Brave Will Matt Hladun 2010-01-27 On September 12, 2008, Will Hladun was admitted to the hospital. Six days later he was diagnosed with a rare form of

cancer and given a slim chance of survival. He was two-months old at the time. For nearly every day during his five month battle with cancer, Will's father wrote letters to him in hopes that some day Will would have a better understanding of what happened to him when he was a baby. The letters shared the fears, the triumphs, the sadness, and the courage of a little baby boy that became known across the country and world as Brave Will. The letters gave everyone who followed a glimpse into the struggles of a family trying to cope with the unthinkable. However, in the midst of tragedy, a little baby, who couldn't speak a word, managed to teach lessons about life, hope, courage, devotion, and love. And for that, we are forever grateful to have been part of the life of Brave Will.

Mini Giles Chapman 2019-04-30 Mini celebrates 60 amazing years of this iconic car, from its revolutionary introduction to the popularity of its new-generation models. The first two-door Mini, introduced in 1959 and built until 2000, revolutionized automotive design with its innovative front-wheel-drive layout that made the car appear bigger on the inside than the outside. In 1999, the Mini was voted the second most influential car of the 20th century, behind the Ford Model T. Designed for British Motor Corporation (BMC) by Sir Alec Issigonis and manufactured in England, Australia, Spain, Belgium, Chile, Italy, Portugal, South Africa, Uruguay, Venezuela, and Yugoslavia, the Mini was as successful in competition as it was on the street, winning the Monte Carlo Rally four times from 1964 through 1967. Originally built by BMC, the Mini's later parent company, Rover, was acquired by BMW in 1994. In 2000, BMW sold most of the Rover Group but retained the Mini brand. The last and 5,387,862nd original Mini rolled off the production line in October, 2000. In July 2001, BMW launched production of the new-generation of Mini which was soon joined by Countryman, Clubman, convertible, Cooper Works, and numerous special editions. Nearly 20 years later, the new Minis remain as popular as the original from 1959.
