Joe Steele Harry Turtledove 2015-04-07 New York Times bestselling author Harry Turtledove's thought-provoking forays into the past have produced such intriguing "what-if" novels as *Ruled Britannia*, *Days of Infamy*, and *Opening Atlantis*. Now "the maven of alternate history" (The San Diego Union-Tribune) envisions the election of a United States President whose political power will redefine what the nation is—and what it means to be American.... President Herbert Hoover has failed America. The Great Depression that rose from the ashes of the 1929 stock market crash still casts its dark shadow over the country. Despairing and desperate, the American people hope one of the potential Democratic candidates—New York governor Franklin D. Roosevelt and California congressman Joe Steele—can get the nation on the road to recovery. But fate snatches away one hope when a mansion fire claims the life of Roosevelt, leaving the Democratic party little choice but to nominate Steele, son of a Russian immigrant laborer who identifies more with the common man than with Washington D.C.'s wealthy power brokers. Achieving a landslide victory, President Joe Steele wastes no time pushing through Congress reforms that put citizens back to work. Anyone who gets in his way is getting in the way of America, and that includes the highest in the land. Joe Steele's critics may believe the government is gaining too much control, but they tend to find themselves in work camps if they make too much noise about it. And most people welcome strong leadership, full employment, and an absence of complaining from the newspapers—especially as Hitler and Trotsky begin the kind of posturing that seems

sure to drag America into war.

Remapping Habitus in Translation Studies Gisella M. Vorderobermeier 2014-05-20 The publication deliberately concentrates on the reception and application of one concept highly influential in the sociology of translation and interpreting, namely habitus. By critically engaging with this Bourdieusian concept, it aspires to re-estimate not only interdisciplinary interfaces but also those with different approaches in the discipline itself. The authors of the contributions collected in this volume, by engaging with the habitus concept, lend expression to the conviction that it is indeed “a concept which upsets”, i.e. one with the potential to make a difference to research agendas. They are cutting across diverse traditions of Bourdieu reception within and beyond the discipline, each paper being based on unique research experiences. We do hope that this volume can help to find and maintain the delicate balance between consolidating an area of research by insisting on methodological rigour as well as on the sine-qua-non of a given body of thought on the one hand and being critically inventive on the other.

Captain Corelli's Mandolin Louis De Bernières 2008 This is a great love story set in the tragedy of war. It is 1941. The Italian officer, Captain Corelli, falls in love with Pelagia, a young Greek girl. But Pelagia's fiancé is fighting the Italian army ...

The Wedding Officer Anthony Capella 2007-05-01 In the sumptuous tradition of *Chocolat* and *Captain Corelli's Mandolin*, and already optioned for a major motion picture, comes a magical tale of romantic passion, culinary delight—and Italy. Captain James Gould arrives in wartime Naples assigned to discourage marriages between British soldiers and their gorgeous Italian girlfriends. But the innocent young officer is soon distracted by an intoxicating young widow who knows her way around a kitchen...Livia Pertini is creating feasts that stun the senses with their succulence—ruby-colored San Marzana tomatoes, glistening anchovies, and delectable new potatoes encrusted with the black volcanic earth of Campania—and James is about to learn that his heart may rank higher than his orders. For romance can be born of the sweet and spicy passions of food and love—and time spent in the kitchen can be as joyful and exciting as the banquet of life itself!

Station Jim Louis De Bernières 2019-11-07 A heartwarming tale about a mischievous dog who works on the steam trains. Beautifully illustrated, it is the perfect gift. One day in autumn, in the days when all the trains were driven by steam, a railway guard found something abandoned on a train... Mr Ginger Leghorn is used to collecting up umbrellas and other lost property but he's never found an abandoned puppy on his train before. He has no intention of keeping it but his five children - Alfie, Arthur, Beryl, Sissy and Albert - have other ideas and Jim is soon a much-loved, but often disruptive, member of the family. Whether it's his feud with the cat, getting stuck in rabbit-holes, accidentally going to sea, accompanying the children to school or carol singing at Christmas, Jim has a knack of making himself the centre of attention. This little black and tan puppy with its small bright eyes and very waggy rump becomes something of a hero in his town, and even catches the eye of the King himself. *Station Jim* is a story for both children and adults and includes delightful pictures by celebrated illustrator Emma Chichester Clark.

