang of gunmen. Turns out the beautiful Miss Tarleton has a long memory--and she's never forgiven Conrad for breaking their engagement and marrying another. On top of that, she blames Conrad for her father's death. With a band of kill-crazy outlaws backing Pamela's play, the only way out for The Loner to survive the coming hell storm is by the gun.

**Hell for Breakfast** William W. Johnstone 2021-10-26 Johnstone Country. Be Quick or Be Dead. In a twist of fate, Slash and Pecos are riding hard for the law, dispensing justice as they see fit, and determined to watch their final sunset as heroes . . . not outlaws. His wicked ways mostly behind him, reformed bank robber Jimmy "Slash" Braddock is getting hitched to his sweetheart. But before the honeymoon, Chief U.S. Marshal Luther T. "Bleed-'Em-So" Bledsoe needs Slash and his former partner-in-crime, Melvin "Pecos Kid" Baker, to don a couple of deputy marshal badges and saddle up for a trip to Nebraska. Seems the town of Harveyville has fallen prey to a trio of murderous badmen blasting away up and down Main Street, and the local law needs some assistance from men who know how to handle a gun. But Slash and Pecos killed the wrong man. Worse, the town marshal tells them that the outlaws rode on and he doesn't need their help after all. But now Slash and Pecos are wanted men. Tom Gyllenwater's son is dead. He won't rest until Slash and Pecos are permanently relocated to Boot Hill. And as the duo are targeted by every gun-crazy desperado in the territory, Slash and Pecos discover they'll find no help from anyone in Harveyville, a town of ruthless and corrupt folks willing to kill to protect their secrets . . . Live Free. Read Hard.

**Hightower II** DF Sparks 2017-12-20 Elizabeth Carter had taken up where her son had left off; she had formed her own gang of bank robbers and killers. And along with her two stepsons, Randall and Micah Kershaw, she has brought down a reign of terror from Baton Rouge, Louisiana, to Brownsville, Texas. And at every bank robbery or every murder, she left this message: Tell Hightower his days are numbered! It has been known for a long time that Elizabeth and her gang of cutthroats have been hiding out in the most inaccessible part of the bayou, which was a section that covered both the southwest section of Louisiana and the southeast section of Texas. She had sworn to rain hell down on anyone who had anything to do with the hanging of her son, especially Edward Hightower. She had sworn to wipe out his entire family and to hang him with the same rope that hung her son. By threatening the life of a federal judge and his family, she had inadvertently provided Hightower's family with security because Judge Tatum ordered a troop of cavalry to erect a post on the Hightower property, not only to protect his family but to also ensure that the Indians who had moved on to a small reservation just south of the ranch were not harassed or bothered in any way. General Whitehead had pulled some strings in the newly formed federal government and had gotten Hightower the authority he needed to go after Elizabeth Carter and her gang by having Hightower issued a deputy United States

**Critical Inquiries** Jacqueline Jones Royster 2002-12 Critical Inquiries intends to spark discussion and response with seven focused explorations of cultural themes that provide contexts and occasions for college writers to develop a stance and voice. Edited by noted composition scholar Jacqueline Jones Royster, Critical Inquiries, unlike many readers, does not attempt to present a "balanced perspective." Instead, each of the seven major topics—identity, home, nation, immigration, education, health, and technology—is framed by a sequence of readings that disrupt and unsettle conventional thinking. Students are challenged to move beyond simplistic pro-con argumentation to explore connections between personal and public life in their own essays and responses. Readings in Critical Inquiries include historical as well as contemporary voices, going beyond traditional essays to include poems, letters, position and policy statements, and literary nonfiction. This multi-genre approach brings issues of language awareness and rhetorical strategy to the forefront, offering students a rich engagement with the deliberate choices made by responsible writers.

Insiders' Guide to South Dakota's Black Hills and Badlands Barbara Tomovick 2000 There's much more to South Dakota than Wall Drug and Mount Rushmore, as you will find in The Insiders' Guide to South Dakota's Black Hills and Badlands. The Black Hills and Badlands offer miles upon miles of scenic driving, hiking, biking, horseback riding and more. It's a region of contrasts. You'll find powerful natural beauty here: craggy mountains, mysterious geologic formations, sudden weather changes, towering evergreens, grassy prairie and vistas that will make your heart ache. Let Insiders show you how to make the most of a visit or relocation with the best complete guide to the region.
