

Cairngorm John A Life In Mountain Rescue

This is likewise one of the factors by obtaining the soft documents of this **cairngorm john a life in mountain rescue** by online. You might not require more era to spend to go to the book introduction as without difficulty as search for them. In some cases, you likewise reach not discover the broadcast cairngorm john a life in mountain rescue that you are looking for. It will totally squander the time.

However below, like you visit this web page, it will be as a result unquestionably easy to get as without difficulty as download lead cairngorm john a life in mountain rescue

It will not put up with many mature as we notify before. You can do it though feat something else at home and even in your workplace. for that reason easy! So, are you question? Just exercise just what we come up with the money for below as competently as evaluation **cairngorm john a life in mountain rescue** what you later than to read!

The Last Hillwalker John D. Burns 2019-09-05 From somewhere out in the vast whiteness of the blizzard we hear a cry for help. Instinctively the three of us turn and head across the mountainside. We find two men and a woman, huddled together in the snow, unable to descend the steep icy slope between them and safety. The woman asks if we are experienced in conditions like this. My friends and I have tackled a few winter hills in the Lake District and bumbled up easy rock climbs, but we have never been in a full Scottish winter snowstorm. I laugh and assure her that this is nothing to mountaineers like us. Soon our hills will be empty and one day the last hillwalker will disappear over the horizon. In the 21st century we are losing our connection with the wild, a connection that may never be regained. The Last Hillwalker by bestselling author John D. Burns is a personal story of falling in and out of love with the hills. More than that, it is about rediscovering a deeply felt need in all of us to connect with wild places.

Chasing the Dram Rachel McCormack 2018 Whisky is Scotland's national drink and has been for over five hundred years, since then becoming a global phenomenon. It is a drink that is a profound and important part of Scottish life and culture but, unlike other countries and their national libations, it has hardly been used in food. Rachel McCormack is going to change that with this book. Limiting whisky to a drink, she believes, is similar to the traditional Presbyterian attitude to sex; it should only be done with the lights off and in the missionary position. Rachel believes that there is an entire Karma Sutra of whisky use out there and she has put it in this book. Interspersing an engaging mix of anecdotes, history and information on distillers and recipes, this book will appeal to everyone from the cooking whisky connoisseur, to the novice whisky learner looking for some guidance on what to eat and cook. Rachel travels the length and breadth of Scotland, discovering a myriad of unique and interesting people and facts about this remarkable drink, with interviews with the key people who create it around the country, as she visits the famous distilleries of her country, as well as the more home-grown variety.

Regeneration Andrew Painting 2021-05-26 In 1995 the National Trust for Scotland acquired Mar Lodge Estate in the heart of the Cairngorms. Home to over 5,000 species, this vast expanse of Caledonian woodlands, subarctic mountains, bogs, moors, roaring burns and frozen lochs could be a place where environmental conservation and Highland field sports would exist in harmony. The only problem was that due to centuries of abuse by human hands, the ancient Caledonian pinewoods were dying, and it would take radical measures to save them. After 25 years of extremely hard work, the pinewoods, bogs, moors

and mountains are returning to their former glory. Regeneration is the story of this success, featuring not only the people who are protecting the land and quietly working to undo the wrongs of the past, but also the myriad creatures which inspire them to do so. In addition, it also tackles current controversies such as raptor persecution, deer management and rewilding and asks bigger questions about the nature of conservation itself: what do we see when we look at our wild places? What should we see?

The Mysteries of All Nations James Grant 2016-04-01 Join archaeologist James Grant on a global tour of cultures to discover the often unusual origins behind common beliefs and practices, ranging from fairies and magical creatures, to funerary practices, to the ancient roots of current-day celebrations and observances such as Halloween.

In the Shadow of Cairngorm William Forsyth 1900

The Life of Sir William Quiller Orchardson Hilda Orchardson Gray 2021-08-31 "The Life of Sir William Quiller Orchardson" by Hilda Orchardson Gray. Published by Good Press. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

Denali Ben Moon 2020-01-14 "...a very sweet dog story" -- Outside The story of a dog, his human, and the friendship that saved both of their lives. When Ben Moon moved from the Midwest to Oregon, he hadn't planned on getting a dog. But when he first met the soulful gaze of a rescue pup in a shelter, Ben instantly felt a connection, and his friendship with Denali was born. The two of them set out on the road together, on an adventure that would take them across the American west and through some of the best years of their lives. But when Ben was diagnosed with colorectal cancer at age 29, he faced a difficult battle with the disease, and Denali never once left his side until they were back out surfing and climbing crags. It was only a short time later that Denali was struck by the same disease, and Ben had the chance to return the favor. Denali is the story of this powerful friendship that shaped Ben and Denali's lives, showing the strength and love that we give and receive when we have our friends by our side.

