Night in the Country Cynthia Rylant 1991-03-01 Text and illustrations describe the sights and sounds of nighttime in the country.

Unicode Demystified Richard Gillam 2003 Unicode is a critical enabling technology for developers who want to internationalize applications for global environments. But, until now, developers have had to turn to standards documents for crucial information on utilizing Unicode. In Unicode Demystified, one of IBM's leading software internationalization experts covers every key aspect of Unicode development, offering practical examples and detailed guidance for integrating Unicode 3.0 into virtually any application or environment. Writing from a developer's point of view, Rich Gillam presents a systematic introduction to Unicode's goals, evolution, and key elements. Gillam illuminates the Unicode standards documents with insightful discussions of character properties, the Unicode character database, storage formats, character sequences, Unicode normalization, character encoding conversion, and more. He presents practical techniques for text processing, locating text boundaries, searching, sorting, rendering text, accepting user input, and other key development tasks. Along the way, he offers specific guidance on integrating Unicode with other technologies, including Java, JavaScript, XML, and the Web. For every developer building internationalized applications, internationalizing existing applications, or interfacing with systems that already utilize Unicode.

Just Going With the Flow, And Other Spiritual Musings Orest Stocco 2011-12 Just Going With The Flow is a book of spiritually inspired musings, or thought pieces that explore the experiences of daily life. Thought provoking, entertaining and enlightening, these personal essays shed light on the human condition.

Nine Stories J.D. Salinger 2019-08-13 The "original, first-rate, serious, and beautiful" short fiction (New York Times Book Review) that introduced J. D. Salinger to American readers in the years after World War II, including "A Perfect Day for Bananafish" and the first appearance of Salinger's fictional Glass family. Nine exceptional stories from one of the great literary voices of the twentieth century. Witty, urbane, and frequently affecting, Nine Stories sits alongside Salinger's very best work--a treasure that will be passed down for many generations to come. The stories: A Perfect Day for Bananafish Uncle Wiggily in Connecticut Just Before the War with the Eskimos The Laughing Man Down at the Dinghy For Esmé--with Love and Squalor Pretty Mouth and Green My Eyes De Daumier-Smith's Blue Period Teddy

Michael Allred Christopher Irving 2015-10-15 Michael Allred (b. 1962) stands out for his blend of spiritual and philosophical approaches with an art style reminiscent of 1960s era superhero comics, which creates a mixture of both postmodernism and nostalgia. His childhood came during an era where pop art and camp embraced elements of kitsch and pastiche and introduced them into the lexicon of popular culture. Allred's use of both in his work as a cartoonist on his signature comic book Madman in the early 1990s offset the veiled autobiography of his own spiritual journey through Mormonism and struggles with existentialism. Thematically, Allred's work deals heavily with the afterlife as his creations struggle with the grander questions--whether his modern Frankenstein hero Madman, cosmic rock 'n' roller Red Rocket 7, the undead heroine of iZombie (co-created with writer Chris Roberson), or the cast of superhero team book The Atomics. Allred also enjoys a position in the creator-driven generation that informs the current batch of independent cartoonists and has experienced his own brush with a major Hollywood studio's aborted film adaptation of Madman. Allred's other brushes with Hollywood include an independent adaptation of his comic book The G-Men from Hell, an appearance as himself in Kevin Smith's romantic comedy Chasing Amy (where he provided illustrations for a fictitious comic book), the television adaptation of iZombie, and an ongoing relationship with director Robert Rodriguez on a future Madman film. Michael Allred: Conversations features several interviews with the cartoonist from the early days of Madman's success through to his current mainstream work for Marvel Comics. To read them is to not only witness the ever-changing state of the comic book industry, but also to document Allred's growth as a creative genius.

A Lucky Lawyer's Life Paul Dewitt Carrington 2016-09-22 This work recounts pleasures that I have enjoyed as a lawyer and shared with my family. I try to explain why and how I became a lawyer; my forebears played a major role in causing that outcome. I then identify many of the legal disputes and political issues in which I have been actively engaged since 1948. I will also recount how my romance with law and my professional good luck connected to an amazing family resulting from more than sixty two years of marriage.

Walk Two Moons Sharon Creech 2009-10-06 In her own singularly beautiful style, Newbery Medal winner Sharon Creech intricately weaves together two tales, one funny, one bittersweet, to create a heartwarming, compelling, and utterly moving story of love, loss, and the complexity of human emotion. Thirteen-year-old Salamanca Tree Hiddle, proud of her country roots and the "Indian-ness in her blood," travels from Ohio to Idaho with her eccentric grandparents. Along the way, she tells them of the story of Phoebe Winterbottom, who received mysterious messages, who met a "potential lunatic," and whose mother disappeared. As Sal entertains her grandparents with Phoebe's outrageous story, her own story begins to unfold—the story of a thirteen-year-old girl whose only wish is to be reunited with her missing mother.

Franny and Zooey J. D. Salinger 2019-08-13 "Perhaps the best book by the foremost stylist of his generation" (New York Times), J. D. Salinger's Franny and Zooey collects two works of fiction about the Glass family originally published in The New Yorker. "Everything everybody does is so--I don't know--not wrong, or even mean, or even stupid necessarily. But just so tiny and meaningless and--sad-making. And the worst part is, if you go bohemian or something crazy like that, you're conforming just as much only in a different way." A novel in two halves, Franny and Zooey brilliantly captures the emotional strains and traumas of entering adulthood. It is a gleaming example of the wit, precision, and poignancy that have made J. D. Salinger one of America's most beloved writers.

