Seeing Voices Oliver Sacks 2011-03-04 Like *The Man Who Mistook His Wife for a Hat*, this is a fascinating voyage into a strange and wonderful land, a provocative meditation on communication, biology, adaptation, and culture. In *Seeing Voices*, Oliver Sacks turns his attention to the subject of deafness, and the result is a deeply felt portrait of a minority struggling for recognition and respect — a minority with its own rich, sometimes astonishing, culture and unique visual language, an extraordinary mode of communication that tells us much about the basis of language in hearing people as well. *Seeing Voices* is, as Studs Terkel has written, "an exquisite, as well as revelatory, work."

The Savage Father Pier Paolo Pasolini 1999 This is one of Pasolini's least known books, it is one of his most important challenges to himself and to the world. The book pits assumed Western cultural supremacy against the battle for Africa's freedom and self-assertion. The Savage Father offers a deep analysis of the internal struggles between the coloniser and the colonised, as well as showing us the externalised conditioning to which both are prey.

She and the wealthy Giacomo Lepre have fallen in love, and her mother is determined to obstruct the consummation of their love. When Marshall don Peppino dies, Agata's mother decides to ferry her daughter away from Messina, to Naples, where she hopes to garner a stipend from the King and keep her daughter far from trouble. Following a tempestuous passage to Naples, during which Agata confesses her troubles to James, Agata and her mother find themselves rebuffed by the king and Agata is forced to join a convent. The Benedictine monastery of San Giorgio Stilita is rife with rancor and jealousy, illicit passions and ancient feuds. Agata remains aloof, devoting herself to the cultivation of medicinal herbs, calmed by the steady rhythms of monastic life. She reads all the books James Garson sends her and

follows the news of the various factions struggling to bring unity to Italy. Though she hasn't chosen to enter a convent, and is divided between her yearnings for purity and religiosity and her desire to be part of the world, something about the cloistered life reverberates within her. Censorship and Literature in Fascist Italy Guido Bonsaver 2007-01-01 The history of totalitarian states bears witness to the fact that literature and print media can be manipulated and made into vehicles of mass deception. *Censorship and Literature in Fascist Italy* is the first comprehensive account of how the Fascists attempted to control Italy's literary production. Guido Bonsaver looks at how the country's major publishing houses and individual authors responded to the new cultural directives imposed by the Fascists. Throughout his study, Bonsaver uses rare and previously unexamined materials to shed light on important episodes in Italy's literary history, such as relationships between the regime and particular publishers, as well as individual cases involving renowned writers like Moravia, Da Verona, and Vittorini. *Censorship and Literature in Fascist Italy* charts the development of Fascist censorship laws and practices, including the creation of the Ministry of Popular Culture and the anti-Semitic crack-down of the late 1930s. Examining the breadth and scope of censorship in Fascist Italy, from Mussolini's role as 'prime censor' to the specific experiences of female writers, this is a fascinating look at the vulnerability of culture under a dictatorship.

Literary Figures in French Drama (1784-1834) Eric H. Kadler 1969 The general aim of this book is to present a study of a dramatic genre which was a significant facet of French drama in the period from 1784 to 1834 and has never before been singled out or analyzed. The striking feature of the plays of this genre is that the protagonists represent French literary figures. A casual examination of a collection of late eighteenth-and early nineteenth-century plays, many of which concern literary figures, led to the initial idea for this study. Conscientious cross-checking was subsequently done in a number of reference works and contemporary newspapers to obtain complete coverage and to draw up a list of all the plays in which French literary figures appeared as characters. From the total number of such plays, 153 have been used as the primary source of information. They were found scattered either in different collections or as separate copies in various libraries.

This source has been supplemented by use of theatrical journals and almanacs giving reviews of some of the plays which were not published.

The Institute Stephen King 2019-09-10 From #1 New York Times bestselling author Stephen King whose "storytelling transcends genre" (Newsday) comes "another winner: creepy and touching and horrifyingly believable" (The Boston Globe) about a group of kids confronting evil. In the middle of the night, in a house on a quiet street in suburban Minneapolis, intruders silently murder Luke Ellis's parents and load him into a black SUV. The operation takes less than two minutes. Luke will wake up at The Institute, in a room that looks just like his own, except there's no window. And outside his door are other doors, behind which are other kids with special talents—telekinesis and telepathy—who got to this place the same way Luke did: Kalisha, Nick, George, Iris, and ten-year-old Avery Dixon. They are all in Front Half. Others, Luke learns, graduated to Back Half, "like the roach motel," Kalisha says. "You check in, but you don't check out." In this most sinister of institutions, the director, Mrs. Sigsby, and her staff are ruthlessly dedicated to extracting from these children the force of their extranormal gifts. There are no scruples here. If you go along, you get tokens for the vending

machines. If you don't, punishment is brutal. As each new victim disappears to Back Half, Luke becomes more and more desperate to get out and get help. But no one has ever escaped from the Institute. As psychically terrifying as Firestarter, and with the spectacular kid power of It, The Institute is "first-rate entertainment that has something important to say. We all need to listen" (The Washington Post).
