dealing with *sshholes All in a clear, fun-to-use format to help you avoid sh*tshows and crush your goals! Get this unique gift today!

Rewrite the Stars Charleigh Rose 2018-11-02 Evangeline Thorne is privileged. Beautiful and popular, if not a little jaded. A chance encounter with a green-eyed stuntman sets off a chain of events that turns her perfect, little world upside down. Short on options and desperate for adventure, she joins the traveling carnival for the summer. Thrust into a world full of drama, deception, and secrecy, Evangeline tries to find herself and protect her heart in the process. Sebastian McAllister is cursed. He knows better than to think otherwise. He's content to live out the rest of his life traveling the country as one of the four Sons of Eastlake, seeking thrills the only way he knows how. The one thing he doesn't see coming is the spoiled blond with stars in her eyes. The only problem is, the more time he spends with her, the more hope starts to stir in his dormant heart. Too bad hope is a dangerous thing when you're a McAllister.

Essentials Weekly Planner Stickers Inc Peter Pauper Press 2017-06 Personalize your agenda and stay extra-organized with this set of hundreds of stylish planner stickers! Betting on Love Mary Beesley 2021-03-24 Tempest Swan is out for revenge. Billionaire Leonard Allred's software program has put her out of a job. She makes a bet with a friend that she'll get Leonard to take her on a date so she can get retribution, but a fortuitous accident with an adorable nerd might just derail her vengeance. Leonard has reasons for hiding his identity from the public. It's worked well for him so far, until he starts falling for the honest and witty Tempest. But how can he destroy their budding romance by admitting he's actually the guy she hates?

Carpe Fucking Diem Snarky Rants 2019-11-20 Awesome Notebook - Journal - Diary Ideal for punching today in the face, planning world domination, epic ideas... Psychoanalytic Perspectives on Puberty and Adolescence Gertraud Diem-Wille 2020-12-30
Puberty is a time of tumultuous transition from childhood to adulthood activated by rapid physical changes, hormonal development and explosive activity of neurons. This book explores puberty through the parent-teenager relationship, as a "normal state of crisis", lasting several years and with the teenager oscillating between childlike tendencies and their desire to become an adult. The more parents succeed in recognizing and experiencing these new challenges as an integral, ineluctable emotional transformative process, the more they can allow their children to become independent. In addition, parents who can also see this crisis as a chance for their own further development will be ultimately enriched by this painful process. They can face up to their own aging as they take leave of youth with its myriad possibilities, accepting and working through a newfound rivalry with their sexually mature children, thus experiencing a process of maturity, which in turn can set an example for their children. This book is based on rich clinical observations from international settings, unique within the field, and there is an emphasis placed by the author on the role of the body in self-awareness, identity crises and gender construction. It will be of great interest to psychoanalysts, psychotherapists, parents and carers, as well as all those interacting with adolescents in self, family and society.

Do What Makes Your Soul Shine Summersdale Publishers 2019-07-11 You're at your best when you're doing what you love, so follow your passions and let your inner light shine out! This little book, packed with inspiring quotes and uplifting statements, is here to help you dazzle the world with your brightest, happiest self.

The Count of Monte Cristo Alexander Dumas 2019-06-27 The Count of Monte Cristo is an adventure novel by French author Alexandre Dumas. It is one of the author's most popular works, along with The Three Musketeers. Like many of his novels, it is expanded from plot outlines suggested by his collaborating ghostwriter Auguste Maquet. The story takes place in France, Italy and islands in the Mediterranean during the historical events of 1815–1838. It begins from just before the Hundred Days period (when Napoleon returned to power after his exile) and spans through to the reign of Louis-Philippe of France. The historical setting is a fundamental element of the book. An adventure story primarily concerned with themes of hope, justice, vengeance, mercy and forgiveness, it focuses on a man who is wrongfully imprisoned, escapes from jail, acquires a fortune and sets about getting revenge on those responsible for his imprisonment. However, his plans have devastating consequences for the innocent as well as the guilty. In addition, it is a story that involves romance, loyalty, betrayal and selfishness, shown throughout the story as characters slowly reveal their true inner nature. The book is considered a literary classic today. According to Luc Sante, "The Count of Monte Cristo has become a fixture of Western civilization's literature, as inescapable and immediately identifiable as Mickey Mouse, Noah's flood, and the story of Little Red Riding Hood."