Ventanas sobre el Atlántico Carlos X. Ardavín Trabanco 2011-11-28 Aquest volum examina algunes de les representacions, interaccions i relacions que s'han produït entre Espanya i Estats Units des de 1975 fins a 2008 en els camps de la literatura, el cinema, la política, la historiografia, els estudis culturals i la música. Aquest nou estudi interdisciplinari té entre els seus objectius la creació de diàlegs, l'obertura de noves perspectives, la promoció de debats no només sobre les cultures espanyola i nord-americana sinó també de les premisses, mètodes i vies d'anàlisi acadèmica de les mateixes. s'inclouen ací assajos d'investigació i textos breus de caràcter testimonial 'en alguns casos, ficcional', en els que una varietat de notables escriptors, artistes i intel·lectuals espanyols comparteixen impressions, reflexions, valoracions, i fins i tot anècdotes personals sobre els Estats Units i la cultura nord-americana.

In Love and War Maria Corelli 2001 In Love and War is a true story of love, betrayal and courage, with echoes of Louis de Berniere's Captain Corelli's Mandolin. It is a fascinating portrait of occupied Rome, complete with photos and original wartime documents.

Christian Bale Harrison Cheung 2012-05-29 The darkest Batman is unmasked. During the London press junket for The Dark Knight in the summer of 2008, Christian Bale was infamously accused of assaulting his mother and sister at the five-star Dorchester Hotel. Six months later, a recording of Bale's rant on the set of Terminator Salvation was leaked, and the star's anger began to define him. But beyond his notorious temper, Bale, an Academy Award-winning actor for his role in The Fighter, is known for his ability to physically transform himself for roles in American Psycho, The Machinist, and as one of Hollywood's most revered and bankable characters—Batman. In Christian Bale: The Inside Story of the Darkest Batman, Best Biography winner in the 2013 Indie Excellence Awards and finalist in the 2013 Indie Book Awards, a 2013 Indie Book Awards Finalist for Best Biography, Bale's former publicist and assistant Harrison Cheung—his real-life Alfred—shares an inside look into the little-known personal life of the intensely private and reclusive actor. In the first biography of the Batman star, Cheung, who lived and worked with Christian and his father for 10 years, shares firsthand accounts of the Bales' familial dysfunction, Christian's morbid fascinations and dark humor, and his extreme dedication to his craft. Aware that Bale hated his traditional publicity duties, Cheung launched an extensive Internet marketing campaign for the actor, built the first official actor website for him, and cultivated the Baleheads, an online fan community that was used to garner editorial coverage and ultimately help Bale secure the role of the Caped Crusader. Written with veteran Hollywood and entertainment reporter Nicola Pittam, Christian Bale: The Inside Story of the Darkest Batman uncovers Bale's transformation from shy, English child actor to Internet sensation to Hollywood bad boy. *FOR DISTRIBUTION IN THE U.S. AND CANADA ONLY*

Exploring English Grammar Caroline Coffin 2013-04-15 This engaging textbook bridges the gap between traditional and functional grammar. Starting with a traditional approach, students will develop a firm grasp of traditional tools for analysis and learn how SFG (Systemic Functional Grammar) can be used to enrich the traditional formal approach. Using a problem-solving approach, readers explore how grammatical structures

function in different contexts by using a wide variety of thought-provoking and motivating texts including advertisements, cartoons, phone calls and chatroom dialogue. Each chapter focuses on a real world issue or problem that can be investigated linguistically, such as "mis"-translation or problems arising from a communication disorder. By working on these problems, students will become equipped to understand and analyze formal and functional grammar in different genres and styles. With usable and accessible activities throughout, *Exploring English Grammar* is ideal for upper undergraduate and postgraduate students of English language and linguistics.

