The Cop and the Anthem O. Henry 2020-08-26 While some try to get out of prison, Soapy, the only character in O. Henry's short story, tries to get into it. Soapy is a homeless guy who prefers the warm cell to the cold night under the New York sky. He does everything he can think of in order to draw the attention of the police. However without any success. Until he hears a magical organ anthem. How will this story develop? Will Soapy manage to get into jail or he will find another way to sort out his life? "The Cop and the Anthem" is a comical short story with a touch of irony which emphatically presents the lower class and the obstacles man has to face. William Sidney Porter (1862-1919), known simply as O. Henry, was a prolific American author of humorous literary pieces. His fame came exceptionally quickly and he became a bestselling author of short story collections, among the most famous being "Cabbages and Kings", "The Voice of the City", and "Strictly Business." As a result of the outstanding literature legacy that O. Henry left behind, there is an American annual award after his name, given to exceptional short stories.

Three Men in a Boat Illustrated Jerome K Jerome 2020-06-15 Jerome Klapka Jerome was an English writer and humourist, best known for the comic travelogue *Three Men in a Boat*. Other works include the essay collections *Idle Thoughts of an Idle Fellow* and *Second Thoughts of an Idle Fellow*; *Three Men on the Bummel*, a sequel to *Three Men in a Boat*, and several other novels. Jerome sat right down to write *Three Men in a Boat* as soon as the couple returned from their honeymoon. Within the novel, his wife was replaced by his longtime friends George Wingrave (George) and Carl Henschel (Harris). This allowed him to make comic (and non-sentimental) situations which were nonetheless intertwined with the history of the Thames region. The book, published in 1889, became a momentous success and has never been out of print. Its popularity was such that the amount of registered Thames boats went up one-half within the year following its publication, and it contributed significantly to the Thames becoming a tourist attraction. In its first twenty years alone, the book sold over 1,000,000 copies worldwide. It's been adapted to films, TV and radio shows, stage plays, and a musical. Its literary genre influenced many humourists and satirists in England et al. With the financial security that the sales of the book provided, Jerome was ready to dedicate all of his time to writing. He wrote a variety of plays, essays, and novels, but was never ready to recapture the success of *Three Men in a Boat*. In 1892, he was chosen by Robert Barr to edit *The Idler* (over Rudyard Kipling). The magazine was an illustrated satirical monthly catering to gentlemen (who, following the theme of the publication, appreciated idleness). In 1893, he founded *To-Day*, but had to withdraw from both publications due to financial difficulties and a libel suit. Jerome's play *Biarritz* had a run of two months at the Prince of Wales Theatre between April and June 1896. In 1898, a brief stay in Germany inspired *Three Men on the Bummel*, the sequel to *Three Men in a Boat*, reintroducing equivalent characters within the setting of a far-off bicycle tour. The book was nonetheless unable to capture the life-force and historic roots of its predecessor, and it enjoyed only a light success. In 1902, he published the novel *Paul Kever*, which is widely considered autobiographical. His 1908 play *The Passing of the Third Floor Back* introduced a more sombre and non-secular Jerome. The most character was played by one among the leading actors of the time, Johnston Forbes-Robertson, and therefore the play was an incredible commercial success. It had been twice made into film, in 1918 and in 1935. However, the play was condemned by critics - Beerbohm described it as "vilely stupid" and as written by a "tenth-rate writer"

This digital edition allows young readers and lifelong fans to continue the legacy and love of a classic that will now reach an even wider audience. "Once there was a tree...and she loved a little boy." So begins a story of unforgettable perception, beautifully written and illustrated by the gifted and versatile Shel Silverstein. This moving parable for all ages offers a touching interpretation of the gift of giving and a serene acceptance of another's capacity to love in return. Every day the boy would come to the tree to eat her apples, swing from her branches, or slide down her trunk...and the tree was happy. But as the boy grew older he began to want more from the tree, and the tree gave and gave and gave. This is a tender story, touched with sadness, aglow with consolation. He is also the creator of picture books including *A Giraffe and a Half*, *Who Wants a Cheap Rhinoceros?*, *The Missing Piece*, *The Missing Piece Meets the Big O*, and the perennial favorite *The Giving Tree*, and of classic poetry collections such as *Where the Sidewalk Ends*, *A Light in the Attic*, *Falling Up*, *Every Thing On It*, *Don't Bump the Glump!*, and *Runny Babbit*. Topi Shukla Rāhī Māsūma Razā 2005 A sensitive, humorous novel on Hindu-Muslim relations, set in post-Independence India, by an eminent Hindi writer.

