The Boys of Summer Richard Cox 2016-09-06 Both a haunting coming-of-age story set in North Texas against the backdrop of a deadly tornado, and a character-driven, deeply-affecting supernatural thriller. In 1979, a massive tornado devastates the city of Wichita Falls, Texas, leaving scores dead, thousands homeless, and nine-year-old Todd Willis in a coma, fighting for his life. Four years later, Todd awakens to a world that looks the same but feels different in a way he can't quite grasp. For Todd, it's a struggle to separate fact from fiction as he battles lingering hallucinations from his long sleep. The new friends Todd makes in 1983 are fascinated with his experience and become mesmerized by his strange relationship with the world. Together the five boys come of age during a dark, fiery summer where they find first love, betrayal, and a secret so terrible they agree to never speak of it again. But darkness returns to Wichita Falls twenty-five years later, and the boys--now men--are forced to reunite and confront the wounds from their past. When their memories of that childhood summer refuse to align with reality, the friends embark upon a search for truth that will threaten their lives, and transform their understanding of each other--and the world itself--forever.

Dead Team Alpha Jake Bible 2014-03 In the post-apocalyptic, zombie infested wasteland, there is one beacon of safety in the foothills of the Rocky Mountains: The Stronghold. For decades, the inhabitants have fortified and defended the Stronghold from zombie hordes, building their society and culture on military precision. And chosen from the best of the best is Denver Team Alpha. DTA is the elite strike force used to rescue survivors and refugees that have made it to the hellish wasteland of Denver below. But because of the unbelievable risks, and high mortality rate, DTA has come to stand for something else: Dead Team Alpha. Now DTA will be put to the test as something far worse than zombies comes at them out of the wasteland.

Legacy Tom Abrahams 2018-03-10 She's small. She's quiet. She's deadly. Lou survived the plague that killed her mother. But can she do it alone?LEGACY is a stand-alone novel within The Traveler Series world.

Brutal Planet Sean P. Murphy 2014-02 The experts all anticipated an influenza pandemic, after all these have occurred every ten to fifty years since the sixteenth century. They were just a natural part of being a highly mobile global species. We were ready. A million scenarios on thousands of computers all indicated we had the epidemiology down pat, we were looking for it. It never occurred to anybody that the next biological assault on humanity would have nothing to do with pigs, chickens or ducks. John

Patrick a middle aged biological anthropologist at UMaine Orono whose life is dovetailing into bliss. He finally has a girlfriend, research papers are just flying off his computer and grant money is flowing in. Working isolated in the driest and perhaps oldest desert on Earth, the Atacama, the last thing on his mind is the end of humanity. A poet from the show me state once declared that the end of the world will come with a whimper. He was wrong. It will come with a roar.

The Vatican Knights Rick Jones 2016-06-11 While on a visit to the United States, Pope Pius XIII is kidnapped by a terrorist cell calling itself the Soldiers of Islam. If the United States and its allies do not meet their demands, they will execute the pope. So when FBI Specialist Shari Cohen is called to duty to track down the terrorist cell responsible, she learns that she is not alone. Deep behind the Vatican walls a secret order dispatches a clandestine op group of elite commandos known as the Vatican Knights. Their mission: bring the pope back alive. As Cohen and the Knights work in tandem they uncover a White House conspiracy involving high-ranking members on Capitol Hill. When she begins to get too close to the truth about the pope's kidnapping, she becomes the target of indigenous forces trying to keep the conspiracy safe. However, in order to get to her they must go through the Vatican Knights.

The Shaolin Grandmasters' Text Order of Shaolin Chán 2004 For the last 100 years, the Order of Shaolin Ch'an has worked quietly to preserve the traditions, philosophy, and arts of the Order in the United States of America. since 1970, Shaolin and its martial arts have increasingly become a focal point of popular culture. Misinformation and disinformation have anchored this growing notoriety. In contrast, this volume strives to accurately share what is spiritually meaningful and martially significant about Shaolin. The living authors are Shaolin monks who wish to remain anonymous, but who put the book together largely from written records and orally transmitted teachings from three Shaolin priests, all of whom passed away in the 1970's. They were Li En Huo, Hua Ling P'o, and Ben Ch'i Lo.

Mercenaries Abdel-Fatau Musah 2000 Second volume of Deutscher prize-winning trilogy on the future of IR, tracing the defining characteristics of 'foreign encounters' over time.