Imagining Alexandria Louis de Bernières 2013-08-15 Poetry was Louis de Bernières' first literary love and *Imagining Alexandria* is his debut poetry collection. Here the author of the much-loved *Captain Corelli's Mandolin* returns us to the vivid Mediterranean landscape of his fiction. De Bernières was introduced to Greek poetry while in Corfu in 1983, and since then he has always travelled with a book of Cavafy's poetry in his pocket. Not surprisingly, his own poems about the distant past, the erotic and the philosophical owe much to the influence of the great Alexandrian poet. Beautifully illustrated with line drawings by Donald Sammut, this is a collection rich in sensuality, nostalgia, and music.

The British Cinema Book Robert Murphy 2019-07-25 The new edition of *The British Cinema Book* has been thoroughly revised and updated to provide a comprehensive introduction to the major periods, genres, studios, film-makers and debates in British cinema from the 1890s to the present. The book has five sections, addressing debates and controversies; industry, genre and representation; British cinema 1895-1939; British cinema from World War II to the 1970s, and contemporary British cinema. Within these sections, leading scholars and critics address a wide range of issues and topics, including British cinema as a 'national' cinema; its complex relationship with Hollywood; film censorship; key British genres such as horror, comedy and costume film; the work of directors including Alfred Hitchcock, Anthony Asquith, Alexander Mackendrick, Michael Powell, Lindsay Anderson, Ken Russell and Mike Leigh; studios such as Gainsborough, Ealing, Rank and Gaumont, and recent signs of hope for the British film industry, such as the rebirth of the low-budget British horror picture, and the emergence of a British Asian cinema. Discussions are illustrated with case studies of key films, many of which are new to this edition, including *Piccadilly* (1929) *It Always Rains on Sunday* (1947), *The Ladykillers* (1955), *This Sporting Life* (1963), *The Devils* (1971), *Withnail and I* (1986), *Bend it Like Beckham* (2002) and *Control* (2007), and with over 100 images from the BFI's collection. The Editor: Robert Murphy is Professor in Film Studies at De Montfort University and has written and edited a number of books on British cinema, including *British Cinema and the Second World War* (2000) and *Directors in British and Irish Cinema* (2006). The contributors: Ian Aitken, Charles Barr, Geoff Brown, William Brown, Stella Bruzzi, Jon Burrows, James Chapman, Steve Chibnall, Pamela Church Gibson, Ian Conrich, Richard Dacre, Raymond Durnat, Allen Eyles, Christine Geraghty, Christine Gledhill, Kevin Gough-Yates, Sheldon Hall, Benjamin Halligan, Sue Harper, Erik Hedling, Andrew Hill, John Hill, Peter Hutchings, Nick James, Marcia Landy, Barbara Korte, Alan Lovell, Brian McFarlane, Martin McLoone, Andrew Moor, Robert Murphy, Lawrence Napper, Michael O'Pray, Jim Pines, Vincent Porter, Tim Pulleine, Jeffrey Richards, James C. Robertson, Tom Ryall, Justin Smith, Andrew Spicer, Claudia Sternberg, Sarah Street, Melanie Williams and Linda Wood.

Sunday Morning at the Centre of the World Louis De Bernières 2001 Capturing the myriad voices of modern Britain, with their different rhythms of speech and accents, their humour and their tragedy, jokes and gossip, this book describes the community and spirit of a south London suburb.