Hell of a Journey Mike Cawthorne 2013-03-08 Hell of a Journey' describes what is arguably the last great journey to be undertaken in Britain: the entire Scottish Highlands on foot in one winter. On one level it is a vivid and evocative account of a remarkable trek - never attempted before - on another it celebrates the uniqueness of the Highlands, the scenery and ecology of 'the last wilderness in Europe'. The challenge Mike Cawthorne set himself was to climb all 135 of Scotland's 1,000-metre peaks, which stretch in an unbroken chain through the heart of the Highlands, from Sutherland to the Eastern Cairngorms, down to Loch Lomond, and west to Glencoe. His route traversed the most spectacular landscape in Scotland, linking every portion of wilderness, and was completed in the midst of the harshest winter conditions imaginable. Acclaimed on its first publication in 2000, this edition contains an epilogue in which Mike Cawthorne reflects on his trek and wonders what has changed since he carried it out. He warns that 'wild land in Scotland has never been under greater threat'. Hell of a Journey is a reminder of what we could so easily lose forever.

Preventing Fatal Incidents in School and Youth Group Camps and Excursions Andrew Brookes 2018-05-07 This book approaches the prevention of fatal incidents in outdoor education and related fields through detailed study of past tragedies. Although safety in many fields is built on accumulated lessons from past

incidents, tragedies on school or youth group camps and excursions are so infrequent and so widely scattered that knowledge from previous incidents can elude those who would benefit. Nevertheless, the emergence of unlearned lessons from the past weighs heavily when those affected by a tragedy judge whether an incident should have been prevented. This book provides a foundation for a detailed and comprehensive understanding of fatality prevention in outdoor education, and in youth camps and excursions. It compiles, examines, and analyses information on fatal incidents that have occurred over many decades, involving many kinds of groups and endeavours, from around the globe. No previous work has attempted this task.

In the Cairngorms Nan Shepherd 2015-04-16 First published in 1934, *In The Cairngorms* is Nan Shepherd's only book of poems. It took her twenty-five years to write these forty-six poems. Each is possessed of a fierce intensity; together, they offer glimpses into what she once called 'the burning heart of life'. Shepherd's lifelong acquaintance with the Scottish mountains was a spiritual as well as a geographical exploration: in the Cairngorms she discovered both elemental beauty and profound metaphysical mystery. Her huge gifts as a poet were to convey these discoveries in language that remains strange and thrilling.

One Thousand and One Thoughts from My Library Dwight Lyman Moody 1898 A collection of anecdotes and illustrations collected by D.L. Moody during his course of reading, organized by book and chapter of the Bible.

History of the Clan Macrae. With Genealogies. Climbing Hamish MacInnes 1963

Follow the Dead Lin Anderson 2017-08-10 Shortlisted for the 2018 McIlvanney Prize for Scottish Crime Book of the Year. *Follow the Dead* is the thrilling twelfth book in Lin Anderson's forensic crime series featuring Rhona MacLeod. On holiday in the Scottish Highlands, forensic scientist Dr Rhona MacLeod joins a mountain rescue team on Cairngorm summit, where a mysterious plane has crash-landed on the frozen Loch A'an. Added to that, a nearby climbing expedition has left three young people dead, with a fourth still missing. Meanwhile in Glasgow, DS McNab's raid on the Delta Club produces far more than just a massive haul of cocaine. Questioning one of the underage girls found partying with the city's elite reveals she was smuggled into Scotland via Norway, and it seems the crashed plane in the Cairngorms may be linked to the club. But before McNab can discover more, the girl is abducted. Joined by Norwegian detective Alvis Olsen, who harbours disturbing theories about how the two cases are connected with his homeland, Rhona searches for the missing link. What she uncovers is a dark underworld populated by ruthless people willing to do anything to ensure the investigation dies in the frozen wasteland of the Cairngorms . . . Follow Rhona MacLeod in more forensic thrillers with *Sins of the Dead* and *Time for the Dead*.

