*She Works His Way* Michelle Myers 2021-10-12 Dear friend, We know it deeply. It is so hard to juggle work, home, and spiritual life. As working women, we've wrestled with tough questions: · How can I be

effective in my work, and stay committed to the Gospel? · How can I be dedicated to my family, when my job is so demanding? · Why am I working so hard, and still so unfulfilled? Sound familiar? Like you, we see a culture that promotes success at all costs, and working women are falling for it. It's happening every day. Priorities are shifting. Things are getting done . . . but are we doing what matters most? And that's why we wrote this book. This is the story of how we traded the lies of the world for the truth of our loving Father--the lessons we learned that challenged culture's "good things" so we could find the greatest thing. The book you're holding in your hands is really a conversation--a conversation that pushes back against our culture with a Gospel-centered approach to work and womanhood, for the glory of God and the good of others. Let's get to work. His way. Michelle + Somer "This is the book for every working woman!"--ALLI WORTHINGTON, bestselling author and business coach

**People of the Book** Geraldine Brooks 2008-01-01 View our feature on Geraldine Books's People of the Book. From the Pulitzer Prize-winning author of March, the journey of a rare illuminated manuscript through centuries of exile and war In 1996, Hanna Heath, an Australian rare-book expert, is offered the job of a lifetime: analysis and conservation of the famed Sarajevo Haggadah, which has been rescued from Serb shelling during the Bosnian war. Priceless and beautiful, the book is one of the earliest Jewish volumes ever to be illuminated with images. When Hanna, a caustic loner with a passion for her work, discovers a series of tiny artifacts in its ancient binding—an insect wing fragment, wine stains, salt crystals, a white hair—she begins to unlock the book's mysteries. The reader is ushered into an exquisitely detailed and atmospheric past, tracing the book's journey from its salvation back to its creation. In Bosnia during World War II, a Muslim risks his life to protect it from the Nazis. In the hedonistic salons of fin-de-siècle Vienna, the book becomes a pawn in the struggle against the city's rising anti-Semitism. In inquisition-era Venice, a Catholic priest saves it from burning. In Barcelona in 1492, the scribe who wrote the text sees his family destroyed by the agonies of enforced exile. And in Seville in 1480, the reason for the Haggadah's extraordinary illuminations is finally disclosed. Hanna's investigation unexpectedly plunges her into the intrigues of fine art forgers and ultra-nationalist fanatics. Her experiences will test her belief in herself and the man she has come to love. Inspired by a true story, *People of the Book* is at once a novel of sweeping historical grandeur and intimate emotional intensity, an ambitious, electrifying work by an acclaimed and beloved author.

*Making Isaiah Plain* Randal S. Chase 2011-11-30 Makes Isaiah plain as a powerful witness of the Messiahship of Jesus Christ.

*Into the Wild* Jon Krakauer 2009-09-22 Krakauer's page-turning bestseller explores a famed missing person mystery while unraveling the larger riddles it holds: the profound pull of the American wilderness on our imagination; the allure of high-risk activities to young men of a certain cast of mind; the complex, charged bond between fathers and sons. "Terrifying... Eloquent... A heart-rending drama of human yearning." —New York Times In April 1992 a young man from a well-to-do family hitchhiked to Alaska and walked alone into the wilderness north of Mt. McKinley. He had given \$25,000 in savings to charity, abandoned his car and most of his possessions, burned all the cash in his wallet, and invented a new life for himself. Four months later, his decomposed body was found by a moose hunter. How Christopher Johnson McCandless came to die is the unforgettable story of *Into the Wild*. Immediately after graduating from college in 1991, McCandless had roamed through the West and Southwest on a vision quest like those made by his heroes Jack London and John Muir. In the Mojave Desert he abandoned his car, stripped it of its license plates, and burned all of his cash. He would give himself a new name, Alexander Supertramp, and, unencumbered by money and belongings, he would be free to wallow in the raw, unfiltered experiences that nature presented. Craving a blank spot on the map, McCandless simply threw the maps away. Leaving behind his desperate parents and sister, he vanished into the wild. Jon Krakauer constructs a clarifying prism through which he reassembles the disquieting facts of McCandless's short life. Admitting an interest that borders on obsession, he searches for the clues to the drives and desires that propelled McCandless. When McCandless's innocent mistakes turn out to be irreversible and fatal, he becomes the stuff of tabloid headlines and is dismissed for his naiveté, pretensions, and hubris. He is said to have had a death wish but wanting to die is a very different thing from being compelled to look over the edge. Krakauer brings McCandless's uncompromising pilgrimage out of the shadows, and the peril, adversity, and renunciation sought by this enigmatic young man are illuminated with a rare understanding--and not an ounce of sentimentality. Mesmerizing, heartbreaking, *Into the Wild* is a tour de force. The power and luminosity of Jon Krakauer's storytelling blaze through every page.