Sigi and the Italian Girl Stephen Hale 2017-04-17 "An accomplished, absorbing and superbly structured novel of love and war." Amazon reviewer, Canada "A poignant and vibrant exploration of love, betrayal, remorse and joy." Amazon reviewer, UK Two inter-twined love stories, separated by half a century. A gripping wartime saga of soldiers and their girlfriends, devotion and betrayal, heroism and treachery. A stirring contemporary single-dad romance about mothers and their sons, loneliness and longing, family secrets and lies... During one of Europe's darkest hours, the brutal occupation of Fascist Italy in 1944-5, nineteen-year-old Siegfried 'Sigi' Brandt is stationed with the German army in the spectacularly remote village of Madonna del Bosco, far from the front line of battle. Sigi falls for alluring local beauty Tiziana, a descendant of witches. Secretive about her family's affiliations, wary of accusations of collaboration, Tiziana meets Sigi furtively in the old coven's den up on the hillside. From the mountains, as she casts her seductive spell on the German boy, the Resistance threatens the tiny garrison and the villagers must make painful choices. 65 years later, Sigi's English grandson, single-dad Ben, abandons London with his five-year-old son to live the simple life in the same quaint village, now a hippy haven. Old Siegfried, aged and infirm, arrives from Hamburg to visit his family and to revisit his past. Whilst wooing his own Italian girl under sunny skies - feisty, childless, unhappily married Antonella - Ben unearths a disturbing secret about his grandfather's wartime romance. With its brave cast of female characters and its moving tale of love and war, this family saga - about mothers and their sons, grandfathers and their grandsons, lovers and their adultery - will appeal broadly. Readers of literary fiction will enjoy the novel's sensual imagery and its time-shifting chronology. Fans of war-time fiction will be hooked by its suspenseful treatment of Nazi oppression and Resistance. Devotees of literary romance will take pleasure in the joys, and suffer the pains, of the book's two paramours, Sigi and Ben, each under the spell of his own Italian amica. 'The shifts between past and present, together with their associated themes of romance, treachery, loneliness and lust, give the novel a powerful momentum.' 'This is deft writing indeed, as Stephen Hale juggles themes of loyalty, romance, treachery and redemption in this compelling tale of war and its aftermath - a remarkable achievement for a debut novelist taking on a work of such scope.' For those who enjoyed 'Captain Corelli's Mandolin', 'The English Patient' and 'Birdsong', this story of passion and courage in the face of war will entertain, enthrall and intrigue.

Experience and Memory Jörg Echternkamp 2010-12-30 Modern military history, inspired by social and cultural historical approaches, increasingly puts the national histories of the Second World War to the test. New questions and methods are focusing on aspects of war and violence that have long been neglected. What shaped people's experiences and memories? What differences and what similarities existed in Eastern and Western Europe? How did the political framework influence the individual and the collective interpretations of the war? Finally, what are the benefits of Europeanizing the history of the Second World War? Experts from Belgium, Germany, France, Great Britain, Italy, Luxembourg, Poland, and Russia discuss these and other questions in this comprehensive volume.

1990s, The: A Decade of Contemporary British Fiction Nick Hubble 2015-05-21 How did social, cultural and political events in Britain during the 1990s shape contemporary British Fiction? From the fall of the Berlin Wall to the turn of the millennium, the 1990s witnessed a realignment of global politics. Against the changing international scene, this volume uses events abroad and in Britain to examine and explain the changes taking place in British fiction, including: the celebration of national identities, fuelled by the move toward political devolution in Northern Ireland, Scotland and Wales; the literary optimism in urban ethnic fictions written by a new generation of authors, born and raised in Britain; the popularity of neo-Victorian fiction. Critical surveys are balanced by in-depth readings of work by the authors who defined the decade, including A.S. Byatt, Hanif Kureishi, Will Self, Caryl Phillips and Irvine Welsh: an approach that illustrates exactly how their key themes and concerns fit within the social and political circumstances of the decade.

