No More Pacifier for Piggy! Bernette Ford 2012 Ducky wants to play peekaboo with his friend Piggy, but every time Piggy tries to smile or call out "I see you!" his pacifier gets in the way. By the author and illustrator of *No More Diapers for Ducky*.

The Kids on the Bus Kirsten Hall 2020-03-17 An interactive board book that lends a new twist to "Wheels on the Bus"! The feelings on the bus go 'round and 'round, All 'round the town. Take a turn on this busy city bus to discover what everyone is feeling. Spin the wheel to match the feeling to the scene, then sing along with the familiar song in this creative introduction to emotions. A fun, updated take on the classic children's song, this novelty board book shaped like a stylishly modern bus will have kids acting and singing along—and reflecting on their own varied emotions. • A cute and clever intro to emotions for babies and toddlers • Classic sing-a-long for parents and children • Unique shape and interactive features help engage young readers A classic read-aloud sing-along book for young fans of such books as *My Fun School Bus*, *Tonka: Fire Trucks!*, and *The Little School Bus*. This charming sing-able, read-able board book helps children identify emotions, a key early childhood developmental milestone. • Read-aloud books for ages 0-3 • School bus books • Bus shaped book

No More Pacifier, Duck Michael Dahl 2015 Little Duck is growing up, and it is time to make the decision to give up his pacifier for good--even at bedtime.

The Paci Fairy Melissa Burnett 2017-06-13 An entertaining fun and simple solution to helping your child give up the Pacifier

Pacita the Pacifier Fairy Charlotte Attray 2020-03 How can I help my child let go of their precious

pacifier?" This dilemma can be a real headache for many parents and a challenge that often results in temper tantrums and tears! *Pacita the Pacifier Fairy*, a poetic fairytale created out of the personal experience of its authors, accompanies parents and children along this crucial step in a child's development. The story of *Pacita* offers a helping hand to parents, written in catchy rhyming verse and mixing just the right touch of imagination, magical illustrations, and practical advice.

Do's and Don'ts Todd Parr 2011-06-01 What should and shouldn't you do? Do give the dog a bath but don't take one with him. Do try to change your socks every day but please don't make other people smell them.

Bad Boy Walter Dean Myers 2009-10-06 A classic memoir that's gripping, funny, and ultimately unforgettable from the bestselling former National Ambassador of Books for Young People. A strong choice for summer reading—an engaging and powerful autobiographical exploration of growing up a so-called "bad boy" in Harlem in the 1940s. As a boy, Myers was quick-tempered and physically strong, always ready for a fight. He also read voraciously—he would check out books from the library and carry them home, hidden in brown paper bags in order to avoid other boys' teasing. He aspired to be a writer (and he eventually succeeded). But as his hope for a successful future diminished, the values he had been taught at home, in school, and in his community seemed worthless, and he turned to the streets and to his books for comfort. Don't miss this memoir by New York Times bestselling author Walter Dean Myers, one of the most important voices of our time.

Binky Leslie Patricelli 2017-11-14 A comically expressive tot pays tribute to the all-important BINKY in a bright, playful board book sure to have instant toddler appeal. Anyone who's spent time with a toddler knows that few crises compare with the (even temporary) loss of a favorite binky. Here, in her humorous, bold graphic style, Leslie Patricelli plays up a scenario near and dear to every toddler's heart, raising the plaintive question: can there be any peace in the house when a beloved binky is not to be found?

Bye for Now Tracey Freeman 2020-05-06 In the end, we never truly say bye to our loved ones...simply, bye for now. Grief is a topic that many find cumbersome to discuss, especially with children. *Bye for Now* captures the story of a little girl who learns she has lost a loved one and what that means in the days to come. Written using rhyme and capturing illustrations—the book aims to foster discussion about grief and how to cope with loss.

Bye-Bye Binky Maria van Lieshout 2016-03-08 A little girl explains that she does not need a pacifier anymore, because she is a big kid now.

