*The Blood of the Immortals* Françoise Ruscak 2022-05-24 An expedition arrives on the planet Verfebro in search of life's greatest ambition: immortality. What if the key to eternal life were only a few planetary systems away? A motley crew is sent to Verfebro in search of a mystifying elixir—one that runs through the veins of a ferocious local species: the Dracs. The members of the expedition will do anything to uncover the mysteries of life on this planet, no matter the cost.

The First Chronicles of Druss the Legend David Gemmell 2011-06-08 He was known as Druss. The Deathwalker. Though the blood of merciless butchers coursed through his veins, he had found a fragile peace through his love for beautiful, mystical Rowena. Then came the day when Druss returned to their village and found everyone dead--massacred by slavers who had stolen the women to sell for gold. Rowena was among the missing. Armed with only his powerful double-bladed ax, Snaga, Druss went

after Rowena. His journey would carry him from the highest thrones of power to the deepest dungeons of depravity. Along the way, he would battle savage monsters and descend into terrifying lands of black magic and demons. Yet one thing was certain. Druss would have victory . . . or death.

An Enchantment Christian Durieux 2013-01-01 Beautifully constructed in a semi-classical style, this graphic novel features a light-spirited romantic story. This latest installment in the Louvre collection tells the tale of a museum director in a waking dream after his retirement dinner where he wanders the vast halls of the museum before eloping with a muse. The magic of the vast museum melds with the ethereal storytelling to create a unique graphic novel that stands as an unforgettable experience.

**Mandela and the General** John Carlin 2018-11 "Will the Freedom Struggle End in a Bloodbath? Nelson Mandela, the anti-apartheid hero and first leader of the new South Africa, is an international symbol of the power of a popular movement to fight structural racism. But that nonviolent struggle for equality and justice very nearly spiraled into an all-out race war that would have only ended in "the peace of graveyards." As the first post-apartheid elections approach in 1994, with South African blacks poised to take power, the nation's whites fear reprisal. White nationalist militias claiming 50,000 well-armed former soldiers stand ready to fight to the death to defend their cause. They need someone who can lead and unite them. That man is General Constand Viljoen, former chief of apartheid South Africa's military. Mandela knows that he can't avert a bloodbath on his own. He will have to count on his archenemy. Throughout those historic months, the two men meet in secret. Can they trust each other? Can they keep their followers and radical fringe elements from acts of violence? The mettle of these two men will determine the future of a nation. The drama of this contest and the history that pivoted on it comes vividly to life in visual form. Veteran British journalist John Carlin teams up with Catalan artist Oriol Malet to create a historically and artistically rich graphic novel with obvious relevance to today's polarized politics."--Provided by publisher.

**Station 16** Yves H 2014-10-28 May 1997. In Arctic Russia, a border patrol rookie receives a distress call from the long-abandoned Station 16, uninhabited since the days of massive nuclear testing 30 years previously. When he and his squad head out to investigate the call, they find an injured man who claims the rookie was his attacker - but before they can question him further, a massive nuclear explosion rocks the sky. This is a unique and powerful mystery story from one of the finest European comic artists working today.

Abraham Stone Joe Kubert 2020-03-24 Western noir from legendary comic book creator Joe Kubert! After the murder of his family and being left for dead by robber barons, Abraham Stone travels to New York, California, and Mexico in search of a fresh start in life. In his travels, he gets involved in the criminal underworld, the movie business, and even becomes an ally of Pancho Villa.

*Michael Jackson in Comics!* Ceka 2021-02-16 Well beyond his passing in 2009, Michael Jackson remains one of the most adulated and mysterious stars in the world. Incredible singer, brilliant musician, amazing performer, he was just as talented as he was eccentric, adored as well as reviled with sordid accusations, sadly caught between a stolen childhood and a suffocating star system. Discover in this biography mixing comics and documentary chapters, how the youngest of the Jackson 5 was propelled to the front of the stage and then onto one of the most extraordinary solo careers in music. The next volume in the sellout series featuring the Beatles and the Rolling Stones.

