From What I Remember... Valerie Thomas 2012-05-15 KYLIE: Mexico? What a nightmare! I should be putting the finishing touches on my valedictorian speech. Graduation is TODAY! Wait! Is this a wedding band on my finger?? MAX: It started with Kylie's laptop and a truck full of stolen electronics and it ended in Ensenada. It was hot, the way she broke us out like some chick in an action movie. But now we're stranded here, with less than twenty-four hours before graduation. WILL: Saving Kylie Flores from herself is kind of a full-time occupation. Luckily, I, Will Bixby, was born for the job. And when I found out she was stuck in Mexico with dreamy Max Langston, sure, I agreed to bring their passports across the border but there's no reason to rush back home right away. This party is just getting started. LILY: This cannot be happening. It's like some cruel joke. Or a bad dream. I close my eyes and when I reopen them, they're still there. Max and Kylie Flores, freak of the century. In bed together. If Kylie thinks I'm giving him up without a fight, she's dead wrong.

Some Kind of Normal Juliana Stone 2015-05-01 WHAT IS NORMAL? For Trevor, normal was fast guitar licks, catching game-winning passes, and partying all night. Until a car accident leaves him with no band, no teammates, and no chance of graduating. It's kinda hard to ace your finals when you've been in a coma. The last thing he needs is stuck-up Everly Jenkins as his new tutor—those beautiful blue eyes catching every last flaw. For Everly, normal was a perfect family around the dinner table, playing piano at Sunday service, and sunning by the pool. Until she discovers her whole life is a lie. Now the perfect pastor's daughter is hiding a life-changing secret, one that is slowly tearing her family apart. And spending the summer with notorious flirt Trevor Lewis means her darkest secret could be exposed. This achingly beautiful story about two damaged teens struggling through pain and loss to redefine who they are—to their family, to themselves, and to each other—is sure to melt your heart. Praise for *Boys Like You*: "The classic miscommunications, the emotional pushing and pulling, the "will she?" and "won't he?" of the destined-to-be-in-love. Readers of Miranda Kenneally, Jenny Han, and Susane Colasanti will enjoy Stone." -VOYA "The story handles challenging subjects like sex, drunk driving, and faith after tragedy in a sensitive and age-appropriate way ...just what readers need." -School Library Journal