The Embalmer Rayne Havok 2017-03-26 Sadie is tempted by a body in the funeral home. She can't help herself, her curiosity is too strong. The depraved and obscene thoughts won't disappear, and with nothing holding her back, she succumbs to her sick desires.

How to Be Idle Tom Hodgkinson 2013-07-30 Yearning for a life of leisure? In 24 chapters representing each hour of a typical working day, this book will coax out the loafer in even the most diligent and schedule-obsessed worker. From the founding editor of the celebrated magazine about the freedom and fine art of doing nothing, The Idler, comes not simply a

book, but an antidote to our work-obsessed culture. In *How to Be Idle*, Hodgkinson presents his learned yet whimsical argument for a new, universal standard of living: being happy doing nothing. He covers a whole spectrum of issues affecting the modern idler—sleep, work, pleasure, relationships—bemoaning the cultural skepticism of idleness while reflecting on the writing of such famous apologists for it as Oscar Wilde, Robert Louis Stevenson, Dr. Johnson, and Nietzsche—all of whom have admitted to doing their very best work in bed. It's a well-known fact that Europeans spend fewer hours at work a week than Americans. So it's only befitting that one of them—the very clever, extremely engaging, and quite hilarious Tom Hodgkinson—should have the wittiest and most useful insights into the fun and nature of being idle. Following on the quirky, call-to-arms heels of the bestselling *Eat, Shoots and Leaves: The Zero Tolerance Approach to Punctuation* by Lynne Truss, *How to Be Idle* rallies us to an equally just and no less worthy cause: reclaiming our right to be idle.

[Carpe F*cking Diem!](#) Dawid Mental 2020-02-09 With that notebook, everything going to be possible again. Highly inspirational quote helps you enjoy your life or job. A Choice of Emblemes Geoffrey Whitney 1971

Nothing But Trouble P. Dangelico 2019-03-30 Reagan Reynolds...Water polo god.Owner of a face that belongs under Wikipedia's definition of drop dead gorgeous.Too charming for his own good.But most importantly--the worst driver on the planet.No, really, I'm pretty sure his blind nana taught him how to drive.I had no idea who he was until he almost ran me over. And frankly, I kind of wish I still didn't because then I wouldn't have a sprained ankle to show for it. And my leg wouldn't resemble a boa constrictor that's swallowed a feral pig. Yeah, it's that bad.I've spent years saving every penny I've ever earned to be able to transfer to Malibu University. And now my entire future--including my scholarship--is in jeopardy. So I either accept the help he insists on giving me, or lose everything I've sacrificed for. In the meantime, I'm going to ignore the fact that we're becoming friends.And I'm definitely going to pretend he's not turning into the object of my...umm, dirty fantasies. That's not happening. Not even a little.Because the minute I clapped eyes on him I knew he was nothing but trouble.

Instant Happy Notes Postcard Book Sourcebooks 2017-05 What can brighten the day more than an unexpected happy message? *Instant Happy Notes Postcards* provides 30 bright and happy postcards designed to share the smiles. The Golden Treasury of the Best Songs and Lyrical Poems in the English Language Francis Turner Palgrave 1867

