Even if having her there makes him question everything he's ever done wrong in his life. Starting with letting her go. Friends The worst time to hear someone wants to be just friends is when you're breathing the same air and seconds from crossing that line. But that's exactly when Kyra tells Slade she's not interested. Working together and being together would make things too complicated. But seeing each other every day, talking and laughing and working together, makes it impossible to resist the pull they both feel. She never thought getting to know him would be good for her, but letting him know her just might save her life. Family Rocky was only trying to do the right thing. Give back to a stranger. Searching for Lilly: A small town contemporary suspenseful romance Susan Stoker
2022-03-26 The most dangerous predator on the mountain may not be the legendary Sasquatch. Ethan "Chaos" Watson never expected to use his skills as a former Navy SEAL and current search and rescue expert to track down Bigfoot. But when a paranormal investigator goes missing while filming in the mountains near Fallport, Virginia, Ethan and his team are called in to find the man. A task made harder when they're trailed by a camera crew. Camerawoman Lilly Ray was already reaching the end of her rope on the hokey, ridiculous paranormal shoot. Now the producer has ordered her to stick to the SAR team to get their every move on video. Admittedly not a hardship; she noticed Ethan her first day in town, and the more time they spend together, the more attracted she becomes. When the search stretches on for days, then weeks, it seems clear her co-worker didn't just wander off trail, getting lost in the woods. Foul play is evident, and soon, everyone on the cast and crew is suspect. As the team steps up their search, someone is equally determined to use the disappearance to their advantage. Then Lilly herself goes missing, and Ethan and his team will turn over every rock and leaf in the Appalachians to locate her...before it's too late. He wasn't looking for love, but it found him anyway—and he's not letting anyone take away the woman who's become his whole world. ** Searching for Lilly is the first book in the Eagle Point Search & Rescue Series. I learned everything I could about story structure, writing romances, and reading mystery and suspense thrillers; however, it was hard to find books or courses on writing romantic suspense. Therefore, after reading hundreds of romances, mysteries, thrillers, and romantic suspense novels, and studying story structure and characterization, as well as on-the-job writing and critiquing, I put together this book to help you write thrilling and successful romantic suspense novels.