To Tempt a Knight Gerri Russell 2009 Vowing to protect the Scottish Templar treasure, Sir William Keith is forced to choose between his brotherhood and the safety of Lady Siobhan Fraser, who possesses knowledge of the whereabouts of holy artifacts, entreats his help in rescuing her kidnapped father, and tests his vow of chastity. Original.

The Life, Letters and Work of Frederic Leighton Mrs. Russell Barrington 1906

God Is Not a Christian Desmond Tutu 2014-05-06 " ArchbishopDesmond Tutu's] unofficial legacy will be his life and the story of how thistiny pastor with a huge laugh from South Africa became our globalguardian." --Time magazine Biographer John Allen collects the ArchbishopDesmond Tutu's most profound, controversial, and historic words in thisinspiring anthology of speeches, interviews, and sermons that have rocked theworld. An unforgettable look at the South African pastor's deeply rootedempathy and penetrating wisdom, God IsNot a Christian is perfect for anyone moved by of Martin Luther King Jr.'s"I Have a Dream" speech or Nelson Mandela's stirring autobiography Conversations with Myself, brilliantlyconnecting readers with the courageous and much-needed moral vision thatcontinues to change countless lives around the globe.

The Unremembered Places Patrick Baker 2020-05-21 There are strange relics hidden across Scotland's landscape: forgotten places that are touchstones to incredible stories and past lives which still resonate today. Yet why are so many of these 'wild histories' unnoticed and overlooked? And what can they tell us about our own modern identity? From the high mountain passes of an ancient droving route to a desolate moorland graveyard, from uninhabited postindustrial islands and Clearance villages to caves explored by early climbers and the mysterious strongholds of Christian missionaries, Patrick Baker makes a series of journeys on foot and by paddle. Along the way, he encounters Neolithic settlements, bizarre World War Two structures, evidence of illicit whisky production, sacred wells and Viking burial grounds. Combining a rich fusion of travelogue and historical narrative, he threads themes of geology, natural and social history, literature, and industry from the places he visits, discovering connections between people and place more powerful than can be imagined.

The Story of the Hills Henry Neville Hutchinson 1895

Sky Dance John D. Burns 2019-09-05 Lord Purdey was shaking with anger. 'Bring back the lynx? Over my dead body!' The environmental protestors murmured, and Rory stepped forward. 'Your hunting has destroyed our hills and left them treeless wastes, devoid of wildlife. It's time that changed.' 'Listen, you lentil-eating cat lover,' Purdey barked through the megaphone, 'men like me own Scotland. If we want to kill anything that moves and turn the whole damn place into a theme park, we'll do it.' Someone from the group of protestors hurled a turnip. It struck Purdey and he crumpled to the ground. Just as the archaic class system he represents must eventually fall, Angus thought with a grin. In his first two bestselling books, *The Last Hillwalker* and *Bothy Tales*, John D. Burns invited readers to join him in the hills and wild places of Scotland. In *Sky Dance*, he returns to that world to ask fundamental questions about how we relate to this northern landscape - while raising a laugh or two along the way. Anyone who has gazed at the majesty of the Scottish mountains will know this place and want to return to it. Now, as wild land is threatened like never before, it's time we asked ourselves what kind of future we want for the Highlands.

Call-out Hamish MacInnes 2016-08-12 Call-out is the definitive collection of tales about early mountain rescue in the Highlands of Scotland from Hamish MacInnes - Everest pioneer and arguably the most famous Scottish mountaineer of the twentieth century. In the late 1960s, MacInnes led the Glencoe Mountain Rescue team and together they developed innovative techniques and equipment in order to

Downloaded from avenza-dev.avenza.com
on December 8, 2022 by guest

save lives – often risking their own in the process – whether night or day, and always at a moment's notice. He was a central figure in the rescue during the 1963 New Year tragedy in the Cuillins on the Isle of Skye, and led groundbreaking rescues on Buichaille Etive Mor, Ben Nevis, Bidean nam Bian and many other legendary Scottish mountains. At the heart of the stories in *Call-out* are the unique characters in the team and wider Glencoe community who demonstrate faultless camaraderie, and – by virtue of MacInnes's engaging storytelling – inject an almost comical slant into these sometimes-grim accounts of misadventure in the mountains. The dark allure of the frozen Scottish peaks provides a foreboding backdrop against which we learn of Hamish MacInnes's concern for human life under even the most extreme conditions. *Call-out* offers an inspiring portrayal of responsible and dedicated mountaineering practice, which is as pertinent today as ever.