Events Pāmā 2005 This translation of the Tamil novel *Sangati*, is a fine example of Dalit writing, and flouts any received notions of what a novel should be. It has no plot in the normal sense, nor any main characters. In terms of structure, it seeks to create a Dalit-feminist perspective and explores the impact of a number of discriminations--compounded above all, by poverty--suffered by Dalit women. There is one set of stories in the book, of women who have worked hard all their lives, from the moment they are able to help with the care of younger siblings, or with chores about the house, or outside. Economic precariousness leads to a culture of violence of women by fathers, husbands, and brothers. Women fight back. Set against these are other stories, which tell of rites of passage, a coming of age ceremony, a betrothal, a group wedding, also of possession and exorcism. *Sangati* is a book about a community's identity, and ends on a personal note: that Paraiya women are always the most vulnerable, even when educated, independent, and living alone, like Bama herself.

Tabish Khair captures with uncanny lyrical precision, the fragile beauty of the past. This past is preserved in a country (India) he no longer inhabits, but in which lives the language of his memory. Each poem tells a story—whether it is in the smell of rain on earth, in the taste of mangoes ripening in the straw, in an old nurse's tales, or in a murder in South Delhi. In poems about love, the family, landscapes, and belonging and exile, Khair returns to a time and place that hold within them all his deeply-felt experiences of both innocence and discovery, cruelty and charm. They express his acute awareness of how rooted we really are in both history and the physical world. Rich in metaphor and intensity, Khair's poems shine with an inner luminosity and sensuality.

Updated for the 75th Anniversary of the Diary's first publication with a new introduction by Nobel Prize-winner Nadia Murad "The single most compelling personal account of the Holocaust ... remains astonishing and excruciating."—The New York Times Book Review In 1942, with Nazis occupying Holland, a thirteen-year-old Jewish girl and her family fled their home in Amsterdam and went into hiding. For the next two years, until their whereabouts were betrayed to the Gestapo, they and another family lived cloistered in the "Secret Annex" of an old office building. Cut off from the outside world, they faced hunger, boredom, the constant cruelties of living in confined quarters, and the ever-present threat of discovery and death. In her diary Anne Frank recorded vivid impressions of her experiences during this period. By turns thoughtful, moving, and amusing, her account offers a fascinating commentary on human courage and frailty and a compelling self-portrait of a sensitive and spirited young woman whose promise was tragically cut short.

The Story of My Life Helen Keller 2021-07-20 When she was 19 months old, Helen Keller (1880–1968) suffered a severe illness that left her blind and deaf. Not long after, she also became mute. Her tenacious struggle to overcome these handicaps — with the help of her inspired and inspiring teacher, Anne Sullivan — is one of the great stories of human courage and dedication. The Story of My Life, first published in 1903, is Helen Keller's classic autobiography detailing the first 22 years of her life, including the magical moment at a water pump when, recognizing the connection between the word "water" and the cold liquid flowing over her hand, she realized that objects had names. She had many experiences which were equally thrilling and noteworthy including her joy at eventually learning to speak so that by the time she was 16, she could speak well enough to attend preparatory school followed by her education at Radcliffe, from which she graduated cum laude, and of course, her extraordinary relationship with Miss Sullivan who had shown a remarkable gift and genius for communicating with her eager and quick-to-learn pupil. Keller also writes of her friendships with Oliver Wendell Holmes, Edward Everett Hale and other notables. Keller first began to write The Story of My Life in 1902, when she was still a student at Radcliffe College. The book is dedicated to inventor Alexander Graham Bell, and the dedication reads, "To ALEXANDER GRAHAM BELL Who has taught the deaf to speak and enabled the listening ear to hear speech from the Atlantic to the Rockies, I dedicate this Story of My Life."