Oh Crap! Potty Training Jamie Glowacki 2015-06-16 "Straight up, parent tested, and funny to boot, Jamie gives you all the information you need." —Amber Dusick, author of *Parenting: Illustrated with Crappy Pictures* A proven six-step plan to help you toilet train your preschooler quickly and successfully, from potty-training expert, Pied Piper of Poop, and social worker Jamie Glowacki. Worried about potty training? Let Jamie Glowacki, potty-training expert, show you how it's done. Her 6-step, proven process to get your toddler out of diapers and onto the toilet has already worked for tens of thousands of kids and their parents. Here's the good news: your child is probably ready to be potty trained EARLIER than you think (ideally, between 20–30 months), and it can be done FASTER than you expect (most kids get the basics in a few days—but Jamie's got you covered even if it takes a little longer). If you've ever said to yourself: ** How do I know if my kid is ready? ** Why won't my child poop in the potty? ** How do I avoid "potty power struggles"? ** How can I get their daycare provider on board? ** My kid was doing so well—why is he regressing? ** And what about nighttime?! Oh Crap! *Potty Training* can solve all of these

Machine of Death Ryan North 2010 Presents fantasy stories written by Internet authors that explore how people, cultures, and societies are affected by the predictions of the Machine, an object that provides short yet vague phrases about how a person will die.

Bye-bye, Binky Brigitte Weninger 2007 Nora's lost pacifier becomes a toy for several other animals before it is finally returned to her.

Loser Jerry Spinelli 2009-10-13 From renowned Newbery-winning author Jerry Spinelli comes a powerful story about how not fitting in just might lead to an incredible life. This classic book is perfect for fans of Gordon Korman and Carl Hiaasen. Just like other kids, Zinkoff rides his bike, hopes for snow days, and wants to be like his dad when he grows up. But Zinkoff also raises his hand with all the wrong answers, trips over his own feet, and falls down with laughter over a word like "Jabip." Other kids have their own word to describe him, but Zinkoff is too busy to hear it. He doesn't know he's not like everyone else. And one winter night, Zinkoff's differences show that any name can someday become "hero." With some of his finest writing to date and great wit and humor, Jerry Spinelli creates a story about a boy's individuality surpassing the need to fit in and the genuine importance of failure. As readers follow Zinkoff from first through sixth grade, it becomes impossible not to identify with and root for him through failures and triumphs. The perfect classroom read.

The Conspiracy against the Human Race Thomas Ligotti 2018-10-02 In Thomas Ligotti's first nonfiction outing, an examination of the meaning (or meaninglessness) of life through an insightful, unsparing argument that proves the greatest horrors are not the products of our imagination but instead are found in reality. "There is a signature motif discernible in both works of philosophical pessimism and supernatural horror. It may be stated thus: Behind the scenes of life lurks something pernicious that makes a nightmare of our world." His fiction is known to be some of the most terrifying in the genre of supernatural horror, but Thomas Ligotti's first nonfiction book may be even scarier. Drawing on philosophy, literature, neuroscience, and other fields of study, Ligotti takes the penetrating lens of his imagination and turns it on his audience, causing them to grapple with the brutal reality that they are living a meaningless nightmare, and anyone who feels otherwise is simply acting out an optimistic fallacy. At once a guidebook to pessimistic thought and a relentless critique of humanity's employment of self-deception to cope with the pervasive suffering of their existence, *The Conspiracy against the Human Race* may just convince readers that there is more than a measure of truth in the despairing yet unexpectedly liberating negativity that is widely considered a hallmark of Ligotti's work.

[No More Dummy for Piggy!](#) Bernette Ford 2011-04-07 Piggy, Ducky, and Bunny all love their dummies. When they cry, it's the only thing that makes them stop. But one day, Bunny doesn't need his dummy because he's too busy playing. Then Ducky doesn't need her dummy, because she wants to be a grown-up. But will there be no more dummy for Piggy?

