The dream league Luca Mazzella 2021-03-18T00:00:00+01:00 Where amazing happens, dove accade l'incredibile. È uno degli slogan più vincenti della NBA, perché la massima competizione cestistica mondiale è davvero un "campionato dei sogni", una sfida tra supereroi dove si può assistere dal vivo alla nascita di leggende, terreno fertile per un'epica contemporanea che parte dallo sport e spesso ne valica i confini. A proposito di leggende, eccone qui una buona trentina, una per ogni franchigia attuale. Il criterio per selezionarle è stato semplice: bisognava rispondere alla domanda: «Perché tifi proprio per i Boston Celtics, o per i Los Angeles Lakers, o per i Golden State Warriors? », e così via. A volte la risposta non poteva essere una sola: ci sono binomi inscindibili (Kobe & Shaq, Stockton-to-Malone) e squadre il cui valore è maggiore della somma degli addendi, come i Kings degli anni Duemila o i Grizzlies del Grit 'n Grind. Un viaggio sportivo e umano, emotivo e tecnico, dagli anni Ottanta di Larry Bird ai giorni nostri di LeBron James e Steph Curry, con uno sguardo gettato verso il futuro, quello dell'MVP Giannis Antetokounmpo. Un quadro di imprese agonistiche e storie di vita fuori dal campo, per scoprire i mattoni che compongono la facciata da sogno del palazzo della NBA e accorgersi magari che, quando i supereroi non indossano maschera e mantello, sono uomini come noi. E forse proprio per questo è ancora più bello narrare e ascoltare il loro mito.

University and Society 2019 What role can the university play in the broader community or society in which it is embedded? Must it remain segregated in the halls of science and knowledge, which tower above the community? This book examines the growing number of questions and concerns around university-community relations by exploring widely accepted theories and practices and placing them under new light.
