Taking Aim at the President Geri Spieler 2008-12-23 Winner of the 2009 San Francisco Book Festival Award (Wild Card category) "I'm not sorry I tried...if successful, the assassination...just might have triggered the kind of chaos that could have started the upheaval of change." --Sara Jane Moore in 1976 Journalist Geri Spieler met would-be assassin Sara Jane Moore while she was in prison; *Taking Aim at the President* is based on over two decades of interviews as well as independent research. Spieler follows Moore's actions from her childhood in a small West Virginia town to her release from prison in December 2007. Moore's life was never conventional, and along the way she entered and dropped out of the military, was married five times, and was both a political radical and an FBI informant. Focusing on the complex psychology and motivations of a quintessentially desperate housewife and the only woman to ever fire a bullet at an American president, Spieler delivers a nuanced portrait of an elusive person and a fascinating glimpse back at a turbulent period in American history.

Fire from Heaven Mary Renault 2013-09-10 New York Times Bestseller and Man Booker Prize Finalist: A novel of ancient Greece by the author Hilary Mantel calls "a shining light."

Alexander the Great stands alone as a leader and strategist, and *Fire from Heaven* is Mary Renault's unsurpassed dramatization of the formative years of his life. His parents fight for their precocious son's love: On one side, his volatile father, Philip, and on the other, his overbearing mother, Olympias. The story tells of the conqueror's two great bonds—to his horse, Oxhead, and to his dearest friend and eventual lover, Hephaestion—and of the army he commands when he is barely an adult. Coming of age during the battles for southern Greece, Alexander the Great appears in all of his colors—as the man who first takes someone's life at age twelve and who swiftly eliminates his rivals as soon as he comes to power—and emerges as a captivating, complex, larger-than-life figure. *Fire from Heaven* is the first volume of the *Novels of Alexander the Great* trilogy, which continues with *The Persian Boy* and *Funeral Games*. This ebook features an illustrated biography of Mary Renault including rare images of the author. "Mary Renault is a shining light to both historical novelists and their readers. She does not pretend the past is like the present, or that the people of ancient Greece were just like us. She shows us their strangeness; discerning, sure-footed, challenging our values, piquing our curiosity, she leads us through an alien landscape that moves and delights us."

Jackson about a girl convicted of murder seeking the truth while surviving life in a group home. Mary B. Addison killed a baby. Allegedly. She didn't say much in that first interview with detectives, and the media filled in the only blanks that mattered: a white baby had died while under the care of a churchgoing black woman and her nine-year-old daughter. The public convicted Mary and the jury made it official. But did she do it? There wasn't a point to setting the record straight before, but now she's got Ted—and their unborn child—to think about. When the state threatens to take her baby, Mary's fate now lies in the hands of the one person she distrusts the most: her Momma. No one knows the real Momma. But does anyone know the real Mary?

Inherent Vice Thomas Pynchon 2012-06-13 Part noir, part psychedelic romp, all Thomas Pynchon—Private eye Doc Sportello surfaces, occasionally, out of a marijuana haze to watch the end of an era In this lively yarn, Thomas Pynchon, working in an unaccustomed genre that is at once exciting and accessible, provides a classic illustration of the principle that if you can remember the sixties, you weren't there. It's been a while since Doc Sportello has seen his ex- girlfriend. Suddenly she shows up with a story about a plot to kidnap a billionaire land developer whom she just happens to be in love with. It's the tail end of the psychedelic sixties in L.A., and Doc knows that "love" is another of those words going around at the moment, like "trip" or "groovy," except that this one usually leads to trouble. Undeniably one of the most influential writers at work today, Pynchon has penned another unforgettable book.

A Good Woman Danielle Steel 2009-02-25 From the glittering ballrooms of Manhattan to the fires of World War I, Danielle Steel takes us on an unforgettable journey in her new novel—a spellbinding tale of war, loss, history, and one woman's unbreakable spirit.... Nineteen-year-old Annabelle Worthington was born into a life of privilege, raised amid the glamour of New York society, with glorious homes on Fifth Avenue and in Newport, Rhode Island. But everything changed on a cold April day in 1912, when the sinking of the Titanic shattered her family and her privileged world forever. Finding strength within her grief, Annabelle pours herself into volunteer work, nursing the poor, igniting a passion for medicine that would shape the course of her life. But for Annabelle, first love, and a seemingly idyllic marriage, will soon bring more grief—this time caused by the secrets of the human heart. Betrayed, and pursued by a scandal she does not deserve, Annabelle flees New York for war-ravaged France, hoping to lose herself in a life of service. There, in the heart of the First World War,

in a groundbreaking field hospital run by women, Annabelle finds her true calling, working as an ambulance medic on the front lines, studying medicine, saving lives. And when the war ends, Annabelle begins a new life in Paris—now a doctor, a mother, her past almost forgotten...until a fateful meeting opens her heart to the world she had left behind. Finding strength in the most unlikely of friendships, pulling together the broken fragments of her life, Annabelle will return to New York one more time—this time as a changed woman, a woman of substance, infused with life's experience, building a future filled with hope...out of the rich soil of the past. Filled with breathtaking images and historical detail, Danielle Steel's new novel introduces one of her most unique and fascinating characters: Annabelle Worthington, a remarkable woman, a good woman, a true survivor who triumphs against overwhelming odds.
