The Principal as Human Resources Leader M. Scott Norton 2014-07-17

Increasingly, personnel administrative duties within schools have been delegated to the local school principal. This accessible book arms school leaders with the knowledge and skills required to be an effective human resources leader and shows them how to fold these additional duties seamlessly into their daily routines. This practical resource provides school administrators with guidance on personnel selection, growth and development, orientation and placement, school climate, legal processes, leadership for classified staff and other important human resources processes. Special Features: • Grounded in extensive research and interviews with practicing principals • Provides a wealth of examples, strategies, tips, and best practices for leading the human resources function at the school level • Chapter exercises and case studies explore the skills and knowledge needed for

effective human resource leadership • Details the significance of developing a positive school climate • Legal aspects of human resources administration are made digestible and understandable

Planning Guide for Maintaining School Facilities Tom Szuba 2003 This title is no longer available in print. However, please visit the NCES website at <http://nces.ed.gov/pubsearch/pubsinfo.asp?pubid=2003347> to view an electronic version of the text. As America's school buildings age, we face the growing challenge of maintaining the nation's education facilities at a level that enables our teachers to meet the needs of the 21st century learners. This tool

has been developed to help readers better understand why and how to develop, implement, and evaluate a facilities maintenance plan. It focuses on: maintenance as a vital task in the responsible management of an education organization, the needs of an education audience, strategies and procedures for planning, implementing, and evaluating maintenance programs, a process to be followed, rather than a canned set of "one size fits all" solutions, and recommendations based on "best practices", rather than mandates. The document offers recommendations on the following important issues, which serve as chapter headings: Introduction to School Facilities Maintenance Planning Planning for School Facilities Maintenance Facilities Audits (Knowing What You Have) Providing a Safe Environment for Learning Maintaining School Facilities and Grounds Effectively Managing Staff and Contractors Evaluating Facilities Maintenance Efforts
