**Lake Pavin** Téléspore Sime-Ngando 2018-07-07 This book represents the first multidisciplinary scientific work on a deep volcanic maar lake in comparison with other similar temperate lakes. The syntheses of the main characteristics of Lake Pavin are, for the first time, set in a firmer footing comparative approach, encompassing regional, national, European and international aquatic science contexts. It is a unique lake because of its permanently anoxic monimolimnion, and furthermore, because of its small surface area, its substantially low human influence, and by the fact that it does not have a river inflow. The book reflects the scientific research done on the general limnology, history, origin, volcanology and geological environment as well as on the geochemistry and biogeochemical cycles. Other chapters focus on the biology and microbial ecology whereas the sedimentology and paleolimnology are also given attention. This volume will be of special interest to researchers and advanced students, primarily in the fields of limnology, biogeochemistry, and aquatic ecology.

**Secret Venice** Thomas Jonglez 2018 Five years of research were needed to conceive this exceptional guide, which will allow all lovers of Venice and the Venetians themselves to start exploring the most extraordinary city in the world, away from the beaten path.

**The Parody Exception in Copyright Law** Sabine Jacques 2019-03-07 Parodies have been created throughout times and cultures. A glimpse at the general judicial latitude generally afforded to parodies, satires, caricatures, and pastiches demonstrates the social and cultural value of this particular form of artistic expression. With the advent of technologies and the evolution of copyright legislation, creative endeavours in the form of parody gathered a new youth but became unlawful. While copyright law grants exclusive rights to right-holders, this right is not absolute. Legislation includes specific exceptions, which preclude right-holders from exercising their prerogatives in particular cases which foster creativity and cultural diversity within that society. The parody exception pertains to this ultimate objective by permitting users to reproduce copyright-protected materials for the purpose of parody. To understand the meaning and scope of the parody exception, this book examines and compares five jurisdictions which differ in their protection of parodies: France, Australia, Canada, the US and the United Kingdom. This book is concerned with finding an appropriate balance between the protection awarded to right-holders and the public interest. This is achieved by analysing the parody exception to the economic rights of right-holders, the preservation of moral rights and the interaction of the parody exception with contract law. As parodies constitute an artistic expression protected under the right to freedom of expression, this book also considers the influence of freedom of expression on the

interpretation of this specific copyright exception. Furthermore, this book aims at providing guidance on how to resolve conflicts where fundamental rights are in conflict. This is the first book in English to offer an in-depth investigation into the parody exception in copyright law, and comments on industry practices linked to this form of creative endeavours.

*Swiss Bread* Heddi Nieuwsma 2020-12-20 A piece of Swiss tradition to share with your friends and family: In Switzerland, you will find over 200 different types of bread. Many of these breads have a unique connection to the history, culture and geography of the country. Apart from Fondue, the Sunday "Zopf" is probably the most well-known national food. Bread has been an important part of everyday life in Switzerland for a long time. The majority of Swiss breads have a strong connection to their cantons of origin. Many of the breads also have links to festivities and traditions, such as the Three King's Cake. Bread is also found as an ingredient in many Swiss dishes. Whether you are baking for the first time or have a lot of experience already, this book offers you plenty of recipes to try out. With many fascinating stories appearing alongside these recipes, you will get to know Switzerland through its delicious bread.

*Eleven Madison Park* Daniel Humm 2011 Eleven Madison Park is one of New York City's most popular fine-dining establishments, and one of only a handful to receive four stars from the New York Times. Under the leadership of Executive Chef Daniel Humm and General Manager Will Guidara since 2006, the restaurant has soared to new heights and has become one of the premier dining destinations in the world. "Eleven Madison Park : the cookbook" is a sumptuous tribute to the unforgettable experience of dining in the restaurant, where the latest culinary techniques are married with classical French cuisine. The book features more than 125 sophisticated recipes, arranged by season, adapted for the home cook, and accompanied by stunning full-color photographs by Francesco Tonelli.