Wild Winter John D. Burns 2021-04-01 In *Wild Winter*, John D. Burns, bestselling author of *The Last Hillwalker* and *Bothy Tales*, sets out to rediscover Scotland's mountains, remote places and wildlife in the darkest and stormiest months. He traverses the country from the mouth of the River Ness to the Isle of Mull, from remote Sutherland to the Cairngorms, in search of rutting red deer, pupping seals, minke whales, beavers, pine martens, mountain hares and otters. In the midst of the fierce weather, John's travels reveal a habitat in crisis, and many of these wild creatures prove elusive as they cling on to life in the challenging Highland landscape. As John heads deeper into the winter, he notices the land fighting back with signs of regeneration. He finds lost bothies, old friendships and innovative rewilding projects, and – as Covid locks down the nation – reflects on what the outdoors means to hillwalkers, naturalists and the folk who make their home in the Highlands. *Wild Winter* is a reminder of the wonder of nature and the importance of caring for our environment. In his winter journey through the mountains and bothies of the Highlands, John finds adventure, humour and a deep sense of connection with this wild land.

The Secret Life of the Cairngorms Andy HOWARD 2019-10 Andy Howard is a leading wildlife photographer located in the Scottish Highlands, whose principal subjects are mountain hares, otters, red squirrels and birds. His new book, to be released for Christmas 2019, follows him deep into the Cairngorms National Park and is illustrated with a stunning selection of his nature photography.

To Ride the Mountain Winds Leslie Symons 2013-10-17 *To Ride the Mountain Winds*, possibly the first history of aerial mountaineering to span the whole period from the 18th century to the present day, is written for everyone interested in the history of mountaineering and also those interested in the history of aviation and the limits to which pilots have pushed their machines and their skills. This should include not only climbers and flyers but also those airline passengers who, while sipping a gin and tonic in the luxury of a modern airliner, far above the shining snows, have paused to wonder what might happen if their jet-propelled magic carpet were forced suddenly to descend among them. Few will have pondered the connections between the histories of mountaineers and aviators but their interaction is almost as old as either.

The Cairngorms Patrick Baker 2014-07-16 A travelogue exploring the colorful history of the Scottish mountain range, by the author of *The Unremembered Places*. *Cairngorms: A Secret History* is a series of journeys exploring barely known human and natural stories of the Cairngorm Mountains. It looks at a unique British landscape, its last great wilderness, with new eyes. History combines with travelogue in a vivid account of this elemental scenery. There have been rare human incursions into the Cairngorm plateau, and Patrick Baker tracks them down. He traces elusive wildlife and relives ghostly sightings on the summit of Ben Macdui. From the search for a long-forgotten climbing shelter and the locating of ancient gem mines, to the discovery of skeletal aircraft remains and the hunt for a mysterious nineteenth-century aristocratic settlement, he seeks out the unlikeliest and most interesting of features

in places far off the beaten track. The cultural and human impact of this stunning landscape and reflections on the history of mountaineering are the threads which bind this compelling narrative together. Praise for *The Cairngorms* “Perfect . . . full of ghosts of walkers past.” —Conde Nast Traveler “Describing a series of walks, Baker illuminates the bleak landscape, revealing the many stories linked to its ruined bothies, ancient gem mines and even haunted summits.” —FT Weekend “Exploring the Cairngorms has been a lifetime fascination for Patrick Baker and in this book he generously shares the results.” —Scotland Magazine “Packed with great stories and vivid descriptions.” —Scotland Outdoor

Wanderers Kerri Andrews 2020-10-07 “A wild portrayal of the passion and spirit of female walkers and the deep sense of ‘knowing’ that they found along the path.”—Raynor Winn, author of *The Salt Path* “I opened this book and instantly found that I was part of a conversation I didn't want to leave. A dazzling, inspirational history.”—Helen Mort, author of *No Map Could Show Them* This is a book about ten women over the past three hundred years who have found walking essential to their sense of themselves, as people and as writers. *Wanderers* traces their footsteps, from eighteenth-century parson’s daughter Elizabeth Carter—who desired nothing more than to be taken for a vagabond in the wilds of southern England—to modern walker-writers such as Nan Shepherd and Cheryl Strayed. For each, walking was integral, whether it was rambling for miles across the Highlands, like Sarah Stoddart Hazlitt, or pacing novels into being, as Virginia Woolf did around Bloomsbury. Offering a beguiling view of the history of walking, *Wanderers* guides us through the different ways of seeing—of being—articulated by these ten pathfinding women.