A Pound of Flesh Shawn Chesser 2013-01 A Pound of Flesh, Book 4 in the Surviving the Zombie Apocalypse series, picks up the day after "In Harm's Way: Surviving the Zombie Apocalypse" left off. Outbreak - Day 1 Like a fragile house of cards in a hurricane, Presidents, Premiers, entire governments and their ruling bodies disappeared instantly. Some had ensconced themselves in deep underground bunkers or remained holed up in fortified strongholds, but history would tell that most had been swallowed up by the dead - never to be heard from again. WARNING - SPOILERS AHEAD Outbreak - Day 9 Reeling from a surprise attack, and with two fires burning out of control, Schriever AFB goes on high alert. Former CDC Scientist Sylvester Fuentes, the apparent target, is killed along with his assistant Jessica Hanson, Brook's brother Carl and a handful of others. Destroyed in the conflagration was the Omega antiserum Fuentes had been working to perfect, and just hours prior had tested successfully on one of the newly infected. Meanwhile, returning prematurely from a mission to set off two nukes in the path of an advancing horde of living dead numbering several hundred thousand strong, and with his Delta Force commander Mike Desantos infected and dying from the Omega virus, Cade Grayson was forced to do something no friend should have to. Then, shortly after taking Desantos's life, and while still cradling the hard charging operator's corpse, the low rumble of the two nuclear

detonations signaling the mission's likely success rolled over Schriever. Immediately, Delta Force Captain Cade Grayson begins to formulate a plan that will send him hurtling on a collision course with the parties responsible for the terrorist attack. Six hundred miles away in Eden, Utah, Duncan Winters, Vietnam-era aviator, hopes to recuperate and ride out the apocalypse in his survivalist/ Dooomsday prepper brother Logan's compound. In Jackson Hole, Wyoming, the New American capitol and fiefdom of Robert Christian, well-connected billionaire and self-appointed President, Daymon Bush, former BLM firefighter, bides his time with one burning desire: to find his girlfriend Heidi even if it ultimately kills him. Will Cade successfully lobby President Clay and embark on a new mission in order to extract a pound of flesh for Carl and Mike Desantos? Will Brook Grayson and her eleven-year-old daughter Raven continue to temper themselves against the new dangers inside and outside the wire at Schriever? Will Daymon accomplish his goal and survive Jackson Hole? Can the much older Duncan find a way to fit in with his younger brother Logan's prepper friends? Will newly promoted General Ronnie Gaines fit in with the late Commander's fractured Delta team? Can the human race find a way to survive the legions of migrating zombies?

The Providence Rider Robert McCammon 2021-08-17 "A colorful, action-packed tale filled with sinister doings and plenty of good old-fashioned heroics . . . An entertaining ride" set in colonial times (Criminal Element). In the winter of 1703, Matthew Corbett's Manhattan neighborhood is shaken by explosions—and Matthew discovers his old nemesis, Professor Fell, will do anything he can to capture Matthew's attention and obtain his services as a professional problem solver. As a result, Matthew travels from New York to Pendulum Island in the distant Bermudas, taking on various opponents in his quest to come face-to-face with the murderous and manipulative criminal mastermind . . . Filled with twists, turns, and an almost tangible sense of place, and featuring "a gang of villains that would make even Batman run for cover," The Providence Rider is historical thriller writing at its finest, from a New York Times–bestselling, multiple award–winning author (Criminal Element). "A colorful and well-researched depiction of colonial America, enlivened by a rogues' gallery of well-drawn characters . . . A rollicking good yarn." —Publishers Weekly "This popular series takes us to a long forgotten time with characters who never fail to entertain." —The Florida Times-Union

Home Tom Abrahams 2021-02-13 He thought he was prepared. He thought his family was safe. He was wrong. Five years after a pneumonic plague killed two-thirds of the world's population, army veteran Marcus Battle is isolated. He's alone with his guns, his food, and the graves of his wife and child. Unaware of the chaos that's befallen everything outside of his central Texas ranch land, Marcus lives a Spartan life. If anyone steps onto his property he shoots first and never ask questions. But when a woman in distress, chased by marauders, seeks asylum, Marcus has a decision to make. Does he throw her to the wolves to protect himself, or does he help her and leave the shelter and protection of home?

