**Nyxia** Scott Reintgen 2017-09-12 “A high-octane thriller . . . Nyxia grabs you from the first line and never lets go.” —Marie Lu, #1 New York Times bestselling author of Warcross Every life has a price in this sci-fi thriller—the first in a trilogy—that has the nonstop action of *The Maze Runner* and the high-stakes space setting of *Illuminae*. What would you be willing to risk for a lifetime of fortune? Emmett Atwater isn’t just leaving Detroit; he’s leaving Earth. Why the Babel Corporation recruited him is a mystery, but the number of zeroes on their contract has him boarding their lightship and hoping to return to Earth with enough money to take care of his family. Forever. Before long, Emmett discovers that he is one of ten recruits, all of whom have troubled pasts and are a long way from home. Now each recruit must earn the right to travel down to the planet of Eden—a planet that Babel has kept hidden—where they will mine a substance called Nyxia that has quietly become the most valuable material in the universe. But Babel’s ship is full of secrets. And Emmett will face the ultimate choice: win the fortune at any cost, or find a way to fight that won’t forever compromise what it means to be human. “The 100 meets *Illuminae* in this high-octane sci-fi thriller.” —Bustle **AND DON'T MISS NYXIA UNLEASHED!**

*The Thing Around Your Neck* Chimamanda Ngozi Adichie 2010-06-01 These twelve dazzling stories from Chimamanda Ngozi Adichie — the Orange Broadband Prize-winning author of *Half of a Yellow Sun* — are her most intimate works to date. In these stories Adichie turns her penetrating eye to the ties that bind men and women, parents and children, Nigeria and the United States. In “A Private Experience,” a medical student hides from a violent riot with a poor Muslim woman, and the young

mother at the centre of "Imitation" finds her comfortable life in Philadelphia threatened when she learns that her husband has moved his mistress into their Lagos home. Searing and profound, suffused with beauty, sorrow and longing, this collection is a resounding confirmation of Adichie's prodigious literary powers.

**Bloody Harvest** David Matas 2009 Falun Gong is a modern day spiritual/exercise movement which began in China in 1991 drawing on and combining ancient Chinese traditions. The Chinese Communist Party, alarmed at the growth of the movement and fearing for its own ideological supremacy banned the movement in 1999. Falun Gong practitioners were arrested in the hundreds of thousands and asked to recant. If they did not, they were tortured. If they still did not recant, they disappeared. Allegations surfaced in 2006 that the disappeared were being killed for their organs which were sold for large sums mostly to foreign transplant tourists. It is generally accepted that China kills prisoners for organs. The debate is over whether the prisoners who are killed are only criminals sentenced to death or Falun Gong practitioners as well. The authors produced a report concluding that the allegations were true. *Bloody Harvest* sets out the investigations and conclusions of the authors.

**Sexuality, Human Rights, and Public Policy** Chima J. Korieh 2019-11-30 *Sexuality, Human Rights, and Public Policy* explores the intersection of public policy, human rights, and sexuality as they relate to inclusion and exclusion across diverse cultural settings. It examines how knowledge is formed and experienced at the intersections of culture, sexuality, race, and other axes of identity. This volume engages an array of questions including how public policy shapes the conceptualization of sexuality and rights and by extension the phenomena of inclusion and exclusion in contemporary society across the world. By evaluating how public discourse is employed to re-inscribe differences of gender, sexuality, and rights of citizens, this book provides a comparative analysis of how these processes and dynamics resemble each other or differ cross-culturally. This book demonstrates that in the realm of sexualities, approached from the ideal of human rights as a predominantly Western notion is increasingly challenged by diverse views and new interpretations of human rights in non-Western societies such as Africa and the Middle East.

**The Chechens** Amjad M. Jaimoukha 2005 This volume provides a ready introduction and practical guide to the Chechen people, including chapters on history, religion, politics, economy, culture, literature and media.

