The Master Sniper Stephen Hunter 2010-08-18 In the death throes of World War II, one man is still at war, and he's got got the world's deadliest weapon in his hands . . . With a sniper's rifle he has calmly executed hundreds of enemy soldiers in a single battle, and gunned down thousands of innocent civilians in a single day, waiting patiently for the barrel of his gun to cool before resuming his craft . . . It is the spring of 1945. And Repp, the master sniper, is about to carry out his final mission—even as Gernay's enemies overrun it, even while a tired, disorganized team of American and British agents tries everything in its power to stop him. Because for Repp, this is the one job at which he cannot fail. For this time, he possesses the ultimate killing tool. And with it, he will commit the ultimate crime. . . . Praise for *The Master Sniper* "Mesmerizing suspense."—Kirkus Reviews "Hunter is a deft craftsman with a sure sense of pace and scene. He also knows about irony and sprinkles just a bit over every corpse."—The Washington Post "Stephen Hunter is the best writer of straight-out thrillers working today."—Rocky Mountain News

Practical Steps to Think and Grow Rich Napoleon Hill 2016-05-03 Success seems to come easily for some people. They live in luxurious homes, send their children to the best schools, drive fancy cars, travel around the world, and still have resources available to help their loved ones and contribute to the communities in which they live. They are no brighter or better educated than you. They do not work any harder than you do. They do not sacrifice their lives to earn a living; on the contrary, they earn more than enough to fully enjoy their lives. What is their secret? Welcome to Practical Steps to Think and Grow Rich - The Secret Revealed by Napoleon Hill. The principles and secrets for success are listed in the beginning of each chapter, making the information clear, inviting, and accessible - an approach that reveals the secret to thinking and growing rich without making you search for it.

A SECRET SORROW Karen Van Der Zee 2015-04-13 After her nightmarish recovery from a serious car accident, Faye gets horrible news from her doctor, and it hits her hard like a rock: she can't bear children. In extreme shock, she breaks off her engagement, leaves her job and confines herself in her family home. One day, she meets her brother's best friend, and her soul makes a first step to healing.

By Fire, By Water Mitchell James Kaplan 2010-05-18 Recipient of the Independent Publishers Award for Historical Fiction (Gold Medal), the Foreword Book of the Year Award for Historical Fiction (Bronze Medal), and an honorable mention in the category of General Fiction for the Eric Hoffer Award. Luis de Santángel, chancellor to the court and longtime friend of the lusty King Ferdinand, has had enough of the Spanish Inquisition. As the power of Inquisitor General Tomás de Torquemada grows, so does the brutality of the Spanish church and the suspicion and paranoia it inspires. When a dear friend's demise brings the violence close to home, Santángel is enraged and takes retribution into his own hands. But he is from a family of conversos, and his Jewish heritage makes him an easy target. As Santángel witnesses the horrific persecution of his loved ones, he begins slowly to reconnect with the Jewish faith his family left behind. Feeding his curiosity about his past is his growing love for Judith Migdal, a clever and beautiful Jewish woman navigating the mounting tensions in Granada. While he struggles to decide what his reputation is worth and what he can sacrifice, one man offers him a chance he thought he'd lost...the chance to hope for a better world. Christopher Columbus has plans to discover a route to paradise, and only Luis de Santángel can help him. Within the dramatic story lies a subtle, insightful examination of the crisis of faith at the heart of the Spanish Inquisition. Irresolvable conflict rages within the conversos in *By Fire, By Water*, torn between the religion they left behind and the conversion meant to ensure their safety. In this story of love, God, faith, and torture, fifteenth-century Spain comes to dazzling, engrossing life.

Firearms Curiosa Lewis Winant 2009-12 This book is filled with pictures of rare, strange and unusual guns, firearms and other weapons. Lewis Winant was a major dealer and collector of firearms. He assembled here more than 300 pieces. The many strange and freakish gun fabrications that are shown in this book are a tribute to man's inventive energy as applied to the development of arms. From days just past and from days long gone, Lewis Winant has selected over 300 pieces as representative of the oddities that have been constructed to utilize the propelling force of gunpowder. There are pistols in knives and canes; pistols in flashlights, purses, plows, whips, bicycle handlebars, stirrups, keys, pipes, belts, sundials, and other contrivances. In addition there are other types classified as oddities, such as

The Color Teil Teil Duncan 2019-06-18 The Color Teil chronicles Teil Duncan's artistic journey, displaying over three hundred full-color images of her work. Her studies range from figure drawings and animals to beach and pool scenes. Inspiration comes in all sizes and shapes for Teil. She attributes her artistic talent and motivation largely to her Christian faith, which, while she lost touch with it during her young adult years, she now thrives within. Her walk with Jesus is Teil's top priority. Throughout this book, readers will become better acquainted with both the artist, as a person, and the art she creates. It is a vibrant, colorful journey that can only be described as: The Color Teil.

Body Piercing and Tattooing Robert Z. Cohen 2013-07-15 With body piercing and tattooing becoming more popular and mainstream, many teens may think about engaging in these forms of body modification. An excellent resource for young people pondering a piercing or tattoo, this title presents some of the pros and cons they should consider. In an honest and engaging manner, the author presents important information teens need to protect their health, including how to identify a reputable studio, what to expect from the procedures, and how to do proper aftercare. Legal, social, and familial issues are explored, too, including the importance of discussing the decision with their parents and choosing tattoos or piercings they can live with throughout adulthood.