The Things They Carried Tim O'Brien 2009-10-13 A classic work of American literature that has not stopped changing minds and lives since it burst onto the literary scene, *The Things They Carried* is a ground-breaking meditation on war, memory, imagination, and the redemptive power of storytelling. *The Things They Carried* depicts the men of Alpha Company: Jimmy Cross, Henry Dobbins, Rat Kiley, Mitchell Sanders, Norman Bowker, Kiowa, and the character Tim O'Brien, who has survived his tour in Vietnam to become a father and writer at the age of forty-three. Taught everywhere—from high school classrooms to graduate seminars in creative writing—it has become required reading for any American and continues to challenge readers in their perceptions of fact and fiction, war and peace, courage and fear and longing. *The Things They Carried* won France's prestigious Prix du Meilleur Livre Etranger and the Chicago Tribune Heartland Prize; it was also a finalist for the Pulitzer Prize and the National Book Critics Circle Award.

300 Word Search Puzzles Rebecca Falcon 2022-05-10 300 Word Search Puzzles puts your trivia knowledge to the test with 300 fun-filled word searches that will keep you on your toes for hours a time!

Searching for the Self Adrian T. Smith 2018-01-22 “Who am I?” If you are unsure of your personal identity, you are not alone. Our postmodern culture multiplies identity-crisis. Identity comes from story—the better our story, the healthier our identity and our behavior. Searching for the Self helps you discover your own story, and discern how cultural narratives shape your behavior. Channeling the ancient wisdom of classic stories—including Christian Scripture viewed as true story—this book offers hope to anyone searching for a better story to live by. Searching for the Self provides a groundbreaking synthesis of narrative psychology, cultural analysis, biblical studies, and English Literature 101—all written in an engaging style and interwoven with revealing personal anecdotes.

CliffsNotes on Salinger's The Catcher in the Rye Stanley P. Baldwin 2000-06-13 The original CliffsNotes study guides offer expert commentary on major themes, plots, characters, literary devices, and historical background. Salinger's best-known work is more realistic, more lifelike and authentic than some other representatives of the genre. Get to know the unforgettable main character, Holden Caulfield, as he navigates the dangers and risks of growing up. This study guide enables you to keep up with all of the major themes and symbols of the novel, as well as the characters and plot. You'll also find valuable information about Salinger's life and background. Other features that help you study include Character analyses of major players A character map that graphically illustrates the relationships among the characters Critical essays A review section that tests your knowledge A Resource Center full of books, articles, films, and Internet sites Classic literature or modern modern-day treasure — you'll understand it all with expert information and insight from CliffsNotes study guides.

Critical Essays on Salinger's The Catcher in the Rye Joel Salzberg 1990 This volume brings together critical essays on The Catcher in the Rye (1951), representing three decades from the 1950s through the 1980s. It includes a number of key reviews that appeared shortly after the publication of the novel. The introduction by Salzberg traces the history of the criticism and places it in the context of Salinger's overall career. The two dozen pieces in the volume reflect virtually every critical school. Freudian and Marxist approaches, comparative analyses, gender criticism, structuralist studies, and linguistic analyses throw light on the novel and reveal their strengths and weaknesses as tools for reading long fiction. ISBN 0-8161-8894-7: \$38.00.

Muck Craig Sherborne 2007 His parents have bought a big dairy farm, to be their estate and his legacy. On it they plan to build a grand manor house, where they can live out their fantasy of being self-appointed aristocrats while keeping him - their pride and heir - away from the local gold-digger girls. With staff to milk the cows and break in the race-horses, he is free to prepare himself for his illustrious future - principally by poncing about like Lord Muck. MUCK is about what happens when things go wrong - hilariously, tragically - on the path to adulthood. Set in Sydney and New Zealand, it features a cow called Miss Beautiful, an encounter with the Prime Minister, and a church-going atheist who sings like Dean Martin. It is about overbearing parents, farm life, mental illness and the extremes of human vanity. Most of all it is about a young man and the world he constructs in order to survive his family and - somehow - discover a self of his own.

Sergei Dovlatov and His Narrative Masks Jekaterina Young 2009-07-17 This book provides an introduction to Sergei Dovlatov (1941–1990) that is closely attentive to the details of his life and work, their place in the history of Soviet society and literature, and of émigré culture during this turbulent period. A journalist, newspaper editor, and prose writer, Dovlatov is most highly regarded for his short stories, which draw heavily on his experiences in Russia before 1979, when he was forced out of the country. During compulsory military service, before becoming a journalist, he worked briefly as a prison camp guard—an experience that gave him a unique perspective on the operations of the Soviet state. After moving to New York, Dovlatov published works (in the *New Yorker* and elsewhere) that earned him considerable renown in America and back in Russia. Young’s book presents a valuable critical overview of the prose of a late twentieth-century master within the context of the prevailing Russian and larger literary culture.

I Am the Cheese Robert Cormier 2013-03-19 Before there was Lois Lowry’s *The Giver* or M. T. Anderson’s *Feed*, there was Robert Cormier’s *I Am the Cheese*, a subversive classic that broke new ground for YA literature. A boy’s search for his father becomes a desperate journey to unlock a secret past. But the past must not be remembered if the boy is to survive. As he searches for the truth that hovers at the edge of his mind, the boy—and readers—arrive at a shattering conclusion. “An absorbing, even brilliant job. The book is assembled in mosaic fashion: a tiny chip here, a chip there. . . . Everything is related to something else; everything builds and builds to a fearsome climax. . . . [Cormier] has the knack of making horror out of the ordinary, as the masters of suspense know how to do.”—*The New York Times Book Review* “A horrifying tale of government corruption, espionage, and counter espionage told by an innocent young victim. . . . The buildup of suspense is terrific.”—*School Library Journal*, starred review An ALA Notable Children’s Book A *School Library Journal* Best Book of the Year A Horn Book Fanfare A Library of Congress Children’s Book of the Year A Colorado Blue Spruce Young Adult Book Award Nominee