**Korean For Dummies** Jungwook Hong 2011-05-23 Start speaking Korean the fun and easy way with Korean For Dummies, a no-nonsense guide to Korean culture and the basics of Korean language. *Africa's Informal Workers* Ilda Lindell 2013-04-04 *Africa's Informal Workers* is a vigorous examination of the informalization and casualization of work, which is changing livelihoods in Africa and beyond. Gathering cases from nine countries and cities across sub-Saharan Africa, and from a range of sectors, this volume goes beyond the usual focus on household 'coping strategies' and individual agency, addressing the growing number of collective organizations through which informal workers make themselves visible and articulate their demands and interests. The emerging picture is that of a highly diverse landscape of organized actors, providing grounds for tension but also opportunities for alliance. The collection examines attempts at organizing across the formal-informal work spheres, and explores the novel trend of transnational organizing by informal workers. Part of the ground-breaking Africa Now series, *Africa's Informal Workers* is a timely exploration of deep, ongoing economic, political and social transformations.

*Biology, Medicine, and Surgery of Elephants* Murray Fowler 2008-01-09 Elephants are possibly the most well-known members of the animal kingdom. **House of Earth and Blood** Sarah J. Maas 2020-03-03 A #1 New York Times bestseller! Sarah J. Maas's brand-new CRESCENT CITY series begins with *House of Earth and Blood*: the story of half-Fae and half-human Bryce Quinlan as she seeks revenge in a contemporary fantasy world of magic, danger, and searing romance. Bryce Quinlan had the perfect life-working hard all day and partying all night-until a demon murdered her closest friends, leaving her bereft, wounded, and alone. When the accused

is behind bars but the crimes start up again, Bryce finds herself at the heart of the investigation. She'll do whatever it takes to avenge their deaths. Hunt Athalar is a notorious Fallen angel, now enslaved to the Archangels he once attempted to overthrow. His brutal skills and incredible strength have been set to one purpose—to assassinate his boss's enemies, no questions asked. But with a demon wreaking havoc in the city, he's offered an irresistible deal: help Bryce find the murderer, and his freedom will be within reach. As Bryce and Hunt dig deep into Crescent City's underbelly, they discover a dark power that threatens everything and everyone they hold dear, and they find, in each other, a blazing passion—one that could set them both free, if they'd only let it. With unforgettable characters, sizzling romance, and page-turning suspense, this richly inventive new fantasy series by #1 New York Times bestselling author Sarah J. Maas delves into the heartache of loss, the price of freedom—and the power of love.

**Hooked** Nir Eyal 2014-11-04 Revised and Updated, Featuring a New Case Study How do successful companies create products people can't put down? Why do some products capture widespread attention while others flop? What makes us engage with certain products out of sheer habit? Is there a pattern underlying how technologies hook us? Nir Eyal answers these questions (and many more) by explaining the Hook Model—a four-step process embedded into the products of many successful companies to subtly encourage customer behavior. Through consecutive “hook cycles,” these products reach their ultimate goal of bringing users back again and again without depending on costly advertising or aggressive messaging. Hooked is based on Eyal's years of research, consulting, and practical experience. He wrote the book he wished had been available to him as a start-up founder—not abstract theory, but a how-to guide for building better products. Hooked is written for product managers, designers, marketers, start-up founders, and anyone who seeks to understand how products influence our behavior. Eyal provides readers with: • Practical insights to create user habits that stick. • Actionable steps for building products people love. • Fascinating examples from the iPhone to Twitter, Pinterest to the Bible App, and many other habit-forming products.

**Dictionary Of Word Roots** Donald Borrer 1960-09-01 One of the outstanding problems of the biologist, whether he be beginning student or specialists, is that of understanding technical terms. The best way to understand and remember technical terms is to understand first their component parts, or roots. This dictionary has been designed primarily to meet the needs of the beginning student, the medical student, and the taxonomist, but it should be of value to all biologists.

*The Athenaeum* 1887

**The Wizard Heir** Cinda Williams Chima 2009-10-18 The sequel to *The Warrior Heir* by New York Times and USA Today bestselling author Cinda Williams Chima. Sixteen-year-old Seph McCauley has spent the past three years getting kicked out of one exclusive private school after another. And it's not his attitude that's the problem: it's the trail of magical accidents—lately, disasters—that follow in his wake. Seph is a wizard, orphaned and untrained, and his powers are escalating out of control. After causing a tragic fire at an after-hours party, Seph is sent to the Havens, a secluded boys' school on the coast of Maine. At first, it seems like the answer to his prayers. Gregory Leicester, the headmaster, promises to train Seph in magic and initiate him into his mysterious order of wizards. But Seph's enthusiasm dampens when he learns that training comes at a steep cost, and that Leicester plans to use his students' powers to serve his own wicked agenda. In this companion novel to *The Warrior Heir*, everyone's got a secret to keep: Jason Haley, a fellow student who's been warned to keep away from Seph; the enchanter Linda Downey, who knew his parents; the rogue wizard Leander Hastings; and the warriors Jack Swift and Ellen Stephenson. The only question is: Does Seph have the strength to survive this wizard war?