In the Shadow of Ben Nevis Ian Sykes 2016-02-15 In 1959, sixteen-year-old Ian ‘Spike’ Sykes left school and, after a short period of work at Leeds University, joined the RAF. Already a keen climber, he signed up on the promise of excitement and adventure and was posted to the remote RAF Kinloss Mountain Rescue Team in the north of Scotland. It was the beginning of a journey which would see him involved in some of the most legendary call-outs in Scottish mountain rescue history, including the 1963 New Year tragedy on the Isle of Skye. *In the Shadow of Ben Nevis* tells Spike’s story from growing up in Leeds in the aftermath of the Second World War, to his time with the RAF during the cold war. After leaving the RAF, he remained an active member of the Lochaber Mountain Rescue Team and was involved in the first lower down the north face of Ben Nevis - an epic 1,500-foot descent to rescue stricken climbers in the middle of winter. Following a two-and-a-half-year stint on Antarctica with the British Antarctic Survey, he returned to the Highlands and opened the first Nevisport shop with his close friend Ian ‘Suds’ Sutherland. Together, they brought Sunday trading to Fort William and were one of a small number of shops to revolutionise outdoor retail in the UK. Later, he was a key player in the development of the Nevis Range ski area. Over many years, and against all odds, the project became a reality and a great success. Recounted within these pages are a great many lively tales of adventures and mishaps, told with immediacy and charm. With a foreword by legendary Scottish mountaineer Hamish MacInnes, a close friend of Spike’s, *In the Shadow of Ben Nevis* is a must-read for anyone with an interest in Scottish mountaineering and mountain rescue.

[The Harvest of a Quiet Eye](#) John Vernon 2017-03-02 A romance of seasons and suspense.

[The Heather Moon](#) Charles Norris Williamson 1912

Corrour Bothy Ralph Storer 2020-12-15 In his newest publication, Ralph concentrates on the history of *Corrour Bothy*. The book tells the story of the oldest and most famous bothy in the world, celebrating a century of public use in 2020. The book blends visitors’ book entries with historical accounts. Through visitors’ book entries between the years of 1928 and the present day, Ralph outlines bothy life, the

history of the Highlands, of hillwalking and of climbing and thereby provides a portrait of the past 100 years from a unique perspective centred on the Cairngorms.

Take the Slow Road: England and Wales Martin Dorey 2019-05-16 Forget hurrying. Forget putting your foot down and racing through sweeping bends. Forget the understeer (whatever that is). Forget the blur of a life lived too fast. This is a look at taking life slowly. It's about taking the time to enjoy journeys and places for their own sake. It's about stopping and putting the kettle on. Stopping to take a picture. Stopping to enjoy stopping. How are you going to do it? In a camper van or a motorhome, of course. In this book we define the best driving routes around England and Wales for camper vans and motorhomes. We show you the coolest places to stay, what to see, what to do and explain why it's special. We meander around England and Wales on the most breathtaking roads, chugging up mountain passes and pootling along the coast. We show you stuff that's fun, often free. We include the best drives for different kinds of drivers; for surfers, wildlife watchers, climbers and walkers. We include the steepest, the bendiest, those with the most interesting bridges or views or obstacles, ferries and tidal causeways. And you don't even have to own a camper van or motorhome - we'll tell you the many places you can rent one to take you on the journey. All of this is interspersed with beautiful photos, handy maps and quirky travel writing from the king of camper vans and motorhomes, Martin Dorey. So if all you want to do is flick through it on a cold day and plan your next outing, you'll be transported (albeit slowly) to pastures, beaches, mountains and highways that make you want to turn the key and go, go, go!

Space Below My Feet Gwen Moffat 2013-11-07 A classic mountaineering memoir by one of the UK's foremost female climbers. 'A story of climbing and compulsive love of mountains ... magnificent' OBSERVER In 1945, when Gwen Moffat was in her twenties, she deserted from her post as a driver and dispatch rider in the Army and went to live rough in Wales and Cornwall, climbing and living on practically nothing. She hitch-hiked her way around, travelling from Skye to Chamonix and many places in between, with all her possessions on her back, although these amounted to little more than a rope and a sleeping bag. When the money ran out, she worked as a forester, went winkle-picking on the Isle of Skye, acted as the helmsman of a schooner and did a stint as an artist's model. And always there were the mountains, drawing her away from a 'proper' job. Throughout this unique story, there are acutely observed accounts of mountaineering exploits as Moffat tackles the toughest climbs and goes on to become Britain's leading female climber - and the first woman to qualify as a mountain guide.