CANYON Tom Abrahams 2018-09-05 Die actiongeladene Fortsetzung des Bestseller-Romans "Die Farm". Er ist heimatlos. Er ist auf der Flucht. Und er will Rache. Marcus Battle musste Haus und Hof zurücklassen. Nun ist er auf der Suche nach einem vermissten Kind - eine scheinbar unlösbare Mission, denn was ihn wirklich antreibt, ist der Wunsch nach Rache. Rache an jenen Männern, die sein Leben zerstörten. Die Welt, durch die ihn seine Reise führt, ist nicht mehr so, wie er sie in Erinnerung hatte, bevor eine Seuche zwei Drittel der Weltbevölkerung dahinraffte. Sie ist zu einem gesetzlosen, verdorbenen Ort verkommen, der weitaus tödlicher ist als die Seuche, die sie schuf. Battle gab das Versprechen, dieses Kind zu finden und zu retten. Ein Versprechen, welches er mit jedem weiteren Schritt auf seiner Reise mehr bereut, denn nun ist er nicht länger nur Jäger, sondern auch Gejagter.

Rag Men Rocky Alexander 2013-12 This is what the beginning of the end looks like. They call it the Qilu virus. It came from the East, from somewhere along the Yellow River in China. It swept across the world within weeks, turning normal people into savage lunatics. There is nothing anyone can do to stop it. Former boxer, Colin Ross, is determined to flee the mountain town of Wenatchee, Wa, before it is devastated by the virus, but to do it he must survive trigger-happy police, hordes of the infected, and the brutal winter cold. And in plague-ravaged Seattle, a man called Rooster leaves a path of sadistic violence and murder on his quest for vengeance against a dangerous enemy.

Jurassic Dead Rick Chesler 2014-10-07 An Antarctic research team hoping to study microbial organisms in an underground lake discovers something far more amazing: perfectly preserved dinosaur corpses. After one thaws and wakes ravenously hungry, it becomes apparent that death, like life, will find a way. Environmental activist Alex Ramirez, son of the expedition's paleontologist, came to Antarctica to defend the organisms from extinction, but soon learns that it is the human race that needs protecting.

Play with Fire William Shaw 2019-08-13 In hedonistic 1960s London, a police detective investigates the unexpected connections between two suspicious deaths: a call girl and a rock star. In the summer of '69, the hard-living rockers of the British Invasion still rule London when former Rolling Stone Brian Jones is found floating in the pool of his palatial home. On a quiet residential block that should be far removed from the swinging party scene, Detective Sergeant Cathal Breen investigates the murder of a young woman. But the victim, known professionally as Julie Teenager, was a call girl for the rich and famous. Her client list is long, and thick with suspects-all rich, powerful, and protected. As DS Breen hones in on his prime target, he receives a pointed warning: Watch your back. Fortunately, Breen doesn't have to work alone. His keenly intuitive, deeply moral partner Helen Tozer, despite the

pregnancy that's interrupted her policing career, can't help being drawn into the case of a girl used and cast aside. Tense and dramatic, unfolding at a blistering pace, *Play With Fire* is a gripping police thriller set in the darkly technicolor world of the 1960s.

Data Just Right Michael Manoochehri 2013 Presents an introduction to data analytics, describing the management of multi-tetabyte datasets, such query tools as Hadoop, Hive, and Google BigQuery, the use of R to perform statistical analysis, and advanced data visualization tools.

The Mad Mick: Book One of the Mad Mick Series Franklin Horton 2018-10-03 "Rock-solid characters, buzz-saw action and backstories deserving of books of their own. Amazing..." Conor Maguire nearly lost his daughter Barb when she was three years old, injured by the drunk driver that killed his wife. When the justice system failed him, Conor -- the son and grandson of IRA bombers -- retaliated against the driver in dramatic and gruesome fashion. While an ironclad alibi prevented the police from pinning the murder on Conor, it did not prevent a covert agency within the US government from recruiting the talented young bomber and machinist. For over twenty-five years, Conor designed and built custom weapons of death and destruction at his compound in the mountains of Virginia. Then a series of devastating terror attacks brought down the United States. Conor and Barb assumed they were safe in their secure compound. They had food and a water source. They were armed and highly-trained. Then Barb was kidnapped. The kidnappers, needing slave labor for their farm, didn't know why Conor was known as The Mad Mick. They didn't know the fear and respect his name invoked in the shadowy world of covert operations. They didn't know that when it came to protecting his family, he was without conscience, without compassion, and without equal. But they would soon find out.

