Inside the College Gates Jenny M. Stuber, University of North Florida, author of "Inside the College Gates: How Class and Culture Matter in Higher Education" 2011-07-16 This book is intended to bring greater nuance to the study of inequality and higher education. Rather than focusing on human capital and students' experiences inside the classroom, the author highlights the ways in which the experiential core of college life-the social and extra-curricular worlds of higher education-operates as a setting in which social class inequalities manifest and get reproduced.

A Lifetime of Poetry Celia Chipkin 2004-05 As soon as Celia Chipkin could comprehend words as a young girl, she had poems swimming around in her head, putting poetry to paper when she learned to write. Her poems really took shape with the beginning of her first job which required typing. During her lunch hour, Ceil recited her newly prepared poems to her co-workers. Some expressed her appreciation for their friendship, and others admired their skills or wished them well upon their retirement. Ceil has continued to write poetry throughout her life to the delight and enjoyment of her friends, family and relatives. Her poems touch upon numerous subjects and emotions, mostly joyful and hopeful though occasionally sorrowful. Many of her poems as well as her personality are infused with a delicious sense of humor. Ceil Chipkin is now retired, residing in Florida during the winter months and in upstate New York during the summer. She lives with her husband of 55 years, Sidney. Ceil has battled several types of cancer during the last few years but she still continues to write poetry in response to life's experiences. In Ceil's poetry, there is something of value for everyone to take away and perhaps a lesson for many of us that there are joys in life to be valued and savored but that are often overshadowed by the complexities of day-to-day living.

Modern Irish Writers Alexander G. Gonzalez 1997 The Irish Renaissance began around 1885 and arguably has continued to the present day, with no apparent sign of coming to an end. The period has produced some of the richest literature in Irish history, and authors such as Samuel Beckett, James Joyce, William Butler Yeats, and

Seamus Heaney are among the leading writers of the twentieth century. This reference provides alphabetically arranged entries for more than 70 modern Irish writers. Each entry includes a brief biography, a discussion of the author's major works and themes, an overview of the writer's critical reception, and a bibliography of primary and secondary sources. An opening essay surveys the critical response to Irish literature after 1885, and an extensive bibliography concludes the volume.

Poem Unlimited David Kerler 2019-09-23 Questions of genres as well as their possible definitions, taxonomies, and functions have been discussed since antiquity. Even though categories of genre today are far from being fixed, they have for decades been upheld without question. The goal of this volume is to problematize traditional definitions of poetic genres and to situate them in a broader socio-cultural, historical, and theoretical context. The contributions encompass numerous methodological approaches (including hermeneutics, poststructuralism, reception theory, cultural studies, gender studies), periods (Romanticism, Modernism, Postmodernism), genres (elegy, sonnet, visual poetry, performance poetry, hip hop) as well as languages and national literatures. From this interdisciplinary and multi-methodological perspective, genres, periods, languages, and literatures are put into fruitful dialogue, new perspectives are discovered, and suggestions for further research are provided.

The Life and Work of Thomas MacGreevy Susan Schreibman 2013-05-23 As a poet and literary critic, Thomas MacGreevy is a central force in Irish modernism and a crucial facilitator in the lives of key modernist writers and artists. The extent of his legacy and contribution to modernism is revealed for the first time in *The Life and Work of Thomas MacGreevy*. Split into four sections, the volume explains how and where MacGreevy made his impact: in his poetry; his role as a literary and art critic; during his time in Dublin, London and Paris and through his relationships with James Joyce, Samuel Beckett, Wallace Stevens, Jack B Yeats and WB Yeats. With access to the Thomas MacGreevy Archive, contributors draw on letters, his early poetry, and contributions to art and literary journals, to better understand the first champion of Jack B. Yeats, and Beckett's chief correspondent and closest friend in the 1930s. This much-needed reappraisal of MacGreevy, the linchpin between the main modernist writers, fills missing gaps, not only in the story of Irish modernism, but in the wider history of the movement.