Ben Gives Up His Pacifier Jenny Album 2015-10-17 A picture book designed to help children who are struggling to give up their pacifiers. Children love it because it's a fabulous fairy story with beautiful illustrations, and parents love it because it enables children to kick their pacifier habit once and for all. The book follows the story of a little boy called Ben, who refuses to give up his pacifier. Then one night his mother persuades him to leave all his pacifiers outside his room for the 'Pacifier Fairy' to take - (in exchange for a special gift). Ben gets to meet the fairy, who shows him that it IS possible to give up pacifiers without shedding a single tear. The book teaches children why it makes sense to give up pacifiers, and offers up some fun ideas to stop them missing them once they've gone. After reading, parents can follow the book at home, and arrange an exciting visit from the Pacifier Fairy, to the delight of their child. *Ben Gives Up His Pacifier* provides an easy, fun way for parents to say goodbye to pacifiers for good.

Bye-Bye Binky Maria van Lieshout 2016-03-08 Babies use a binky. Do big kids? No! Big kids say, "Bye-bye, binky!" Every child's life is filled with milestones. Some happen easily; others need a little extra support. Artist and mom Maria van Lieshout has been there. Drawing upon her own experiences, she has created an engaging series of books that are just right for children on the brink of major changes and the caregivers who encourage them.

Bea Gives Up Her Paci Jenny Album 2013-09 WINNER OF A PRIMA BABY 2014 AWARD FOR BEST TODDLER BOOK If your child is struggling to give up his or her pacifier, then this is a good book to buy. Children love it because it's a great story with fun illustrations, and parents love it because it enables children to kick their pacifier habit once and for all. *Bea Gives Up Her Paci* follows the story of a little girl called Bea, who also refuses to give up her pacifier. Then one night her mother persuades her to leave all her pacifiers outside her room for the 'Pacifier Fairy' to take - (in exchange for a special gift). Bea gets to meet the fairy, who shows her that it IS possible to give up pacifiers without shedding a single tear. After reading children understand why it's time to give up pacifiers, and feel excited about leaving them with the Pacifier Fairy and moving on. The book makes it easy for parents to follow the actions of the mother in the story and arrange their own 'visit from the Pacifier Fairy', to the delight of their child. I read this book to my paci-loving son. Afterwards he couldn't wait to leave his pacifiers outside his room for the Pacifier Fairy to take. Amazingly he never asked for his paci again. Liz Coxeter Reviews An enchanting tale featuring magical illustrations. The book acts as a step-by-step preparation for giving up. The Ham and High There is no other book on the bookshelf quite like this. JN2 New to Amazon

Pacifiers Are Not Forever Elizabeth Verdick 2007-07-25 For many young children, giving up the pacifier is a major milestone. This board book offers warm, comforting words and pictures to ease the transition and make it a positive experience for kids and grown-ups alike. The focus is on minimizing stress and drama, dealing with feelings of loss and frustration, finding fun things to do without a pacifier, and finally being pacifier-free. Includes helpful tips for parents.

Preschool, Here I Come! D.J. Steinberg 2020-06-23 A book for all preschoolers-to-be from the author of *Kindergarten, Here I Come!* Now includes a sheet of stickers! From saying goodbye to parents on the very first day of school to watching butterflies hatch in spring, D. J. Steinberg celebrates all the landmark moments of preschool. Because the year is full of so many firsts, this collection of funny, joyful poems is a must-have for all small scholars in the making.

Bea Gives Up Her Pacifier Jenny Album 2015-06 Bea refuses to give up her pacifier. So one night Mommy tells her about the Pacifier Fairy. If Bea puts all her pacifiers outside her bedroom door, the Pacifier Fairy will come to collect them, and may even leave behind a special gift, just for her.