Hell Walks: A Kaiju Thriller David Dunwoody 2014-10-10 Almost overnight, massive superstorms appear around the globe. Defying natural law, they converge in the Arctic and become one apocalyptic megastorm, disrupting weather systems, communication and security worldwide. Chaos reigns...and then the storm breaks. The clouds part. And the real threat emerges. It will come to be known as Hell Walks. Seven miles tall, its every step causes cataclysmic disasters whose effects ripple across continents. Worse yet, attempts to battle the beast unleash smaller, more aggressive kaiju from its body - smaller, but each capable of obliterating a major city on its own. With no answers as to the things' origins, humanity turns on itself and crumbles in the face of the nightmare. Years later, the original beast stands dormant and has become an artificial mountain, while its offspring continue to rampage. Frank Eckman helps lead a band of survivors as they attempt to avoid the active kaiju. Avoid, that is, until Frank begins experiencing visions which draw him toward the sleeping giant. Frank believes he holds the key to ending the apocalypse, but he may just be another of its wretched pawns. High in the clouds, Hell Walks stirs.

The China Pandemic A. R. Shaw 2013-12-04 What the world dreads most has happened - a mutated avian flu pandemic has ravaged the global population. Whether accidental or intentional, only two percent of the population has survived. In the Pacific Northwest, a dying mother recognizes that her young child is among the immune. What will she do to ensure his survival before her own death? Meanwhile, as natural predators invade urban areas, Graham has buried his last remaining family member and promised to carry out his father's advice to make it to the family cabin. He meets with triumph and tragedy learning new rules along the way. Just when he thinks he's finally got a handle on this new world, he's taken by surprise as he learns he's not alone. A hidden community of Preppers is nearby. Will he find the strength to escape these dangers and go on living? And more importantly, will he have the ability to protect those he's come to trust?"In the near future, 98 percent of the Earth's population has been wiped out by a virus developed by the Chinese that was inadvertently unleashed onto the world. In the Pacific Northwest, one man, math professor Graham Morgan, finds the will to live. Having lived through the nightmarish experience of watching his pregnant wife wither away and die, Morgan is now faced with the task of burying his beloved father. All alone in a world increasingly ruled by wild animals--and ruthless human predators--Morgan's goal of making it to an old family cabin deep in the wilderness near a secluded lake is complicated when a dying woman leaves her 5-year-old son at his feet just before she dies. Morgan's journey with the boy takes more than a few unexpected turns as they travel through the dangerous wasteland of what was once civilization. By the time they reach their destination, his group (which now includes 15-year-old twin girls whom Morgan courageously saved from the clutches of a madman) must come to grips with their new reality: Winter is coming, supplies are running out, and there may be a gang of killers living across the lake. Powered by adept character development and relentless pacing, this post-apocalyptic novel, the first in a

series...makes for a page-turning, end-of-the-world-as-we-know-it reading experience. ...readers will find Morgan to be an endearing hero at world's end. The beginning of what could be a riveting apocalyptic saga." -Kirkus Review

December Park Ronald Malfi 2021-01-05 "A complex and chilling tale of friends, family and the often murderous secrets that hide in the dark" from the award-winning author of *Bone White* (Robert McCammon, New York Times–bestselling author). The Piper has come to take the children away . . . In the fall of 1993, fifteen-year-old Angelo Mazzone sees his first dead body. The murder is linked to the Piper, the possible abductor of three other children—who haven't been found—over the past few months. Some people in town say the woods are haunted, but Angelo and his friends head in anyway, to search the darkness for a monster. What they find there will change who they are—and everything they once believed in . . . "A frightening, thoroughly engaging read with a deeply moving series of narrative motifs running throughout, ones that needle the mind and tug at the heart in the best way . . . A triumph of suspense, an affectionate ode to adolescence and by far Ronald Malfi's strongest effort to date." —Horror Novel Reviews "Malfi is a man of many voices, a sort of literary version of Mel Blanc (the 'man of a thousand voices'), but all of his voices are captivating, though none of them quite the same. Horror and crime fans will find much to like here." —Booklist

Pox Tom Abrahams 2021-03-06 A devastating earthquake. A biohazard breach. A race to survive the worst of nature and humankind. This is the *Alt Apocalypse*. The mind-bending conclusion to the groundbreaking, genre-splitting series connects the previous four installments through an incredibly woven story which moves through space and time. All of your questions are answered in the epic sci-fi adventure: *Pox*.