Batman Ralph Cosentino 2009 Batman is an iconic hero of the comic book superworld and also a unique one. He is an ordinary man by day and the social saviour by night. His persona is both menacing and

mysterious whilst the true man beneath the costume is heartfelt and sincere. Batman's secret identity is Bruce Wayne, a billionaire playboy, industrialist, and philanthropist. After witnessing the murder of his parents as a child, Wayne trains himself both physically and intellectually and creates a bat-themed costume in order to fight crime, operating in the fictional city of Gotham. Unlike most superheroes, he does not possess any superpowers; he makes use of intellect, detective skills, science and technology, wealth, physical prowess, and intimidation in his war on crime. The initial character was created by artist Bob Kane and writer Bill Finger and first appeared in 1939. Batman became hugely popular soon after his introduction and gained his own comic book title, Batman, in 1940. This highly illustrative, graphic art rendition of the Batman story introduces a new, younger audience to his life story. The art is stereotypically one dimensional and highly indicative of the time from which the character was created. It is true comic-book style, but with text that is simple and accessible.

Lucky Luke Vol. 71 Jul 2018-03-07 Escorting a French artist across the Old West, sure - but all the way to Paris? New experience for Lucky Luke! The 71st adventure of Lucky Luke, and the Old West at its funniest!

**Murder by Injection** Eustace Clarence Mullins 2016-04-21 The present work, the result of some forty years of investigative research, is a logical progression from my previous books: the expose of the international control of monetary issue and banking practices in the United States; a later work revealing the secret network of organizations through which these alien forces wield political power—the secret committees, foundations, and political parties through which their hidden plans are implemented; and now; to the most vital issue of all, the manner in which these depredations affect the daily lives and health of American citizens. Despite the great power of the hidden rulers, I found that only one group has the power to issue life or death sentences to any American—our nation's physicians. I discovered that these physicians, despite their great power, were themselves subjected to very strict controls over every aspect of their professional lives. These controls, surprisingly enough, were not wielded by any state or federal agency, although almost every other aspect of American life is now under the absolute control of the bureaucracy. The physicians have their own autocracy, a private trade association, the American Medical Association. This group, which is headquartered in Chicago, Illinois, had gradually built up its power until it assumed total control over medical schools and the accreditation of physicians. The trail of these manipulators led me straight to the same lairs of the international conspirators whom I had exposed in previous books. I knew that they had already looted America, reduced its military power to a dangerously low level, and imposed bureaucratic controls on every American. I now discovered that their conspiracies also directly affected the health of every American. This conspiracy has resulted in a documented decline in the health of our citizens. We now rank far down the list of civilized nations in infant mortality and other significant medical statistics. I was able to document the shocking record of these cold-blooded tycoons who not only plan and carry out famines, economic depressions, revolutions and wars, but who also find their greatest profits in their manipulations of our medical care. The cynicism and malice of these conspirators is something beyond the imagination of most Americans. They deliberately mulct our people of millions of dollars each year through "charitable" organizations and then use these same organizations as key groups to bolster their Medical Monopoly. Fear and intimidation are the basic techniques by which the conspirators maintain their control over all aspects of our health care, as they ruthlessly crush any competitor who challenges their profits. As in other aspects of their "behavioural control" over the American people, their most constantly used weapon against us is their employment of federal agents and federal agencies to carry out their intrigues. The proof of this operation may be the most disturbing revelation of my work.

**The Legend of the Deathwalker** David Gemmell 2011-06-08 Enter a powerful realm of legend, dark sorcery, and conquest, where the mighty Drenai warrior Druss faces his most deadly opponent . . . Druss the Legend, the dark axman known as the Deathwalker, must join the warrior Talisman on a mission of blood and glory. Only the stolen Eyes of Alchazzar--mystic jewels of power--will save Druss's dying friend, then unite the Nadir tribes against the evil of the Gothir. Druss agrees to help look for the twin gems--hidden for centuries in the shrine of Oshikai, the Demon-bane, the Nadir's greatest hero. It has been prophesied that with the recovery of the stones, there will come the Uniter, a magnificent fighter who will free the Nadir from brutal oppression. But Garen-Tsen, the sadistic power behind the Gothir throne, also seeks the gems. To control them, he will send five thousand men against a handful of savages, Talisman, and the one Drenai warrior.