The Whole-Brain Child Daniel J. Siegel 2011-10-04 NEW YORK TIMES BESTSELLER • More than 1 million copies in print! • The authors of No-Drama Discipline and The Yes Brain explain the new science of how a child's brain is wired and how it matures in this pioneering, practical book. "Simple, smart, and effective solutions to your child's struggles."—Harvey Karp, M.D. In this pioneering, practical book, Daniel J. Siegel, neuropsychiatrist and author of the bestselling Mindsight, and parenting expert Tina Payne Bryson offer a revolutionary approach to child rearing with twelve key strategies that foster healthy brain development, leading to calmer, happier children. The authors explain—and make accessible—the new science of how a child's brain is wired and how it matures. The "upstairs brain," which makes decisions and balances emotions, is under construction until the mid-twenties. And especially in young children, the right brain and its emotions tend to rule over the logic of the left brain. No wonder kids throw tantrums, fight, or sulk in silence. By applying these discoveries to everyday parenting, you can turn any outburst, argument, or fear into a chance to integrate your child's brain and foster vital growth. Complete with age-appropriate strategies for dealing with day-to-day struggles and illustrations that will help you explain these concepts to your child, *The Whole-Brain Child* shows you how to cultivate healthy emotional and intellectual development so that your children can lead balanced, meaningful, and connected lives. "[A] useful child-rearing resource for the entire family . . . The authors include a fair amount of brain science, but they present it for both adult and child audiences."—Kirkus Reviews "Strategies for getting a youngster to chill out [with] compassion."—The Washington Post "This erudite, tender, and funny book is filled with fresh ideas based on the latest neuroscience research. I urge all parents who want kind, happy, and emotionally healthy kids to read *The Whole-Brain Child*. This is my new baby gift."—Mary Pipher, Ph.D., author of *Reviving Ophelia* and *The Shelter of Each Other* "Gives parents and teachers ideas to get all parts of a healthy child's brain working together."—Parent to Parent

Angela's Ashes Frank McCourt 2005 A heartfelt account of poverty in Ireland and emigration to America. -- back cover.

Bye, Bye, Pacifer Louise Gikow 1999 Although she finds her pacifier comforting, Baby Piggy realizes that she cannot talk with it in her mouth. On board pages.

Mindfulness Moments for Kids: Breathe Like a Bear Kira Willey 2019-10-08 Part of the Mindfulness Moments for Kids series, this mindful meditation exercise featuring a sweet bear cub helps kids feel calm, wherever they are. With this board book, kids will learn to control their breathing and soothe themselves slowly to sleep, just like a bear in hibernation! Best of all, it can be performed anywhere: in the backseat of a car, at home, or even at a child's desk at school. Based on Kira Willey's Parents' Choice GOLD Award-winning writing, this board book series (*Listen like an Elephant* and the upcoming *Bunny Breaths*) is the first of its kind and is the perfect tool to help children and parents develop a fun and consistent mindfulness practice. Adapted from the successful *Breathe like a Bear* hardcover/trade paperback--a collection of mindful moments and exercises for kids--this board book is an easy-to-follow breathing exercise kids can use to manage their bodies, breath, and emotions.

I Sleep in a Big Bed Maria van Lieshout 2018-03-13 Babies sleep in cribs. Do big kids? No! Big kids sleep in a big bed. Every child's life is filled with milestones. Some happen easily; others need a little extra support. Artist and mom Maria van Lieshout has been there. Drawing upon her own experiences, she has created an engaging series of books that are just right for children on the brink of major changes and the caregivers who encourage them.

Backseat A-B-See Maria van Lieshout 2012-04-06 Vroom! Vroom! From the backseat, what do you see? Whether on a cross-country road trip or a quick jaunt across town, there's no end to what a child can see

from the backseat of a car. Using familiar road signs, this striking book introduces little ones not just to the alphabet but also to the world around them. Equally perfect for transportation-obsessed children and those just learning to read, this fresh and dynamic picture book will entertain and educate at home, in the classroom, and on the go.

I Don't Need My Pacifier Anymore Hazel Fern 2020-02-05 Find out how to Stop pacifier sucking easily and painlessly. A delightful bedtime story for children and also included is a helpful guide on how to help children break the habit for parents. Hazel Fern's bedtime series of books have helped countless children to find restful gentle sleep and provided frazzled parents with a much needed break. Her new series is designed to help children stop sucking their thumbs. Each of the books helps to encourage children to find the power from within them to help them break the habit. Simple poems reinforce the message that this is something they can do, and with a little help from their imaginary friends it will be an easy, and even fun journey.