The Butterfly Garden Chip St. Clair 2010-01-01 There is for all of us a profound Moment of Truth that lies in wait—a moment that transfixes our attention and forces us to confront the essential question in life: Who am I? For Chip St. Clair that moment came when he learned that the man he called “Dad” was an impostor—a child killer who had been on the run for nearly three decades. After turning his father in on a cold January night in 1998, St. Clair embarked on a quest for his true identity, a journey that began when he opened a nondescript

black trunk: Inside he found his birth certificate—typed over and forged. His “date of birth”? The same day his father had killed a child five years earlier. Along with that, more “answers” that spawned more questions: photographs of young children he didn’t know; locks of hair; a jewelry box full of baby teeth; and records of tens of thousands of dollars in loans taken out by his parents in his name. While forensic tests and DNA proved the answer to the most important question—was he the biological son of a convicted child killer?—the rest of the mysteries may never be solved. What St. Clair discovered as he tried to unravel the swath of lies his “parents” had woven across at least seven states is something that all of us can learn from: Oftentimes the answers we seek are within us and the only path to fulfillment is to make peace with the unknown. His eventual epiphany, which took place in a butterfly garden, freed him to leave his haunted past behind and to construct a future full of light and hope. Most important, he learned that our fate, our path in life, is not determined by demons of the past or by DNA, but the power of our own free will and what we hold in our hearts.

The Complete Poems of Louis Daniel Brodsky: Volume Four, 1981-1985 Louis Daniel Brodsky 1996 Tracing the days of the writer edging into middle age, the 888 poems presented in volume four of *The Complete Poems of Louis Daniel Brodsky* offer a glimpse into the frenzied life of a man compelled, by his discipline and inner passion, to capture the elements of his existence and explode them upon the page ... Startlingly honest and bristling with the energy of Brodsky's discontent, this book records the poet gaining momentum, as a writer, even as his personal life spirals out of control. --Time Being Books.

Driftwood: Another Voice ROBERT TAYLOR QSM 2012-11-06 *Driftwood* is a poetic look at the world, covering the span of a lifetime from birth in war torn London to retirement on a small island in Moreton Bay, on Queensland's east coast and the influences of nature upon its author. Robert has enjoyed an interesting broadcasting career in Australia and New Zealand but all through it, he has been followed by poetry that both stimulates and exhilarates. "Driftwood-Another Voice" is about whispers we all hear in our minds, that urge us to do and see things in a different light. It is about being able to listen to your 'positive voice' and value it because, like driftwood, it can be washed up on a beach one day and gone on the next high tide. Like driftwood, Robert's poems take us to places around the world and we end up on some unusual beaches. We dance with sparkling streams and even meet some of his unusual spectres but always there are the trees and birds, beaches and mountains. *Driftwood* is a unique book for people who have a passion for the natural world. *Driftwood-The Other Voice*, reveals something within all of us, if only we can learn to listen.

Field Work Seamus Heaney 2014-01-13 Field Work is the record of four years during which Seamus Heaney left the violence of Belfast to settle in a country cottage with his family in Glanmore, County Wicklow. Heeding "an early warning system to get back inside my own head," Heaney wrote poems with a new strength and maturity, moving from the political concerns of his landmark volume North to a more personal, contemplative approach to the world and to his own writing. In Field Work he "brings a meditative music to bear upon fundamental themes of person and place, the mutuality of ourselves and the world" (Denis Donoghue, The New York Times Book Review).