To the Moon Malini Agarwal 2018-01-07 'You're a trendsetter and always ahead of the curve. You're so much fun and deserve every bit of the success you've achieved!' - Deepika Padukone 'Malini is the fashion and scoop police of Bollyland...she never "miss"es a beat. Good luck with the book!' - Karan Johar 'Over the years, I've seen Malini grow from being a blogger to being a brand, as she and her team continue to carve a niche for themselves in the entertainment and lifestyle space! Empowered women, empower other women and Malini has been a fitting example of that.' - Ekta Kapoor 'MissMalini our darling girl, kick some serious butt in the literary world now. Look forward to it love.' - Kangana Ranaut 'MissMalini is someone who brought about digital journalism. Her social media presence is huge. Her book is a must read and I want to congratulate her on this new journey.' - Varun Dhawan Don't start by wanting to be a rich-and-famous anything. Close your eyes and imagine the one thing you'd want to do for the rest of your life and find a way to make THAT your career. Malini Agarwal's story began much like any Bollywood movie from the nineties - with a pigeon, a damsel in distress and Mumbai, the city of dreams. She realized soon enough that she was destined to be someone extraordinary. The clapboard sounded with the launch of a hobby blog by this dancer, RJ and columnist who went on to become the founder of the biggest entertainment website of its kind. Brand MissMalini took the world by storm before the era of blogging and entertainment journalism, and much before Facebook, Twitter and Snapchat dominated public consciousness. The rest is history. MissMalini is entertainment's #BossLady. #ToTheMoon is her mantra and her story. In this dazzling book, full of wisdom and wit, she tells you how to get to the top and stay there.

In a Perfect World Trish Doller 2017-05-23 When her mother has the chance to establish an eye clinic for the poor in Cairo, Egypt, seventeen-year-old Caroline reluctantly gives up her plans for a summer spent with her best friend and boyfriend and instead moves to Cairo, where she encounters a culture and city that enchant her and a charming boy who challenges her thoughts on love, faith, and privilege.

Carpe F*cking Diem Journal Sourcebooks 2020-06 A journal to stop the bullsh*t and seize the f*cking day! Packed with profanity and the IDGAF spirit, this is the perfect journal to say it like it is and get back to what matters. Finally ditch the anxiety, shake off the stress, and take a moment each day to focus on the number one f*cking person in your life--you! With journal pages, space for list-making, and laugh-out-loud swears, this is the journal that encourages you to embrace the c'est la f*cking vie attitude and focus on your happiness. Hilarious and with a self-care attitude that tells you to take a damn nap and eat that f*cking ice cream, this is the perfect gift for the swearsy person in your life and the ideal journal to carry with you all damn day.

Wicked Weapon Cari Silverwood 2016-03-24 Zorie is lost, again. Friends can become enemies and enemies can become friends. What is a man who declares himself your knight in cracked and bloody armor, when he seems to be leading you to your doom? Mavros, once known as Mister Black, has vanished. Zorie and Grimm are in the hands of unscrupulous men. She will emerge either dead, enslaved, or with revenge in her heart, and a lethal hairpin in her hand to kill those who have hurt the innocent. Hairpin or bullet, dead is dead.

Never Give Up Summersdale 2017-06-08 'Even if you fall on your face, you're still moving forward.' Victor Kiam Following your dreams can be easier said than done, especially on the days when the obstacles just keep on coming. With a host of inspirational quotes and statements, this little book is here to give you the motivation you need to get back on board and never give up!

Flash Wisdom Russ Kick 2015-03-01 The right quotation can change your life. That compressed idea--expressed in just a few words, a sentence or two--can shift your thinking, trigger an epiphany, alter your way of seeing the world. The wisest, most experienced, and most thoughtful people in history have left us these little thought-bombs. And this book collects them: surprising, jolting, discomfoting, and comforting insights into living a full, unbridled life, questioning authority and reality, relating to fellow humans, creating, risking, loving, living with uncertainty, and staying sane in an insane world. Poets, philosophers, scientists, musicians, artists, presidents, mystics, activists, academics, and others rub shoulders, giving us the benefit of their hard-earned wisdom, breakthroughs, breakdowns, bad choices, sudden illuminations, and lightning wit. Sharing some of life's most important lessons are William Blake and Bruce Lee, Abraham Lincoln and Lorrie Moore, Fyodor Dostoevsky and Terence McKenna, René Magritte and St. Teresa of Avila, Zelda Fitzgerald and James Baldwin, and hundreds more. Neatly arranged into topics we wonder about, Flash Wisdom's rousing insights and challenging thoughts will appeal to anyone who is searching, anyone who doesn't fit in, anyone who questions the way things are...which is to say, all of us