Smart Tourism as a Driver for Culture and Sustainability Vicky Katsoni 2019-01-31 This book explores the latest developments in the field of smart tourism, focusing in particular on the important cultural and sustainability synergies that have emerged during the digital era. The aim is to elucidate how ICTs can promote innovation and creativity in the tourism and leisure sector in ways that take into account cultural and social responsibilities, foster sustainable tourism management, and enhance cultural tourism, cultural heritage, and sustainable development. The book is based on the proceedings of the Fifth International Conference of the International Association of Cultural and Digital Tourism (IACuDiT), attended by academics and industry practitioners from cultural, heritage, communication, and innovational tourism backgrounds, and is edited in collaboration with IACuDiT. It will have broad appeal to professionals from academia, industry, government, and other organizations who wish to learn about novel perspectives in the fields of tourism, travel, hospitality, culture and heritage, leisure, and sports within the context of a knowledge society and smart economy in which sustainability is becoming ever more important.

Birds Without Wings Louis de Bernières 2010-06-18 *Birds Without Wings* traces the fortunes of one small community in southwest Turkey (Anatolia) in the early part of the last century—a quirky community in which Christian and Muslim lives and traditions have co-existed peacefully over the centuries and where friendship, even love, has transcended religious differences. But with the disintegration of the Ottoman Empire and the onset of the Great War, the sweep of history has a cataclysmic effect on this peaceful place: The great love of Philothei, a Christian girl of legendary beauty, and Ibrahim, a Muslim shepherd who courts her from near infancy, culminates in tragedy and madness; Two inseparable childhood friends who grow up playing in the hills above the town suddenly find themselves on opposite sides of the bloody struggle; and Rustem Bey, a wealthy landlord, who has an enchanting mistress who is not what she seems. Far away from these small lives, a man of destiny who will come to be known as Mustafa Kemal Atatürk is emerging to create a country from the ruins of an empire. Victory at Gallipoli fails to save the Ottomans from ultimate defeat and, as a new conflict arises, Muslims and Christians struggle to survive, let alone understand, their part in the great tragedy that will reshape the whole region forever.

Corelli's Mandolin Louis de Bernieres 2012-10-17 Extravagant, inventive, emotionally sweeping, Corelli's Mandolin is the story of a timeless place that one day wakes up to find itself in the jaws of history. The place is the Greek island of Cephallonia, where gods once dabbled in the affairs of men and the local saint periodically rises from his sarcophagus to cure the mad. Then the tide of World War II rolls onto the island's shores in the form of the conquering Italian army. Caught in the occupation are Pelagia, a willful, beautiful young woman, and the two suitors vying for her love: Mandras, a gentle fisherman turned ruthless guerilla, and the charming, mandolin-playing Captain Corelli, a reluctant officer of the Italian garrison on the island. Rich with loyalties and betrayals, and set against a landscape where the factual blends seamlessly with the fantastic, Corelli's Mandolin is a passionate novel as rich in ideas as it is genuinely moving.

Film Marketing into the Twenty-First Century Nolwenn Mingant 2015-10-28 How do you sell British humour to a French audience? Could piracy actually be good for the film business? Why are The Hobbit's revolutionary technologies not mentioned in some adverts? Exploring these questions and many more, Film Marketing into the Twenty-First Century draws on insights from renowned film academics and leading industry professionals to chart the evolution of modern film marketing. The first part of the book focuses on geographical considerations, showing how marketers have to adapt their strategies locally as films travel across borders. The second covers new marketing possibilities offered by the Internet, as Vine, Facebook and other participative websites open new venues for big distributors and independents alike. Straddling practical and theoretical concerns and including case studies that take us from Nollywood to Peru, this book provides an accessible introduction to the key issues at stake for film marketing in a global era.

The Autumn of the Ace Louis de Bernières 2020-11-05 'De Bernieres is a singular, cherishable voice' Mail on Sunday From the master of historical fiction, this book follows an unforgettable family after the Second World War. Some bonds are hard to break... Daniel Pitt was an RAF fighter in the First World War and an espionage

agent for the SOE in the Second. Now the conflicts he faces are closer to home. Daniel's marriage has fractured beyond repair and Daniel's relationship with his son, Bertie, has been a failure since Bertie was a small boy. But after his brother Archie's death, Daniel is keen for new perspectives. He first travels to Peshawar to bury Archie in the place he loved best, and then finds himself in Canada, avoiding his family and friends back in England. Daniel and Bertie's different experiences of war, although devastating, also bring with them the opportunity for the two to reconnect. If only they can find a way to move on from the past...