Falling for the Playboy Kennedy Fox 2018-11-09 Never trust a man who gets paid to take off his clothes for a living and then uses it as a pick-up line to get girls in bed with him. That should've been enough for me to call in sick that day. I've worked with male cover models like him before and they're all the same—smooth-talking, sexy as sin, egotistical know-it-alls who think they're God's gift to women—all traits I know to steer clear of. Assisting authors comes with many perks—reading on the job, using my organizing skills on a daily basis, drinking coffee by the gallons—but Maverick Kingston barges into my life and demands more than I can handle. When we're forced to road trip across the country together, he pushes every boundary I have and rearranges my thoughts on playing it safe. And when he "accidentally" drops his towel, he makes it very clear what he's offering and proves he's packing more than abs of steel under his clothes. Working with him was brutal, but falling for him was unexpected. And playing by the rules will be impossible. This is a complete STANDALONE novel - filled with plenty of humor, steam, & romance! 18 & up only due to explicit sexual content, language, and adult content.

New York Jackie Bridget Watson Payne 2014-03-11 As familiar as we are with images of Jacqueline Kennedy Onassis, the charming former first lady, fewer know the dynamic woman who called New York City home. Shortly after JFK's assassination in 1964, Jackie moved to Manhattan and lived there for the next three decades. This intimate collection of photographs celebrates her life in the city as a mother, book editor, style icon, and most of all, a New Yorker. Eating ice cream with her kids on Fifth Avenue, working with authors at Doubleday Books, riding her bike through Central Park—these images capture the real-life joy, creative passion, and effortless grace of New York Jackie.

They feel only pleasure and never pain, even as they are injured, maimed, and mutilated. The few who remain unaffected struggle to survive, unaware that things are about to get unbelievably worse. Cooper is among the few survivors of a conspiracy to depopulate the world. One week ago, college was his biggest concern. Now he is on a perilous journey to find his sister. But zombies aren't the only threat he faces. In this nightmarish reality, the living can be far more dangerous.

The Bar at the End of the World Tom Abrahams 2020-03-24 A starving city. A renegade bootlegger. A battle for the future of mankind. Zeke is a bad guy. He didn't choose to be. It's just who he is. It's who he has to be to survive in a post-apocalyptic world where trust is as scarce as water. He's got nobody. No family. No friends. And he left behind the woman he loved for her own good. But it's time to change. After a brush with death far out in the wasteland, he decides he's done risking his life to help his greedy bosses control who gets to drink water and when. Now, he's stranded in a bar in the middle of nowhere, surrounded by the perfect kind of ruffians who can help him go back and make things right. Armed with renewed purpose and a one-of-a-kind muscle car, Zeke hunts for redemption, seeks retribution and, maybe, just maybe, he can get his girl back while he's at it. Take a ride across the wasteland in Tom Abrahams' newest post-apocalyptic, dystopian series, but with a fantasy twist. It will leave you wondering just what it means to be human. It's perfect for fans of A.G. Riddle, Hugh Howey, and Stephen King's *The Dark Tower*.

Primordial Island Rick Poldark 2019-12-10 During a violent storm Flight 207 crash-lands in the South China Sea. Poseidon Tech tracks the wreckage to an uncharted island and dispatches a curious salvage team--two paleontologists, a biologist specializing in animal behavior, a botanist, and a nefarious big game hunter. Escorted by a heavily-armed security team, they cut through the jungle and quickly find themselves in a terrifying fight for survival, running a deadly gauntlet of prehistoric predators. In their quest for the flight recorder, they uncover the mystery of the island's existence and discover an arcane force that will tip the balance of power on the primordial island. Things are not as they seem as they race against time to survive the island's man-eating dinosaurs and make it back home in one piece.

The Bar in the Middle of Nowhere Tom Abrahams 2020-09-22 An icy wasteland. A walled Metropolis. Two worlds. One mission. Zeke Watson has the weight of every world on his shoulders. A mysterious threat endangers all of existence and he is tasked with rescuing the past, the present, and the

future. While he leads a team onto a frozen tundra, Adaliah Bancroft sets out for a gleaming metropolis. Both of them are tasked with the same goal. Two tips of the same spear, at least one of them will fail. But can the other succeed and reapply balance to the universe? Ride along for the high-octane finale of The Watchers Series. It's perfect for fans of A.G. Riddle, High Howey, and Stephen King's The Dark Tower.