**Catherine's War** Julia Billet 2020-01-21 "A shining story of a young girl who struggles to come of age and find her place in a world fraught with danger." —Susan Campbell Bartoletti, Newbery Honor-winning author of *Hitler Youth* \* Winner of the Youth Prize at the Angoulême International Comics Festival (voted by readers) \* Winner of the Artémisia Prize for Historical Fiction \* Winner of the Andersen Premio Prize \* A magnificent narrative inspired by a true survival story that asks universal questions about a young girl's coming of age story, her identity, her passions, and her first loves. At the Sèvres Children's Home outside Paris, Rachel Cohen has discovered her passion—photography. Although she hasn't heard from her parents in months, she loves the people at her school, adores capturing what she sees in pictures, and tries not to worry too much about Hitler's war. But as France buckles under the Nazi regime, danger closes in, and Rachel must change her name and go into hiding. As Catherine Colin, Rachel Cohen is faced with leaving the Sèvres Home—and the friends she made there—behind. But with her beautiful camera, Catherine possesses an object with the power to remember. For the rest of the war, Catherine bears witness to her own journey, and to the countless heroes whose courage and generosity saved the lives of many, including her own. Based on the author's mother's own experiences as a hidden child in France during World War II, *Catherine's War* is one of the most accessible historical graphic novels featuring a powerful girl since *Persepolis* by Marjane Satrapi—perfect for fans of Markus Zusak's *The Book Thief*, Anne Frank, or Helen Keller. Includes a map and photographs of the real Catherine and her wartime experiences, as well as an interview with author Julia Billet. "Many of the settings are beautifully detailed, and the characters undeniably expressive. Catherine's ability to find beauty in the world makes for a forward-looking read." —Booklist \*(starred review)\* "This story will make readers want to join the Resistance. Characters are drawn so vividly that, long afterward, readers will remember their names." —Kirkus An Indie Next List Pick! \*A Junior Library Guild selection\*

**Casa Rodeo** 2021-03-26 It's business as usual at the residence of Titus and his motley crew. Champagne baths, reckless scientific experimentations, casual littering. It's all fun and games, until their house decides it has had enough and goes looking for a better life... leaving the gang without a place to call their own! Will Titus and his friends find a new home, or convince their old one to come back? Thom shows an ever-growing mastery of visual storytelling in this brilliant follow-up to his 2017 debut *VII*. Once again eschewing words altogether, the Montréal-based author channels the chaotic yet precise slapstick of Chuck Jones' Looney Tunes while infusing it with a subtle sense of existential dread. *Casa Rodeo* is about finding one's place in the world, both literally and figuratively.

[Le train des maudits](#) Albert Bonneau 2017-01-20

*Country Dark* Chris Offutt 2018-04-10 "A smart, rich country noir" from the acclaimed author *Kentucky Straight* and *The Good Brother* (Stewart O'Nan, bestselling author of *Henry, Himself*). Chris Offutt is an

outstanding literary talent, whose work has been called “lean and brilliant” (The New York Times Book Review) and compared by reviewers to Tobias Wolff, Ernest Hemingway, and Raymond Carver. He’s been awarded the Whiting Writers Award for Fiction/Nonfiction and the American Academy of Arts and Letters Fiction Award, among numerous other honors. His first work of fiction in nearly two decades, *Country Dark* is a taut, compelling novel set in rural Kentucky from the Korean War to 1970. Tucker, a young veteran, returns from war to work for a bootlegger. He falls in love and starts a family, and while the Tuckers don’t have much, they have the love of their home and each other. But when his family is threatened, Tucker is pushed into violence, which changes everything. The story of people living off the land and by their wits in a backwoods Kentucky world of shine-runners and laborers whose social codes are every bit as nuanced as the British aristocracy, *Country Dark* is a novel that blends the best of Larry Brown and James M. Cain, with a noose tightening evermore around a man who just wants to protect those he loves. It reintroduces the vital and absolutely distinct voice of Chris Offutt, a voice we’ve been missing for years. “[A] fine homage to a pocket of the country that’s as beautiful as it is prone to tragedy.”—The Wall Street Journal “A pleasure all around.”—Daniel Woodrell, author of *Winter’s Bone*

The Jason Fly Case Jean Van Hamme 2011-03-03 After dismantling the conspiracy that nearly claimed his life, XIII returns to his quest of uncovering the past of Jason Fly, the man that he seems to be, by going to his home town of Green Falls.