The Dust That Falls from Dreams Louis de Bernières 2015-08-04 From the acclaimed author of Corelli's Mandolin, here is a sumptuous, sweeping, powerfully moving new novel about a British family whose lives and loves are indelibly shaped by the horrors of World War I and the hopes for its aftermath. In the brief golden years of the Edwardian era the McCosh sisters—Christabel, Otilie, Rosie and Sophie—grow up in an idyllic household in the countryside south of London. On one side, their neighbors are the proper Pendennis family, recently arrived from Baltimore, whose close-in-age boys—Sidney, Albert and Ashbridge—shake their father's hand at breakfast and address him as "sir." On the other side is the Pitt family: a "resolutely French" mother, a former navy captain father, and two brothers, Archie and Daniel, who are clearly "going to grow up into a pair of daredevils and adventurers." In childhood this band is inseparable, but the days of careless camaraderie are brought to an abrupt halt by the outbreak of The Great War, in which everyone will play a part. All three Pendennis brothers fight in the hellish trenches at the front; Daniel Pitt becomes an ace fighter pilot with his daredevil tendencies intact; Rosie and Otilie McCosh volunteer in the hospitals, where women serve with as much passion and nearly as much hardship as the men at the front; Christabel McCosh becomes one of the squad of photographers sending "snaps" of their loved ones at home to the soldiers; and Sophie McCosh drives for the RAF in France. In the aftermath of the war, as "the universal joy and relief were beginning to be tempered by . . . an atmosphere of uncertainty," everyone must contend with the modern world that is slowly emerging from the ashes of the old. A wholly immersive novel about a particular time and place, *The Dust That Falls from Dreams* also illuminates the timeless ways in which men and women carry profound loss alongside indelible hope.

A Partisan's Daughter Louis de Bernières 2010-07-01 Set in North London during the Winter of Discontent, *A Partisan's Daughter* features the relationship between Chris, an unhappily married, middle-aged Englishman and Roza, a young Serbian woman who has recently moved to London. While driving through Archway in the course of his job as a medical rep, Chris is captivated by a young woman on a street corner. Clumsily, he engages her in conversation, and he secures an invitation to return one day for a coffee. His visits become more frequent and Roza starts to tell him the story of her life, drawing him increasingly into her world – from her childhood as a daughter of one of Tito's Partisans through her journey to England and on to her more recent colourful and dangerous past in London. *A Partisan's Daughter* is about the power of storytelling. It is also a beautifully wrought and unlikely love story which is both compelling and moving to read. Here is another wonderful novel from the author of the bestselling *Birds Without Wings* and *Captain Corelli's Mandolin*.

A Partisan's Daughter Louis De Bernières 2009 Chris is in his forties: bored, lonely, trapped in a loveless, sexless marriage. He's a stranger to the 1970s youth culture of London, a stranger to himself on the night he invites a

prostitute into his car. Roza is Yugoslavian, recently moved to London. She's in her twenties, but has already lived a life filled with danger and misadventure.

Notwithstanding Louis de Bernieres 2010-06-07 Welcome to the village of Notwithstanding where a lady dresses in plus fours and shoots squirrels, a retired general gives up wearing clothes altogether, a spiritualist lives in a cottage with the ghost of her husband, and people think it quite natural to confide in a spider that lives in a potting shed.

Captain Corelli's Mandolin Steve Clark 2001 The island of Cephallonia is now familiar as the setting of the novel *Captain Corelli's Mandolin*. This book explores the turbulent history of the island, focusing on the World War II years of Italian occupation, as well as telling the behind-the-scenes story of how the film version was made. The filmmakers have added their own visions, carefully explained here in an official companion to the movie, and de Bernieres' introduction shows how he anticipated that. All he could do to ensure respectful treatment of his novel was insist it should not be sold to Hollywood. The history of the filming is itself fascinating--the search for the cast, the locations, even the guns for the battle sequences. Film journalist Steve Clark has done a good job here, aided and abetted by the stunning Greek island setting and ample action and character stills from the film.