*Who's Doing the Work?* Jan Miller Burkins 2016 In their follow-up to *Reading Wellness*, Jan Burkins and Kim Yaris explore how some traditional scaffolding practices may actually rob students of important learning opportunities and independence. *Who's Doing the Work?* suggests ways to make small but

powerful adjustments to instruction that hold students accountable for their own learning. Educators everywhere are concerned about students whose reading development inexplicably plateaus, as well as those who face challenging texts without applying the strategies they've been taught. When such problems arise, our instinct is to do more. But when we summarize text before reading or guide students when they encounter difficult words, are we leading them to depend on our support? If we want students to use strategies independently, Jan and Kim believe that we must question the ways our scaffolding is getting in the way. Next generation reading instruction is responsive to students' needs, and it develops readers who can integrate reading strategies without prompting from instructors. In *Who's Doing The Work?*, Jan and Kim examine how instructional mainstays such as read-aloud, shared reading, guided reading, and independent reading look in classrooms where students do more of the work. Classroom snapshots at the end of each chapter help translate the ideas in the book into practice. *Who's Doing the Work?* offers a vision for adjusting reading instruction to better align with the goal of creating independent, proficient, and joyful readers.

*A Wrinkle in Time* Madeleine L'Engle 2019-07-18 A Wrinkle in Time is the winner of the 1963 Newbery Medal. It was a dark and stormy night—Meg Murry, her small brother Charles Wallace, and her mother had come down to the kitchen for a midnight snack when they were upset by the arrival of a most disturbing stranger. "Wild nights are my glory," the unearthly stranger told them. "I just got caught in a downdraft and blown off course. Let me sit down for a moment, and then I'll be on my way. Speaking of ways, by the way, there is such a thing as a tesseract." A tesseract (in case the reader doesn't know) is a wrinkle in time. To tell more would rob the reader of the enjoyment of Miss L'Engle's unusual book. A Wrinkle in Time, winner of the Newbery Medal in 1963, is the story of the adventures in space and time of Meg, Charles Wallace, and Calvin O'Keefe (athlete, student, and one of the most popular boys in high school). They are in search of Meg's father, a scientist who disappeared while engaged in secret work for the government on the tesseract problem.

**The Book of Lost Friends** Lisa Wingate 2020-04-07 NEW YORK TIMES BESTSELLER • From the bestselling author of *Before We Were Yours* comes a dramatic historical novel of three young women searching for family amid the destruction of the post-Civil War South, and of a modern-day teacher who learns of their story and its vital connection to her students' lives. "An absorbing historical . . . enthralling."—Library Journal Bestselling author Lisa Wingate brings to life startling stories from actual "Lost Friends" advertisements that appeared in Southern newspapers after the Civil War, as newly freed slaves desperately searched for loved ones who had been sold away. Louisiana, 1875: In the tumultuous era of Reconstruction, three young women set off as unwilling companions on a perilous quest: Hannie, a freed slave; Lavinia, the pampered heir to a now destitute plantation; and Juneau Jane, Lavinia's Creole half sister. Each carries private wounds and powerful secrets as they head for Texas, following roads rife with vigilantes and soldiers still fighting a war lost a decade before. For Lavinia and Juneau Jane, the journey is one of stolen inheritance and financial desperation, but for Hannie, torn from her mother and siblings before slavery's end, the pilgrimage west reignites an agonizing question: Could her long-lost family still be out there? Beyond the swamps lie the limitless frontiers of Texas and, improbably, hope. Louisiana, 1987: For first-year teacher Benedetta Silva, a subsidized job at a poor rural school seems like the ticket to canceling her hefty student debt—until she lands in a tiny, out-of-step Mississippi River town. Augustine, Louisiana, is suspicious of new ideas and new people, and Benny can scarcely comprehend the lives of her poverty-stricken students. But amid the gnarled live oaks and run-down plantation homes lie the century-old history of three young women, a long-ago journey, and a hidden book that could change everything.

