MLN. 1903 MLN pioneered the introduction of contemporary continental criticism into American

scholarship. Critical studies in the modern languages--Italian, Hispanic, German, French--and recent work in comparative literature are the basis for articles and notes in MLN. Four single-language issues and one comparative literature issue are published each year.

**Faith's Checkbook** C.H. Spurgeon 2014-10-09 Faith's Checkbook, written by world-renowned British pastor Charles H. Spurgeon, provides daily deposits of God's promises into your personal bank of faith. Spurgeon urges you to view each Bible promise as a check written by God that can be cashed by personally endorsing it and receiving the gift it represents. Cash in on the bountiful store of blessings when you withdraw daily from the Bank of Faith. This captivating eBook devotional offers inspiration and delight in our Lord, and it encourages readers to take God's promises to heart in just a few minutes of reading each day. Each verse is followed by a brief thought or application, making this eBook ideal for personal or family devotions wherever you may go. The Table of Contents is linked so you can conveniently find your place where you left off. If you skip a day, no problem, you can easily begin on the next day's reading. "A promise from God may very instructively be compared to a check payable to order," wrote Spurgeon. "It is given to the believer with the view of bestowing upon him some good thing. It is not meant that he should read it over comfortably, and then have done with it. No, he is to treat the promise as a reality, as a man treats a check."

*The History of the Jews in the Greco-Roman World* Peter Schäfer 2003-09-02 The History of the Jews in the Greco-Roman World examines Judaism in Palestine throughout the Hellenistic period, from Alexander the Great's conquest in 334BC to its capture by the Arabs in AD 636. Under the Greek, Roman and finally Christian supremacy which Hellenism brought, Judaism developed far beyond its biblical origins into a form which was to influence European history from the Middle Ages to the present day. The book focuses particularly on the social, economic and religious concerns of this period, and the political status of the Jews as both active agents and passive victims of history. The author provides a straightforward chronological survey of this important period through analysis and interpretation of the existing sources. With its accessible style and explanation of technical terms, the book provides a useful introduction to students and anybody with an interest in post-biblical Judaism.