Rewriting the Hero and the Quest Tatiana Golban 2014-06-13 Although Louis de Bernieres is a famous and important contemporary novelist, and his work <Captain Corelli's Mandolin has been translated and sold all over the world as a best-seller, there are few academic studies that focus methodologically and theoretically on it. The book attempts to partially overcome this handicap by focusing on various thematic and structural aspects which have been practically ignored so far by this line of criticism. It targets experts and students in literary studies whose concerns are ancient myths and their contemporary revival and reimagining, and who are familiar with goals and methods of myth criticism and archetypal critical discourse, and especially with their current postmodern and postmodernist perspectives."

The Routledge Handbook of Translation History Christopher Rundle 2021-09-30 The Routledge Handbook of Translation History presents the first comprehensive, state-of-the-art overview of this multi-faceted disciplinary area and serves both as an introduction to carrying out research into translation and interpreting history and as a key point of reference for some of its main theoretical and methodological issues, interdisciplinary approaches, and research themes. The Handbook brings together 30 eminent international

scholars from a wide range of disciplinary backgrounds, offering examples of the most innovative research while representing a wide range of approaches, themes, and cultural contexts. The Handbook is divided into four sections: the first looks at some key methodological and theoretical approaches; the second examines some of the key research areas that have developed an interdisciplinary dialogue with translation history; the third looks at translation history from the perspective of specific cultural and religious perspectives; and the fourth offers a selection of case studies on some of the key topics to have emerged in translation and interpreting history over the past 20 years. This Handbook is an indispensable resource for students and researchers of translation and interpreting history, translation theory, and related areas.

Stylistics Lesley Jeffries 2010-09-30 Stylistics is the linguistic study of style in language. It aims to account for how texts project meaning, how readers construct meaning and why readers respond to texts in the way that they do. This book is an introduction to stylistics that locates it firmly within the traditions of linguistics. Organised to reflect the historical development of stylistics from its origins in Russian formalism, the book covers key principles such as foregrounding theory, as well as more recent developments in cognitive stylistics. It includes an examination of both literary and non-literary texts, and substantial coverage of methodologies for stylistic analysis. Throughout the book, the emphasis is on the practicalities of producing stylistic analyses that are objective, replicable and falsifiable. Comprehensive in its coverage and assuming no prior knowledge of the topic, Stylistics will be essential reading for undergraduate and graduate students new to this fascinating area of language study.

Enduring Love Ian McEwan 2010-07-20 In one of the most striking opening scenes ever written, a bizarre ballooning accident and a chance meeting give birth to an obsession so powerful that an ordinary man is driven to the brink of madness and murder by another's delusions. Ian McEwan brings us an unforgettable story—dark, gripping, and brilliantly crafted—of how life can change in an instant.

The Troublesome Offspring of Cardinal Guzman Louis de Bernières 2012-06-13 With the same ebullient storytelling, luxuriant prose, and irrepressible eroticism he brought to *The War of Don Emmanuel's Nether Parts* and *Señor Vivo and the Coca Lord*, Louis de Bernières continues his chronicle of Cochadebajo, the Andean village where macho philosophers, defrocked priests, and reformed (though hardly inactive) prostitutes cohabit in cheerful anarchy. But this unruly utopia is imperiled when the demon-harried Cardinal Guzman decides to inaugurate a new Inquisition, with Cochadebajo as its ultimate target. On his side, the Cardinal has an army of fanatics who are all too willing to destroy bodies in order to save souls. The Cochadebajeros have precious little ammunition, unless you count chef Dolores's incendiary Chicken of a True Man, and a civil defense that deems nothing more crucial than the act of love. Part epic, part farce, *The Troublesome Offspring of Cardinal Guzman* confirms de Bernières's reputation as England's answer to Gabriel García Márquez.