The Skinny Confidential Lauryn Evarts 2014-03-04 A comprehensive collection of lifestyle information, including tips on eating, exercising, and fashion.

The Precious Present Spencer Johnson 1998-11 In your hands you are holding an incredible little story about the ultimate secret of human happiness. Author Dr Spencer Johnson's unique allegory tells the story of a young child who learns about the fabulous "Precious Present" and then spends a lifetime searching for the mysterious gift.

The Books in My Life Henry Miller 1969 In this unique work, Henry Miller gives an utterly candid and self-revealing account of the reading he did during his formative years.

Carpe Diem Roman Krznaric 2017-05-23 "Brilliant. One of those rare books that forces you to ask what the hell you're doing with your life." --George Monbiot, The Guardian **One of Forbes' 13 Best Books for Summer 2017** We've all heard the saying "seize the day." But what does it really mean--and how can we use it to jumpstart our lives? In the age of distraction, carpe diem is more essential than ever, and yet many of us simply don't employ it in our lives. In this thought-provoking and empowering book, cultural writer Roman Krznaric unpacks the history, philosophy, and modern-day applications of "seizing the day" and delivers a rousing call to action for anyone who wants to improve their lives--or our world. Carpe Diem is a far-ranging read, drawing on everything from the neuropsychology of regret to the anthropology of play, from medieval carnival rites to religious conceptions of the afterlife and early Japanese cinema. Offering food for thought as well as inspiring takeaways, the book examines not just the contributions of great thinkers throughout history, but also reveals insights from the lives of great seize-the-day practitioners including nightclub dancers, war photographers, bored housewives, and committed revolutionaries--offering a wide range of solutions to the daunting challenge of leading a meaningful life.

The Darkest Minds Alexandra Bracken 2012-12-18 Book one in the hit series that's soon to be a major motion picture starring Amandla Stenberg and Mandy Moore--now with a stunning new look and an exclusive bonus short story featuring Liam and his brother, Cole. When Ruby woke up on her tenth birthday, something about her had changed. Something alarming enough to make her parents lock her in the garage and call the police. Something

that got her sent to Thurmond, a brutal government "rehabilitation camp." She might have survived the mysterious disease that killed most of America's children, but she and the others emerged with something far worse: frightening abilities they cannot control. Now sixteen, Ruby is one of the dangerous ones. But when the truth about Ruby's abilities--the truth she's hidden from everyone, even the camp authorities--comes out, Ruby barely escapes Thurmond with her life. On the run, she joins a group of kids who escaped their own camp: Zu, a young girl haunted by her past; Chubs, a standoffish brainiac; and Liam, their fearless leader, who is falling hard for Ruby. But no matter how much she aches for him, Ruby can't risk getting close. Not after what happened to her parents. While they journey to find the one safe haven left for kids like them--East River--they must evade their determined pursuers, including an organization that will stop at nothing to use Ruby in their fight against the government. But as they get closer to grasping the things they've dreamed of, Ruby will be faced with a terrible choice, one that may mean giving up her only chance at a life worth living.

Tuesday Mooney Talks to Ghosts Kate Racculia 2019 "From the award-winning author of Bellweather Rhapsody, a delightfully clever novel following one woman and a supporting cast of misfits, dreamers and foes as they race to win a treasure hunt inspired by Edgar Allan Poe, left behind by a dying billionaire" --