Specimens of Languages of India George Campbell 2018-05-21 From the introductory remarks. I do not purpose to attempt here any comparisons of the languages shown. I have neither the time nor the ability to do so. Fortunately the language-specimens were obtained before famine came upon us, and now that the printing is completed, I issue them with the briefest possible note. I will only mention one or two salient features in the classification of the non-Aryan tribes of these territories, which the specimens render self-evident. It is very clear that most of the aboriginal tribes of the Central Provinces and several of those of Western Bengal (including in these latter the Dangars, Oraons of Chota Nagpore, Paharies of Rajmehal, and Khonds of Orissa) are radically allied to the Dravidians. Intermixed with these tribes, but speaking a language quite without affinity to the Dravidian tongues, are the tribes which I call Kolarian, forming a minority among the aborigines of the Central Provinces, but a great majority among those of Western Bengal. Throughout the western borders of Bengal, and all over the Chota Nagpore country, these people are very numerous and prolific, and form large, settled, and civilised communities among the best of her Majesty's Indian subjects. Strange as it may seem, I believe that their very fully developed language has not yet been found to have any affinity with any other groups of language whatever, except with one now rapidly dying-out tongue, far away on the eastern side of the Bay of Bengal, the Mon or Talain of Pegu, with which some affinities are, I think, apparent. The specimens numbered 9 and 10 make it clear that all the non-Aryan languages of the Darjeeling, Bhootan, and Nepalese Hills are of the Thibetan type....

**Swimming in Darkness** Lucas Harari 2019-12-03 Pierre is a young man at a crossroads. He drops out of architecture school and decides to travel to Vals in the Swiss Alps, home to a thermal springs complex located deep inside a mountain. The complex, designed by architect Paul Zumthor, had been the subject of Pierre’s thesis. The mountain holds many mysteries; it was said to have a mouth that periodically swallowed people up. Pierre, sketchbook in hand, is drawn to the enigmatic powers of the mountain and its springs, and attempts to uncover the truth behind them in the secret rooms he discovers deep within the complex. But he finds his match in a man named Valeret who is similarly obsessed, and who’d like nothing more than to eliminate his competitor. Gorgeously illustrated, *Swimming in Darkness* is an intriguing, noirish graphic novel about uncovering the powerful secrets of the natural world.

*The Astonishing Exploits of Lucien Brindavoine* Jacques Tardi 2014-01-18 Tardi's first solo graphic novel, available in English for the first time, is a rousing WWI steampunk adventure.

*The Ghost in the Eiffel Tower* Olivier Bley 2004 An underworld of gothic delights.

**The Day of the Black Sun** William Vance 2010 A man washes ashore near an old couple's house, barely alive. When he comes to, he has forgotten everything, including his name. The only clues to his identity: a key sewn into his clothes, a bullet wound to the head - and the number XIII tattooed on his shoulder. A meagre start to reconstruct one's self. Before XIII even begins to investigate, though, his past catches up with him, and it is anything but ordinary. The trail is thin and the body count high, but XIII needs to know. Even if, as the outlines of a massive conspiracy start to appear, some of the truths uncovered seem unpleasant.

**The Invisible Fortress** Jean Van Hamme 2012-02 Still travelling with Kris of Valnor, Thorgal runs afoul of a local tribe. When a mysterious old woman offers him a chance to escape the hostile villagers, he accepts. But there's more to the bargain: She says that if he can make his way into the Invisible Fortress, he'll be able to erase his name from the Stone of the Gods, cancelling his destiny—and finally have a chance at a normal life.

**The Black Widow** Alejandro Jodorowsky 2015-03-01 A Western tale turned on its ear and filled with strange characters and surreal situations.

*The Lonely Nightshades* Lea Malot 2016-01-06 Welcome to St. Mary's, Woodborough's biggest mental institution. Meet Klaudia and her friends, all determined to get better to get out of here... Or to escape by other ways. They're nightshades- these flowers that evolve from being pale to a deep shade of purple, those plants that evocate dark thoughts and moments, they are born innocent, until all of them grow into something so dark and twisted it's almost unrecognisable. And, in the same manner, life would be taken away from them, much... Much too soon.

**Cromwell Stone** Andreas 2019-12-10 This deluxe graphic novel collects Andreas' classic Lovecraftian horror trilogy in English for the first time ever. Cromwell Stone is one of thirteen men who lived through a mysterious sea voyage. Now his fellow survivors are disappearing in unusual and unnerving ways. He sets out to solve the mystery, and finds himself caught up in a much bigger and stranger story.