Dictionary of Languages Andrew Dalby 2015-10-28 Covering the political, social and historical background of each language, Dictionary of Languages offers a unique insight into human culture and communication. Every language with official status is included, as well as all those that have a written literature and 175 'minor' languages with special historical or anthropological interest. We see how, with the rapidly increasing uniformity of our culture as media's influence spreads, more languages have become extinct or are under threat of extinction. The text is highlighted by maps and charts of scripts, while proverbs, anecdotes and quotations reveal the features that make a language unique.

Straphanger Taras Grescoe 2012-04-24 Taras Grescoe rides the rails all over the world and makes an elegant and impassioned case for the imminent end of car culture and the coming transportation revolution "I am proud to call myself a straphanger," writes Taras Grescoe. The perception of public transportation in America is often unflattering—a squalid last resort for those with one too many drunk-driving charges, too poor to afford insurance, or too decrepit to get behind the wheel of a car. Indeed, a century of auto-centric culture and city planning has left most of the country with public transportation that is underfunded, ill maintained, and ill conceived. But as the demand for petroleum is fast outpacing the world's supply, a revolution in transportation is under way. Grescoe explores the ascendance of the straphangers—the growing number of people who rely on public transportation to go about the business of their daily lives. On a journey that takes him around the world—from New York to Moscow, Paris, Copenhagen, Tokyo, Bogotá, Phoenix, Portland, Vancouver, and Philadelphia—Grescoe profiles public transportation here and abroad, highlighting the people and ideas that may help undo the damage that car-centric planning has done to our cities and create convenient, affordable, and sustainable urban transportation—and better city living—for all.

*Running from the Law* Lisa Scottoline 2009-03-17 A wisecracking lawyer takes on the defense of a prominent federal judge accused of sexual harassment, but all bets are off when the case turns deadly in this page-turning thriller from #1 bestselling author Lisa Scottoline—her classic novel, now available in trade paperback for the first time. "Lisa Scottoline is one of the very best writers at work today."—Michael Connelly Whether it's at the poker table or in a court room, wisecracking attorney Rita Morrone plays to win, especially when it comes to her latest case, which is also her most personal. She's defending the Honorable Fiske Hamilton, a prominent federal judge accused of sexual harassment. It's no coincidence her client happens to be her live-in lover's father. When the action suddenly turns deadly, Rita finds herself at the center of a murder case. The search for answers plunges her deep into the investigation, uncovering a secret life and suspects in shocking places. Then the killer viciously ups the ante. To end this lethal game, Rita will lay it all on the line for the highest stakes ever—her life.

**Richard Pococke's Letters from the East (1737-1740)** Rachel Finnegan 2020-10-20 In Richard Pococke's Letters from the East (1737-1740), Rachel Finnegan provides edited transcripts of the full run of correspondence from Richard Pococke's famous eastern voyage from 1737-40, together with updated biographical accounts of the author and his correspondents (his mother, Elizabeth Pococke and his uncle and patron, Bishop Thomas Milles).

*Dear Ijeawele, or A Feminist Manifesto in Fifteen Suggestions* Chimamanda Ngozi Adichie 2017-03-07 NATIONAL BESTSELLER • The award-winning author of *We Should All Be Feminists* and *Americanah* gives us this powerful statement about feminism today—written as a letter to a friend. A few years ago,

Chimamanda Ngozi Adichie received a letter from a childhood friend, a new mother who wanted to know how to raise her baby girl to be a feminist. *Dear Ijeawele* is Adichie's letter of response: fifteen invaluable suggestions—direct, wryly funny, and perceptive—for how to empower a daughter to become a strong, independent woman. Filled with compassionate guidance and advice, it gets right to the heart of sexual politics in the twenty-first century, and starts a new and urgently needed conversation about what it really means to be a woman today. A Skimm Reads Pick ● An NPR Best Book of the Year