*Advanced Intelligent Systems for Sustainable Development (AI2SD'2018)* Mostafa Ezziyyani 2019-02-13 This book gathers papers presented at the International Conference on Advanced Intelligent Systems for Sustainable Development (AI2SD-2018), which was held in Tangiers, Morocco on 12–14 July 2018. It highlights how advanced intelligent systems have successfully been used to develop tools and techniques for modeling, prediction and decision support in connection with the environment. Though chiefly intended for researchers and practitioners in advanced intelligent systems for sustainable development, the book will also be of interest to those working in environment and the Internet of Things, environment and big data analysis, summarization, prediction, remote sensing & geo-information, geophysics, marine and coastal environments, and sensor networks for environment services.

**Walking and Trekking in the Gran Paradiso** Gillian Price 2018-02-15 A guidebook to the Gran Paradiso National Park in the Valle d'Aosta, in north-western Italy, describing the 12-stage 148km Alta Via 2 trek, and 28 day walks ranging from 2 to 33km. The first part of this guidebook describes the Alta Via 2, a strenuous trek in 12 day stages from Chardonnay to Courmayeur, passing beneath the foot of Mont Blanc, which is best suited to experienced Alpine hikers. The successive chapters contain walks suitable for visitors who prefer to make their base in a valley hotel or campsite and embark on shorter excursions. A handful of excellent traverses is also included, brilliant routes that convey walkers to wild exhilarating heights and act as links between the valleys. Suggestions are given for combining these into a further series of long-distance routes. The guidebook provides plenty of practical information on getting to and around the region, as well as advice on accommodation, language, equipment, planning and how to make the most out of any adventure in one of Italy's most spectacular national parks. A wealth of detail of information on wildlife, history, geology and flowers is also included.

*The New Luxury Experience* Wided Batat 2019-04-29 This professional book introduces marketing and luxury brand professionals to a new definition of luxury and the art of designing the ultimate luxury experience in both the physical space (e.g., in-store, hotel, restaurant) and the digital space (e.g., social media, website, e-commerce). Specifically, it offers an overview of customer experience issues and explores big five experiential strategies that can be applied by luxury houses in order to provide the best luxury experience to their customers. Themes such as quality of customer luxury experience, immersion and co-production/co-creation in luxury, creation and management, digital and immersive marketing, and innovative market research are also examined. How do consumers define luxury? Is there one luxury or several "luxuries"? What kind of luxury experiences consumers want to live? How can luxury houses design the ultimate luxury experience? More than in any other sector, luxury consumption is a response to a search for emotions, pleasure, uniqueness, consideration and greatest services. The luxury consumer wants to live luxury experiences – not just buy luxury products or services. In this way, this book presents the luxury consumption experience as a combination of symbolic meaning, subconscious processes and nonverbal cues and characterized by fantasies, feelings and fun. Featuring case studies and interviews from international luxury sectors and brand managers such as Burberry, Dior, Porsche, Breitling, St. Regis Hotels & Resorts, and Louis Vuitton, among others, this book offers both a research and management perspective on luxury experience to professionals in the luxury sector (e.g., CEOs, brand managers, marketing and communication professionals), as well as marketing professors, students, and people eager to learn more about how to design the ultimate luxury experience. Praise for *The New Luxury Experience* "This book provides a holistic perspective on marketing of luxury brands, offering both useful practical advice as well as illustrating important cases." -- Ravi Dhar, Director, Yale Center for Customer Insights, Yale University "Wided Batat's book offers a fresh, insightful and comprehensive analysis of the concept of the consumer's experience with luxury whatever that may be. The Five

experiential luxury strategies proposed by Wided highlight that luxury management should go above and beyond the design and branding of luxury goods and services. I also commend the consideration given to the younger generations' approach to luxury and to corporate social responsibility aspects. Luxury marketers should find this book very useful indeed." -- Francesca Dall'Olmo Riley, Professor of Brand Management, Kingston Business School, UK