**The Science of Successful Living** Raymond Charles Barker 2018-12-01 "FEW PEOPLE think of life as a creative experiment. Most of us are so busy with routines that we take life for granted. We expect an endless routine of work, a hectic social life each weekend and two weeks' vacation each year. I trust that the readers of this book will derive from it a new interest in life, a zest for doing what needs to be done, and a technique to live with joyous enthusiasm. "Looking at life from an inspired viewpoint you can see those things which are on the side of greatness and cease resisting the petty and the unimportant. Life is a process of intelligence. It always acts intelligently. Problems are the result of living life unintelligently. "The universe is actually a mental system. Its primary nature is the process of ideas becoming form. Every fact in your world is also an idea in your mind. To get new things in your world you must have new ideas in your consciousness. Few people do enough abstract thinking to create new ideas in their minds. They continually think about what they already know and have known for years. This explains the monotony of their lives. "Select the idea of some new experience you want and then think it without ceasing. Mind will deliver to you everything you need in order to accomplish

your demonstration. This is far from being impossible. The great, the wise, and the true have proven this to be so. You have done it and so have your friends. You may not have thought of the process as being either spiritual or psychological. You intuitively knew a new idea. Your thinking in terms of this idea caused something to happen in your experience. "This book has been written for that large section of today's population which is spiritually liberal and psychologically aware. Those bound by traditional beliefs will cast it aside. It is my desire that thousands will be helped and healed by reading these pages."—Raymond Charles Barker

*Yakari and the Stranger* Derib 2007 Yakari meets a pelican who has a bad cold and can't search for fish, so Yakari asks his friends, the beavers, to help, although the pelican's enormous appetite leaves the beavers worn out.

*Bouncer* Alejandro Jodorowsky 2002 The second volume of this Western tale turned on its ear is filled with strange characters and situations that could only have originated from the mind of "El Topo Director and "Metebarious author. Alejandro Jodorowsky. "Bouncer also features the spectacular art of Francois Boucq one of the pasters of European comics. To avenge his parents murders. young seth must learn to use his father's guns under the tutelage of his uncle a tough as nails one armed Bouncer. However, seth is now part of a cycle of violence and greed that has cursed his family for generations. Gan Seth and Bouncer avenge the murder of Seth's family and put an end to the deadly cycle?

**Blacksad - Volume 6 - They all fall down - Part 1** Juan Diaz Canales 2021-10-20T00:00:00+02:00 Everyone's favorite cat detective is back, and yes, we mean John Blacksad. This time, he's on a particularly thorny case, as he's responsible for protecting the president of a mafia-infiltrated union. This new four-volume story of the bestselling series takes us from soaring heights to terrifying depths as Blacksad navigates from the lofty world of New York theatre to the seedy nether regions of the city, where the criminal classes ply their questionable trades. Towering above them all is the figure of Solomon, a construction magnate well on his way to rebuilding the five boroughs, come hell or high water. Print release by Dark Horse Comics, summer 2022.

*Western* Jean van Hamme 2011 Ten years after Edwyn Van Deer disappeared, Ambrosius Van Deer journeys to Fort Laramie to meet a man who claims he's found his nephew.

*The Durbar* Mortimer Menpes 2017-08-22

**An Internal Parasite of Thysanoptera [Thripoctenus Russelli]** Harry Merwin Russell 1912

**The Arcanum** Janet Gleeson 2009-09-26 An extraordinary episode in cultural & scientific history comes to life in the fascinating story of a genius, greed, & exquisite beauty revealed by the obsessive pursuit of the secret formula for one of the most precious commodities of eighteenth century European royalty-fine porcelain.

**Calypso Calaloo** Donald R. Hill 1993 Classic calypso, one of the greatest creations of Caribbean culture, is more than the frivolous music played for tourists in pink hotels overlooking tropical beaches. Much traditional calypso is also social commentary and has reflected, sometimes not so subtly, Trinidad's difficult social and political evolution.

**I Never Asked to Be the World's Best Boss** Chef Rimer 2019-10-19 I never asked to be the World's

Best Boss. Your #1 Journal for documenting your experiences. This trendy 6" x 9" travel paperback journal contains 110 beautiful pages in which you can write down your life's journey. It can be used as a compact diary or a notes notebook to write essential information, itineraries, memories, reservations, prescriptions, and emergency contacts.