**Empty Planet** Darrell Bricker 2019-02-05 From the authors of the bestselling *The Big Shift*, a provocative argument that the global population will soon begin to decline, dramatically reshaping the social, political, and economic landscape. For half a century, statisticians, pundits, and politicians have warned that a burgeoning planetary population will soon overwhelm the earth's resources. But a growing number of experts are sounding a different kind of alarm. Rather than growing exponentially, they argue, the global population is headed for a steep decline. Throughout history, depopulation was the product of catastrophe: ice ages, plagues, the collapse of civilizations. This time, however, we're thinning ourselves deliberately, by choosing to have fewer babies than we need to replace ourselves. In much of the developed and developing world, that decline is already underway, as urbanization, women's empowerment, and waning religiosity lead to smaller and smaller families. In *Empty Planet*, Ibbitson and Bricker travel from South Florida to Sao Paulo, Seoul to Nairobi, Brussels to Delhi to Beijing, drawing on a wealth of research and firsthand reporting to illustrate the dramatic consequences of this population decline—and to show us why the rest of the developing world will soon join in. They find that a smaller global population will bring with it a number of benefits: fewer workers will command higher wages; good jobs will prompt innovation; the environment will improve; the risk of famine will wane; and falling birthrates in the developing world will bring greater affluence and autonomy for women. But enormous disruption lies ahead, too. We can already see the effects in Europe and parts of Asia, as aging populations and worker shortages weaken the economy and impose crippling demands on healthcare and social security. The United States is well-positioned to successfully navigate these coming demographic shifts—that is, unless growing isolationism and anti-immigrant backlash lead us to close ourselves off just as openness becomes more critical to our survival than ever before. Rigorously researched and deeply compelling, *Empty Planet* offers a vision of a future that we can no longer prevent—but one that we can shape, if we choose.

**Secession and Security** Ahsan I. Butt 2017-11-15 "The book is an excellent addition to the scholarly literature on subnational movements, both past and present, offering a range of insights to policymakers across the globe."—Ayesha Jalal, author of *The Struggle for Pakistan* "With judicious use of empirical evidence and rich case studies, Ahsan I. Butt makes a compelling case that states' responses to secessionist movements turn to a considerable degree on their external security environments."—S. Paul Kapur, author of *Jihad as Grand Strategy In Secession and Security*, Ahsan I. Butt argues that states, rather than separatists, determine whether a secessionist struggle will be peaceful, violent, or genocidal. He investigates the strategies, ranging from negotiated concessions to large-scale repression, adopted by states in response to separatist movements. Variations in the external security environment, Butt argues, influenced the leaders of the Ottoman Empire to use peaceful concessions against Armenians in 1908 but escalated to genocide against the same community in 1915; caused Israel to reject a Palestinian state in the 1990s; and shaped peaceful splits in Czechoslovakia in 1993 and the Norway-Sweden union in 1905. Using more than one hundred interviews and extensive archival data, Butt focuses on two main cases—Pakistani reactions to Bengali and Baloch demands for independence in the 1970s and India's responses to secessionist movements in Kashmir, Punjab, and Assam in the 1980s and 1990s. Butt's deep historical approach to his subject will appeal to policymakers and observers interested in the last five decades of geopolitics in South Asia, the

contemporary Israeli-Palestinian conflict, and ethno-national conflict, separatism, and nationalism more generally.