Cairngorm John John Allen 2019-09-26 First published in 2009, *Cairngorm John: A Life in Mountain Rescue* is universally recognised as a classic mountaineering book. Sandstone Press now presents a 10th anniversary edition which will include a substantial new section entitled *Ten Years After*, which will include chapters on changes to the helicopter service and the addition of drones, go-pros, apps, new means of transport to the mountain rescue service, and mountain safety. There will also be an additional plate section and a number of glossaries and appendices.

Scotland Chris Townsend 2011-03-30 This comprehensive book is an excellent planning resource for those who wish to venture into the Scottish mountains. Whether you are planning a walk, scramble, climb or ski tour this larger format guide has all the information the independent mountain lover needs. The guide covers all the mountainous areas of Scotland from south to north, divided into seven regions. Each regional chapter covers individual glens important for mountain-goers, groups of hills that form coherent massifs and individual hills of significance. However, this is not a route guide and detailed descriptions are not provided. The aim of the book is to inspire and entertain as well as inform; to show first-time visitors just what the Scottish mountains have to offer and provide a new perspective for those who have been before. In the descriptions author Chris Townsend has given his opinions as to the relative qualities

of the walks, glens, lochs, mountains and the landscape in general and highlighted those he thinks are the best the area has to offer. Includes: Descriptions of all the Scottish mountains, area-by-area from south to north, to help you identify the best locations for hill walking, mountaineering, climbing and ski touring Classic ascents and walks described, from scrambles up Ben Nevis to ski tours in the Cairngorms A planning tool for long-distance treks

Life of a Scotch Naturalist: Thomas Edward Samuel Smiles 1877

Cairngorm John John Allen 2012-12-12 For over thirty years John Allen was an active member of the Cairngorm Mountain Rescue Team and for most of them acted as Team Leader. In 'Cairngorm John' (his call sign when in contact with search and rescue helicopters) he recalls the challenges of mountain rescue and the many changes he has both witnessed and been a party to. His book is filled with exciting accounts of real-life rescues, discussions of mountain rescue topics such as hypothermia, first aid, and the use of helicopters and search and rescue dogs. Peopled with interesting characters his accounts are at all times humane and the book is laced with humour.

Bothy Tales John D. Burns 2019-09-05 In Bothy Tales, the follow-up to The Last Hillwalker from bestselling mountain writer John D. Burns, travel with the author to remote glens deep in the Scottish Highlands. Burns brings a new volume of tales - some dramatic, some moving, some hilarious - from the isolated mountain shelters called bothies.

Rabble-Rouser For Peace John Allen 2012-04-24 Rabble-Rouser for Peace is the first book to tell the full story of how a boy from South Africa's poverty-stricken black townships became one of the world's best-known religious figures, a moral icon to those who work for peace and justice everywhere. Drawn from 30 years of the author's first-hand contact with Desmond Tutu, this is not only a vivid character study of a public figure with a unique capacity to communicate warmth, humour and compassion; it is also a rich account of his dynamic place in history. The story of Desmond Tutu's life tells a crucial part of South Africa's history and its movement from Apartheid towards peace, but it also follows the growth of one of the best loved and globally most recognised men of our time.

Cairngorm John John Allen 2019-09-26 Cairngorm John: A Life in Mountain Rescue is universally recognised as a classic mountaineering book. Sandstone Press now presents a 10th anniversary edition which will include a substantial new section entitled Ten Years After.

The Secret Life of the Cairngorms Andy Howard 2022-07-17 Winner of the Favourite Scottish Nature Photography Book, 2020 Cairngorm National Park is a massive area of mountains and passes, rivers and forests, settlements and wild land, located in the heart of Scotland. A unique environment, it is home to many species of animals and birds. Its scenery is glorious. Andy Howard has enjoyed an intimate relationship with the area since childhood, exploring its most hidden places and developing a close understanding of its wildlife. His photography displays the deep empathy that makes him a unique and sensitive guide.