Complete Poems C.P. Cavafy 2012-05-22 An extraordinary literary event: Daniel Mendelsohn's acclaimed two-volume translation of the complete poems of C. P. Cavafy—including the first English translation of the poet's final Unfinished Poems—now published in one handsome edition and featuring the fullest literary commentaries available in English, by the renowned critic, scholar, and international best-selling author of The Lost. No modern poet so vividly brought to life the history and culture of Mediterranean antiquity; no writer dared break, with such taut energy, the early-twentieth-century taboos surrounding homoerotic desire; no poet before or since has so gracefully melded elegy and irony as the Alexandrian Greek poet Constantine Cavafy (1863–1933). Whether advising Odysseus on his return to Ithaca or confronting the poet with the ghosts of his youth, these verses brilliantly make the historical personal—and vice versa. To his profound exploration of longing and loneliness, fate and loss, memory and identity, Cavafy brings the historian's assessing eye along with the poet's compassionate heart. After more than a decade of work and study, Mendelsohn—a classicist who alone among Cavafy's translators shares the poet's deep intimacy with the ancient world—gives readers full access to the genius of Cavafy's verse: the sensuous rhymes, rich assonances, and strong rhythms of the original Greek that have eluded previous translators. Complete with the Unfinished Poems that Cavafy left in drafts when he died—a remarkable, hitherto unknown discovery that remained in the Cavafy Archive in Athens for decades—and with an in-depth introduction and a helpful commentary that situates each work in a

rich historical, literary, and biographical context, this revelatory translation is a cause for celebration: the definitive presentation of Cavafy in English.

A Poet's Revolution Donna Hollenberg 2013-04-17 This first full-length biography of Anglo- American poet and activist Denise Levertov (1923-1997) brings to life one of the major voices of the second half of the twentieth century, when American poetry was a powerful influence worldwide. Drawing on exhaustive archival research and interviews with 75 friends of Levertov, as well as on Levertov's entire opus, Donna Krolik Hollenberg's authoritative biography captures the full complexity of Levertov as both woman and artist, and the dynamic world she inhabited. She charts Levertov's early life in England as the daughter of a Russian Hasidic father and a Welsh mother, her experience as a nurse in London during WWII, her marriage to an American after the war, and her move to New York City where she became a major figure in the American poetry scene. The author chronicles Levertov's role as a passionate social activist in volatile times and her importance as a teacher of writing. Finally, Hollenberg shows how the spiritual dimension of Levertov's poetry deepened toward the end of her life, so that her final volumes link lyric perception with political and religious commitment.

The Queer Nuyorican Karen Jaime 2021-06-29 A queer genealogy of the famous performance space and the nuyorican aesthetic One could easily overlook the Nuyorican Poets Cafe, a small, unassuming performance venue on New York City's Lower East Side. Yet the space once hosted the likes of Victor Hernández Cruz, Allen Ginsberg, and Amiri Baraka and is widely credited as the homespace for the emergent nuyorican literary and aesthetic movement of the 1990s. Founded by a group of counterculturalist Puerto Rican immigrants and artists in the 1970s, the space slowly transformed the Puerto Rican ethnic and cultural associations of the epithet "Nuyorican," as the Cafe developed into a central hub for an artistic movement encompassing queer, trans, and diasporic performance. The Queer Nuyorican is the first queer genealogy and critical study of the historical, political, and cultural conditions under which the term "Nuyorican" shifted from a raced/ethnic identity marker to "nuyorican," an aesthetic practice. The nuyorican aesthetic recognizes and includes queer poets and performers of color whose writing and performance build upon the politics inherent in the Cafe's founding. Initially situated within the Cafe's physical space and countercultural discursive history, the nuyorican aesthetic extends beyond these gendered and ethnic boundaries, broadening the ethnic marker Nuyorican to include queer, trans, and diasporic performance modalities. Hip-hop studies, alongside critical race, queer, literary, and performance theories, are used to document the interventions made by queer and trans artists of color—Miguel Piñero, Regie Cabico, Glam Slam participants, and Ellison Glenn/Black Cracker—whose works demonstrate how the Nuyorican Poets Cafe has operated as a queer space since its founding. In focusing on artists who began their careers as spoken word artists and slam poets at the Cafe, The Queer Nuyorican examines queer modes of circulation that are tethered to the increasing visibility, commodification, and normalization of spoken word, slam poetry, and hip-hop theater in the United States and abroad.