*Notes on Grief* Chimamanda Ngozi Adichie 2021-05-11 From the globally acclaimed, best-selling novelist and author of *We Should All Be Feminists*, a timely and deeply personal account of the loss of her father. "Essential." —Booklist *Notes on Grief* is an exquisite work of meditation, remembrance, and hope, written in the wake of Chimamanda Ngozi Adichie's beloved father's death in the summer of 2020. As the COVID-19 pandemic raged around the world, and kept Adichie and her family members separated from one another, her father succumbed unexpectedly to complications of kidney failure. Expanding on her original *New Yorker* piece, Adichie shares how this loss shook her to her core. She writes about being one of the millions of people grieving this year; about the familial and cultural dimensions of grief and also about the loneliness and anger that are unavoidable in it. With signature precision of language, and glittering, devastating detail on the page—and never without touches of rich, honest humor—Adichie weaves together her own experience of her father's death with threads of his life story, from his remarkable survival during the Biafran war, through a long career as a statistics professor, into the days of the pandemic in which he'd stay connected with his children and grandchildren over video chat from the family home in Abba, Nigeria. In the compact format of *We Should All Be Feminists* and *Dear Ijeawele*, Adichie delivers a gem of a book—a book that fundamentally connects us to one another as it probes one of the most universal human experiences. *Notes on Grief* is a book for this moment—a work readers will treasure and share now more than ever—and yet will prove durable and timeless, an indispensable addition to Adichie's canon.

**The Enchanter Heir** Cinda Williams Chima 2013-10-01 The fourth installment in the Heir Chronicles series by *New York Times* and *USA Today* bestselling author Cinda Williams Chima. They called it the Thorn Hill Massacre—the brutal attack on a once-thriving Weir community. Though Jonah Kinlock lived through it, he did not emerge unscathed. Like the other survivors, Jonah possesses unique magical gifts that set him apart from members of the mainline guilds. At seventeen, he has become the deadliest assassin in *Nightshade*, a network that hunts the undead. Emma Claire Greenwood grew up worlds away, raised by a grandfather who taught her music rather than magic. An unschooled wild child, she runs the streets until the night she finds her grandfather dying, gripping a note warning Emma that she might be in danger. The clue he leaves behind leads Emma into Jonah's life—and a shared legacy of secrets and lingering questions: Was Thorn Hill really a peaceful commune? Or was it, as the Wizard Guild claims, a hotbed of underguild terrorists? As members of the mainline guilds start turning up dead, the Wizards blame *Nightshade*, and it's up to Jonah and Emma work to uncover the truth...before whoever planned the Thorn Hill Massacre strikes again.

International Labour Documentation International Labour Office. Central Library and Documentation Branch 1965

*Transforming Venus* Paula Weisflock 2017-05-18 In the middle of her life, a woman starts to see the world in a different light. For decades, she's tried her best to play by the rules going to school, raising a family, getting a job, and making sure the bills are paid. Then one day she wakes up and realizes she wants more from her life. Her kids have left home, her relationship has shifted, and her personal and professional interests are not what they were 20 years ago. She sees the years passing, and feels like it's

now or never. She knows she needs to change things soon, but she can't quite put her finger on what she needs to do, or how to get started. In short, she becomes a: Stuck Goddess. TRANSFORMING VENUS by Paula Weisflock is an enlightening and educational adventure designed to help you make the life changes you most deeply desire and deserve. It is a book designed for women in mid-life who are ready to shake off their life-numbing inertia and reignite their hearts, heads, and souls with the passion and joy they have been missing for so long. Bursting with inspiration, practical tools and real-life Goddess stories, Transforming Venus will help even the most stuck Goddesses break free of their old habits, so they can finally let their inner Goddess out to play. Your life is precious, and you deserve to love every minute of it. You deserve to feel vibrant and that your life is full of meaning and purpose. These feelings of bliss are signs we are no longer stuck Goddesses, but we have stepped into our true Goddess selves. If you're ready to embark on the most exciting and important journey of your life, pick up your own copy of Transforming Venus and Let the Goddess Transformation Begin!

*The Sorcerer Heir* Cinda Williams Chima 2014-10-21 The delicate peace between Wizards and the underguilds (Warriors, Seers, Enchanters, and Sorcerers) still holds by the thinnest of threads, but powerful forces inside and outside the guilds threaten to sever it completely. Emma and Jonah are at the center of it all. Brought together by their shared history, mutual attraction, and a belief in the magic of music, they now stand to be torn apart by new wounds and old betrayals. As they struggle to rebuild their trust in each other, Emma and Jonah must also find a way to clear their names as the prime suspects in a series of vicious murders. It seems more and more likely that the answers they need lie buried in the tragedies of the past. The question is whether they can survive long enough to unearth them. Old friends and foes return as new threats arise in this stunning and revelatory conclusion to the beloved and bestselling Heir Chronicles series.