**Gentle and Lowly** Dane C. Ortlund 2020-03-18 Christians know that God loves them, but can easily feel that he is perpetually disappointed and frustrated, maybe even close to giving up on them. As a result, they focus a lot—and rightly so—on what Jesus has done to appease God's wrath for sin. But how does Jesus Christ actually feel about his people amid all their sins and failures? This book draws us to Matthew 11, where Jesus describes himself as "gentle and lowly in heart," longing for his people to find rest in him. The gospel flows from God's deepest heart for his people, a heart of tender love for the sinful and suffering. These chapters take readers into the depths of Christ's very heart for sinners, diving deep into Bible passages that speak of who Christ is and encouraging readers with the affections of Christ for his people. His longing heart for sinners comforts and sustains readers in their up-and-down lives.

We Want to Do More Than Survive Bettina L. Love 2019-02-19 Winner of the 2020 Society of Professors of Education Outstanding Book Award Drawing on personal stories, research, and historical events, an esteemed educator offers a vision of educational justice inspired by the rebellious spirit and methods of abolitionists. Drawing on her life's work of teaching and researching in urban schools, Bettina Love persuasively argues that educators must teach students about racial violence, oppression, and how to make sustainable change in their communities through radical civic initiatives and movements. She argues that the US educational system is maintained by and profits from the suffering of children of color. Instead of trying to repair a flawed system, educational reformers offer survival tactics in the forms of test-taking skills, acronyms, grit labs, and character education, which Love calls the educational survival complex. To dismantle the educational survival complex and to achieve educational freedom—not merely reform—teachers, parents, and community leaders must approach education with

the imagination, determination, boldness, and urgency of an abolitionist. Following in the tradition of activists like Ella Baker, Bayard Rustin, and Fannie Lou Hamer, *We Want to Do More Than Survive* introduces an alternative to traditional modes of educational reform and expands our ideas of civic engagement and intersectional justice.

**Brave by Faith** Alistair Begg 2021-05-01 Learn from the book of Daniel how to live confidently for Christ today. What does it look like to live with joy in a society that does not like what Christians believe, say or do? It's tempting to grow angry, keep our heads down, retreat or just give up altogether. But this isn't the first time that God's people have had to learn how to live in a pagan world that opposes God's rule. In this realistic yet positive book, renowned Bible teacher Alistair Begg examines the first seven chapters of Daniel to show us how to live bravely, confidently and obediently in an increasingly secular society. Readers will see that God is powerful and God is sovereign, and even in the face of circumstances that appear to be prevailing against his people, we may trust him entirely. We can be as brave as Daniel if we have faith in Daniel's God! "The message of Daniel is incredibly relevant for us in our generation. Not because it maps out a strategy for how to deal with our new lack of status ... or because Daniel was a great man and we need to follow his example. The reason is that it will help us to believe in Daniel's God." Alistair Begg, author.

**Crazy Busy** Kevin DeYoung 2013-09-23 Winner of the 2014 Christian Book of the Year Award "I'M TOO BUSY!" We've all heard it. We've all said it. All too often, busyness gets the best of us. Highly practical and super short, *Crazy Busy* will help you put an end to "busyness as usual."

*Your Turn* Julie Lythcott-Haims 2021-04-06 New York Times bestselling author Julie Lythcott-Haims is back with a groundbreakingly frank guide to being a grown-up What does it mean to be an adult? In the twentieth century, psychologists came up with five markers of adulthood: finish your education, get a job, leave home, marry, and have children. Since then, every generation has been held to those same markers. Yet so much has changed about the world and living in it since that sequence was formulated. All of those markers are choices, and they're all valid, but any one person's choices along those lines do not make them more or less an adult. A former Stanford dean of freshmen and undergraduate advising and author of the perennial bestseller *How to Raise an Adult* and of the lauded memoir *Real American*, Julie Lythcott-Haims has encountered hundreds of twentysomethings (and thirtysomethings, too), who, faced with those markers, feel they're just playing the part of "adult," while struggling with anxiety, stress, and general unease. In *Your Turn*, Julie offers compassion, personal experience, and practical strategies for living a more authentic adulthood, as well as inspiration through interviews with dozens of voices from the rich diversity of the human population who have successfully launched their adult lives. Being an adult, it turns out, is not about any particular checklist; it is, instead, a process, one you can get progressively better at over time—becoming more comfortable with uncertainty and gaining the knowhow to keep going. Once you begin to practice it, being an adult becomes the most complicated yet also the most abundantly rewarding and natural thing. And Julie Lythcott-Haims is here to help readers take their turn.