**Not For Tourists Guide to New York City 2022** Not For Tourists 2021-10-12 With details on everything from the Empire State Building to Max Fish, this is the only guide a native or traveler needs to navigate New York's neighborhoods and find the best restaurants, shopping, and more. **The Vietnam War Era** Bruce O. Solheim 2008-11-01 The Vietnam War continues to haunt America's collective memory. With only the Civil War surpassing the Vietnam War in terms of national divisiveness, earlier discord continues as conflicting lessons from the Vietnam War are applied to current U.S. war policy. Bruce O. Solheim provides a broad picture of the Vietnam War era at home and in Southeast Asia by combining historical narrative with biographical profiles and personal reflections, allowing the story to unfold in multiple layers, as seen from all sides of the conflict through the eyes of those who were actually involved. In *The Vietnam War Era*, Solheim explores, and hopes to answer, vital questions about the American war in Vietnam. What lessons have Americans learned from our defeat, and how should we apply that knowledge in implementing current foreign policy? How do we fit the Vietnam War era into our greater historical narrative?

**Manifesta 13 Marseille** Manifesta 13 Marseille 2020-12-04 Die alle zwei Jahre in einer anderen europäischen Metropole stattfindende Manifesta hat nicht umsonst den Ruf inne, ein ausgewiesener Ort für Kreativität und Innovation zu sein. Dafür steht vor allem das Vorprogramm ein, das 2018 in Palermo erprobt wurde und nun 2020 in Marseille fortgeführt wird. Winy Maas' Architekturbüro MVRDV und The Why Factory (t?f) wurden beauftragt, mit den Methoden der artistic

research und neuester Datenanalyse den Stadtraum zu erkunden. Es entstand ein Kompendium sozialer, kultureller, ethischer, religiöser und geografischer Strukturen. Damit soll aber nicht nur ein Status quo beschrieben, sondern ein Prozess angestoßen werden, der auch weit über die Manifesta hinausgeht, um die urbane Zukunft Marseilles zu bereichern. Diese Publikation erlaubt es, selbst Zuschauer und damit Teil dieses Projekts zu werden. MVRDV wurde 1991 gegründet und ist eines der derzeit erfolgreichsten niederländischen Architekturbüros mit Sitz in Rotterdam. Neben Winy Maas gehören Jacob van Rijs und Nathalie de Vries zu den Mitbegründern. Ihr Markenzeichen ist der besondere Einfluss experimenteller Formfindungen in der Architekturplanung. Maas leitet darüberhinaus THE WHY FACTORY (T?F), ein Forschungsinstitut, das die Entwicklung der Stadt untersucht und Zukunftsmodelle entwirft. FESTIVALDATEN Manifesta 13 Marseille 7.6.–1.11.2020

*Global Marketing* Ilan Alon 2020-08-17 Global Marketing, 3rd edition, provides students with a truly international treatment of the key principles that every

marketing manager should grasp. International markets present different challenges that require a marketer to think strategically and apply tools and techniques creatively in order to respond decisively within a fiercely competitive environment. Alon et al. provide students with everything they need to rise to the challenge: Coverage of small and medium enterprises, as well as multinational corporations, where much of the growth in international trade and global marketing has occurred; A shift toward greater consideration of services marketing as more companies move away from manufacturing; A shift from developed markets to emerging markets with more dynamic environments A focus on emerging markets to equip students with the skills necessary to take advantage of the opportunities that these rapidly growing regions present; Chapters on social media, innovation, and technology teaching students how to incorporate these new tools into their marketing strategy; New material on sustainability, ethics, and corporate social responsibility; key values for any modern business; Short and long cases and examples throughout the text show students how these principles and techniques are applied in the real world; Covering key topics not found in competing books, Global Marketing will equip today's students with the knowledge and confidence they need to become leading marketing managers. A companion website features an instructor's manual with test questions, as well as additional exercises and examples for in-class use.