Jacob's Eye Patch Beth Kobliner Shaw 2013-09-24 Being different can be hard. This funny, spirited story—written by bestselling author of *Get a Financial Life* Beth Kobliner Shaw with her son Jacob, and illustrated by award-winning picture book artist Jules Feiffer—encourages young readers to embrace the thing that makes them unique... Jacob is in a hurry—a really big hurry—to get to the store to buy a special toy. There's only one left, and if he doesn't get to it soon, he'll never forgive his mom and dad for making him late. Strangers often stop Jacob's parents on the street to ask about him. See, Jacob is unusual: He has an eye patch. Jacob knows people like to ask questions, but do they have to ask right now? Luckily, Jacob gets to the store in time, and he meets a new friend who has something different, too. In the end, Jacob's journey makes him more aware of other people's feelings. *Jacob's Eye Patch* is the go-to book for talking about differences that kids can enjoy and parents can turn to for guidance. Everyone has something different! What's your something? Share your child's story at JacobsEyePatch.com.

Florrie the Paci Fairy Anthony J. Crosbie 2014-08-05 It's amazing what a little magic and sparkly dust can do in the hands of an enchanting fairy. Using her sing-song, sleep inducing rhymes, Florrie lulls young Elliott to a restful sleep, while she replaces his beloved pacifier with a delightful surprise. Florrie transforms Elliott's pacifier into his very own shimmering star, a forever comforting, nightly reminder of an innocence that might otherwise be forgotten.

No More Tantrums Maria van Lieshout 2017-11-07 Babies have tantrums, and do not like being told NO, but part of growing up is learning to ask nicely, and accept restrictions--that is what big kids do.

No-Drama Discipline Daniel J. Siegel 2014-09-23 NEW YORK TIMES BESTSELLER • The pioneering experts behind *The Whole-Brain Child* and *The Yes Brain* tackle the ultimate parenting challenge: discipline. “A lot of fascinating insights . . . an eye-opener worth reading.”—Parents Highlighting the fascinating link between a child's neurological development and the way a parent reacts to misbehavior, *No-Drama Discipline* provides an effective, compassionate road map for dealing with tantrums, tensions, and tears—without causing a scene. Defining the true meaning of the “d” word (to instruct, not to shout or reprimand), the authors explain how to reach your child, redirect emotions, and turn a meltdown into an opportunity for growth. By doing so, the cycle of negative behavior (and punishment) is essentially brought to a halt, as problem solving becomes a win/win situation. Inside this sanity-saving guide you'll discover • strategies that help parents identify their own discipline philosophy—and master the best methods to communicate the lessons they are trying to impart • facts on child brain development—and what kind of discipline is most appropriate and constructive at all ages and stages • the way to calmly

Downloaded from avenza-dev.avenza.com

and lovingly connect with a child—no matter how extreme the behavior—while still setting clear and consistent limits • tips for navigating your child through a tantrum to achieve insight, empathy, and repair • twenty discipline mistakes even the best parents make—and how to stay focused on the principles of whole-brain parenting and discipline techniques Complete with candid stories and playful illustrations that bring the authors' suggestions to life, *No-Drama Discipline* shows you how to work with your child's developing mind, peacefully resolve conflicts, and inspire happiness and strengthen resilience in everyone in the family. Praise for *No-Drama Discipline* "With lucid, engaging prose accompanied by cartoon illustrations, Siegel and Bryson help parents teach and communicate more effectively."—Publishers Weekly "Wow! This book grabbed me from the very first page and did not let go."—Lawrence J. Cohen, Ph.D., author of *The Opposite of Worry*

Bye, Car Naomi Danis 2021-08-02 Two children are fascinated by the vehicles that surround them. Big, small, noisy, quiet, an endless stream passes through the streets each day, and the children wave them all goodbye. But exciting though they are, many vehicles also have a damaging impact on the environment. Is there a better way to get around? A greener alternative, *BYE, CAR* takes a positive look into the future.

No More Pacifiers! Melanie O'Brien 2008-02-15 Eight toddlers find various reasons to take out their pacifiers one by one and enjoy a birthday party.

Chupie Thalia 2016 Internationally known singer, songwriter, business woman, and actress Thalia shares this fun and fanciful story about something every parent can relate to—persuading your child to give up the pacifier. Thalia dreamed up Binkyland, the magical place where the Binkies live and would one day return home, as a bedtime story for her own children. Vibrant, colorful, and campy, this is the perfect story for kids who need the extra push to give up their own binkies.
